

## **PUBLIC WORKSHOP**

### **Boone County Planning Commission 2020 Zoning Update Public Workshop**

*Wednesday, May 25, 2022 (5:00 pm -7:30 pm)  
Boone County Administration Building  
First Floor Fiscal Courtroom  
2950 Washington Street  
Burlington, KY 41005*

The Boone County Planning Commission is in the process of updating the Boone County Zoning Regulations, which includes both the zoning regulations text and the zoning map. The new zoning regulations will be published in an interactive, electronic format which will allow users to search for terms and topics. A new website located at: <http://online.encodeplus.com/regs/boonecounty-ky-rewrite> has been created for the update process which allows the public to review the proposed changes in real time. The current zoning regulations and subdivision regulations are available at: <http://online.encodeplus.com/regs/boonecounty-ky>.

**The Planning Commission is holding an open house style public workshop at the above location on May 25, 2022 from 5:00 pm -7:30 pm to solicit input from the public regarding the Draft regulations.**
