

Present: President George; President Pro-Tem Hrydziuszko; Members: Abboud, Kecskemeti, Mooney, O’Gorman, and Peddie

Absent: None

Also Present: Village Manager, Campbell
Village Clerk/Assistant Manager, Rutkowski
Village Attorney, Ryan
Public Safety Director, Torongeau

President George called the regular Village Council meeting to order at 7:30 p.m. in the Village Council Chambers located at 18500 W. Thirteen Mile Road, Beverly Hills, MI 48025. The Pledge of Allegiance was recited by those in attendance.

AMENDMENTS TO AGENDA/APPROVE AGENDA

Motion by Mooney, second by Peddie, to approve the agenda as published.

Motion passed.

COMMUNITY ANNOUNCEMENTS

None.

PUBLIC COMMENTS

Tom Maxwell, Lauderdale, via Zoom, commented about the roundabout at Beverly and Greenfield Roads. He asked for a response from Council and Administration. He said it is a costly project without a contract. He also commented on Beverly Green and said he does not expect funding to go toward this for another two years. He said he supported the parks millage for improvements on the east side of the village.

CONSENT AGENDA

Motion by Mooney, second by Peddie, be it resolved, the consent agenda is approved.

1. Review and consider approval of minutes of a regular Council meeting held October 18, 2022.
2. Review and consider approval of minutes of a Closed Session meeting held October 18, 2022.
3. Review and file bills recapped as of Monday, October 24, 2022.
4. Set public hearing date for Tuesday, December 6, 2022 to receive comments on the 5-Year Community Recreation Plan.
5. Set public hearing date for Tuesday, December 6, 2022 to receive comments on the Community Development Block Grant application for Program Year 2023.

Roll Call Vote:
Motion passed (7-0)

BUSINESS AGENDA

REVIEW AND CONSIDER SUBCOMMITTEE’S RECOMMENDATION FOR AN APPOINTMENT TO THE PLANNING COMMISSION FOR A PARTIAL TERM ENDING JUNE 30, 2023

Peddie provided an overview. There is a vacancy on the Planning Commission for a partial term ending June 30, 2023.

The Village initially received two applications to fill the vacancy from residents Jonathan Hartzell and Susan Simon. However, Ms. Simon withdrew her application prior to the meeting. We thank both applicants for their interest in serving on the Commission.

A subcommittee was formed and met with the remaining applicant on Tuesday, November 1, 2022 at 7:15 p.m. in the conference room located at 18500 W. 13 Mile Road, Beverly Hills, MI 48025. The subcommittee consisted of Councilmember Peddie (chair), Councilmember Abboud, and President George. Peddie noted Hartzell had good qualifications to serve on the Commission.

Motion by Peddie, second by Abboud, be it resolved the Beverly Hills Village Council appoints Jonathan Hartzell to the Planning Commission for a partial term ending June 30, 2023.

Motion passed.

PUBLIC HEARING TO RECEIVE COMMENTS ON PROPOSED ORDINANCE 383, AMENDING CHAPTER 22, SECTION 22.08.290; ORDINANCE 384, AMENDING CHAPTER 22, SECTION 22.09; AND ORDINANCE 385, AMENDING CHAPTER 30 OF THE MUNICIPAL CODE

Campbell provided an overview. The Administration is requesting Village Council consider amendments to several Village of Beverly Hills Ordinances to address post-construction storm water runoff requirements. More specifically, we are requesting amendments to the Zoning Ordinance, Sections 22.08 (General Provisions), 22.09 (Site Plan Development), and Chapter 30 (Surface Water Drainage).

The Village is required to comply with federal requirements for storm water management. The Michigan Department of Environment, Great Lakes, and Energy (EGLE) issues the permits that contain these requirements. One of the requirements is to manage storm water running off newly developed or redeveloped sites to reduce the discharge of pollutants into the Rouge River and to control the flow of water to reduce flooding and protect streambanks. EGLE and Oakland County have recently reached an agreement on the engineering standards to be used to meet these requirements. The Village can adopt these standards to comply with our permit requirements.

EGLE requires that a local government's post-construction storm water runoff program be implemented through an ordinance or other regulatory mechanism.

