This may include, but is not limited to, coordinating with the Utility for transportation, distribution, and delivery of Energy, and negotiating, entering, performing, amending, and terminating agreements and/or obligations relating to the supply of Energy. Customer authorizes HES for the duration of the Agreement, to obtain current and historical information, including credit information, facility descriptions, operating and usage information, meter identification numbers and other data as needed. Customer agrees that its acceptance of this Agreement is authorization for release of such information. Customer agrees to provide all necessary information, access and authorization for HES to enroll Customer with the utility and receive actual usage data and payment data from the applicable Utility or other third party provider. Incorrect Customer information may be rectified by HES. Customer authorizes HES to provide information about Customer, including contact information, to HES's creditors, suppliers, affiliates, business partners and service providers. HES (and its affiliates, business partners, and service providers) can communicate with Customer, via mail or e-mail, about other products and services, unless Customer elects not to receive these communications by marking the appropriate section on the Transaction Confirmation or provides written notice to HES that it does not wish to receive these communications.

3. Acceptance, Verification. HES may remove any Location(s) from this Agreement, without cost or penalty to either Party, if any of conditions (a-d) are not met or (e) occurs: (a) Utility's acceptance and implementation of HES's request to serve a Location under a deregulated Energy service program; (b) HES's verification of the accuracy of Customer's information by recorded telephone call (or other means acceptable to HES); (c) HES's approval of Customer's creditworthiness as stated in Section 12; (d) If applicable, Customer is in good standing with HES; (e) supply of Energy has not commenced within 6 months of the Estimated Start Date, for whatever reason, or this Agreement is unable to be implemented for reasons beyond HES's control. If conditions (a-d) are satisfied, or otherwise waived by HES, HES will supply Energy to Customer's Location(s). If HES removes any Location, it may, in its sole discretion, terminate the Transaction Confirmation and upon request of Customer, re-price the remaining Location(s) pursuant to a new Transaction Confirmation.

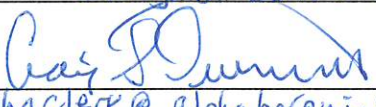

4. Term. The Term begins on the Start Date, which will be HES's first day of Energy supply to Customer's Location(s) under a Transaction Confirmation, and ends on the End Date. The Estimated Term, Estimated Start Date and Estimated End Date are referenced on the Transaction Confirmation. Should the Start Date be delayed from the Estimated Start Date, HES will use commercially reasonable efforts to resolve issues within its control. If the Start Date is not within 60 days from the Estimated Start Date due to Customer's action or lack of action, HES reserves the right to cancel the Transaction Confirmation without cost or penalty to either Party and propose a new Price to Customer. The End Date will be HES's last day of Energy supply, for the Location, under the Transaction Confirmation. For reasons other than ending early or Automatic Renewal, the End Date may be 30 days or more from the Estimated End Date, depending on the time required to complete customer's switch back to Utility or other

Agreement

This Transaction Confirmation forms part of the Agreement entered into by and between Hudson Energy Services, LLC ("HES") and Alpha Borough ("Customer"). supplier. Customer remains responsible for all HES charges through, to, and including the End Date.

5. Renewal. Unless either Party provides written notice at least thirty (30) days prior (or as otherwise stated in the Rider section of the Transaction Confirmation to this Agreement) to the Estimated End Date not to renew a Location and completes the transfer of Energy service to another Retail Energy Provider or the Utility on or about the Estimated End Date, the Location will automatically be renewed on a month to month basis if no other renewal agreement has been reached ("Automatic Renewal"). Automatic Renewal rates may vary from month to month and will be posted on HES's web-site at www.hudsonenergy.net/disclosures/. If the Location resides in a market where a posted rate is not applicable the rate calculation will be identified in the Rider section of the Transaction Confirmation. Automatic Renewals will not include Greengas or Greenpower products and will not be subject to an Exit Fee.

