The decision to proceed with construction and implementation of any such Capital Improvement Project shall be at the sole discretion and decision of the Owner. RBBR provides for financing of Capital Improvement Projects and with Owner's consent will provide such improvements on a turnkey basis including financing. Savings achieved by these projects **will** be shared with the Owner on a negotiated basis. If the Owner decides not to proceed with construction and implementation of a Capital Improvement Project recommended by RBBR that RBBR deems necessary to comply with existing or anticipated changes to Applicable Law, particularly required effluent quality, then the Owner shall arrange a conference with the Owner's consultant engineer and RBBR to address the issue. The decision to proceed with implementation of any Capital Improvement shall be at the sole discretion and decision of the Owner.

COMPENSATION

Commencing on the Effective Date, the Owner shall pay a monthly fee to RBBR for performing the Scope of Services for each year during the initial term and each year during any renewal period, as more particularly set forth in Schedule B, for which RBBR will invoice the Owner on a monthly basis. One-twelfth of the Annual Fee for the current year shall be due and payable on the first of the month for each month service is provided.

During the term of this Agreement, should RBBR become aware of any unsafe conditions or safety violations at the Facility arising from the construction or condition of the Facility, RBBR will notify the Owner of such condition within a reasonable time after such discovery. Thereafter, the Owner and RBBR shall determine the actions needed to correct such conditions and proceed diligently, at the Owner's sole cost and expense, to implement such corrective measures.

UNCONTROLLABLE CIRCUMSTANCES

If an Uncontrollable Circumstance occurs, RBBR shall be entitled to:

- relief from its performance obligations under this Agreement to the extent that the occurrence of the Uncontrollable Circumstance prevents RBBR's performance of such obligations;
- an extension of time to perform its obligations under this Agreement to the extent that the occurrence of the Uncontrollable Circumstance prevents RBBR's ability to perform such obligations in the time specified in this Agreement;
- an increase in the Agreement Price or other fee to be paid under this Agreement to the extent that such increase is attributable to the occurrence of the Uncontrollable Circumstance and increases RBBR's documented costs of performance of its obligations under this Agreement.
- The occurrence of an Uncontrollable Circumstance shall not, however, excuse or delay the Owner's obligation to pay monies previously accrued and owing to RBBR under this Agreement, or for RBBR to perform any obligation under this Agreement not affected by the occurrence of the Uncontrollable Circumstance. The Owner shall continue to pay the Agreement Price to RBBR during the continuance of any Uncontrollable Circumstance.
- If an Uncontrollable Circumstance occurs, RBBR shall notify the Owner by telephone, electronic mail, or facsimile after RBBR first learns of the occurrence thereof Within fifteen (15) days of RBBR learning of the Uncontrollable Circumstance, RBBR shall provide the Owner with a written description of the Uncontrollable Circumstance, the cause thereof (to the extent known), the date the Uncontrollable Circumstance began, its expected duration and an estimate of the specific relief requested or to be requested by RBBR.
- RBBR shall use commercially reasonable efforts to reduce costs resulting from the occurrence of the Uncontrollable Circumstance, fulfill its performance obligations under the Agreement, and otherwise mitigate the adverse effects of the Uncontrollable Circumstance. While the Uncontrollable Circumstance continues, RBBR shall give the Owner a monthly update of the information previously submitted. RBBR shall also provide written notice to the Owner of the cessation of the Uncontrollable Circumstance.

DEFAULT

The following shall constitute an "Event of Default" hereunder:

- The failure of the Owner to make any undisputed payment by the Due Date;
- The failure of either Party to perform any material term, covenant, or condition of this Agreement ("Defaulting Party") and the default continues for more than thirty (30) days following the other Party ("Non-Defaulting Party") giving notice of such default to the Defaulting Party; provided, however, that if the default cannot reasonably be cured within such thirty (30) day period and the Defaulting Party has attempted to cure the default within such thirty (30) day period and thereafter continues to diligently attempt to cure the default, then the cure period provided for herein shall extend up to, but in no case more than sixty (60) days.

- If an Event of Default occurs, the Non-Defaulting Party may terminate this Agreement upon written notice to the Defaulting Party. The Non-Defaulting Party may enforce any and all rights and remedies it may have against the Defaulting Party under Applicable Law.

