Manager's **report**

Council comments

Adjournment

Please note: This meeting will be broadcast live from the Council Chambers, but the public has the option of participating via Zoom as well. Due to COVID-19, social distancing guidelines must be followed while inside the Village Office building. Please maintain at least six feet between yourself and others while in the Village Office lobby and Council Chambers. Face masks must be worn while inside the building. Written comments to the Council may be submitted prior to the meeting to 18500 W. Thirteen Mile Road, Beverly Hills, MI 48025 or via email to the Village Clerk: krutkowski@villagebeverlyhills.com.

The Village of Beverly Hills will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audiotapes of printed materials being considered at the meeting, to individuals with disabilities attending the meeting upon three working days' notice to the Village. Individuals with disabilities requiring auxiliary aids or services should contact the Village by writing or phone, 18500 W. Thirteen Mile Beverly Hills, MI 48025 (248) 646-6404.

REGULAR COUNCIL MEETING MINUTES – JULY 7, 2020 – PAGE 1

Present: President Peddie; President Pro-Tem Abboud; Members: George, Hrydziusko, Mooney, Mueller, and Nunez

Absent: None

Also Present: Village Manager, Wilson
Village Clerk / Assistant Manager, Rutkowski
Public Safety Director, Torongeau
Village Attorney, Ryan
Planning and Zoning Administrator, LaPere

Peddie called the regular Council meeting to order at 7:30 p.m. at the Village of Beverly Hills municipal building located at 18500 W. Thirteen Mile Road and virtually via Zoom per Executive Order 2020-129. The Pledge of Allegiance was recited by those in attendance.

AMENDMENTS TO AGENDA/APPROVE AGENDA

Motion by Mooney, second by Mueller, be it resolved, the agenda is approved as published.

Roll Call Vote:

Motion passed (7-0)

COMMUNITY ANNOUNCEMENTS

None.

PUBLIC COMMENTS

Peddie read a public comment into the record from Bill Richards, Beaconsfield, regarding his support of a review of Public Safety Department procedures and practices. Peddie stated a subcommittee consisting of herself, President Pro-Tem Abboud, Council Member Mueller, and Mr. Richards will be created to review the policies and recommend any necessary changes.

CONSENT AGENDA

Motion by Mooney, second by Nunez, be it resolved, the consent agenda is approved as published.

1. Review and consider approval of minutes of a regular Council meeting held June 16, 2020.
2. Review and file bills recapped as of Monday, June 22, 2020.
3. Review and file bills recapped as of Monday, July 6, 2020.
4. Review and consider annual funding request from the Birmingham Bloomfield Community Coalition.

Roll Call Vote:

Motion passed (7-0)

BUSINESS AGENDA

REVIEW AND CONSIDER SITE PLAN APPROVAL FOR PARKING LOT IMPROVEMENTS AT INDEPENDENT BANK LOCATED AT 32800 SOUTHFIELD ROAD

Administration has received a request for site plan approval from Holland Engineering on behalf of Independent Bank at 32800 Southfield Road for proposed improvements to the parking lot at the existing bank. The site has three ingress/egress points, one on Southfield Road and two on 14 Mile Road, and the parking spaces provided exceed the number required per Section 22.28. The proposal will maintain the existing parking lot circulation pattern, access points, and number of spaces. The improvements to the approaches and landscaping in the road right-of-way are subject to Road Commission for Oakland County approval.

On May 27th, the Planning Commission reviewed the plans and made a recommendation to approve with the condition that (1) at least four trees be added to the plan with approval of the Road Commission of Oakland County (at least two north of existing tree in the right of way, one south of the existing tree in the right of way, and one south of the driveway on Southfield Road); if the Road Commission does not approve the locations of the trees, then a letter stating such must be submitted to Village administration; (2) the length of the parking spaces must be minimized in order to maximize green space along Southfield Road; (3) a permanent cross access easement with the property owner to the east be obtained, subject to legal approval; and (4) that the six (6) feet striped area at the south end of the existing building be converted to a curbed landscape island. An excerpt from the meeting minutes was provided.

The applicant has proposed six trees to the road ROW along Southfield Road as approved by RCOC. The parking spaces along Southfield Road are at the minimum length allowable by Village Ordinance and the applicant has added a 1.5ft strip of greenspace between the sidewalk and the parking lot curb. They have also added the curbed landscape island in the center of the parking lot. In the review, it was noted that an 8ft wide portion of the easternmost access drive off of 14 Mile Road is located on the neighboring property. Administration reviewed the historical records for this property and it appears that the drive has been in this location since at least the early 1970s. In order to correct this, a cross access easement is being drafted and the applicant has indicated they will have it for the Village Attorney to review on Monday, July 6th. Wilson provided a copy of the access agreement at the meeting.