The proposed post-construction storm water runoff program includes all the following components:

- Water Quality Treatment Performance Standard
- Channel Protection Performance Standard
- Site-Specific Requirements for Contaminated Sites and Potential Hot Spots
- Site Plan Review
- Operation and Maintenance (O&M) Requirements for Best Management Practices
- Enforcement Response Procedure (including Tracking)

Chapter 30, along with the proposed amendments, in their entirety, are attached to this memorandum. These proposed changes were co-authored by our engineering firm, HRC, and reviewed and approved by EGLE and the Village Attorney. All proposed changes to the Ordinances are in red font. Further, Oakland County's MS4 permit was provided in the meeting packet that includes Oakland County's Post-Construction Water Runoff standards. Pages 8 – 9 of the permit addresses the County's Post-Construction Water Runoff standards.

On September 28, 2022, the Planning Commission conducted a public hearing on proposed amendments to Sections 22.08 and 22.09 of the Zoning Ordinance. The Planning Commission recommended that the Village Council approve the amendments to Section 22.08 and 22.09.

Following a public hearing at the November 1, 2022 Village Council meeting, the Village Attorney will conduct the first readings of proposed Ordinances 383, 384, and 385.

Keckskemeti asked to postpone the public hearing. She stated that there are many mechanical and technical changes that should be updated for clarity and discussed amongst Council prior to the first reading.

Ryan noted that this public hearing has already been noticed, so to postpone it would require that it be re-noticed in the newspaper.

Keckskemeti stated that the proposed amendments meet the bare minimum requirements. She questioned whether these updates should be Village wide or just in the required area. She said the amendments as they are written now would do very little to prevent flooding in residential areas.

Motion by Mooney, second by Hrydziuszko, the Beverly Hills Village Council tables Business Items 2, 3, 4, and 5 regarding the public hearings and first readings of Ordinance 383, amending Chapter 22, Section 22.08.290; Ordinance 384, amending Chapter 22, Section 22.09; and Ordinance 385, amending Chapter 30 of the Municipal Code. Further, the public hearing shall be re-noticed in a newspaper of general circulation.

Motion passed.

Keckskemeti and Mooney agreed that there should be a brief presentation on the proposed amendments prior to the public hearing.

REVIEW AND CONSIDER BEVERLY HILLS LIONS CLUB'S REQUEST TO HOLD ANNUAL CANDY CANE COLLECTION FROM NOVEMBER 22 TO DECEMBER 24, 2022

Campbell gave an overview of the Beverly Hills Lions Club's request. Village Administration received a request from the Beverly Hills Lions Club regarding their annual Candy Cane Collection to be held November 22 – December 24, 2022. A letter from the collection chairperson was provided to Council for review.

Motion by Peddie, second by Hrydziuszko, be it resolved, the Beverly Hills Village Council approves the request from the Beverly Hills Lions Club to solicit donations for their annual Candy Cane Collection from November 22 to December 24, 2022 provided that a Certificate of Liability Insurance naming the Village as an additional insured is

submitted to the Clerk’s Office. Further, the following notice will be placed on the display sign outside of the Village Offices, provided there is no conflict: “Support Lions Candy Cane Collection November 22 to December 24.”

Roll Call Vote:
Motion passed (7-0)

REVIEW AND CONSIDER RESOLUTION APPROVING THE PURCHASE OF A FIT TEST MACHINE THROUGH THE ASSISTANCE TO FIREFIGHTERS GRANT PROGRAM

Campbell provided an overview. The Beverly Hills Public Safety Department applied for and received a grant under the Federal Emergency Management Agency (FEMA) Assistance to Firefighter Grant (AFG) program for the Federal Fiscal Year (FY) 2021 period. This grant application was to purchase a Fit Test machine to ensure that our Public Safety Officers are compliant with NFPA 1500, MI-OSHA Part 74, and OSHA 29CFR1910.134 regulations; as well as being protected from cancer-causing carcinogens that they could be exposed to if they had improperly fitted Self-Contained Breathing Apparatus (SCBA) masks.

On August 19, 2022, we were notified that our grant application had been awarded for up to \$17,555.23 of federal funding, which is the amount less the 5% required Local Match Amount. The Beverly Hills Village Council resolved to accept the grant at their September 6, 2022, session and move forward with the purchase of this necessary equipment.

The criteria for the Fit Test machine approved in this grant award requires that the machine be:

- Compliant with NFPA 1500 – Standard on Fire Department Occupational Safety, Health, and Wellness Program
- Compliant with MI-OSHA – General Industry Safety and Health Standard Part 74. Firefighting
- Compliant with OSHA – 29CFR1910.134 Respiratory Protection
- Compatible with the MSA G1 SCBA system utilized by Beverly Hills Public Safety and partnering public safety agencies

Competitive bids were requested, and three bids were received that met the criteria for the Fit Test machine. They were:

- Occupational Health Dynamics - \$15,567.00
- AFC International - \$17,595.00
- TSI Incorporated - \$21,570.00

Through this competitive bid process, the QuantiFit2 Fit Test machine by Occupational Health Dynamics was identified as the successful bidder.

