Exhaust < 1,500 CFM		24.00		Fire Suppression First System		75.00	
Exhaust 1,501 to 10,000 CFM		43.00		Each Additional at same location		45.00	
Exhaust > 10,000 CFM		68.00		Contractor Registration		15.00	

Applicant Signature _____

Homeowner Affidavit

I hereby certify that the work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the State of Michigan Building Code and shall not be enclosed, covered up or occupied until it has been **inspected** and **approved**. I will cooperate with the Building Inspector and assume all responsibility to arrange for necessary inspections. **Section 23a of the state construction code act of 1972, 1972PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.**

PLOT PLAN FOR A/C UNITS
OR GENERATORS

Ordinance [22.36.020](#) of the Village of Beverly Hills requires that a permit be secured prior to the installation of any mechanical equipment. Per Section 22.08.100, detached accessory structures must be located in rear open space.

Your cooperation in obtaining permits before work commences, and calling for related inspections within 30 days will be appreciated. Please submit the following plot plan indicating the proposed location of the unit with application for permits.

Indicate on the diagram:

1. Direction of North with arrow
2. Relative location of mechanical unit to your residence

=====
A/C condensers or generators located in the **side** yard must also submit completed form letter signed by your neighbor, see below:

I hereby advise that I have no objection for my neighbor residing at _____ to install an A/C condenser or generator unit in the
(site address)
side yard between our houses.