Additionally, the applicant has made revisions to the plans pursuant to RCOC review as described in their narrative. A copy of the revised plans was provided.

Per Section 22.08.290, this project requires site plan approval for compliance with applicable subsections of the Village Ordinance. Procedurally, the Village Council has final approval authority after review and recommendation by the Planning Commission. A copy of the plans has been provided to the Fire Marshal, Engineer, and Planning Consultant for review and comment. The Village Engineer has noted the planned work is acceptable. Comments from the Fire Marshal and Planning Consultant were provided to the Council.

Motion by Hrydziuszko, second by Mooney, be it resolved, the Village Council approves the site plan dated June 12, 2020 for improvements to the parking lot at 32800 Southfield Road, Independent Bank.

Roll call vote:

Motion passed (7-0)

REVIEW AND CONSIDER WAIVING SALES RESTRICTIONS FOR A PICKLEBALL/TENNIS COURT RESERVATION REQUEST AT BEVERLY PARK

Administration received a request from Tom Wehner, Certified Pickleball Instructor, Bloomfield, Michigan to reserve a tennis/pickleball court at Beverly Park in order to offer professional pickleball lessons. Due to COVID-19, the indoor facilities where Mr. Wehner would normally teach lessons are closed. As such, Mr. Wehner is looking for a local outdoor facility and the Beverly Park tennis courts double as pickleball courts.

Per Section 6.03 of the Village of Beverly Hills Municipal Code, “[n]o amusement for gain or for which a charge is made can be conducted in a park without consent of the Village Council. . .” Since students would be charged for lessons, this request requires Village Council approval. Generally this request would go to the Parks & Recreation Board first for recommendation. However, the Board’s next scheduled meeting is on August 20, 2020, so in the interest of time, the request is being presented directly to the Council.

Mr. Wehner is requesting exclusive use of one tennis/pickleball court at Beverly Park on Tuesday and Wednesday afternoons from 1:00 to 3:00 p.m. beginning on July 28, 2020 and ending October 28, 2020.

Mr. Wehner provided copies of the two certifications he holds as a pickleball instructor, one from the International Pickleball Teaching Professional Association (IPTPA) and one from the Professional Pickleball Registry (PPR). These are the two organizations that have been recognized by the USAPA, the national organization of pickleball in the US.

As a reference, the Beverly Hills Athletic Club usually requests exclusive use of a tennis court during the summer months and makes an annual donation of \$500.00 to the Village. The Village did not receive a request from BHAC this year.

Mooney expressed his opposition to this request and thought it would set a bad precedent. He believes it would be in violation of the deed restriction.

Hrydziusko inquired about BHAC and donations.

Mr. Ryan clarified that there is a sales restriction and granting exclusive use of the court would be at the Council’s discretion.

Peddie was concerned that this reservation would prevent residents from using the courts.

George thinks there should be more scrutiny in this process and was concerned about liability.

Motion by Mueller, second by Hrydziusko, be it resolved, the Beverly Hills Village Council hereby waives the sales restriction and authorizes the Park Superintendent to grant exclusive use of one Beverly Park tennis/pickleball court on a limited basis to Tom Wehner from 1:00 to 3:00 p.m. on July 27, 28, August 4, 5, 11, 12, 18, 19, 25, 26, September 1, 2, 8, 9, 15, 16, 22, 23, 29, 30, October 6, 7, 13, 14, 20, 21, 27, and 28, 2020 as requested provided that a Certificate of Liability Insurance naming the Village of Beverly Hills as an additional insured is filed with the Village Clerk prior to the use of the court.

Roll call vote:
Motion failed (0-7)

PUBLIC COMMENTS

None.

MANAGER'S REPORT

13 Mile Road Update – The 13 Mile reconstruction project is proceeding well. The weather has been very cooperative throughout the early stages of the project. Consumers Energy has been making progress on their gas line replacement project. Once they are completed work should begin promptly on the east bound lanes. The cancelling of the Dream Cruise provides a bit more flexibility for the scheduling of the work in the intersection of 13 Mile and Southfield. As a reminder, the work in this intersection will require a temporary closure of lanes within the intersection. The plan is to do this over a weekend to minimize disruption. We will provide notice as soon as possible when the exact weekend is known.