6. Green Energy Option (Greengas and Greenpower). If Customer selects Greengas, HES will purchase and retire verified emissions reductions, allowances or instruments ("carbon credits") to offset Customer's natural gas consumption multiplied by the Greengas percentage listed on the Transaction Confirmation. If Customer selects Greenpower, HES will purchase and retire renewable energy certificates or attributes ("green energy") equivalent to Customer's electricity use, multiplied by the Greenpower percentage listed on the Transaction Confirmation. Carbon credits and green energy purchased and retired on Customer's behalf will remain HES's legal property. Green-related charges will be included with the Energy charge on Customer's bill. Green energy product purchases are separate from any RPS requirement associated with Customer's underlying commodity purchase.

7. Charges (and Credits) under this Agreement. Prices upon which charges are determined are listed on the Transaction Confirmation. Energy charge is the product of Customer's Energy consumption and the Energy Price, plus pass-through charges (as applicable). Greenpower charge is the product of Customer's electricity consumption and the Greenpower Price. Greengas charge is the product of Customer's natural gas consumption and the Greengas Price. Customer agrees to pay for the related charges, taxes, and other amounts charged by the Utility to enable HES's performance under this Agreement. Several types of charges may be passed-through to Customer, if applicable. These pass-through charges may include Third Party Charges, product component charges not included in the fixed portion of Price as indicated on the Transaction Confirmation, charges imposed from a Change in Law pursuant to Section 22 and charges that result from a material change pursuant to the Quantity Variances section in the Transaction Confirmation, if applicable. Customer may also incur pass-through charges associated with consumption outside of stated bandwidth parameters as applicable to HES products with defined bandwidths as defined on the Transaction Confirmation. Customer shall pay lawful taxes and surcharges that may apply to the charges, whether direct or indirect, relating to the sale, purchase or delivery of Energy. This may include State or local municipal taxes that HES will pass through to Customer. If Location(s) are exempt from state/local taxes, Customer shall provide HES with proof of such status at the time of its execution of the Transaction Confirmation. Otherwise, until Customer provides such proof, HES is not required to recognize any exemption or refund/credit previously paid taxes. CUSTOMER WILL DEFEND, INDEMNIFY AND HOLD HES HARMLESS FOR ALL TAX-RELATED OBLIGATIONS UNDER THIS AGREEMENT.

8. Billing, Payment, Measurement. Customer will be billed in the manner indicated on the Transaction Confirmation. If Customer elects to be billed by the Utility, non-payment of Utility and HES charges may result in service being disconnected by the Utility and Customer will be billed in accordance with the Utility's usual requirements and schedules for billings, payments, late payments and other charges. HES reserves the right to bill Customer directly if the Utility can't bill HES charges. HES's payment terms are from date of invoice. HES's late payment fees and interest charges are stated on the Transaction Confirmation. Customer shall pay HES's reasonable collection costs and legal fees associated with the collection of amounts owed by Customer to HES. The Utility will measure (or otherwise determine) the amount of Energy and other cost components (e.g. capacity and transmission allocations) supplied to the Location. If the Utility does not provide actual data in a timely manner, HES may use estimated data to calculate Customer's invoice and, upon receipt of actual data, will reconcile the charges and adjust them as needed in subsequent invoices. HES assumes no liability for errors in measurement and shall be entitled to revise any bill, if necessary, to account for any errors or reassessment made by the Utility, ISO or HES. Customer agrees to comply with any and all billing and payment requirements as established by the applicable Utility and public utility commission. HES may use any deposit made by Customer for the payment of amounts owing pursuant to this Agreement. If Customer in good faith disputes some portion of an invoice, it will promptly provide HES written notice of the disputed amount and justification for the dispute. Notwithstanding any errors or reassessment made by the Utility or ISO, both Parties waive their right to dispute an invoice unless the disputing Party provides written notice to the other Party within twenty-four months after the invoice due date.