Based upon the information in the Background, Fit Test Machine Criteria, and Purchase Outline sections of this memo, Administration recommended the purchase of the OHD QuantiFit2 Fit Test machine and ancillary equipment be approved for the total amount of \$15,567.00 through Occupational Health Dynamics, 2687 John Hawkins Parkway, Hoover, AL, 35244 by Council at this time.

Lieutenant Ginther was present to answer any questions from Council about the purchase.

The Council thanked Lieutenant Ginther for his work securing the grant.

Motion by Peddie, second by Mooney, be it resolved, that based upon village procurement policies and AFG requirements, which have identified a successful competitive bid that meets the required criteria for the purchase of a Fit Test machine, that the purchase of a OHD QuantiFit2 Fit Test machine and ancillary equipment be approved for the total amount of \$15,567.00 through Occupational Health Dynamics, 2687 John Hawkins Parkway, Hoover, AL, 35244, and; be it finally resolved, that the Village of Beverly Hills pay for its' Local Match Amount of \$774.60 and Total Local Non-Grant Funded Shipping Costs of \$75.00, which totals \$849.60, utilizing available funds in account number 205-900-980.00.

Motion passed (7-0)

REVIEW AND CONSIDER PARKS & RECREATION BOARD'S RECOMMENDATION TO HOST 2023 JAVA & JAZZ SERIES AT BEVERLY PARK

Administration received a request from Ryan Bills to continue the Java and Jazz series in 2023. The performances would be on the same schedule as 2022: the third Sunday of the month from May to October from 9:00 a.m. to noon at the Beverly Park Pavilion.

Mr. Bills has requested a fee of \$700.00 per performance to help him continue to create more special concert events and to include even more of the best Detroit area musicians available. This is an increase from \$600.00 in 2022. Coffee and treats are also provided and a budget of \$200.00 per event would suffice.

The concert series has been well attended and has received very positive feedback this year and last.

At their September meeting, the Parks & Recreation Board passed a motion to recommend that the Village Council approve the request for a 2023 Java and Jazz series featuring the Ryan Bills Trio to be held on the third Sunday of month from May to October from 9:00 a.m. to noon at the Beverly Park pavilion in an amount not to exceed \$5,400.00.

George stated that this is a great event attended by a range of residents.

Motion by Hrydziuszko, second by Peddie, the Beverly Hills Village Council approves the request for a 2023 Java and Jazz series featuring the Ryan Bills Trio to be held on the third Sunday of month from May to October from 9:00 a.m. to noon at the Beverly Park pavilion in an amount not to exceed \$5,400.00. Funds for this event series are available in account #101-747-894.00 (Special Events).

Roll Call Vote:
Motion passed (7-0)

REVIEW AND CONSIDER PARKS & RECREATION BOARD’S RECOMMENDATION TO PURCHASE WIFI, VIDEO PROJECTOR, AND VIDEO SCREEN FOR BEVERLY PARK

The Parks & Recreation Board has been discussing getting a WiFi connection, a video projector, and a screen at the Beverly Park pavilion. The WiFi access would be similar to that of the “Guest WiFi” at the Village Office and could be used during Board meetings at the pavilion and during pavilion reservations. The screen and projector could be used for smaller, pop-up Movies in the Park or presentations.

The Board submitted a grant request to the Birmingham Area Cable Board at their September 21, 2022 meeting for the WiFi connection and accompanying services from WOW!, a video projector, and a video screen. The Cable Board approved their grant request for 12 months of WiFi Services, the projector, and screen in the amount of \$2,812.00. The Cable Board asked that the Parks & Recreation Board submit a request again next year for another 12 months of service, since prices may change annually. The current rate is \$200.97 per month. The projector and screen have one-time costs totaling \$400.00.

At their October 20, 2022 Parks & Recreation Board meeting, the Board recommended that the Council approve their request for the purchase of WiFi connectivity, a video projector, and a video screen in the amount of \$2,812.00, which will be fully paid for with grant funding from the Birmingham Area Cable Board.

If approved, Administration will work with the service provider (WOW!) and the Village’s IT contractor to implement appropriate cyber security measures.

O’Gorman asked if there would be 24/7 WiFi access. Administration affirmed there would be 24/7 access, but certain sites would be blocked for security reasons.

