City Engineer, Dave Gilbertson, explained the changes made to the original Bradbury Road Widening Project which were a result of the Grow Monrovia litigation settlement agreement. Because the Final IS/MND was previously certified, an Addendum with the changes was required and needed Council's approval. The changes are listed below:

- a. Lower overall project cost estimate of \$636,964.00 (approximately \$100K lower).
- b. Reduction in road widening at Wild Rose Avenue.
- c. Reduction in length and height of proposed retaining wall.
- d. Estates wall height to be increased to match the proposed wall height.

- f. Construction start date changed from 08.01.24 to after 09.15.24 to avoid the necessity of another bird survey due to bird nesting season over.
- g. City engineer authorized to advertise and receive formal bids until June 27, 2024 so award of bid can be announced at July 16, 2024 City Council meeting.

Councilmember Bruny seconded the motion which passed unanimously 5:0.

## 4. PROPOSED FORECAST OF FISCAL YEAR 2024-2025

This item discusses the proposed upcoming budget and reviews the City's resource priorities. After the discussion, Staff will bring back the budget, with any appropriate resolutions, to the June City Council meeting for adoption.

The City Council provided feedback. No formal action was taken.

## 5. DISCUSSION ON CITYWIDE STREET SIGN REPLACEMENT

The City of Bradbury needs new street signs due to the current signs being either faded, barely legible, wobbly and overall deteriorated-looking. Council was shown many street sign photos from other cities and from Bradbury too. Council wants a sign with a color that won't fade or become non-legible 20 years from now. They want a sign that is thick, double-sided with a white non-wood post that won't wobble with time. They liked signs with two street names in the shape of a "plus +" sign. They liked our current street signs if they had the qualities just stated.

No formal action taken other than to start this project with the currently erected 35 street name signs and then discuss subject matter again at subsequent City Council meeting.

## 6. DISCUSSION ON BRADBURY NIGHT OUT AUDIO AND CSARTS JAZZ BAND

Staff discussed a higher estimated audio rental fee due to providing additional speakers in the front parking lot to accommodate the band being heard. Because the Safety Committee had concerns about the jazz music being too loud for the guest animals, Staff phoned the guest animal caretaker who stated the animals would be just fine with the music playing and not in any risk of injuries.

Council elected to stay with the original audio estimate of one set of speakers at \$900 with the band playing in the front parking lot.

## 7. DISCUSSION ON CITY COUNCIL ACCESS TO CITY HALL

There were no motions to address or vote on between the Council.

## City of Bradbury Agenda Memo

TO:

Honorable Mayor and Members of the City Council

FROM:

Kevin Kearney, City Manager

Suresh Malkani, Finance Director

DATE:

June 18, 2024

**SUBJECT:** 

**RESOLUTION NO. 24-10: APPROVAL OF GANN APPROPRIATION** 

LIMIT FOR FISCAL YEAR 2022-2023 AND APPROVAL OF GANN

**APPROPRIATION LIMIT FOR FISCAL YEAR 2023-2024** 

ATTACHMENTS: 1) Resolution No. 24-10

2) FY 22/23 Calculations of GANN Limit 3) FY 23/24 Calculations of GANN Limit

## **SUMMARY**

In 1979, the voters of the State of California approved Proposition 4, better known as the GANN initiative, which amended the State Constitution, Article XIII-B, requiring that the City establish an appropriation (spending) limit each year. The initiative established a method of computing this appropriations limit. It involves taking the prior year's limit and modifying it for population change and inflation change. Certain types of revenue and spending are exempt from this requirement and are part of the computation

It is recommended that Resolution No. 24-10 setting the Appropriations Limit for Fiscal Year 2022-23 at \$2,669,381 and Fiscal Year 2023-24 at \$2,797,380 in accordance with Article XIII-B of the Constitution of the State of California be approved.

## **ANALYSIS**

Bradbury's appropriations limit (GANN Limit) places an "upper limit" each year on the amount of monies that can be spent from City tax proceeds. Section 9710 of the Government Code provides that, "each year the governing body of each local jurisdiction shall, by resolution, establish its appropriation limit for the following year..." The GANN limit gets adjusted annually by a population and cost-of-living factor, provided by the California Department of Finance.

*					
FOR CITY	COUNCIL	<b>AGENDA</b>	<b>AGENDA</b>	ITEM#	

The GANN Appropriation Limit only applies to the City government funds. It does not apply to the Redevelopment Agency, Financing Authority, or Enterprise (Business Type) funds. Also, the law exempts certain types of appropriations from the limit, including capital outlay, revenues for "Other Agencies (Federal, State and County) Revenues", revenues for "City Services", revenues from "Fines and Forfeitures", and debt service payments. Accordingly, no revenues or expenditures from these sources are included in this calculation.

