INDEPENDENT AUDITOR'S REPORT

To the Director and Board of Commissioners
Boone County Assisted Housing Department
Burlington, Kentucky 41005

Report on the Financial Statements

I have audited the accompanying financial statements of the business-type activity of the Boone County Assisted Housing Department (hereinafter called "the Agency") a component unit of the Boone County Fiscal Court as of and for the year ended June 30, 2017, and the related notes to the financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Agency's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activity of the Agency as of June 30, 2017, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4-7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Information

My audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Agency's basic financial statements. The financial data schedules as shown on pages 16-17, is presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. The schedule of expenditures of federal awards as shown on page 18, is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The financial data schedules and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the financial data schedules and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated March 26, 2018, on my consideration of the Agency's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

**BOONE COUNTY ASSISTED HOUSING DEPARTMENT
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED JUNE 30, 2017**

Boone County Assisted Housing Department (the Agency) is organized under the laws of the Commonwealth of Kentucky as a regional housing authority and administers housing assistance payment programs within a specified region within Kentucky. The Agency was created under the United States Housing Act of 1937 to serve low-income families with rental housing and housing assistance.

The Agency's FY 2017 annual financial report consists of two parts - the management's discussion and analysis and the basic financial statements (which include notes to those financial statements). Also included are supplementary schedules that show information sent to the U.S. Department of Housing and Urban Development (HUD) related to our basic financial statements.

Financial Highlights for Fiscal Year 2017

Assets:

The current assets of the Agency increased \$121,510 (19.9%) in 2017. The Agency increased leasing levels during the year supplementing HUD funding by using their restricted cash on hand.

Liabilities:

Accrued wages and payroll taxes payable attributed to the total liabilities increase of \$15,960 (15.2%) from the prior year.

Revenues:

Operating grant revenues increased \$535,200 (9.3%) which accounted for the overall increase in revenues during the fiscal year.

Expenses:

For the year, total expenses increased \$483,969 (8.5%). The Agency expended \$6,204,369 during the current year compared to \$5,720,400 the prior year. Housing Assistance Payments average 90% of the expenditures for both years' and increased \$525,613 in 2017. Other expenses including administration, tenant services, insurance, and depreciation decreased (\$41,644). Reduced salary and benefit costs and a change in software providers attributed to this decrease.

For accounting purposes, the Agency is classified as an enterprise fund. Enterprise funds account for activities similar to those in the private business sector where the determination of net income is needed or useful for sound financial administration. Enterprise funds are reported using the full accrual method of accounting where all assets and liabilities associated with the operation of the funds are included in the balance sheet. The focus of enterprise funds is on income measurement, which along with equity maintenance, is an important financial indicator.

Overview of the financial statements

The financial statements provide a broad view of the Agency's operations in a manner similar to a private-sector business. The statements provide both short-term and long-term information about the Agency's financial position, which assists in assessing the Agency's economic condition at the end of the year. These are prepared using the flow of economic resources measurement focus and the accrual basis of accounting. This means they follow methods that are similar to those used by most businesses.

The Statement of Net Position presents all of the Agency's assets and liabilities, with the difference between the two reported as "net position". Over time, increases or decreases in the Agency's net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The Statement of Revenues, Expenses, and Changes in Net Position present information showing how the Agency's net position change in the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will not result in cash flows until future fiscal periods.

The Statement of Cash Flows discloses net cash provided or used by the Agency for operating activities, financing activities and investing activities. It provides answers as to where cash came from, what it was used for and the change in cash balance from the prior year.

MANAGEMENT'S DISCUSSION AND ANALYSIS-CONTINUED
FOR THE YEAR ENDED JUNE 30, 2017**

During the fiscal year 2017, the following programs make up the Agency's financial statements:

Section 8 Housing Choice Vouchers

The financial statements can be found immediately following the Independent Auditor's Report.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found immediately following the Statement of Cash Flows.

Supplementary Information

The financial statements are followed by a section of supplementary information required by HUD and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. This section generally includes the Financial Data Schedule - Balance Sheet and Income Statement, as well as the Schedule of Expenditures of Federal Awards.

Financial Analysis of the Agency Taken As a Whole

Net position may serve over time as a useful indicator of the Agency's financial position as to whether the Agency is, as a whole, better off or worse off as a result of the reported fiscal year. The Management's Discussion and Analysis presents information that will inform the reader whether the Agency is better or worse off.