Kecskemeti stated that this will be a great addition to the park and is confident that the Administration will work out the logistics.

Hrydziuszko thanked Birmingham Area Cable Board member Shane Henry for reaching out to the Parks & Recreation Board to let them know about the availability of the grant. She said it is nice to have collaboration.

Motion by Hrydziuszko, second by Abboud, be it resolved, the Beverly Hills Village Council approves the Parks & Recreation Board’s request to install WiFi at the Beverly Park pavilion and the purchase of a video projector and video screen in the amount of \$2,812.00. Funds for these expenses are available in Accounts 101-751-920.00 (Utilities – Park) and 101-751-956.00 (Miscellaneous Expense) and will be covered by a grant awarded by the Birmingham Area Cable Board.

Roll Call Vote:
Motion passed (7-0)

REVIEW AND CONSIDER PROPOSALS FOR THE INFRASTRUCTURE PLANNING PROJECTS

Campbell provided an overview. The Council was provided with revised proposals from the Village Engineer, HRC, for the critical infrastructure projects that were part of the matching grant from Oakland County. As you may recall, local governments could receive up to \$100,000 in one to one (1:1) matching grant funds for critical infrastructure. The grant funding is coming from American Rescue Plan Act of 2021 awarded to Oakland County. At this time, the grant funding was approved for the following projects:

1. Decision Support Tool Planning – this helps the Village coordinate asset management across different infrastructure system to assure value in Village Infrastructure investments. The budget for this project is \$50,000. The grant would cover \$25,000 of the budget. The purpose of this proposal is to develop a Decision Support Tool that is intended to allow synchronization of the various management plans into a coordinated effort when analyzing improvements on a year-to-year basis. It would also provide a mechanism to adjust the importance of one component over another as regulatory, funding sources and/or other factors may arise.
2. Basement Backup Protection Program Planning – a plan for developing community specific materials to provide education and resources to Village residents to reduce flooding and sewer backups and the impacts they have on the community. The budget for this project is \$25,000 with the grant covering \$12,500 of that budget.
3. Sanitary Sewer Planning – The planning to prevent sanitary sewer backups in approximately \$25,000 with the grant covering \$12,500 of that budget. The Village contracts the Office of Oakland County Water Resources Commissioner (WRC) to operate and maintain the sewer system. A budget is developed annually to complete these services. Included in these services is a plan for WRC to complete a CCTV program where all local sewers are televised on a 7-year cycle. Based on the funding allocations provided in the Grant application, \$20,000 was set aside for CCTV work as part of this project. Using an approximate cost of \$3.50 per foot for standard, small diameter, sanitary sewer cleaning and televising, approximately a mile of Village sewers will be able to be televised with these funds as part of this year’s program.
4. Water Line Service Verifications – the Village will utilize grant funding to assist in material verification of water service lines in order to comply with the State requirement under the revised Lead and Copper rule. The proposed budget for this project is \$110,000 with the grant covering \$50,000 of that budget.

The proposals from HRC set forth the costs for these projects. The slight revision in the proposal states that HRC’s services “have been scoped to match the funding available through the grant and that current guidance do not prohibit the reimbursement of Village staff time to assist in the completion of these tasks. Therefore, should any Village staff be utilized to complete this project, our proposed budget and hours would be decreased to allow the Village to be directly reimbursed by the grant for their staff time.” Should the Village desire and is able to perform certain functions related to this project, Village Staff would be compensated at rate between \$27.00/hr - \$58.00/hr for eligible project work, depending on the Village Staff Member performing the project related task.

George indicated that he would like to move forward with options 1 & 4. He stated that the Village is required to do water service line verifications, so accepting this grant to cover some of those costs would reduce the Village's overall cost. The Village is also using ARPA funding to cover most of this project. He stated that the first proposal regarding the planning tool would be a gift to new staff moving forward.

O’Gorman clarified that George was not suggesting to take options 2 & 3 completely off the table, but rather look into getting the best value for these projects.

Campbell noted the funds need to be spent by 2026.

Kecskemeti said the Village should move forward with options 1 & 4 and that she would like to receive more details on 2 & 3.

Motion by O’Gorman, second by Kecskemeti, be it resolved that the Beverly Hills Village Council approves HRC’s proposals for the following two Local Infrastructure Projects that will be partially funded by grants set forth in the Interlocal Local Fiscal Recovery Fund Distribution Agreement between Oakland County and the Village of Beverly Hills approved on September 6, 2022:

#1 The Decision Support Planning Tool with funding from account number 203-482-810.01 and 592-536-979.01; and

#4 Water Line Service Verifications with funding from account number 592-536-979.01.