## **FINANCIAL REVIEW**

The City is in compliance with Article XIII-B of the Constitution of the State of California related to its appropriation limit. Attached are the computations for the City of Bradbury appropriations limit for Fiscal Years 22/23 and 23/24.

This amount has been calculated by the City's Finance Director Suresh Malkani.

## STAFF RECOMMENDATION

It is recommended that Resolution No. 24-10 setting the Appropriations Limit for Fiscal Year 2022-23 at \$2,669,381 and Fiscal Year 2023-24 at \$2,797,380 in accordance with Article XIII-B of the Constitution of the State of California be approved.

DISCUSSION ON SWITCHING THE AUTOMATED LICENSE PLATE

READERS ON MOUNT OLIVE DRIVE TO THE FLOCK SYSTEM

ATTACHMENTS: 1) Template Pictures of the Flock System

#### <u>SUMMARY</u>

City Staff recently fielded interest from City Councilmembers regarding the upgrading of the Automated License Plate Readers (ALPR) on Mt. Olive Drive to the Flock system. It is estimated to cost the City of Bradbury \$3,600 for the first year and \$3,000 for each following year. This is an eligible expenditure of COPS funds.

A representative from the Los Angeles County Sheriffs Department and the Flock System will be present to answer any questions.

It is recommended that the City Council direct staff on how to proceed.

### **BACKGROUND**

In 2018, the City of Duarte approached Bradbury about the possibility of jointly funding two (2) ALPR cameras at the bottom of Mt. Olive Drive. The purchase of two (2) ALPRs would capture directional travel both northbound and southbound on the street. The City of Bradbury agreed, and both cities split the \$35,000 camera costs. Bradbury agreed to ongoing power costs, which is minimal, while Duarte agreed to ongoing cellular service costs.

FOR CITY COUNCIL AGENDA	AGENDA ITEM #
-------------------------	---------------

#### **ANALYSIS**

Part I crimes, including burglaries, larcenies, and auto thefts, have been steadily increasing in the surrounding region. ALPR camera technology has proven effective for law enforcement agencies in locating stolen vehicles and solving other crimes involving automobiles.

The Flock Safety ALPR camera system uses fixed-mount cameras throughout an area to provide comprehensive coverage and detailed information for law enforcement. Flock offers this technology through a subscription model, which includes ALPR camera hardware, maintenance, software updates, 30 days of unlimited data storage, solar panels, pole mounting equipment, and monitoring. These services adhere to all government regulations and workplace safety guidelines.

Flock's system focuses on capturing vehicle features (make, model, color, license plate, state of the plate, timestamp) without using facial recognition technology or recording personally identifiable information, thus protecting individuals' privacy.

Flock is the sole provider of their monitoring, processing, and machine version services, integrated with their ALPR cameras. Additional benefits include:

- Access (for law enforcement) to a network of Flock cameras in other communities, providing extensive coverage and support for deputies and detectives.
- Patented proprietary machine vision to analyze vehicle details based on image analytics.
- Ability to 'Save Search' based on vehicle descriptions and set up alerts without needed a license plate.
- A web-based footage retrieval tool with filtering capabilities such as vehicle color, type, manufacturer, partial or full license plate, state of license plate, and object detection.
- Support for broader law enforcement efforts, as the integrated network allows sharing of information across jurisdictions, aiding in crime reduction and public safety improvement.

Several local communities within the San Gabriel Valley, including Arcadia, Alhambra, Azusa, Baldwin Park, Covina, El Monte, Glendora, Monrovia, Monterey Park, Pico Rivera, Pomona, Rosemead, San Dimas, Temple City, Irwindale, San Marino, South Pasadena, and West Covina, currently use the Flock ALPR camera system.

The City of Duarte is also in the process of updating their 10 ALPR locations. As they work toward executing a services agreement with Flock Group, Inc., this is an opportune time to consider upgrading the ALPRs on Mt. Olive Drive with the Flock camera system.

A change to the Flock system would bring about physical differences. For example, the existing infrastructure (e.g. existing boxes) cannot be utilized, so the old system will either

need to be abandoned or removed. This will save on utility costs to Bradbury, and Duarte would also save on cellular data costs. The Flock system is installed on a pole with a solar panel. While this system may not be as aesthetically pleasing, it is self-contained.

#### FINANCIAL ANALYSIS

The estimated cost to install each camera system is between \$600 and \$900, with a subscription cost of about \$3,000 per camera per year. If the Cities replace the existing two (2) cameras, the estimated cost for the first year is about \$7,200, with subsequent years costing about \$6,000. If the Cities split the costs, it would be \$3,600 for the first year and \$3,000 for each following year.

