Thomas Schiffer, Author, Gunsmith, Steam Boat Captain, Historian, Boone Countian, 7pm Thursday, March 17

The Boone County Historical Society is pleased to welcome author **Thomas D. Schiffer** as our presenter on March 17. Tom will bring us an illustrated program on the **1937 flood and its effect on the towns and people in Boone County.**

Tom was born in Cincinnati in 1935, and lives in Boone County. He has a Bachelor of Science degree in Industrial Management from U.K. and has worked as a surveyor, draftsman, research & development engineer, design engineer and plant manager. His life-long interest in firearms has kept him busy with shooting, collecting and gun-smithing, and he's won numerous competitions to boot.

After retiring in 2000, he wrote a book, *Peters and King*, documenting the history of those cartridges and powder manufacturing businesses. He's also written and illustrated many technical articles for gun-

smithing magazines, as well as historical publications.

He has a love for piloting steam boats, and a fascination with photography. His wife, Carol, often accompanies him on his adventures.

The event is open to the public and cosponsored by the Boone County Public Library.

Invite your friends — **7pm Thursday, March 17th, in the Boone County Public Library, 1786 Burlington Pike, Burlington.**