9. Ending this Agreement Early, Default. If any Location(s) or Transaction Confirmation ends early, for any reason, Customer remains responsible for all HES charges through, to, and including the early End Date. HES can terminate a Location(s) or Transaction Confirmation, at no cost to HES, if: (a) required/allowed by law; (b) the Utility or HES is unable to service a Location; (c) a legislative or regulatory change materially alters HES's ability to profitably perform this Agreement; or (d) Customer falls into "Default". Customer shall be in Default if, at any time under this Agreement, it: (i) enters into an agreement for any Location identified on the Transaction Confirmation that would prevent or interfere with the performance of this Agreement; (ii) withdraws HES's authority as exclusive agent or limits HES's ability to obtain and use information necessary to perform this Agreement; (iii) fails to make, when due, any undisputed payment required under this Agreement; (iv) fails to maintain or provide credit support as provided for herein; (v) makes an assignment or any general arrangement for the benefit of creditors; (vi) files a petition or otherwise commences,

authorizes or acquiesces to the commencement of a proceeding or cause of action with respect to it under any bankruptcy proceeding or similar laws for the protection of creditors, or have such petition filed against it and such petition is not withdrawn or dismissed within thirty (30) days after such filing; (vii) otherwise becomes insolvent (however evidenced); or (viii) is unable to pay its debts as they fall due. If an event of Default listed in subsections (v, vi, vii, viii) above occurs, the Event of Default will be deemed to have automatically occurred just prior to such event. Either Party shall be in Default if, at any time under this Agreement, any of the following occur: (a) any representation or warranty made by a Party proves to be false or misleading in any material respect when made or ceases to remain true in all material respects during the Term of this Agreement if not cured within fourteen (14) days after receipt of written notice from the other Party; (b) except to the extent excused by Force Majeure, the failure by a Party to perform any material obligation set forth in the Agreement (other than events that are specifically covered as a separate Events of Default hereunder) and such failure is not cured within fourteen (14) days after receipt of written notice from the other Party; (c) any unauthorized assignment of a Party's rights or obligations hereunder; or (d) any breach of the confidentiality provisions of this Agreement. Should publishing of the Index Price be stopped by the publishing entity identified on the Transaction Confirmation, or if there is a material change in the method of calculation of the Index Price, HES may in its commercially reasonable discretion either terminate this Agreement or determine the applicable Index Price by using the most recent price available from the publishing entity or by using another published source

10. Rights of Non-Defaulting Party: If either Party defaults, the non-defaulting Party may terminate a Location(s) or Transaction Confirmation(s) pursuant to this Agreement effective on the date indicated in its notice of termination and shall have the right: (i) to suspend performance on or after the date of termination; and (ii) to the extent allowed by law, to disconnect, or cause to be disconnected, each Customer Location. In the event of disconnection for Customer's non-payment, Customer may be required to pay additional charges to Customer's Utility and HES. The Parties agree and acknowledge that under bankruptcy law (i) this Agreement constitutes a forward contract within the meaning of the United States Bankruptcy Code ("Code"), (ii) HES is a forward contract merchant; (iii) HES is not a Utility or "Utility" as that term is used in 11 U.S.C. 366, and Customer agrees to waive and not to assert the applicability of the provisions of 11 U.S.C. 366 in any bankruptcy proceeding; and (iv) HES is entitled to the rights under, and protections afforded by, the Code.

11. Exit Fees. Except as otherwise provided or excused in this Agreement, including any Force Majeure Event, if at any time prior to any Location(s) Estimated End Date a Location ends early due to Customer's Default, HES shall calculate and Customer shall pay liquidated damages to HES according to the Exit Fee calculations provided below. The Parties agree that the liquidated damages calculation is a genuine pre-estimate of the damages that would be suffered by HES and shall be conclusively deemed to be liquidated damages designed to reimburse HES for its losses and not a late payment charge, penalty, fine, interest, or other charge of any kind.

Exit Fees (Liquidated Damages)

Customer shall pay liquidated damages to HES as defined below.

