

GovOS/MUNIREvs Online Tax Portal now open!

The online tax portal allows taxpayers to register for an occupational tax account, submit tax returns, review past filings, update contact information, receive electronic communications, and allows for secure collection of taxes and fees.

Letters were mailed on June 15, 2022 to all taxpayers with active occupational tax accounts, with their 6-digit account number and activation code, allowing them to connect to their account for online access. Login and account access help is available Monday through Friday from 10am EST to 7pm EST by contacting GOVOS at 1-888-751-1911 or e-mail at blt.str.support@govos.com for assistance in accessing your account.

To access your existing account or to register a new account please go to <https://boonecounty.munirevs.com/>, then follow the prompts for New Users.