The City of Duarte's Staff has expressed interest in partnering with Bradbury, but the services agreement with Flock Group, Inc. has not yet been reviewed and approved by the Duarte City Council. There is not an expectation that the Duarte City Council would reject the partnership.

Bradbury could utilize COPS funds to cover the expenses of the Flock system. The City currently has an anticipated fund balance at the end of FY24/25 of \$594,604. Current yearly COPS revenues are expected at \$110,000 with expenses at \$150,000 to pay for the CSO program. While the expected fund balance is positive, the CSO program is slowly depleting the fund. Adding the Flock system expenditure is expected to deplete the COPS fund quicker.

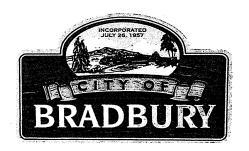

#### **RECOMMENDATION**

It is recommended that the City Council direct staff on how to proceed.

FISCAL YEAR 2024-25 ANNUAL RATE ADJUSTMENT FOR

SOLID WASTE COLLECTION AND RECYCLING

ATTACHMENTS:

1. Annual Rate Review Letter & Rate Increases from Burrtec Waste

Services, LLC

#### **SUMMARY**

The City of Bradbury contracts with Burrtec Waste Services for solid waste collection and recycling. Pursuant to Section 10.10 of the Franchise Agreement, "each subsequent July 1 (after July 1, 1999) the rate for each category of service shall be subject to upward or downward adjustment. Customer rates are comprised of the following categories: contractor service cost, disposal cost, recycling processing, green waste processing cost and manure waste processing cost."

Attached are the proposed new rates for trash, recycling, manure, and green waste collection in the City of Bradbury (Attachment #1). It is recommended the City Council approve the refuse collection and recycling rates set forth in the attached charts to become effective July 1, 2024.

#### **ANALYSIS**

Burrtec Waste Services began providing franchised refuse collection and recycling services in the City of Bradbury on July 1997. The initial rates for Burrtec's services were set forth in its contract and were the result of a lengthy competitive bid process and extensive negotiations. In February 2011, the City Council granted a contract extension along with service amendments to Burrtec Waste Industries to continue service until June 2018. In June 2016, the City Council granted another contract extension to continue until June 2025.

The City's contract with Burrtec sets forth a specific formula by which refuse collection and recycling rates are to be adjusted over time. The City's responsibility is to review the

FOR	CITY COUNCIL	AGENDA	AGENDA ITEM#	

rates proposed by Burrtec and confirm that the calculations are correct. The basic contract provisions are as follows:

- Rates are adjusted up or down based on the contract formula that accounts for various cost factors, including Consumer Price Index (CPI).
- A 4% cap is set forth on each annual adjustment.
- Burrtec may petition the City Council for an adjustment in excess of 4%, when justified by extraordinary circumstances.

Overall, Bradbury residents appear to be quite satisfied with Burrtec, and City Hall has received very few complaints about trash services. Since receiving Burrtec's request, Staff has been reviewing the cost data supplied by Burrtec, and the cost increases calculated by Burrtec seem reasonable.

Mr. Michael Heftman, Director of Municipal Services, will be present during this report to make a brief presentation and answer any specific questions.

#### **FINANCIAL ANALYSIS**

Burrtec provides approximately \$39,000 in franchise waste management fees to the City annually. There may be a minimal increase in revenue from franchise fees to the City from the additional fees collected from services rendered by residents.

#### STAFF RECOMMENDATION

It is recommended that the City Council approve the refuse collection and recycling rates set forth in the attached charts to become effective July 1, 2024.

Mr. Kevin Kearney City of Bradbury 600 Winston Avenue Bradbury, CA 91010

RE: Annual Rate Adjustment 2024

Dear Mr. Kearney:

Please accept this as Burrtec's formal 2024 annual rate adjustment request. Attached are the draft rate review worksheets detailing the consumer price index adjustments and respective disposal and processing pass-through costs.

The consumer price index (CPI) based on the July 2023 All Urban Consumer Price Index for Los Angeles – Long Beach – Anaheim, CA is 2.72% and was incorporated into the calculations. Trash, green waste and recyclables continued to be delivered to the Material Recovery Facility (MRF) in Azusa. Bradbury remains under a CalRecycle approved waiver for SB 1383 compliance negating the need for food waste recycling programs but is still required to comply with procurement requirements.

Bradbury residential barrel and green waste bin customers' disposal tonnages increased significantly over the rate adjustment period. However, trash disposal tip fees increased minimally from \$68.70/ton to \$68.75/ton, green waste disposal tip fees remained unchanged at \$125/ton, and residential recyclables processing tip fees had a moderate reduction from \$9.02/ton to \$5.15/ton.