PERMITTING REQUIREMENTS, FINES AND PENALTIES

- RBBR shall be responsible for all fines and penalties relating to and arising from failure of RBBR to operate the Facility in accordance with its obligations hereunder, but only to the extent of and in proportion to the degree of fault, failure or negligence of RBBR. The Owner shall be responsible for all other fines and penalties relating to and arising from the Facility, including, without limitation, the Owner's failure to perform its obligations hereunder.
- RBBR will not be responsible for fines, claims, or penalties resulting from discharge violations or a failure to meet the effluent quality requirements of the Owner's Permit for any period(s) and subsequent recovery period(s) in which The Facility contains biologically toxic or hazardous substances that cannot be removed by the existing process;
- The Facility is inoperable or can operate only at a reduced capacity due to construction activities, fire, flood, adverse weather conditions, labor disputes, or other causes beyond RBBR's control;
- Discharges into the Facilities Backwash system violate any or all regulations as stated in the local, state, or federal rules, and regulations pertaining to discharges into sewer system;
- The Owner fails to make necessary Capital Improvements, other improvements that are needed to meet permit requirements, or equipment repair or replacement, or delays authorizations for items needed to meet permit requirements.

If a fine or penalty is assessed against RBBR or the Owner with regard to the Facility, the Party receiving such fine or penalty ("Notifying Party") shall promptly notify the other Party ("Receiving Party") in writing of such fine and penalty and include a copy of any documents received. Such notice shall also contain a statement of the Notifying Party's position as to which party or parties bear responsibility for the fine or penalty.

The Notifying Party's notice shall include assumption of all or partial responsibility of such fine or penalty, if applicable, or its rejection of any responsibility. If the notice asserts that the Receiving Party is either wholly or partially responsible, then, within five (5) business days of receipt of such notice, the Receiving Party shall either assume all responsibility if that Party is wholly responsible, or assume partial responsibility for its portion of such fine or penalty, or reject such assertion in writing.

If both Parties are partially responsible for the fine or penalty, then they shall apportion the costs of the fine or penalty in proportion to the percentage of their respective responsibility. If either Party denies responsibility or the Parties are unable to come to an agreement as to the allocation of responsibility, the Parties shall attempt to resolve the dispute amicably, failing which the Parties shall submit the matter to dispute resolution in accordance with Section 16.

As to any fine or penalty for which the Owner or RBBR assumes responsibility, the Party or Parties assuming responsibility shall be entitled to request and pursue an appeal or administrative hearing to review the fine or penalty at the sole cost and expense of the responsible Party or Parties; provided, however, that the Parties shall cooperate in providing access to documents and information, and execution of any consents or authorizations reasonably required. Any testimony, investigations, reports, representation, and advisory services provided by RBBR are not included in the Scope of Services or Additional Services, and will be provided at an additional cost to the Owner, unless it is ultimately determined that RBBR is responsible for the fine or penalty.

As to any fine or penalty for which responsibility is disputed, either the Owner or RBBR, or jointly, may request and pursue an appeal or administrative hearing to review the fine or penalty without prejudice to the allocation of ultimate responsibility between them, which would be submitted for resolution in accordance with Section 16.

The Owner and RBBR shall cooperate in assertion of any appropriate affirmative defenses to any alleged permit violation prior to assessment of a fine or penalty. RBBR will prepare and submit the documentation to assert an affirmative defense. Any testimony, investigations, reports, representation, and advisory services provided by RBBR in asserting appropriate affirmative defenses are not included in the Basic Services or Additional Services, and will be provided at an additional cost to the Owner, in accordance with RBBR's per diem rates then in effect, unless it is ultimately determined that RBBR is responsible for the fine or penalty.

INDEMNIFICATION

RBBR shall indemnify and hold the Owner, its employees, officers, directors, agents, consultants, contractors, and representatives harmless from and against all liability for all damages of any nature whatsoever, including employee related injury or illness, any bodily injury or personal damage claim and any damage to or loss of use or loss of any personal or real property, which is caused by or directly attributable to the fault, failure, error, omission, negligent, or wrongful act of RBBR, its employees, officers, directors, agents, consultants, subcontractors, and representatives for which it may be responsible in the performance or purported performance of its obligations under this Agreement, but only to the extent of and in proportion to the degree of fault, failure, error, omission, negligent, or wrongful act of RBBR, its employees, officers, directors, agents, consultants, subcontractors, and representatives.

RBBR shall not be responsible or liable for any casualty loss to the Facility unless the casualty loss is due to RBBR's or its employees', officers', directors', agents', consultants', subcontractors' and representatives' fault, failure, or negligence, but only to the extent of and in proportion to the degree of fault, failure, error, omission, negligent, or wrongful act of RBBR, its employees, officers, directors, agents, consultants, subcontractors, and representatives.

DISPUTE RESOLUTION

If a dispute between the Parties arises out of, or relates to this Agreement, which does not involve claims made by or asserted against third parties, and if the dispute cannot be settled through negotiation, the Parties will try to resolve the dispute by non-binding mediation, through a mutually agreed upon dispute resolution agency.
