

Town of Altavista, Virginia
Town Council Work Session
Meeting Agenda
Tuesday, February 26, 2019
5:00 p.m. – Council’s Chambers

J.R. “Rudy” Burgess Town Hall
510 7th Street
Altavista, VA 24517

- 1. Call to Order**
- 2. Agenda Adoption**
- 3. Recognitions and Presentations**

a. Altavista Economic Development Authority “Strategic Plan” Update (AEDA)

4. Public Comment (Agenda Items Only)

*Citizen’s wishing to address Council should provide their name and residential address. Citizen’s comments are limited to three (3) minutes with a total of fifteen (15) minutes allotted for this purpose. (Please note that the Citizen’s Time is **NOT** a question-and- answer session between the public and the Council.)*

5. Items for Discussion

- a. Staunton River Garden Club “Snowflake Project” (Linda Janiak/Barbara Rogers)**
- b. English Park Improvements Update (Southern Playgrounds)**
- c. Ridgeway Avenue Drainage Project Update (Peed & Bortz)**
- d. Police Department Request – Summer Intern (Chief Merricks)**
- e. Staunton River RIFA funding**
- f. Request for declaration of Town Property as Surplus/Salvage**
- g. Presentation of FY2020 Budget**

6. Public Comment (Non Agenda Items)

*Citizen’s wishing to address Council should provide their name and residential address. Citizen’s comments are limited to three (3) minutes with a total of fifteen (15) minutes allotted for this purpose. (Please note that the Citizen’s Time is **NOT** a question-and- answer session between the public and the Council.)*

- 7. Matters from Council**
- 8. Closed Session (if needed)**
- 9. Adjournment**

THE TOWN OF ALTAVISTA IS COMMITTED TO FULL COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT STANDARDS. TRANSLATION SERVICES, ASSISTANCE OR ACCOMODATION REQUESTS FROM PERSONS WITH DISABILITIES ARRE TO BE REQUESTED NOT LESS THAN 3 WORKING DAYS BEFORE THE DAY OF THE EVENT. PLEASE CALL (434) 369-5001 FOR ASSISTANCE.

MEETING DATE:

February 26, 2019

ITEM #: 3a**ITEM TITLE:**

Altavista Economic Development Authority “Strategic Plan” Update

DESCRIPTION:

As you know the Altavista Economic Authority (AEDA) partnered with Town Council in regard to development of a new “Economic Development Strategic Plan”. At this time the plan is in its final draft form and Mr. Walter Maddy, an AEDA member, will update the Town Council on the document.

The AEDA has worked with the CAMOIN Group to craft this plan that will serve as a five year road map for the Town’s economic development activities. While tonight will only be a brief overview, it will be important that Town Council further review the document and be agreeable to the plan that it lays out. Staff would recommend that either a “special meeting” be held to go over the plan or that time on a future Council Work Session be set aside for additional review/discussion. The ultimate goal will be adoption Council and implementation by staff and the many partners identified in the plan.

BUDGET/FUNDING:

Unknown

POTENTIAL ACTION/PROPOSED MOTION:

Council may provide direction to staff on this item.

ATTACHMENTS:

- *Draft “Economic Development Strategy” (under separate cover)*

ITEM #: 5a**ITEM TITLE:**

Staunton River Garden Club "Snowflake Project" Update

DESCRIPTION:

A representative of the Staunton River Garden Club will be present to update Council on this project. As you may remember, the club partnered with AOT this past year to add more snowflakes in the downtown area for winter decorations. Attached is a note from the Garden Club with details about this on-going project and a staff generated map showing area of existing decorations (yellow) and proposed decorations (red).

Up to this point, the Town's involvement in this project has been the acceptance of the decorations and the annual install/take down of the decorations.

BUDGET/FUNDING:

Undecided

POTENTIAL ACTION/PROPOSED MOTION:

Council may provide direction to staff on this item.

ATTACHMENTS:

- *Staunton River Garden Club correspondence*
- *Map*

Staunton River Garden Club

To date we have purchased 26 snowflakes.

We would like to continue this project and need some help.