- Exit Fee - Customer's Remaining Volume multiplied by the difference per Unit (e.g. kWh, therm, ccf, MMBtu) obtained by subtracting HES's per Unit market cost for similarly situated customers existing at the time of the Default from the per unit contracted Total Price plus each of the following: (a) all applicable taxes; (b) HES's associated costs and reasonable legal expenses related to determining the liquidated damages and the enforcement of HES's rights and remedies; and (c) all penalties and any other charges incurred by HES as a result of the termination.

12. Credit Requirements. HES's supply of Energy depends on HES's assessment of Customer's creditworthiness, which is based in part on Customer's payment history and ability to pay bills as they come due. HES reserves the right to require Customer to provide collateral prior to HES's acceptance of this Agreement or during the Term if HES has reasonable grounds to believe Customer's creditworthiness or performance under this Agreement may become unsatisfactory. Collateral will be in a form deemed acceptable to HES and may include a cash deposit, letter of credit, or a guarantee. Any deposit will be held without interest unless required by applicable law. HES will provide notice, pursuant to Section 20 - Notice, if Customer no longer meets HES's commercially reasonable credit requirements. Such notice will identify the amount of credit support required by HES and acceptable means that satisfy the requested credit support. Failure to provide credit support, within 5 Business Days, may be deemed an Event of Default under section 9(iv). Any credit support shall be retained by HES as collateral for the faithful performance by Customer of all of the covenants and conditions to this Agreement. If not applied toward the payment of monies owed to HES, the collateral, plus any accrued interest, will be returned to Customer when the Transaction Confirmation pursuant to this Agreement terminates or upon mutual agreement of the Parties.

13. Representations. As a material Inducement to entering into this Agreement, each Party, with respect to itself, represents and warrants to the other Party that it has the power and the authority to enter into, and perform its obligations under, this Agreement; and, each Party accepts this Agreement to be a legal, valid and binding obligation of such Party enforceable against it in accordance with its terms. Customer further covenants that it: (a) shall provide HES with all necessary physical access and information required to implement this Agreement; (b) shall abide by the rules and tariffs of the Utility; (c) has made its own independent decisions to enter into this Agreement based solely upon its own judgment and upon advice from such advisers as it has deemed necessary; and (d) agrees no communication (written or oral) received from HES or its affiliates (or its

Air Emissions Rates

Pursuant to N.J.A.C. 14:8-3:1(b)2, air emission rates for CO₂, NO_x, and SO₂ associated with the fuel mix must be reported in units of pound per megawatt-hour (lb/MWh). The Benchmark Energy Source and emission rate data is the PJM System Mix for EY 2019 and represent the average amount of air pollution associated with the generation of electricity in the PJM region. The PJM System Mix average emission rate for all electricity generation in the PJM Region can be used for comparison when a NJ TPS or BGS Provider supplies actual emission data for a product making an affirmative environmental claim that exceeds the NJ Renewable Portfolio Standards. CO₂ is a "greenhouse gas" which may contribute to global climate change. NO_x and SO₂ react to form acids found in acid rain. NO_x also reacts to form ground level ozone, an unhealthful component of "smog." For illustrative purposes, the chart below compares a hypothetical electricity product that contained 100% NJ generation sources to the PJM System Mix.

up. Nothing in this Section 6 prohibits Customer and Energy Supplier from agreeing on a larger consumption bandwidth in the Contract.