Thank you for your consideration of the requested rate adjustment.

Sincerely.

Michael Heftman

SUBJECT:

**ADOPTION OF BUDGET FOR FISCAL YEAR 2024 - 2025** 

ATTACHMENTS:

1. Resolution No. 24-11: Annual Budget for FY2024-25

Resolution No. 24-12: COPS Funds
 Resolution No. 24-13: SB1 Funds

4. FY 2024 - 2025 Work Plan

5. FY 2024 – 2025 Projected Fund Activity by Fund

6. FY 2024 – 2025 Revenue Projections7. FY 2024 – 2025 Expenditure Projections

#### **SUMMARY**

The proposed Fiscal Year 2024 – 2025 draft budget is a snap-shot of next year's budget forecast, and it allows the City Council to discuss any priorities in the coming year.

The budget determines the City's resource priorities and sets the course for years to come. The City Council does that by linking the most important, highest priority items for the City to accomplish over the next year with the necessary resources.

It is recommended that the City Council adopt Resolution No. 24-11 approving the City of Bradbury's Annual Budget for Fiscal Year 2024-2025, Resolution No. 24-12 approving the expenditure plan for grant funds pursuant to Citizen's Options for Public Safety (COPS)/Supplemental Law Enforcement Service Fund, and Resolution No. 24-13 approving SB1 funds to be dedicated to the Bradbury Road Widening project.

#### **ANALYSIS**

Linking objectives with necessary resources involves a process that identifies key goals prior to budget preparation, and these goals become priorities for the budget process.

FOR CITY COUNCIL AGENDA	AGENDA ITEM #
-------------------------	---------------

The following five key goals (in no particular order of importance) have been developed by the City Council:

- Disaster Preparedness
- Fiscal Responsibility
- Capital Improvements
- Infrastructure Improvements
- City Beautification

#### DISCUSSION

#### A Snapshot of the Budget FY 2024 - 2025

Revenue projects are based on the trends and forecast reports from the County and State. These estimates are conservative and reflect the expectation of the City's revenues from the previous year.

Revenue to the General Fund projected at \$1,396,498 and expenditures total is \$1,460,532. The City's major General Fund revenue sources are Property Tax, Transfer Tax, Franchise Fees and Fees for Service. It should be noted that the General Fund revenues are subject to changes in economic conditions and can fluctuate significantly. The city expects revenues from licenses and permits to remain relatively stable into the upcoming year. There is not an expectation that construction activity revenue streams will significantly increase into the new fiscal year.

Below is a summary for the upcoming Fiscal Year:

Projected General Fund Revenue = Projected General Fund Expenditures =	\$1,396,498 \$1,460,532
Projected Difference	\$ (64,034)
Projected Fund Balance =	\$3,192,514
Projected General Fund Reserves =	\$1,200,000
Projected Infrastructure Reserves =	\$ 200,000
Projected Contingency =	\$ 5,000
Projected General Fund Liability =	\$ 25,000
Unreserved General Fund Balance =	\$4,622,514

The Public Safety Committee serves as an advisory body for matters concerning law enforcement priorities, crime prevention, animal control, and emergency preparedness. This year, the Committee played a crucial role in updating the City's Local Hazard Mitigation Plan. Throughout the year, the Committee welcomed various guests to its monthly meetings, including representatives from the Area D Office of Disaster Management and professional planning consultants from Atlas Planning Solutions. Additionally, the Committee has been and continues to discuss the potential acquisition of emergency radios and infrastructure. This will be the first year Bradbury has had two (2) separate Bradbury Night Out events to plan in a singular Fiscal Year. The Committee has and continues to spearhead a Community Action Plan and has performed an inventory of emergency supplies.

#### New Items for Consideration in FY 2024 – 2025

#### Recommended New Items Utilizing Restricted Funds: Currently in Budget

COPS/SLESF Funds - \$151,028 (Restricted Funds)
The City receives \$102,200 in Citizens' Option for Public Safety (COPS) /
Supplemental Law Enforcement Services Fund (SLESF) funding from the State
for additional local law enforcement purposes each Fiscal Year. The City will have
a \$471,710 at the end of this Fiscal year and will add another \$100,000 in FY
24/25. This past year, the City utilized funding for two (2) contracted Monrovia
CSOs and administrative supplies (such as tickets and equipment). Extra Sheriff's
Department spot-patrol in Bradbury has been utilized in the past but has been
placed on hold.