We would like to put snowflakes up on 7th street from Broad, past the town hall to the corner past the Y, since this is a heavily travelled area. This would require 20 snowflakes.

We would also like to finish Main Street down to Steve Farmer's place of business as this is where the poles extend to. There are 56 more snowflakes needed from where we are now to the end.

The snowflakes average \$325.00 which would come to about \$24,700.

If we can purchase when they have their buy 2 get 1 free sale this would drop the price to about \$225.00 per snowflake, a considerable savings.

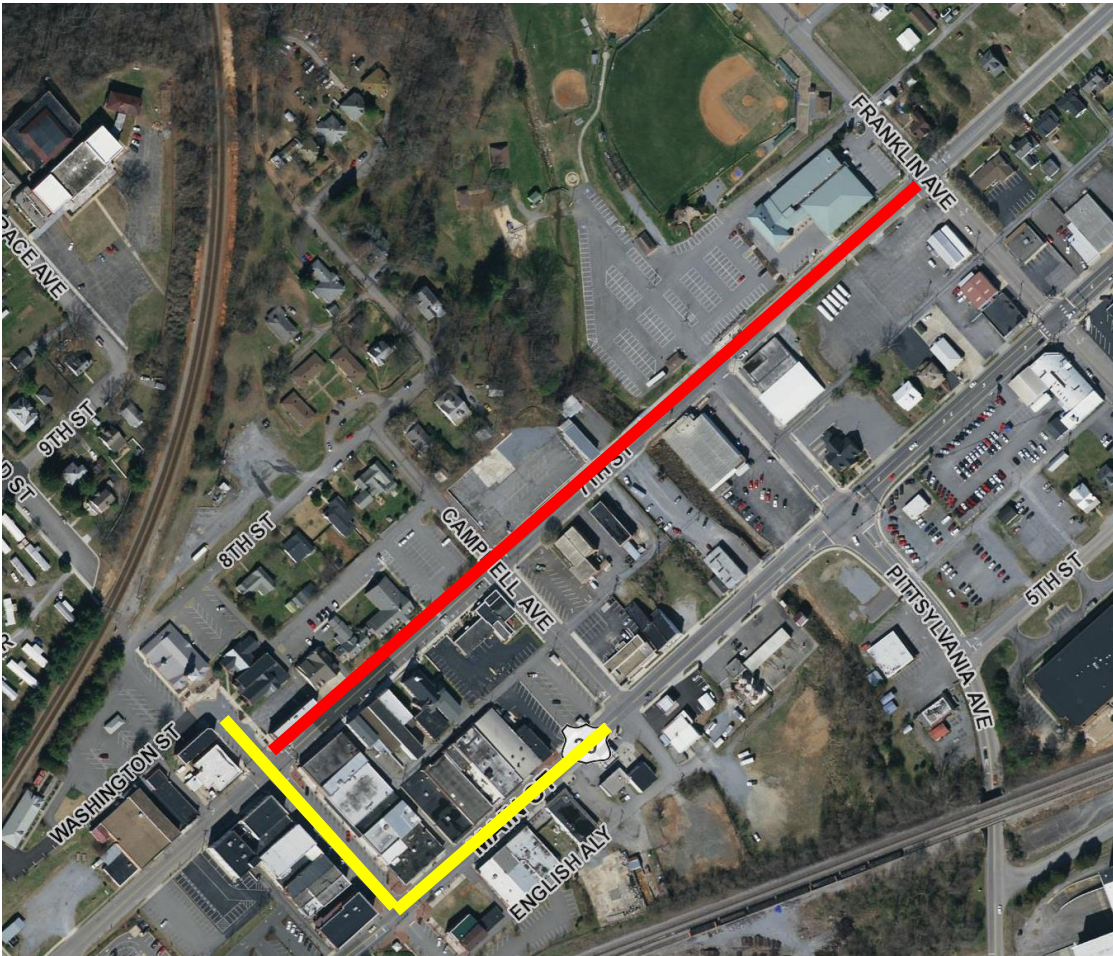

Thanks for any help you can give us.