7. The various provisions of this Rider and the Contract are severable. The invalidity, illegality, or unenforceability of any portion or provision of this Rider or the Contract shall not affect the validity, legality or enforceability of any other portion or provision of this Rider or the Contract.
8. Anything in the Contract to the contrary notwithstanding, any renewal or post-term price may only be accomplished in accordance with the statutory provisions of New Jersey Law as they relate to political subdivisions of the State.
9. To the extent permitted by Law, the existence of, and the terms and conditions of, this Rider shall be considered confidential and may not be disclosed by the Energy Supplier to any third party.
10. The price for electricity in the bid and in the Contract shall include all current non-utility charges, including energy, ancillary services, installed (or unforced) capacity, congestion, renewable portfolio standards, losses (including distribution and transmission losses (if applicable) incurred in connection with the delivery of energy, network integrated transmission and other ISO charges or administrative fees incurred in connection with delivery of energy to the specified delivery point, such that the quoted price represents an all-in fixed rate for the entire cost of supplying the electricity for the duration of the Contract. Nothing in this provision is meant to invalidate any provision in the Contract for adjustments to price resulting from a change in law.

limited to, Acts of God; severe weather; acts of the public enemy; civil insurrection, terrorism, sabotage, war or other military actions; events or actions associated with the Utility, the commodity supplier, regulator, or other entity having influence over the delivery of Energy to the Location, or HES's good faith compliance with their orders; event of Force Majeure of HES's direct or indirect supplier(s). Force Majeure shall not include (a) Customer's decision to shut down, sell or relocate its facilities; (b) economic loss due to Customer's loss of markets or customers; or (c) changes in the market prices of Energy.

20. Notice. Customer will promptly notify HES in advance of any change to Customer's information that is relevant to this Agreement. The Utility may also advise HES of any such change. When providing HES with notice, Customer shall send it to HES's address as listed on the Transaction Confirmation, to the attention of Customer Service Manager, Commercial Contracts. Legal Notices shall be sent to 5251 Westheimer Rd. Ste. 1000, Houston TX 77056, Attn: Legal Department; facsimile 713-933-0096. All notices shall be provided in a manner by which Customer may give proof of delivery upon request or by facsimile as noted on the Transaction Confirmation. Either Party can change its address for receiving notices by notifying the other pursuant to this paragraph. HES will send notices and correspondence to the billing address listed on the Transaction Confirmation (as may be amended from time to time upon receiving updated information from the Utility or Customer). At HES's discretion (if, for example, there is a fault with regard to the billing address), HES may instead send it to Customer's service or corporate address (as may be amended). If a change in Governing Law or Change in Law necessitates that a group of customers be provided with a general notice, HES reserves the discretion to provide it by posting it on its website at www.hudsonenergy.net. If a Change in Law results in a pass-through charge, HES will also provide written notice to Customer.

21. Governing Law. The laws of the state in which the Location is located govern this Agreement. If this Agreement contains Locations in more than one state, governing law shall be the State of New York for U.S. Locations. If a provision of this Agreement is deemed contrary to or unenforceable under Governing Law, the Parties agree it shall be severed to the minimal extent possible consistent with the meaning of the rest of this Agreement and reasonable intent of the Parties, and replaced by an enforceable provision close in meaning to the original.

22. Change in Law. If a Change in Law occurs, HES may pass through any associated costs or credits to the Customer without markup. "Change in Law" means any judicial decision, order, new law or regulation, or change in the application of any applicable law or utility rate structure that alters the market structure in the Utility or ISO, requires a change in the method by which prices are calculated (including but not limited to changes to formula rate calculations) under this Agreement or materially affects HES' ability to perform its obligations under this Agreement.

23. Confidentiality. Each Party acknowledges and agrees that the terms or conditions of this Agreement, including the fees paid hereunder and the terms of any proposal or any documents provided to Customer by HES in connection with this Agreement, constitute confidential information. Neither Party shall disclose any such confidential information to a third party (other than the Party's employees, counsel, accountants, affiliates or advisors who have a need to know such information and who have agreed to keep such information confidential) without the express prior written consent of the other Party, except in order to comply with any applicable law, regulation, regulatory body, exchange or ISO rule or in connection with any court or regulatory proceeding; provided, however, that each Party shall use reasonable efforts to prevent or limit the disclosure of confidential information, and shall immediately notify the other Party of the request for disclosure so as to afford such other Party the opportunity to oppose such disclosure or otherwise obtain a protective order or other relief as may be available. Each Party will cooperate with the other in any attempt to obtain such protections. This confidential provision shall not apply to (a) information that was known to a Party prior to obtaining information from the other Party; (b) information in the public domain; (c) information obtained by a Party from a third party who did not, directly or indirectly, receive the information from the other Party to this Agreement or from an entity that was under an obligation of confidentiality to the other Party to this Agreement; or (d) information developed by either Party independent of any confidential information. The Parties shall be entitled to all remedies available at law or equity to enforce or seek relief in connection with this confidentiality obligation.