Statement of Net Position

The Statement of Net Position provides a summary of the Agency's assets, liabilities, and net position as of June 30, 2017. Total assets were \$870,882 at year end, an increase of \$141,890. Total liabilities increased by \$15,960 and totaled \$121,058 at year end. Net position at year end totaled \$749,824 compared to prior year of \$623,894 for a net increase of \$125,930 or 20.2%.

Assets:

As of June 30, 2017, current assets totaled \$732,378 all in cash and cash equivalents and accounts receivable.

Current assets increased by \$121,510 from the prior year.

Liabilities:

Current liabilities decreased by (\$4,314).

Non-current liabilities increased by \$20,274, primarily due to the growth of the Family Self-Sufficiency Program during the year.

Net position:

Net position increased by \$125,930 during the year.

Capital Assets

The Agency's capital assets as of June 30, 2017, are \$336,504 net of accumulated depreciation of \$198,000, leaving a net invested in capital assets of \$138,504. This investment in capital assets includes office equipment, vehicles, and renovations.

The Agency added \$30,892 in capital assets for the current fiscal year. Depreciation charges for the year totaled \$10,512. Additional information on the Agency's capital assets can be found in Note 1 and Note 4 of the Notes to the Financial Statements.

Economic Factors

The Agency is primarily dependent upon HUD to fund its operations and would be more affected by the federal budget than it would be affected by local economic conditions. The funding of the Agency's programs could be significantly affected by the 2017 and 2018 federal budget.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2017**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Boone County Assisted Housing Department (the Agency) have been prepared in conformity with U.S. Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. A summary of significant accounting and reporting policies consistently applied in the preparation of the accompanying financial statements follows:

Nature of Organization and Activities

The Boone County Assisted Housing Department, a non-profit organization, operates a Section 8 Housing Choice Vouchers Program under a contract with the U. S. Department of Housing and Urban Development (HUD). The program provides rental subsidies to eligible low-income families and individuals to assist in obtaining decent, safe, and sanitary housing. The Agency can serve up to 998 low-income families and is located in Burlington, Kentucky.

Reporting Entity

The basis criterion for including an agency, institution, or other organization in a governmental unit's reporting entity is the exercise of oversight responsibility over such agencies by the governmental unit's elected officials. Oversight responsibility includes, but is not limited to: financial interdependency, selection of governing Agency, designation of management, ability to significantly influence operations, and accountability for fiscal matters. Based on this criterion, the Boone County Assisted Housing Department is a component unit of the Boone County Fiscal Court (oversight unit). However, the Boone County Fiscal Court (oversight unit) and the administration of the Agency (a component unit) have determined that a separate audit of the component's financial statements is beneficial to both the component unit and oversight unit. Accordingly, these financial statements cover only the Section 8 Housing Assistance Payments Program, and do not pertain to any other activities of the Boone County Fiscal Court.

Measurement Focus and Basis of Accounting

In accordance with uniform financial reporting standards for HUD housing programs, the financial statements are prepared in accordance with U.S. Generally Accepted Accounting Principles (GAAP) as applicable to special purpose governments engaged only in a business type activity. For financial reporting purposes, the Agency reports its operations on an enterprise fund basis. Enterprise funds (a proprietary fund type) are accounted for on a flow of economic resources measurement focus. This measurement focus provides that all assets and liabilities associated with operations are included on the Statement of Net Position. The accrual basis of accounting is utilized by the Agency for financial reporting. Under the accrual basis of accounting, income is recorded when earned and expenses are recorded at the time liabilities are incurred. The Statement of Revenues, Expenses, and Changes in Net Position present increases (income) and decreases (expenses) in the Agency's net position.

Budgets

Budgets are prepared on an annual basis for the Housing Choice Voucher Program and are used as a management tool throughout the accounting cycle. Budget compared to actual presentation is not presented because the Agency does not annually adopt a legally authorized budget. The Agency's budget is adopted by the Agency's Board and approved by HUD. This budget does not represent a legally binding appropriated budget that has been signed into law or a non-appropriated budget authorized by constitution. The Agency's budget represents budgetary execution and management by its board and HUD; therefore, budgetary data and presentation is not required.

**BOONE COUNTY ASSISTED HOUSING DEPARTMENT
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
FOR THE YEAR ENDED JUNE 30, 2017**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Financial Statement Presentation

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following three net position categories:

Net investment in capital assets – Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets. The Agency has no debt.

Restricted – resources whose use by the Agency is subject to externally imposed stipulations that can be fulfilled by actions of the Agency pursuant to those stipulations or that expire by the passage of time. The Agency had no restricted net position.

Unrestricted – resources that are not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Agency Board or may otherwise be limited by contractual agreements with outside parties.