In October 2022, the City Council approved a MOU with the City of Monrovia to have the CSO program include two (2) CSOs. The MOU has a 3-year lifetime from 2022 to 2025 at a set rate of \$299,056 which Bradbury and Monrovia split the cost at \$149,528 for each City. This covers two (2) CSO labor/wages, vehicle costs, standard equipment, uniforms, and training. As such, Staff is recommending the following for this upcoming fiscal year:

 \$1	51,028	TOTAL
\$	1,500	Supplies
\$1	49,528	Two Monrovia CSO

It should be noted that the current recommendation still places on hold the allocation of funds to LASD for additional spot-patrol. However, LASD is currently holding \$62,175 in City COPS funds from past years that can be utilized for future use.

### Recommended New Items Utilizing General Funds: Currently in Budget

■ Los Angeles Sheriff's Department Contract Increase - \$4,458

The Sheriff's Department has notified the City that their contracting cost model will overall increase by 3.44%. Negotiated employee salary increases have contributed to the rate increase. The liability surcharge on LASD services increased to 12.5% (from 12%). The liability surcharge increase occurred based on the review of the annual actuary study, the pro forma analysis, and the current financial condition of the liability trust fund. The current contract between Bradbury and LASD accounts for 730 annual scheduled hours within the City.

- COLA Adjustments of 4% for Staff \$13,150
   The following are COLA increases for Staff, which includes the City Manager, City Clerk, and Management Analyst positions.
- RKA Engineering Increases Various Changes RKA Consulting Group has adopted a fee schedule with the following changes effective July 1, 2024:

Hourly Rate Schedule	Current	Proposed
Project Principal/City Engineer	\$160	\$170
Engineering/CADD Technician	\$85	\$95
Public Works Inspector	\$90	\$95
Clerical/Administrative	\$65	\$70

- City Attorney Increases Various Changes
  - Jones-Mayor is requesting the following increases in billing rates for FY 24-25:
    - Retainer from \$3,000 to \$31,000
    - ➤ Hourly Rate for 3<sup>rd</sup> Party Reimbursables from \$375 to \$400
    - ➤ Hourly Rate for All Other Matters \$305
- Bradbury Road Widening \$173,155

The Bradbury Road Widening project has been approved by the City Council and is expected to start construction in mid-September. The project utilizes restricted grant funding to help pay for the project, but the remaining amount of \$173,155 is expected to come from the General Fund.

## RESOLUTION TO INCORPORATE A LIST OF PROJECTS FOR FISCAL YEAR 2024-2025 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT

**WHEREAS**, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, the City of Bradbury, will receive and estimated \$23,250 in RMRA funding in Fiscal Year 2024-25 from SB 1; and

**WHEREAS**, the City of Bradbury has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City of Bradbury used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities' priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City of Bradbury maintain and rehabilitate the City's public streets/roads, bridge, add active transportation infrastructure throughout the City of Bradbury this year and other of similar projects into the future; and

**WHEREAS**, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the City of Bradbury streets and roads are in an "good" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "excellent" condition; and

**WHEREAS**, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

**NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND** by the City Council of the City of Bradbury, State of California, as follows:

- 1. The foregoing recitals are true and correct.
- 2. The following newly proposed projects will be funded in part with fiscal year 2024-25 Road Maintenance and Rehabilitation Account revenues:

Bradbury Road/Wild Rose Avenue Widening Project would widen a currently narrow curvilinear two-lane roadway, which has limited shoulder areas due to the presence of large hedges, severe slopes, and a steep hillside. The current roadway width presents hazards and challenges to large moving trucks, horse trailers, and construction vehicles. The widening of the roadway provides a safer means of access for all vehicles utilizing Bradbury Road. The existing curb-to-curb street width is approximately 23 feet and would be increased to a proposed uniform curb-to-curb street width of 36 feet. The proposed road has an estimated useful life of 100 years, and project construction would start approximately in September 2024 and be completed approximately in January 2025.

## City of Bradbury Agenda Memo

TO:

Honorable Mayor and Members of the City Council

FROM:

Kevin Kearney, City Manager

DATE:

June 18, 2024

**SUBJECT:** 

AWARD OF CONTRACT TO IWORQ FOR A PERMIT

MANAGEMENT SYSTEM FOR THE CITY OF BRADBURY

ATTACHMENTS: 1) IWORQ SERVICE AGREEMENT

## **SUMMARY**

It is recommended that the City Council approve the iWorQ system at a cost of \$6,300 for the first year and \$3,800 for subsequent years, and approve the City Manager (in consultation with the City Attorney) to enter into an agreement with iWorQ Systems.

### **BACKGROUND**

Assembly Bill No. 2234 was approved by the Governor on September 28, 2022. The Bill alters the Permit Streamlining Act in a number of ways, which include requiring a local agency, beginning on specified dates determined by population size, to provide an option for postentitlement phase permits to be applied for, completed, and retrieved by the applicant on its internet website.