Linda Janiak Treasurer
Staunton River Garden Club

See you on the 26th

ITEM #: 5b**ITEM TITLE:**

English Park Improvements Update

DESCRIPTION:

Scott, DuBois, Southern Playgrounds, will be present to provide Council an update on the English Park Improvements. During the design phase of the project several changes were required, Scott will discuss these items with Council. This project includes a new splash pad, replacement of the existing playground and a shade structure.

BUDGET/FUNDING:

This item was previously approved by Council with an estimate of \$865,000.

POTENTIAL ACTION/PROPOSED MOTION:

Per discussion

Ridgeway Avenue Drainage Project Update

DESCRIPTION:

Staff has been working with Peed & Bortz on evaluating the necessary improvements needed to address deficiencies in this area. There is an existing drainage pipe across private property that is in very poor shape and the property owner has had issues with flooding. Scott Bortz will provide an update and options to Council for consideration.

BUDGET/FUNDING:

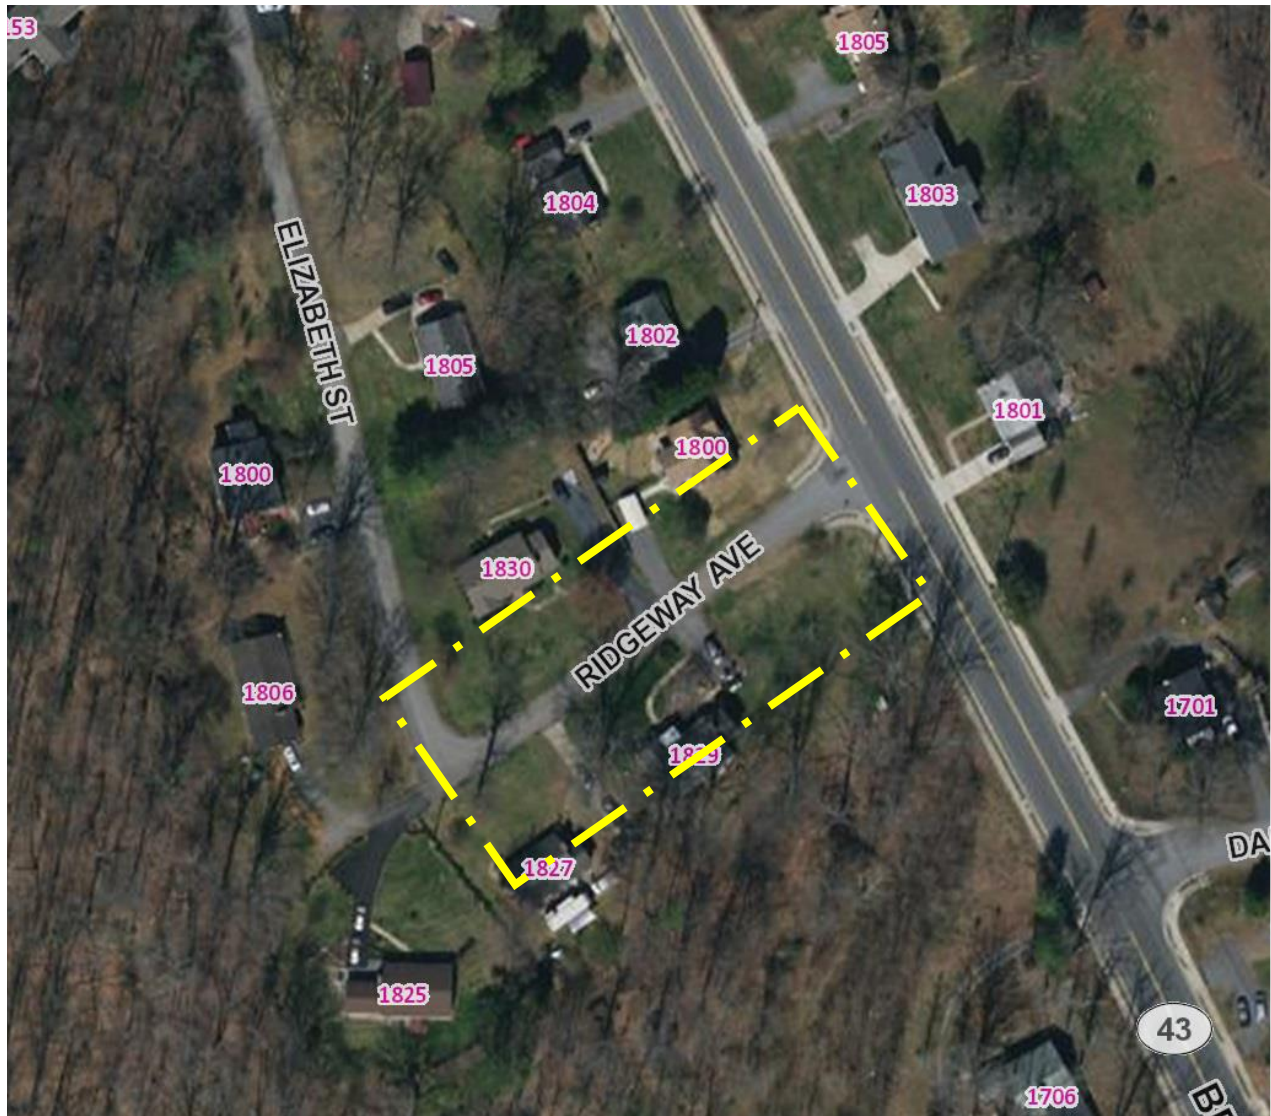

Unknown at this time; dependent upon option selected/scope of work.

POTENTIAL ACTION/PROPOSED MOTION:

Per discussion

From: Scott Bortz, Peed & Bortz, L.L.C.
CC: Waverly Coggsdale, Town of Altavista Town Manager
Date: 2/22/2019
Re: Ridgeway Avenue Drainage discussion at Town work session Feb 26

Background

- Homeowners complain of wet conditions
- Exposed and deteriorating storm pipe on private property

Analysis

- Surveyed storm system and topography for the area
- Existing street runoff sheet flows onto 1827 Ridgeway Avenue (Mitchell) property and is not contained in an existing storm system.
- Existing storm sewer conveys storm water from Town ROW into storm system on private property.
- No existing easement for storm system on private property
- Existing storm sewer is adequately sized for the 10 year (typical VDOT) flows.
- Exposed and deteriorating pipe should be remediated