Roll Call Vote:

Abboud – Yes

George – Yes

Hrydziusko – Yes

Kecskemeti – Yes

Mooney – No

O’Gorman – Yes

Peddie – Yes

Motion passed (6-1)

SECOND ANNOUNCEMENT OF A VACANCY ON THE BIRMINGHAM AREA CABLE BOARD

There is a vacancy on the Cable Board for a partial term ending June 30, 2023.

The Birmingham Area Cable Board meets on the third Wednesday of every other month at 7:45 a.m. in the Village Council Chambers. The Cable Board advises the Village Council as to all matters related to cable television. The Board monitors performance of franchisee and compliance with the franchise agreement. It acts as liaison between residents and franchisee and oversees the Cable Administrator and Municipal Access Channel.

All interested and eligible residents of Beverly Hills are encouraged to apply to become a member of the Cable Board. Applications are available on the Village website or by emailing the Village

Clerk at krutkowski@villagebeverlyhills.com. Applications may be submitted to the Clerk's office via email, regular mail, in person, or using the drop box located outside the Village office (18500 W. 13 Mile Road, Beverly Hills, MI 48025).

Applications are due Tuesday, November 8, 2022 with the appointment scheduled to take place at the November 15th regular Village Council meeting.

This constitutes the second announcement of a vacancy on the Birmingham Area Cable Board.

PUBLIC COMMENTS

None.

MANAGER'S REPORT

14 Mile Construction Update –The Village of Beverly Hills and our engineer met with the 14 Mile Road contractor yesterday for a construction update. The contractor informed us the road will, weather permitting, likely be open the week of November 14th. Next week, the contractor is expected to complete the sidewalks in anticipation of completing the paving of the driveway and road approaches. Eastlady and Bellvine should be open by Tuesday of next week. Paving on the southside of the road is scheduled to take place this week. Weekly updates will be provided on our website, Facebook, and in the email blast.

Planning & Zoning Administrator – The Village has hired Mark Stec as its new Planning and Zoning Administrator. Mr. Stec will start with the Village on October 31, 2022. Since 2021, Mark worked in the private sector as development manager for a commercial real estate company, EIG14T, located in Chicago, IL and Berkley, MI. Prior to that, Mark served as the City Planner for Farmington Hills. He was with the City of Farmington Hills for approximately 10 years. Mr. Stec also possesses a master's in urban planning from Wayne State University.

FY 2021-2022 Audit – The annual audit presentation will be conducted at the regular meeting of Tuesday, November 15th.

Election Day – Election Day is Tuesday, November 8, 2022. Please be advised that Village Hall is open on Election Day. Please remember to cast your vote and thank the poll workers for their service. Please be advised that Berkshire Middle School is open and the location for Precinct 7 voters to cast their ballot.

Veterans Day – Village and Township offices will be closed Friday, November 11th in observance of Veterans Day.

Campbell thanked Peddie for her service to the Village.

Keckskemeti stated that a lot of residents are frustrated with the 14 Mile Road project delays.

Brad Shepler, Hubbell, Roth, and Clark, Inc. was in attendance and gave an update on the 14 Mile Road project. He said it rained yesterday which caused delays. He also noted that there is a concrete shortage causing delays. He hopes that the contractor will be paving sidewalks on Monday and Tuesday. He said the contractor is approximately 45 days behind schedule, which costs them about \$700 per day.

Mooney asked about the TAP grant. Campbell stated that SEMCOG's review committee has recommended that they move forward with sidewalks along 13 Mile Road. Mooney said well done to President George, should the Village get the grant. He also thanked Abboud for having a strong presence with SEMCOG.

Mooney asked that there be a police presence at the polls on Election Day. Torongeau confirmed there would be.

O'Gorman asked about closing out the 14 Mile Road project procedurally. Campbell noted that there would still be landscaping requirements and final inspections before final payment is authorized.

Kecskemeti asked whether liquidated damages are an industry standard and if there is something that could be done differently next time. Campbell stated that if the amount is too high, then contractors will not bid on the project and if the amount is too low, then the numbers will get built into the bid. Shepler stated the delays were damages incurred by the Village and that it is difficult to account for soft charges, such as the impact on a community, when seeking bids for construction projects.