The Bill stipulates that a local agency located in a county with a population of 1,100,000 or greater (which applies to Los Angeles County) shall comply with the above regulations by January 1, 2024 unless the local entity has initiated a procurement process for the purpose of complying with the regulations.

#### **ANALYSIS**

Staff has been interviewing potential systems for the past several months. Aside from contacting vendors, potential candidates for procurement of the system come from VCA

FOR CITY COUNCIL AGENDA AGENDA ITEM :	#
---------------------------------------	---

(the City's Building contractor), and the cities of Rolling Hills and Hidden Hills. After working through several systems, Staff has determined that the iWorQ system satisfies the State's regulations and is the cheapest. iWorQ is the same system the City of Rolling Hills utilizes.

The iWorQ system is a no-frills system but is structured to satisfy the needs of the City. The system allows for the management of building permits, the plan review process, and code enforcement. Permits in the plan review process can also be tracked by contractors and residents online.

The system allows for an unlimited number of contractors and staff to remotely access and use the system, which is expected to help with coordination between the various City contractors both on- and off-site. Additionally, the system would allow for an easy transition if (or once) there is turnover in the future with the Building Inspector and/or City Planner.

## FINANCIAL ANALYSIS

The cost for the work system is \$6,300 for the first year and \$3,800 for every subsequent year. The first year's cost incorporates a setup fee that includes unlimited support during the transition. The yearly cost also includes unlimited support for the system. The services agreement gives iWorQ the option to increase no more than 5% in each subsequent year. The company has stated that they have not implemented the optional 5% increase in their 23 years of business. The City of Rolling Hills, which also contracts with iWorQ, has not seen this stipulation utilized either.

A permitting system, such as iWorQ, is an eligible expenditure for the City's Technology Fee fund. Additionally, Staff is dialoguing with the contractor conducting the current Fee Study to ensure a permitting system, such as iWorQ, is incorporated into the City's fees.

The second cheapest system Staff tested was valued at \$7,500 annually, and the City of Hidden Hills system cost them approximately \$20,000 annually.

## STAFF RECOMMENDATION

It is recommended that the City Council approve the iWorQ system at a cost of \$6,300 for the first year and \$3,800 for subsequent years, and approve the City Manager (in consultation with the City Attorney) to enter into an agreement with iWorQ Systems.

## City of Bradbury Agenda Memo

TO:

Honorable Mayor and Members of the City Council

FROM:

Kevin Kearney, City Manager

DATE:

June 18, 2024

SUBJECT:

APPROVAL OF RESOLUTION NO. 24-14, WHICH EXECUTES ADOPTION OF THE MUNICIPAL LAW ENFORCEMENT SERVICES

AGREEMENT BY AND BETWEEN THE COUNTY OF LOS

ANGELES AND THE CITY OF BRADBURY

ATTACHMENTS: 1. Resolution No. 24-14

#### SUMMARY

It is recommended that the City Council adopt Resolution No. 24-14, which executes the Municipal Law Enforcement Services Agreement by and between the County of Los Angeles and the City of Bradbury.

All costs associated with the upcoming contract with the Los Angeles County Sheriffs Department have been appropriately budgeted in the upcoming Fiscal Year 24/25 budget. Any costs for additional patrol utilizing restricted COPS funding is not incorporated into this agreement, and should be treated separately.

### **DISCUSSION**

The purpose of the Municipal Law Enforcement Agreement is to provide contract cities, such as Bradbury, with municipal law enforcement services for each city for the upcoming fiscal years. The approval of this new Municipal Law Agreement will permit the Los Angeles County Sheriffs Department to continue to provide general law enforcement services to the City of Bradbury.

A	GΕ	ND	A	Τ	EM	#	

The Agreement outlines such agreements for the scope of services, deployment and administration of personnel, performance of agreement, indemnification, terms of agreement, termination, billing rates, payment procedures, etc.

The terms of the Agreement have already been approved by the Los Angeles County Board of Supervisors, and the Sheriffs Department is currently in the process of adopting contracts with each of the 42 contract cities. It is anticipated that most, if not all, of the cities will executive their agreements in June 2024.

## **FINANCIAL ANALYSIS**

As outlined in the proposed budget for Fiscal Year 24/25, the overall cost for the contract law enforcement services with the LA County Sheriffs Department totals \$144,261. Included in this amount is the 12.5% liability portion that all contract cities contribute.

Any costs for additional patrol utilizing restricted COPS funding is not incorporated into this agreement, and should be treated separately.

## STAFF RECOMMENDATION

It is recommended that the City Council adopt Resolution No. 24-14, which executes the Municipal Law Enforcement Services Agreement by and between the County of Los Angeles and the City of Bradbury.

# MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT BY AND BETWEEN COUNTY OF LOS ANGELES AND CITY OF BRADBURY

7	This Municipal Law Enfo	orcement Services Agreement ("Agreement") is made and entered
into this	day of	, 2024 by and between the County of Los Angeles
("Count	y") and the City of Bradl	oury ("City").

## **RECITALS**

- A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department ("Sheriff's Department"); and
- B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and
- C. Whereas, this Agreement is authorized by Sections 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

#### 1.0 SCOPE OF SERVICES

- 1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.
- 1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter, State of California statutes, and the City municipal codes.
- 1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

#### 2.0 ADMINISTRATION OF PERSONNEL

- 2.1 During the term of this Agreement, the Sheriff or his designee shall serve as the Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.
- 2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County. The City understands and agrees that, at the Sheriff's Department's sole discretion, the Sheriff's Department may redeploy personnel for mutual aid purposes pursuant to the California Emergency Services Act, codified California Government Code Sections 8550-8668. Absent exigent circumstances, any sustained deployment of more than fifty percent (50%) of the City's contracted items, with the calculation determined by service unit type, requires consultation with the City manager or his/her designee. For the purpose of this section, exigent circumstances are defined as such cases where the immediacy of deployment is of such nature where prior consultation is materially detrimental to public safety and the length of such deployment does not exceed 24 hours.
- In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City. The City shall first consult with the Station Captain, Division Commander, and Division Chief, in an effort to reach a mutual determination. If a mutual determination cannot be realized at a subordinate level, then the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff.
- 2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.
- 2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have

any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County. The Sheriff's Department will provide approved City employees with the required training necessary to access authorized County programs (i.e. CAD, MDC, etc.), so such City employees can perform the functions of their positions.

- 2.6 While performing law enforcement services and functions under this Agreement, every Sheriff's Department employee shall be authorized to enforce all City laws and regulations, including all City codes and ordinances.
- 2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for the City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of the performance of services under this Agreement.
- 2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

#### 3.0 DEPLOYMENT OF PERSONNEL

- 3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement.
- 3.2 The City, or its designated representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The City and the

Sheriff's Department shall also determine a minimum daily standard of staffing needs for services rendered to ensure an adequate personnel presence during station operation and patrol. The City and the Station Captain shall meet to discuss the minimum daily standard which is documented in Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement. The Station Captain shall endeavor to meet this standard without increased cost to the City. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) by following the daily minimum standard of staffing, as stipulated in Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement. Should deployment deficiencies occur, the Sheriff's Department should make every effort to reallocate those resources to the shift where the deficiencies occurred. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify the City of this change in advance. In the event that prior notice is not possible, the City shall be notified of the change within two (2) City business days. If monthly service compliance falls below ninety-eight percent (98%) for each service unit type, then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%) for each service unit type, then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and the City to discuss compliance and identify a plan for resolution. If the City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime, staffing adjustments, and/or City-initiated service suspensions, at no additional cost to the

- City. If the City determines it is unnecessary, the City may waive either dispute resolution process discussed above.
  - 3.3.1 The Sheriff's Department shall monitor and make every attempt to backfill vacant and impaired (to include loaned) sworn supervisorial overhead positions by the beginning of the following quarter.
  - 3.3.2 The Sheriff's Department will work with the City to provide an appropriate tool and/or reports to demonstrate adequate service level compliance under this Agreement. Such service level compliance reports include, but not limited to, daily staffing levels, service levels, deployment of service units, daily deputy activity, or similar type data that is reasonably available.
- A new Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee effective each July 1, and attached hereto as an Amendment to this Agreement.
- 3.5 Should the City request a change in the level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto as an Amendment to this Agreement.
- 3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement shall be the staffing level in effect between the County and the City.
- 3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement. The City may also request any other service or equipment in the field of public safety, law, or related fields within the legal power of the Sheriff's Department to provide. Such other services and equipment shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement under the procedures set forth

- in Paragraphs 3.4 and 3.5 above.
- 3.8 With regard to any public safety equipment requested by the City and set forth on Attachment A, Los Angeles County Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement, the City shall adhere to the terms and conditions set forth in Attachment C, Public Safety Equipment Use Requirements, of this Agreement.
- 3.9 When a contracted service unit, requiring the procurement of a vehicle at the onset of service, is deleted from the Service Level Authorization (SH-AD-575), and the City reinstates said service unit within a 24-month period, the City will not be required to procure a vehicle.