Cash and Cash Equivalents

Cash and cash equivalents consist of checking accounts stated at fair value. For purposes of the Statement of Cash Flows, the Agency considers all highly liquid cash deposits and cash equivalents with a maturity of three months or less when purchased and non-negotiable certificates of deposit to be cash equivalents. There were no noncash investing, capital, and financing activities during the year.

Accounts Receivables and Allowance for Doubtful Accounts

Accounts receivables consists of amounts due from HUD and or fraud recovery receivables consists of amounts due from landlords and tenants that participate in the Section 8 program. Fraud recovery amounts are reported at a net of an allowance for doubtful accounts. Fraud recovery receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

Capital Assets

Capital assets are stated at cost if purchased or fair value is contributed. The Agency's capitalization policy is \$500. When capital assets are retired or otherwise disposed of, the costs are removed from the asset accounts and a gain or loss is recorded. Major renewals and betterments are charged to the property accounts while maintenance and repairs, which do not improve or extend the lives of the respective assets, are expensed as incurred. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets. Estimated useful lives are 20-40 years for building and land improvements, 5 years for vehicles, and 5-7 years for furniture and equipment.

Compensated Absences

Compensated absences are those absences for which employees will be paid, such as vacation and sick leave. A liability for compensated absences that is attributable to services already rendered and that are not contingent on a specific event that is outside the control of the Agency and its employees, is accrued as employees earn the rights to the benefits. Compensated absences that relate to future services or that are contingent on a specific event that is outside the control of the Agency and its employees are accounted for in the period in which such services are rendered or in which such events take place.

Restricted Net Position

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use unrestricted resources first, and then restricted resources as they are needed. The U.S. Department of Housing and Urban Development (HUD) grants funds to the Agency that are restricted to housing assistance payments (rent and utility allowances) for eligible families. The Agency's policy is to charge all housing assistance payments to the restricted net assets as long as they are available.

**BOONE COUNTY ASSISTED HOUSING DEPARTMENT
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
FOR THE YEAR ENDED JUNE 30, 2017**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Operating Revenues and Expenses

Operating revenues and expenses generally result from providing and producing goods and/or services in connection with the Section 8 Housing Choice Vouchers Program. Operating expenses include administrative expenses, tenant services, housing assistance payments, and depreciation on capital assets. All revenues and expense not meeting this definition are reported as non-operating revenues and expenses.

Family Self-Sufficiency Program

The Agency administers self-sufficiency. The program is designed to help voucher families obtain employment that will lead to economic independence and self-sufficiency. Changes in the liability of the account can be found in note 6.

Fraud Recovery

The Agency attempts to recover tenant and owner fraud and abuse in the operation of the Housing Choice Voucher Program. Changes in the liability of this account can be found in note 6.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts or revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – DEPOSITS

Deposits, both restricted and unrestricted consist of the following at June 30, 2017:

<u>Description</u>	<u>Amount</u>
Checking accounts	687,656
Total	<u>\$ 687,656</u>

Custodial Credit Risk is the risk that the Agency's deposits may not be returned in the event of depository institution failure. The Agency is required to maintain its deposits with a depository institution insured by Federal Deposit Insurance Corporation (FDIC) or by securities pledged at market in the Agency's name. Deposits at the bank are insured by the FDIC insurance of \$250,000 for time and savings accounts and \$250,000 for demand deposits (interest-bearing and noninterest-bearing). At June 30, 2017, the carrying amount of the Agency's deposits was \$687,656 and the bank balances were \$688,220. Bank balances were fully covered by FDIC insurance and by securities pledged at market in the Agency's name in the amount of \$250,000 and \$438,220, respectively.

Restricted HUD Deposits consist of a checking account held by the Agency in conjunction with the Housing Choice Voucher Program. Use of the account is restricted to only those expenses derived from this program.

NOTE 5 – COMPENSATED ABSENCES

The Agency's employees are entitled to vacation leave benefits. All full-time employees shall be entitled to vacation at the rate of 7 hours per month up to 20 hours per month depending on length of employment. Vacation days may be accrued up to 240 hours at the conclusion of the fiscal year. Up to 240 hours of accrued vacation and 25% of unused vacation time in excess of 240, may be compensated upon termination at the employees' current rate of pay.

As of June 30, 2017, the current liability for accrued compensated absences was \$756.

NOTE 6 – NON-CURRENT LIABILITIES

A summary of changes in non-current liabilities consisted of the following:

NOTE 7 – RESTRICTED NET ASSETS

Excess funds disbursed to the Agency that are not utilized to pay Housing Assistance Payments (HAP) may only be used to assist additional families up to the number of units under contract. Restricted Net Assets also includes interest earned on excess HAP distributions, 50% of fraud recoveries and forfeited Family Self-Sufficiency accounts.