Proposals

- Both options utilize 18" Reinforced Concrete Pipe which is the standard minimum diameter and typical material for VDOT storm pipes.

- Option 1-Remove existing pipe on private property and replace with new pipe on newly granted storm drainage easement. Option 1B replaces additional pipe within ROW.
 - a. Would require property owner to sign easement on private property. Town would be responsible for maintenance of storm pipe.
 - b. Could require another easement on downstream Collando property below pipe discharge down to Town property.
 - c. Would most likely result in the removal of 48" oak along existing pipe and other minor trees/shrubs in the area. Mr. Mitchell has indicated to Town staff that he understands that this tree would not survive any construction in the area. Cost of oak removal is not figured into the estimates but is estimated to be in excess of \$3000.
 - d. Estimate includes 80 lf of concrete driveway replacement on private property. Depending on proposed pipe alignment, this cost could increase or decrease.

- Option 2-Remove existing pipe on private property and replace with new pipe on within ROW down to Bedford Avenue. Option 2B replaces additional pipe within ROW.
 - a. Option 2 is dependent upon the ability to connect into the existing storm inlet on the northwest corner of Ridgeway Avenue and Bedford Avenue. If the existing waterline in Ridgeway Avenue is significantly lower than expected, this design would need to be modified resulting in cost increases.
 - b. Option 2 includes connecting to a storm system that is not standard as the stormwater flows at an angle of greater than 90 degrees at the inlet on Bedford Avenue. VDOT approval for this connection may be required.
 - c. Both Option construction estimates may be reduced by revising the curb & gutter/pavement transition.
 - d. Both Options require relocation of the existing water service at 1827 Ridgeway if the existing storm grate inlet is removed/replaced.

