NOTICE

The building permit is valid for 6 months, or until the final inspection has been completed. I hereby certify that I have read this document and all of the above information is true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting of this permit does not give authority to violate or cancel any law or ordinance. Various inspections are required on building projects. Applicant is responsible for obtaining a list from Development Services upon issuance of permit. All building projects require a FINAL INSPECTION before the project is considered complete.

_____
[Applicant Signature] [Date]

This application and the accompanying materials related to this application have been reviewed for compliance with international codes and local ordinances, and is, hereby, approved for permit issuance.