# 4.0 PERFORMANCE OF AGREEMENT

- 4.1 For the purpose of performing general law enforcement services under this Agreement, the County shall furnish and supply all necessary labor, supervision, equipment, technology, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.
- 4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.
  - 4.2.1 All bailments require a separate Bailment Agreement governing the County's use of the bailed equipment. Such Bailment Agreements shall be administered at the station level. A bailment is a legal arrangement where one party (City) temporarily transfers possession of specific property or assets to another party (County) to facilitate the provision of certain services.
  - 4.2.2 All donations made by a City to the County will be governed by the most current Sheriff's Department donation procedures.
  - 4.2.3 The County, through the Sheriff's Department, acknowledges its obligation to maintain an inventory of all non-vehicle equipment owned by the City ("City Equipment") provided to the County for its use. The inventory shall include, but not limited to, a detailed description of each item of City Equipment, its serial number (if applicable), its condition upon receipt, and its location. The County shall be responsible for regularly updating and maintaining the inventory of City Equipment, including documenting any changes in the status, condition, or location

of equipment. The inventory shall be kept current and accurate at all times during the term of this Agreement. Upon request by the City, the County shall provide access to the inventory records and facilitate any necessary inspections or audit of the City Equipment. The County shall cooperate fully with the City in verifying the accuracy and completeness of the inventory. In the event of loss, damage, or theft of any City Equipment while under the custody or control of the County, the County shall promptly notify the City in writing and provide a detailed explanation of the circumstances surrounding the incident. All inventory records shall be completed and maintained at the station level.

- 4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff's Department shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.
- 4.4 It is expressly further understood that in the event a local office or building is maintained in the City, such local office or building may be used by the Sheriff's Department in connection with the performance of its duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.
- 4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of the City, the same shall be supplied by the City at its own cost and expense.

# 5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the County Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the County Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full herein.

- 5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the County Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.
- 5.3 In the event the County Board of Supervisors later approves a revised Joint Indemnity Agreement and the City executes the revised agreement, the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.
- Notwithstanding anything to the contrary contained in the Agreement, the indemnification term under this section shall be in effect for a period of nine (9) months, through and including March 31, 2025, with an automatic six-month (6) renewal thereafter, through and including September 30, 2025 ("Indemnification Extension"), unless: (a) this section is amended at any time prior to September 30, 2025; or (b) the entire Agreement is terminated earlier, pursuant to Section 7.0 of this Agreement. If the parties continue to perform under the Agreement after the expiration of the Indemnification Extension without any amendment to this section in accordance with Section 11.0, then the indemnification term under this section will be automatically renewed and incorporated herein for the entire duration of this Agreement.

# 6.0 TERM OF AGREEMENT

- 6.1 The term of this Agreement shall be from July 1, 2024 through June 30, 2029, unless sooner terminated or extended as provided for herein.
- At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.
- 6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

# 7.0 RIGHT OF TERMINATION

- 7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than one hundred eighty (180) calendar days prior thereto.
- 7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the County.
- 7.3 This Agreement may be terminated at any time, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.
- 7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.
- 7.5 In the case of termination of this Agreement, the Sheriff will provide only such duties as are required by law.

## 8.0 BILLING RATES

- 8.1 The City shall pay the County for the services and equipment provided under the terms of this Agreement at the billing rates set forth on Attachment B, Contract City Law Enforcement Services and Equipment Master Rate Sheet, of this Agreement, as established by the County Auditor-Controller.
- 8.2 The billing rates set forth on Attachment B, Contract City Law Enforcement Services and Equipment Master Rate Sheet, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, published by the County, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.
- 8.3 The City shall be billed at the current fiscal year's billing rates based on the service level provided within the parameters of Attachment A, Los Angeles County

- Sheriff's Department Service Level Authorization (SH-AD 575) Form, of this Agreement.
- The billing rates for other services and equipment requested pursuant to Paragraph 3.7 of this Agreement and not set forth on Attachment B, Contract City Law Enforcement Services and Equipment Master Rate Sheet, of this Agreement shall be determined by the County Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors and then set forth and published on a revised Attachment B, Contract City Law Enforcement Services and Equipment Master Rate Sheet, of this Agreement.

## 9.0 PAYMENT PROCEDURES

- 9.1 The County, through the Sheriff's Department, shall render to the City, after the close of each calendar month, a summarized invoice which covers all services performed during said month, and the City shall pay the County for all undisputed amounts within sixty (60) calendar days after date of the invoice.
- 9.2 If such payment is not delivered to the County office which is described on the invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide the County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. Enclosed is the current FY 2024/2025 liaison list. As part of the recent City Council reorganization, the Council should review the organization and association assignments.

Further, it is typical that the residing Mayor is the representative to the Los Angeles City Selection Committee and LA County Sanitation District.