There have been some issues involving detour traffic, speeding, improper cut through traffic and even motorists going the wrong way. We have been able to get a handle on a lot of these issues. Given the scale and scope of this project the difficulties have been manageable. Thank you to everyone for the patience as we complete this important project.

Summer Tax Bills – Tax bills for the summer have been sent out by Southfield Township. Summer Tax bills are due back to Southfield Twp. by Monday, September 14th. Village residents will receive both a Township and Village tax bill in the same envelope. Both bills are payable to Southfield Township. The Township office is open to the public; however, their lobby is not very large. Social distancing will be required and masks are required to enter the building. Cash payments will be accepted by appointment only. Residents are encouraged to pay without visiting the office in person if possible. Accordingly:

- Checks can be mailed or left in their drop box located under their message board. Receipts will be mailed or emailed upon request.
- E-check and credit card payment options are available. Additional information is on the back of your statement. There is a fee for this service which they cannot waive.

If you have any questions or concerns or need additional information, please call the Southfield Township office at (248) 540-3420 or email: jmooney@southfieldtownship.org.

Annual Actuarial Valuation – The Village is in receipt of our Annual Actuarial Valuation report from MERS for our retirement plans. A copy was provided to Council for review. Wilson went over the report in detail at the meeting and answered questions from Council.

CARES Act Funding – The State of Michigan has approved funds for reimbursement to local governments for various costs related to the COVID-19 pandemic and corresponding shutdown. Village Administration is working with the Public Safety Department to put together an application for funds for which we are eligible. An application must be submitted by Friday, July 17th. I will keep Council posted on any funding that we receive.

Building Dept. Activity – As a reference, for the month of June we issued 129 permits through the Building Department. This is roughly equal to the number of permits that were issued in June of 2019.

Playground Woodchips – Woodchips are scheduled to be installed on the playground in Beverly Park on the morning of Thursday, July 9th. The playground will need to be closed for approximately 2 hours while the chips are being installed.

Online Payments – The Village now accepts online payments for Water/Sewer Bills and Building Department invoices through www.bsaonline.com. Residents, property owners, and contractors have the option to pay using a credit card, debit card, or e-check. There is a small convenience fee with each online transaction. More information, including a step-by-step guide, can be found on the Village website home page: http://www.villagebeverlyhills.com/news_detail_T8_R124.php

COUNCIL COMMENTS

Nunez commented on the recent board/commission appointments. He was happy that some new members were appointed, but he is concerned that other residents are not given a chance to serve. He advocated for new views and fresh ideas on the boards/commission.

Mooney reported that former Public Safety Director Thomas A. Good passed away on July 4, 2020. Mooney applauded Good's contributions to the Village over the years and highlighted his qualifications, professionalism, leadership, and extensive training. He sent condolences to Mr. Good's wife, Gayle, and to the members of his family.

Abboud commented that he was glad to see the Village's ability to pivot during these times and to see that online payments are now accepted. He reminded residents to stay safe in the extreme heat.

ADJOURNMENT

Motion by Peddie, second by Mooney, to adjourn the meeting at 8:27 p.m.

Motion passed.

Lee Peddie
Council President

Kristin Rutkowski
Village Clerk

TO PRESIDENT PEDDIE & MEMBERS OF THE VILLAGE COUNCIL. THE FOLLOWING IS A LIST OF
EXPENDITURES FOR APPROVAL. ACCOUNTS PAYABLE RUN FROM 7/06/2020 THROUGH 7/20/2020.

Subject: GLWA Updated Industrial Pretreatment Program Rules

Date: July 17, 2020

Administration received the following notice from the Great Lakes Water Authority:

“Federal law requires the Great Lakes Water Authority (GLWA), as part of its lease of Detroit Water and Sewerage Department (DWSD) assets, to have an Industrial Pretreatment Program (IPP) to manage industrial waste entering the Water Resource Recovery Facility (WRRF). GLWA maintains a set of rules by which it implements and enforces the IPP, and federal law requires municipalities that send flow to the WRRF to adopt these rules.

Municipalities that send flow to the WRRF previously adopted IPP rules under DWSD. However, the GLWA Board of Directors has adopted an updated set of rules, including added language regarding the regulation of PFAS compounds. In developing this updated set of rules, GLWA involved stakeholders from the city of Detroit, Wayne County, Oakland County and Macomb County, as well as industry representatives, environmental groups and environmental attorneys.

