REVIEW AND CONSIDER REQUEST FROM OUR LADY QUEEN OF MARTYRS TO PLACE OKTOBERFEST SIGN AT SOUTHFIELD ROAD AND DUNBLAINE AVE.

Administration received an annual request from Our Lady Queen of Martyrs asking for permission to place a sign in the public right of way on the west side of Southfield Road at the intersection of Dunblaine Avenue. The sign is for Our Lady Queen of Martyrs’ Oktoberfest event scheduled for September 30th and October 1st. They have requested to put the sign out on Friday, September 2nd and stated that it would be removed no later than Wednesday, October 5, 2022.

THESE MINUTES ARE NOT OFFICIAL. THEY HAVE NOT BEEN APPROVED BY THE VILLAGE COUNCIL.

REVIEW AND CONSIDER RECOMMENDATION TO REZONE RIVERSIDE PARK FROM R-1 SINGLE FAMILY RESIDENTIAL TO PP PUBLIC PROPERTY

Campbell provided an overview of the requests to rezone Riverside Park and Beverly Green to PP Public Property. The Village of Beverly Hills has initiated a request to rezone Riverside Park (Parcel ID: TH-24-02-151-017) from R-1 Single Family Residential to PP Public Property. Currently, this park is zoned residential and not uniform to how the other Beverly Hills parks and nature preserves are zoned.

Riverside Park is currently zoned R-1 Single Family Residential. Riverside Park is a .34-acre park primarily used for picnicking, fishing and as a kayaking launching point. It is located east of Evergreen Road on Riverside Drive. It abuts a pond which is part of the Rouge River corridor.

The Village of Beverly Hills has also initiated a request to rezone Beverly Green (Parcel ID: TH-24-01-284-001) from R-2B Single Family Residential to PP Public Property. Currently, this park is zoned residential and not uniform to how the other Beverly Hills parks and nature preserves are zoned.

Beverly Green is currently zoned R-2B Single Family Residential. This newly named 1 acre park is located at Beverly Road and Greenfield Road. As of spring 2022, the Village is working on a design concept to bring landscaping, seating, and a pathway to the park.

The Michigan Zoning Enabling Act and Village Ordinance requires any request for rezoning of a property be subject to a public hearing and recommendation by the Planning Commission prior to review and consideration by Village Council.

Upon conducting the public hearing on Wednesday, June 22, 2022, the Planning Commission determined that the request met the rezoning requirements and made a recommendation to Council to approve the requested rezoning of Riverside Park and Beverly Green.

Ryan stated that since there would be a change to the Zoning Map, the Council should conduct a first and second reading of Ordinances to amend the map. Ryan presented proposed Ordinances and suggested that since the Ordinances were not included in the published meeting packet, that the first reading be pushed back to the next meeting.

Motion by Mooney, second by Peddie, the Beverly Hills Village Council tables Business Items 2 and 3 regarding the rezoning of Riverside Park and Beverly Green to the July 19, 2022 regular Village Council meeting.

Motion passed.

COUNCIL COMMENTS

Kecskemeti extended her thanks to Campbell and said she appreciates him being on board. She spoke about the recent Highland Park shooting and a bipartisan gun law that she does not think goes far enough. She said these tragedies could happen here or anywhere. She encouraged people to get involved in the community. She said there is a lot of work to be done and if good people get involved in their communities, they can make a difference.

Peddie thanked Kecskemeti for her words. She thanked Southfield Township Treasurer Janet Mooney for 15 years of service and wished her well.

Abboud thanked Kecskemeti for sharing her thoughts. He thanked residents for supporting him over the last four years and said he intends to run for Village Council again. He thanked Treasurer Mooney for her service to the community.

Hrydziuszko thanked Janet Mooney for her service. She asked about the process to change a street name.

Mooney noted that the process to change a street name is rather difficult which includes a petition and involvement from the United States Postal Service.

George asked administration to lay out the steps for changing a street name. He thanked Janet Mooney for her service and wished her well. He said a reception for Mooney will be held after the July 12th Township Board meeting. He enjoyed the jazz event at Beverly Park on the 4th of July. He said he attended Oak Park's 4th of July parade and had a good time.

Subject: Rezoning Request of Beverly Green - Tabled at 7/5/22 Council Meeting

Date: June 29, 2022

The Village of Beverly Hills has initiated a request to rezone Beverly Green (Parcel id: TH-24-01-284-001) from R-2B Single Family Residential to PP Public Property. Currently, this park is zoned residential and not uniform to how the other Beverly Hills parks and nature preserves are zoned.

Beverly Green is currently zoned R-2B Single Family Residential. This newly named 1 acre park is located at Beverly Road and Greenfield Road. As of spring 2022, the Village is working on a design concept to bring landscaping, seating, and a pathway to the park.

The Michigan Zoning Enabling Act and Village Ordinance requires any request for rezoning of a property be subject to a public hearing and recommendation by the Planning Commission prior to review and consideration by Village Council.

Upon conducting the public hearing on Wednesday, June 22, 2022, the Planning Commission determined that the request met the rezoning requirements and made a recommendation to Council to approve the requested rezoning of Beverly Green.

Did you pay a scammer through Western Union? Check the new deadline for refunds By Bridget Small

July 6, 2022 Western Union Refunds Deadline Extended

Refunds are still available to people who were tricked into wiring money to scammers through Western Union between January 1, 2004 and January 19, 2017. In fact, the deadline to file a claim has been extended. If you didn't file a claim for a refund yet, you now have until August 31, 2022 to file. The refunds are part of a \$586 million settlement Western Union reached with the FTC and Department of Justice in 2017 for allegedly violating the law by failing to guard against fraud in its system.

If you got a prefilled claim form in the mail — showing eligible dollar loss amounts, based on the report(s) you filed with Western Union — you can use it to submit your claim. If you didn't get a form in the mail, file a claim online at westernunionremissionphase2.com

Read about the claims process, and what to do if you disagree with the loss amount printed on the claim form, in the Frequently Asked Questions on the Western Union Remission Phase 2

The claim form is available online at westernunionremissionphase2.com

Your form must be completed online or postmarked on or before August 31, 2022.

Avoid refund scams:

You don't have to pay to file your claim.

You don't need a lawyer to file a claim.

Don't pay anyone who contacts you and says they'll help you file, or help you get your money back.

For more information about eligibility and the claims process go to ftc.gov/wu.
