

## Inoperable Vehicles

### *Do you know about Altavista's rules on Inoperable Vehicles?*

- A vehicle, trailer, or semi-trailer is considered inoperable when:
  - The tires, wheels, engine, or other essential parts have been removed for longer than 60 days.
  - A valid state inspection decal or license plate is not displayed.
- All vehicles considered inoperable must be screened from public view in a fully enclosed building or structure.
- After notification by the Town of Altavista, the owner shall remove the inoperable vehicles from public view and properly screen them.
- Failure to do so will result in the removal of the inoperable vehicle, with all charges and fees being paid by the owner.
- Any unpaid fees will be added as a lien against the owner's property.

*For more info, please refer to [§ 74-231](#) of the Altavista Town Code.*