After a 45-day public comment period and a public hearing, the GLWA Board approved the updated IPP rules on November 13, 2019. At that time, your County representative to the GLWA Board participated in the review, public hearing and approval process. The rules were also provided to the Michigan Department of Environment, Great Lakes, and Energy (EGLE, formerly MDEQ) as part of the approval process.

Pursuant to the Municipal Sewage Disposal, Water Supply, and Solid Waste Management Systems Act, 233 PA 1955, MCL 124.281, et seq., your community must adopt a concurring resolution of the IPP rules.”

A resolution for consideration is attached. The resolution references the rules and regulations as “Exhibit A,” an 89-page document that can be found here:

<https://www.glwater.org/wp-content/uploads/2020/02/GLWA-Rules-%E2%80%93-Under-Review.pdf>

**RESOLUTION OF THE VILLAGE OF BEVERLY HILLS
TO CONCUR IN THE RULES AND REGULATIONS CONCERNING
INDUSTRIAL PRETREATMENT PROGRAM AS ADOPTED
BY THE GREAT LAKES WATER AUTHORITY**

WHEREAS, the Great Lakes Water Authority ("GLWA") is a Michigan municipal authority and public body corporate organized and existing pursuant to the provisions of Michigan Public Act No.233 of 1955, as amended, MCL 124.281, *et seq.* ("Act 233"), for the purpose of establishing a regional sewage disposal system to operate, control, and improve the sewage disposal system leased from the City of Detroit;

WHEREAS, pursuant to Act 233, the Village of Beverly Hills is a constituent municipality of the GLWA;

WHEREAS, as authorized by Act 233, GLWA and the constituent municipalities are required by state and federal law to adopt binding rules and regulations (Exhibit A, attached hereto and incorporated herein by reference) as part of an Industrial Pretreatment Program (IPP) in order to comply with all applicable state and federal laws, including, without limitation, the requirements of the Federal Water Pollution Control Act, 33 USC Section 1251, *et. seq.*, the General Pretreatment Regulations for Existing and New Sources of Pollution, 40 CFR 403, and the National Categorical Pretreatment Standards contained in 40 CFR Sections 405-471;

WHEREAS, these rules and regulations were adopted by GLWA as a uniform code to: (1) regulate wastes and wastewaters discharged into the collection system for all participating municipalities; (2) prevent the introduction of pollutants into the wastewater systems which will interfere with the operation of the system, contaminate the resulting sludge, or pose a hazard to the health, safety or welfare of the people, the communities or to employees of GLWA; (3) prevent the introduction of pollutants into the wastewater system which will pass inadequately treated through the system and into the receiving waters, the atmosphere, and the environment, or will otherwise be incompatible with the system; (4) provide for the recovery of costs from users of the wastewater collection system sufficient to administer regulatory activities and meet the costs of operation, maintenance, improvement and replacement of the system; and

WHEREAS, after a 45-day public comment period and public hearing, the Board of the GLWA approved the IPP Rules on November 13, 2019.

NOW THEREFORE BE IT RESOLVED that the governing body of the Village of Beverly Hills, in compliance with Act 233 and state and federal law, hereby concur in the IPP rules and regulations attached hereto as Exhibit A; including any subsequent amendments thereto, which amendments, if any, shall not require the approval of this governing body; and

BE IT FURTHER RESOLVED that the adoption and approval of the rules and regulations contained in Exhibit A shall be contractually binding on the parties, and no governing body of the Village shall be authorized or empowered to rescind or change the approval granted in this resolution without 180 days prior written notice to the GLWA.

Re: Redevelopment Ready Communities Program

At the Council meeting held March 3, 2020, Administration presented an overview of the Redevelopment Ready Communities (RRC) program offered by the Michigan Economic Development Corporation (MEDC). This is a no-cost program available for interested municipalities to promote positive redevelopment efforts in the community. The goal is to create processes that are effective, efficient, and transparent using six Best Practices; Community Plans and Public Outreach, Zoning Regulations, Development Review Process, Recruitment and Education, Community Prosperity, and Redevelopment Ready Sites. Below are a few benefits of the program:

- Streamlining processes and procedures,
- Receiving an outside review of planning, zoning and development plans, processes and policies,
- RRC certification providing eligibility for other community development incentives,
- Technical assistance match funding available, and
- MEDC will promote up to 3 redevelopment sites upon certification, including assistance in the development of site marketing materials and bringing those materials to conferences and events both in Michigan and across the country.

