PLEASE SUPPORT US ON GIVING TUESDAY- NOVEMBER 28, 2023

Thunder Bay Island Preservation Society (TBIPS) is excited to be one of 62 nonprofits participating in Giving Tuesday Northeast Michigan this year through the Community Foundation for Northeast Michigan (CFNEM)! All donations made on that day (24-hours only) will be used specifically for the design and engineering plan for a permanent dock and walkway to the shoreline. This step is necessary before applying for any permits, grants, or financial assistance for the actual construction. Not having a safe docking system has stymied not only the repair and restoration of the buildings, but all future heritage tourism.

WAYS YOU CAN SUPPORT THIS FUNDRAISING EVENT:

- Visit cfnem.org/givingtuesday on Nov. 28th, from 12:01 am-11:59 pm, select TBIPS from the participant list, and follow the prompts to utilize your charge card for the donation, or scan the QR code below.