24. Recordings. Each Party consents to the recording of all telephone conversations between its employees and the employees of the other Party. Any such recordings may be introduced to prove the intent of a transaction; provided, however, that nothing herein shall be construed as a waiver of any objection to the introduction of such evidence on the grounds of relevance. Absent manifest error, any conflict between such a recording and written documentation that is executed by both Parties shall be resolved in favor of such written documentation.

25. Miscellaneous. This Agreement contains the entire agreement between HES and Customer concerning the supply of Energy, Greenpower and Greengas to the Location, as applicable. It may not be contradicted by any prior or contemporaneous oral or written document. This Commodity Master Agreement and Transaction Confirmation(s)/Rider(s) shall be executed in counterparts, all of which shall constitute one and the same Agreement and each of which shall be deemed an original. Electronic, e-mail and fax signatures are for legal purposes equivalent to original signatures. Any document generated by the Parties with respect to this Agreement may be imaged and stored electronically and used as if it were an original business record. This Agreement does not create any partnership, duty, joint venture or other special relationship between the Parties. No delay by a Party to exercise its rights under this Agreement will constitute a waiver of such rights. Applicable provisions of this Agreement will continue in effect after termination or expiration of this Agreement to the extent necessary, including those for billing adjustments and payments, limitation of liability, indemnification, and dispute resolution. Except as otherwise required by Governing Law, HES will first apply any refund as a

respective representatives) will be deemed to be an assurance or guarantee as to the expected results of this Agreement. HES hereby warrants to Customer that at the time of delivery of Energy hereunder it will have good title and/or the right to sell such Energy, and that such Energy will be free and clear of all liens and adverse claims. EXCEPT AS PROVIDED FOR IN THE PRECEDING SENTENCE, HES EXPRESSLY DISCLAIMS AND MAKES NO WARRANTIES, WHETHER WRITTEN OR ORAL, FOR OR WITH RESPECT TO ITS SUPPLY OF ENERGY OR OTHER OBLIGATIONS UNDER THIS AGREEMENT, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS, IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

14. Indemnification. HES does not transmit or distribute Energy to Customer and does not generate the Energy used or consumed by Customer. Therefore, HES does not promise a steady, continuous supply. There are events outside of HES's reasonable control which may result in fluctuations, interruptions or irregularities in Energy service. HES WILL NOT BE LIABLE FOR ANY FLUCTUATIONS, INTERRUPTIONS OR IRREGULARITIES IN ENERGY SERVICE OR FOR ANY DAMAGE OR CONSEQUENCES RESULTING THEREFROM. HES WILL ARRANGE FOR THE UTILITY TO DELIVER ENERGY TO THE FACILITY/METER(S) ASSOCIATED WITH THE LOCATION (THE "DELIVERY POINT"). FROM AND AFTER THE DELIVERY POINT, CUSTOMER WILL DEFEND, INDEMNIFY AND HOLD HARMLESS HES, ITS PARENT, SUBSIDIARIES, AFFILIATES, AND ITS OWNERS, SHAREHOLDERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS, AND ASSIGNS FROM ANY AND ALL CLAIMS, LOSSES, EXPENSES, DAMAGES, CAUSES OF ACTION AND JUDGMENTS OF ANY KIND RELATED TO HES'S DUTIES AND OBLIGATIONS HEREUNDER. HES SHALL NOT BE LIABLE FOR MATTERS WITHIN THE CONTROL OF THE UTILITY (INCLUDING, BY WAY OF EXAMPLE ONLY, MAINTENANCE OF THE DISTRIBUTION SYSTEM, SERVICE INTERRUPTIONS, LOSS, DETERIORATION OR TERMINATION OF SERVICE, OR METER READINGS) OR ANY DAMAGES CLAIMED TO HAVE BEEN INCURRED DUE TO ANY ACT OR OMISSION OF HES, WHERE SUCH ACT OR OMISSION IS DUE IN WHOLE OR IN PART TO ANY EVENT OR CIRCUMSTANCE BEYOND ITS REASONABLE CONTROL OR ITS ABILITY TO PERFORM. EACH PARTY SHALL USE COMMERCIALY REASONABLE EFFORTS TO MITIGATE DAMAGES.