Recommended Option

- Engineer recommends implementing Option 1B, replacement of the existing storm sewer system within private property and Town ROW.
- Option 1 is estimated to be less construction costs than Option 2.
- Option 1B will remove some storm runoff from discharging onto private property and will contain this runoff in a Town storm sewer system.
- Option 1B is recommended to replace deteriorating and substandard Town storm sewer pipe and inlets within Town ROW.

ITEM #: 5d**ITEM TITLE:**

Altavista Police Department Summer Intern Request

DESCRIPTION:

Per the attached correspondence Chief Merricks would like to request the use of a “summer intern” for his department.

BUDGET/FUNDING:

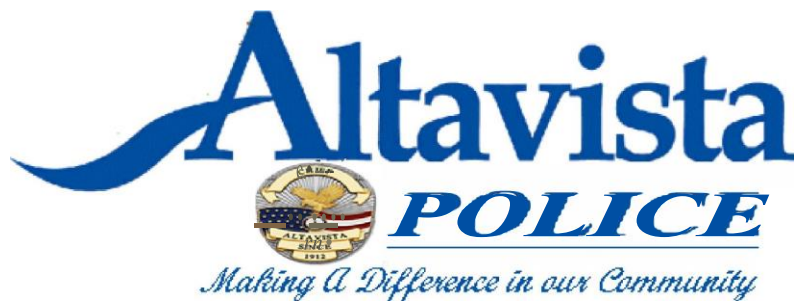

Intern: As outlined in the memo.

POTENTIAL ACTION/PROPOSED MOTION:

Per discussion, *if it is Council’s decision to approve this item can be placed on the March Regular Meeting Consent Agenda.*

ATTACHMENTS:

- Intern memo

Col. Thomas E. Merricks
Chief of Police

Lt. Kenneth W. Moorefield
Deputy Chief

Phone: (434) 369-7425 510 Seventh St., P.O. Box 420, Altavista, Va. 24517 Fax: (434) 369-5046

Summer Intern in Police Department

Bin Yang, a student at Altavista Combined School, has contacted the police department about the possibility of him completing a summer internship. I met with Yang in person and was really impressed with him. He is interested in a career in law enforcement and wants to learn as much as he can about it.

Yang would have an opportunity to shadow police officers and learn what they do on a daily basis. I would also assign him a project. There are lots of surplus/old items stored in the fire house. I would ask that he catalog and organize the items to have them ready for destruction or auction.

This internship would last from June 3, 2019 through July 12, 2019. (6 weeks) It would encompass 20-30 hours per week, however the schedule would be flexible. I would propose that we pay Yang a stipend of \$100/week to offset some of his expenses. He would be required to sign an internship agreement which states the town can terminate the agreement at any time for any reason. It would also be a liability release for him while with officers and performing any task under the direction of the Police Department.

ITEM #: 5e**ITEM TITLE:**

Staunton River Regional Industrial Facility Authority (RIFA) funding

DESCRIPTION:

Altavista is a charter member of the Staunton River Regional Facilities Authority (RIFA) along with the Town of Hurt, Pittsylvania County and the City of Danville. The RIFA formation was recently approved by the Commonwealth of Virginia and the organizational meeting was held February 8, 2019.

Previously, Town Council approved the Staunton River Cost and Revenue Sharing Agreement associated with the RIFA. This document addresses the funding of the RIFA; in "Section 8. – Initial Contributions" each member locality is required to provide financial resources equal to their Member Share, as outlined in the document. The Town of Altavista has a Member Share of 23% and accordingly is obligated for \$23,000 of the Initial Contribution amount of \$100,000, which is now due. The other localities Member Shares are: Town of Hurt (4%); Pittsylvania County (50%); and City of Danville (23%).

Staff has provided \$25,000 in the proposed FY2020 Budget for our share of any "Option Fee" for property associated with the RIFA. The RIFA will be working with the owners of the Southern Virginia Multimodal Park (SVMP) in regard to the final Development and Option Agreement.

BUDGET/FUNDING:

FY2019 Budget Amendment of \$23,000 (unexpended funds in the Economic Development budget can be utilized for this payment.