Certification is a three-step process that takes place over a period of time. Typical range is 1 to 3 years from engagement to certification. First, the community formally engages with MEDC, then it proceeds to the evaluation step, and the third and final step is certification. To formally engage in the RRC program, Village Council must pass a resolution of intent after which Village staff will complete a self-evaluation and the RRC staff at MEDC will perform an evaluation of the community practices based on those Best Practices, stakeholder interviews, and observations/data analysis. The Village uses these evaluation tools to target areas of improvement, such as modifications to policies and procedures, or updates to ordinances. During this time as an engaged community the Village will be eligible for technical assistance from MEDC to complete these tasks. The Village will be certified as a redevelopment ready community upon demonstration of meeting all Best Practice criteria. The RRC program is an ongoing partnership, and MEDC will work with the Village throughout the process to provide support as needed.

Upon certification, the Village will also gain access to additional technical assistance and the Redevelopment Services Team (RSTeam) to further support redevelopment efforts through site analysis, RFP/RFQ assistance, environmental assessments, marketing assistance, and developer matchmaking events.

Attached is a resolution of intent to be passed by Council to formally begin the process of engagement in the Redevelopment Ready Communities program.

**RESOLUTION AUTHORIZING THE VILLAGE OF BEVERLY HILLS TO PARTICIPATE IN THE
REDEVELOPMENT READY COMMUNITIES (RRC) PROGRAM**

Motion by _____, second by _____, for adoption of the following:

WHEREAS, the Michigan Economic Development Corporation has created the statewide Redevelopment Ready Communities (RRC) Program to help identify and strengthen areas in a community's development process and highlight opportunities in the community, and;

WHEREAS, the RRC program provides technical assistance and certifies Michigan Communities who actively engage stakeholders and plan deliberate, fair, and consistent processes, and;

WHEREAS, the Village of Beverly Hills continues to strive to create a business-friendly climate and to integrate transparency, predictability, and efficiency into daily development practices, all of which can be enhanced through participation in the RRC program, and;

WHEREAS, opportunities for redevelopment of existing parcels and buildings are the future for major investment in the Village of Beverly Hills as there is limited space left for development within the Village limits, and;

WHEREAS, the Village of Beverly Hills recognizes the value of the RRC program and wishes to join the program to further refine our development processes for future opportunities.

NOW, THEREFORE, BE IT RESOLVED, that the Village of Beverly Hills Council authorizes the Village of Beverly Hills staff to participate in the Michigan Economic Development Corporation's Redevelopment Ready Communities Program.

Lee Peddie, Village Council President

Memorandum

To: Honorable Lee Peddie, Village President; Village Council
From: Chris D. Wilson, Village Manager
CC: Sheila McCarthy, Finance Director; Peggy Linkswiler, Human Resources Coordinator; Rich Torongeau, Public Safety Director
Date: 7/17/2020
Re: COVID-19 Grant Funding

Village Administration has been working on applications to procure available grant funding related to the Coronavirus pandemic. To date, we have submitted for funding or reimbursement on the following:

- **Hazard Pay:** The Village has submitted for Hazard Pay reimbursement in the amount of \$23,000. This is equal to \$1,000 for each sworn Public Safety Office (PSO) who worked during the Covid-19 Pandemic and Shut Down Order. If approved, the Village will pay the \$1000 per officer Hazard Pay payment and receive reimbursement.
- **Public Safety Payroll Reimbursement:** The Village has applied for the first round of CARES Act funding for reimbursement for Public Safety Payroll expenses. The first round of payroll reimbursement covers the months of April and May. Our total payroll and related expenses for this period was around \$490,000. I am not sure how much funding we will be eligible for. There is a total of \$200 Million in funding for these expenses for all of Michigan. There will be a second round of funding for the period through July, if funds remain.
- We have received roughly \$2000 in reimbursement for supplies through a regional grant for respiratory equipment in which we were participating.

The Village will continue to pursue other grant and reimbursement opportunities for costs and lost revenues relative to the COVID-19 pandemic. I will provide further updates as any award amounts become known. Thanks to the Public Safety Department Administration and particularly Sheila McCarthy and Peggy Linkswiler for their efforts in these grant applications.