15. Limitation of Liability. NOTWITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT, IN NO EVENT WILL HES OR ANY OF ITS AFFILIATED COMPANIES BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST OPPORTUNITIES OR LOST PROFITS, EVEN IF HES HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. HES'S LIABILITY RELATED TO THIS AGREEMENT, WHETHER ARISING UNDER BREACH OF CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, IS LIMITED TO DIRECT ACTUAL DAMAGES AS THE SOLE REMEDY AND ALL OTHER REMEDIES OR DAMAGES ARE EXPRESSLY WAIVED.

16. Dispute Resolution, Binding Arbitration. Customer may contact HES with regard to a concern or dispute under this Agreement by mail, fax or telephone using HES's contact information as set out in the Transaction Confirmation(s). Both parties will, in good faith, use commercially reasonable efforts to resolve a dispute. If not resolved within 45 days, such dispute will be referred to and finally resolved by binding arbitration in accordance with American Arbitration Association rules and pursuant to Governing Law, before a single arbitrator, without the right of appeal to law and/or facts. The arbitration costs will be shared evenly between the Parties. Customer waives any right to commence or participate in any class action related to this Agreement. Customer shall remit all undisputed amounts during the pendency of the dispute.

17. Amendments. HES may amend the Agreement (Commodity Master Agreement, Rider and Transaction Confirmation) by providing Customer written notice of such amendment. Customer will have thirty (30) days to reject the amendment in writing. If Customer does not reject the amendment, it shall be deemed to be accepted. HES will not amend the Term or Price without Customer's consent.

18. Assignment. HES may sell, assign, pledge, or grant a security interest in all or any part of its interest in this Agreement, including to another Retail Energy Provider without prior notice to, or further consent from, Customer. Customer may, without the consent of HES and on providing written notice to HES, transfer or assign this Agreement (i) to an affiliate or successor, in ownership or control, to all or substantially all of the assets of Customer or (ii) to a successor of Customer's ownership or business interests with respect to Customer's Location(s), and in either case of (i) or (ii) such assignee is at least as creditworthy as Customer, as determined in a commercially reasonable manner by HES, and such assignee agrees in writing to be bound by the terms and conditions of this Agreement. Any other assignment by Customer requires prior written approval by HES, which shall not be unreasonably withheld. Upon any valid assignment of the Agreement, the other Party hereby agrees that the assigning Party shall have no further future obligations under this Agreement.

19. Inability to Perform. If a Force Majeure Event ("FME") renders either Party unable to carry out any part of its obligations under this Agreement (other than the obligation to make payments due with respect to performance prior to the FME), if that Party provides notice and full details of the FME to the other Party, then the relevant obligations of the Party affected by the FME shall be suspended during the pendency of such FME. A Party may furnish notice of a FME orally; provided, however, electronic or written notification must be furnished to the other Party within seven (7) Business Days thereafter. The Party affected by the FME shall remedy the FME with all reasonable dispatch; provided however, that this provision shall not require HES to schedule delivery of Energy to, or Customer to receive Energy at, points other than the Delivery Points. "Force Majeure Event" means those events not reasonably anticipated when this Agreement was signed and beyond the control of the Parties including, but not