**BOONE COUNTY ASSISTED HOUSING DEPARTMENT
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
FOR THE YEAR ENDED JUNE 30, 2017**

NOTE 8 – PENSION PLAN

The Agency is a component unit of the Boone County Fiscal Court (BCFC) and its employees participate in the County Employee Retirement System (CERS). The Boone County Fiscal Court administers payroll and payroll related expenditures on behalf of the Agency. The BCFC reports all net pension liabilities, deferred inflows, and deferred outflows in accordance with GASB 68. The Agency records their proportionate share of the costs on the BCFC's financial statements.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

Examinations

The Agency is subject to possible examinations made by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Agency in the current and prior years. There were no examinations during the year ended June 30, 2017. Areas of non-compliance, if any, as a result of examinations would be included as a part of the Findings and Questioned Costs.

Grant Disallowances

Amounts received or receivable from HUD are subject to audit and adjustment by HUD. Any disallowed claims, including amounts already collected, would constitute a liability of the Agency. The amounts, if any, of expense which may be disallowed by the grantor cannot be determined at this time although the Agency expects such amounts, if any, to be immaterial.

NOTE 10 – RISK MANAGEMENT

The Agency is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Agency carries commercial insurance coverage for these risks to the extent deemed prudent by Agency management.

NOTE 11 – ECONOMIC DEPENDENCY

The Agency receives approximately 99% of its revenues from HUD. If the amount of revenues received from HUD falls below critical levels, the Agency could be adversely affected.

NOTE 12 – CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Agency's operations are concentrated in the multifamily real estate market and all tenants are located in Kentucky. In addition, the Agency operates in a heavily regulated environment. The operations of the Agency are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but are not limited to HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including additional administrative burden, to comply with change.

NOTE 13 – EVALUATION OF SUBSEQUENT EVENTS

The Agency has evaluated subsequent events through March 26, 2018, which is the date the financial statements were available to be issued.

NOTE A – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Agency under programs of the federal government for the year ended June 30, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Agency, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Agency.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and/or OMB A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Agency has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Director and Board of Commissioners
Boone County Assisted Housing Department
Burlington, Kentucky 41005

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activity of the Agency, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued my report thereon dated March 26, 2018.

Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, I do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Director and Board of Commissioners
Boone County Assisted Housing Department
Burlington, Kentucky 41005

Report on Compliance for The Major Federal Program

I have audited the Agency's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each Agency's major federal program for the year ended June 30, 2017. The Agency's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal program.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for the Agency's major federal program based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each the federal program. However, my audit does not provide a legal determination of the Agency's compliance.

Opinion on The Major Federal Program

In my opinion, the Agency, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of the Agency, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of the Agency's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURE

To the Director and Board of Commissioners
Boone County Assisted Housing Department
Burlington, Kentucky 41005

I have performed the procedure described in the second paragraph of this report, which was agreed to by the Boone County Assisted Housing Department (hereinafter "the Agency") and the U.S. Department of Housing and Urban Development, Public Indian Housing-Real Estate Assessment Center (PIH-REAC), on whether the electronic submission of certain information agrees with the related hard copy documents within the audit reporting package. The Agency is responsible for the accuracy and completeness of the electronic submission. The sufficiency of the procedure is solely the responsibility of The Agency and PIH-REAC. Consequently, I make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

I compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The associated findings from the performance of my agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. I was not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronic submission of the items listed in the "UFRS Rule Information" column agrees with the related hard copy documents within the audit reporting package. Accordingly, I do not express such an opinion or conclusion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

I was engaged to perform an audit in accordance with the *OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (OMB Uniform Guidance)*, by The Agency as of and for the year ended June 30, 2017 and have issued my reports thereon dated March 26, 2018. The information in the "Hard Copy Documents" column was included within the scope or was a by-product of that audit. Further, my opinion on the fair presentation of the supplementary information dated March 26, 2018, was expressed in relation to the basic financial statements of The Agency taken as a whole.

A copy of the reporting package required by the OMB Uniform Guidance, which includes the auditor's reports, is available in its entirety from The Agency. I have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, I take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, PIH-REAC.

The purpose of this report on applying the agreed-upon procedures is solely to describe the procedure performed on the electronic submission of the items listed in the "UFRS Rule Information" column and the associated findings, and not to provide an opinion or conclusion. Accordingly, this report is not suitable for any other purpose.