VILLAGE MANAGER'S REPORT
CHRIS D. WILSON
JULY 17, 2020

13 Mile Construction Update – Work continues to progress well on the 13 Mile Rd. project. A lot of base work has been done on the east bound lanes with some of the subdivision approaches being poured. We are currently working with the contractors to determine the weekend for the rebuilding of the intersection of Southfield and 13 Mile. If everything goes well with no delays it is possible that this work would occur over the weekend of July 31-August 2. This is an aggressive schedule. If that schedule cannot be met, then it would likely be the weekend of August 7-9. Whenever it will be it will require a closing of lanes of traffic through the intersection from Friday through Sunday evening, with traffic restored by Monday morning. We will continue to monitor this situation and make public notice of the closure when we are more certain of the exact date.

As a reminder, when the east bound lanes are completed all west bound traffic will shift to those lanes to allow for the rebuilding of the other side of the road. East bound traffic will only be restored at the completion of the project.

SOCRRA Facility – The SOCRRA site on Coolidge north of 14 Mile will be reopening for residential drop off service on Monday, July 20th. Drop off will be done by appointment only. Appointments can be made online at the SOCRRA website. SOCRRA has held drop off programs at alternative locations during the partial closure of this site. These events have been very well attended. SOCRRA is contemplating doing at least one of these events in each community annually to help alleviate some of the demand on this site.

Residential Water Testing – The Village will be conducting our annual round of water testing for EPA and EGLE lead and copper testing in late July. We will be conducting a minimum of thirty (30) tests. The Village has a list of residences that have previously been tested and approved by EGLE for inclusion in our sampling list. We are in the process of reaching out to those residences in this round of testing. As we have done in previous years, we will offer testing to any resident who requests it and will provide them with the results. If anyone is interested in being included in this round of testing please contact the Village office at 248-646-6404.

Library Report – Baldwin Public Library Director Doug Koschik will be at our regular meeting of August 4th to give the annual update for the Baldwin Library. He is planning to attend in person.

- Suspicious Persons complaint on Mayfair.

FIRE PREVENTION

- 46 Fire/EMS reports reviewed.
- 2 EMS Continuing Education Sponsorship courses conducted.
- 1 Suppression System Field Inspection.
- 2 Change of Occupancy Field Inspections.
- Upload Bi-Weekly NFIRS data export to FEMA.
- Supervise Road Patrol.
- Attend Oakland County Association of Arson and Fire Investigators Executive Board Meeting.
- Attend South Oakland Fire Association Training Coordinators Meeting.
- Complete FEMA ICS-214 Forms.
- Attend Wednesday Wrap Up with State Fire Marshal via teleconference.
- Attend Michigan Fire Fighters Training Council Work Session via teleconference.
- Submit 2nd Quarter EQIP data reporting to the Oakland County Medical Control Authority.
- Received 200 free smoke detectors for Beverly Hills residents from the State Fire Marshal as part of the State of Michigan Community Risk Reduction Initiative.

- OCC Advanced Fire Engine Operator course completed and course paperwork submitted to SMOKE system.
- Prepared SOM 2021FY training calendar for the South Oakland Fire Association Training Coordinators for review.
- Conference call with Michigan Fire Fighters Training Council Region 1 coordinator regarding upcoming changes in the Company Officer program.
- \$2000.00 Assistance to Firefighter Supplemental COVID-19 regional grant award notification received from FEMA for Personal Respiratory Protection masks, filters and adapters for department personnel.

INVESTIGATIONS

- CFS Closed and Reviewed 259.
- Reviewed 23 case reports for a disposition.
- Followed up and reviewed cases of which 13 were closed and 4 remained open.
- 5 Case were assigned.
- 7 Reports written on current cases.
- 23 Current active investigations.
- 6 Current pending investigations.
- Obtained warrant on OWI III.
- Warrant on threats complaint
- Sent warrant request to OCAPA.
- Assisted road patrol.
- Responded to assault
- Moore assisted with evidence and interviews.
- Interviewed conducted.
- Received search warrant on phone.
- Area search for possible evidence.
- Searched for video evidence
- Received two videos from businesses.
- Follow up with DPD on related case.
- Assisted with road patrol; responded to wires down.
- Arraignment on warrant arrest through 46th DC.

---------	------------------------	----------	--------	----------

WE ARE STILL RECEIVING COMPLAINTS ON THE TENT AND OTHER STORED ITEMS OUTSIDE IN DRIVEWAY AREA. THE TENT CANNOT STAY UP IT IS NOT ALLOWED BY VILLAGE CODE. THE REST IS GENERAL CLEAN UP AND WOULD BE GREATLY APPRECIATED SO THAT FURTHER ACTION BY THE VILLAGE WOULD NOT HAVE TO TAKE PLACE.