COUNCIL COMMENTS

O'Gorman said that Election Day is next week and encouraged everyone to vote. He said the Halloween Hoot was blessed with good weather and it was something out of a movie scene. He said it was amazing to see all of the contributions and a longer route at the Hoot. Hats off to the group that made the event happen. He thanked Peddie for being kind, donating her time to the community, and being helpful.

Kecskemeti thanked the Southfield Township Clerk's office for their work administering the election. She encouraged everyone to vote. She thanked Peddie for years of service and for being a good neighbor. She congratulated Peddie.

Abboud thanked Peddie for her service. He said she will be missed. He thanked Antonia Grinnan for serving on the Planning Commission and Village Council. He commented on SEMCOG's regional review committee and sidewalk grants. He said he attended the MML Convention in Muskegon and said Muskegon has really transformed over the years and is a very nice place. He attended the Elected Officials Academy Board of Directors meeting and noted he is working toward Level 3. He reported on the Senior Advisory Committee which will be directing ARPA grant funding to senior centers.

Mooney noted that Antonia and Joe Grinnan were in the audience, and he reiterated all of the well wishes he shared at the previous meeting. He thanked them for everything they have done for the Village. He said the Village is saying goodbye to two wonderful political women tonight, Grinnan and Peddie. He is proud that he nominated the first two women Council Presidents. He said Rosanne Koss was a miracle worker. He believed Peddie would be a good leader. He said it has been an honor and privilege to work with Peddie. She has been calm and thoughtful and has made Beverly Hills a better place to live. He said Peddie has guided the Village through tough times and has shown grace under fire. He said she has been truly inspirational. Her support of the millage has guaranteed financial stability. Her support of the Public Safety Department, Baldwin Public

Library, and Next has been phenomenal. He reminisced about their time flipping pancakes, pouring cider at the Halloween Hoot, participating in golf outings, and painting the fence along Allerton. He said she always gave good advice. He said her husband is proud of her. Her departure will be a loss for the Village. He wished her well and said he hopes Peddie and her husband are happy in the future.

Hrydziuszko thanked everyone who helped with the Halloween Hoot. She thanked Administration for helping make the Hoot bigger and better this year. She thanked Grinnan for always being thoughtful on the Planning Commission, for her support, and for helping her get involved. She said Grinnan will be missed. She thanked Peddie for helping her navigate her position on Council. She said she has learned so much from Peddie. She said she appreciates her service and humble approach. She congratulated Peddie and said she hopes she enjoys whatever comes next.

George said he will follow up with Administration regarding their policy to respond to residents. He said he looked back on the discussion about traffic control on Greenfield and Beverly Roads dating back to 2018. He said it is a County road and traffic was reviewed by the County. He said that there is money from the millage that will be dedicated to Beverly Green. He said a former Planning Commissioner volunteered to draw up preliminary plans for Beverly Green as a starting point and the Parks & Recreation Board was waiting to see how much of an encroachment the roundabout would have on the park before moving forward. He said the Halloween Hoot was awesome. He attended the Hoot and passed out candy to over 3,500 people. He thanked Rutkowski, Brown, and Campbell for attending the Hoot. He asked residents to do their research and vote in the upcoming election. He said he appreciates the Council and residents allowing him to lead the way over the last two years. He said it was weird leading remotely in the beginning of his term as President, but he has enjoyed the work. He thanked the poll workers for their hard work during elections.

Peddie thanked Grinnan for her service on the Planning Commission. She thanked Mooney for all of his comments. She thanked him for his insight, help, and knowledge. She talked about being the Council liaison to the Public Safety Department and thanked Torongeau for his work over the years and for helping her learn about the department. She thanked everyone on Council. She said it takes a lot to put yourself out there. She said she was happy Campbell is there and thinks he is a great addition. She thanked the previous Village Manager Chris Wilson who she said was a great resource and friend. She thanked Village Attorney Ryan for providing valuable counsel and thanked Finance Director McCarthy for her work.

SPECIAL ORDER OF BUSINESS: RECOGNITION OF PLANNING COMMISSIONER ANTONIA GRINNAN

President George presented Antonia Grinnan with a plaque. The Council thanked her for her service on the Planning Board, Planning Commission, and Village Council.

SPECIAL ORDER OF BUSINESS: RECOGNITION OF COUNCIL MEMBER LEE PEDDIE

President George presented Lee Peddie with a plaque. The Council thanked Peddie for her service on the Planning Commission and Village Council.

ADJOURNMENT

Motion by Mooney, second by Abboud, to adjourn the meeting at 9:08 p.m.

Motion passed.

John George
Council President

Kristin Rutkowski
Village Clerk