FY2020 Draft Budget has \$25,000 for RIFA purposes.

POTENTIAL ACTION/PROPOSED MOTION:

Approve the use of existing Economic Development funds budgeted in the FY2019 Budget for payment of the \$23,000 RIFA Initial Contribution.

ATTACHMENTS:

- *Section 8 of Cost and Revenue Sharing Agreement*

Section 8. - Initial Contributions. The Member Localities hereby acknowledge the initial contributions to the Authority as follows:

| Member Locality | Contribution |
|------------------------|---------------------|
| Pittsylvania | \$50,000.00 |
| Hurt | \$4,000.00 |
| Altavista | \$23,000.00 |
| Danville | \$23,000.00 |
| <i>Total</i> | \$100,000.00 |

All other contributions from a Member Locality to the Authority shall be acknowledged by the Treasurer of the Authority, who shall update the respective Member Shares of the Member Localities.

Section 9. - Sharing of Machinery and Tools Tax Revenues. Once one or more industries or businesses have located within any Authority Facility, the Host Locality will begin to realize tax revenues from such industries or businesses for machinery and tools tax. The Host Locality alone shall determine the rate at which machinery and tools are taxed and the due date of such taxes. The Host Locality agrees that subject to Section 16 below, upon receipt of machinery and tools tax remitted by an industry or business located within an Authority Facility, the Host Locality shall appropriate the total of taxes so received, pay the same to each of the Non-Host Localities according to the respective Member Share, and retain the remaining amount.

Section 10. - Sharing of Real Property and Personal Property Tax Revenue. Once one or more industries or businesses have located within any Authority Facility or purchased real property in any Authority Facility, the Host Locality will begin to realize tax revenues from such industries or businesses for real property and personal property. The Host Locality alone shall determine the rate at which real and personal property is taxed and the due date of such taxes. The Host Locality agrees that subject to Section 16 below, upon receipt of such real property taxes, personal property taxes or both remitted by an industry or business located within an Authority Facility, the Host Locality shall appropriate the total of taxes so received, pay the same to each of the Non-Host Localities according to the respective Member Share, and retain the remaining amount.

Section 11. - Sharing of Miscellaneous Tax Revenues. Once one or more industries or businesses have located within any Authority Facility, the Host Locality will begin to realize

ITEM #: 5f**ITEM TITLE:**

Request for Declaration of Town Property as Surplus/Salvage

DESCRIPTION:

Attached to the end the agenda packet are lists provided by the department heads in regard to items that they would like to have declared as surplus or salvage. This action would also include Council's direction to dispose of the property, surplus property would be sold via on-line auction sites (i.e. Gov Deals) and the salvage items would be disposed of either through a salvage dealer or discarded via landfill or other appropriate method. Any items that are declared surplus and do not sell within a reasonable amount of time would become salvage and disposed of accordingly.

Staff anticipates that other departments will have surplus requests before the end of the fiscal year.

BUDGET/FUNDING:

Funds from the sale of surplus/salvage items would be returned to the appropriate fund (General or Enterprise).

POTENTIAL ACTION/PROPOSED MOTION:

Per discussion, *if it is Council's decision to approve this item can be placed on the March Regular Meeting Consent Agenda.*

ATTACHMENTS:

Presentation of the FY2020 Draft Budget

DESCRIPTION:

The Draft FY2020 Budget was delivered to Town Council on February 19, 2019. The February 26th Work Session will be Council's initial opportunity to review the budget as a group. Staff will make a presentation in regard to the budget and entertain questions and seek direction from Town Council.

The Budget Calendar calls for budget discussion at the March 26th Work Session and the First Reading of the Budget at the April 9th Regular Town Council Meeting. The public hearing on the budget is scheduled for Tuesday, May 14th with adoption slated for June 11th, both of these dates are Regular Town Council meetings.

BUDGET/FUNDING:

The FY2020 Draft Budget is balanced.

POTENTIAL ACTION/PROPOSED MOTION:

Council will provide input to staff in regard to modifications to the draft budget.
