Housing Element Update: We Want To Hear From You!

The City is kicking off the Housing Element update process!

What is a Housing Element?

The Housing Element includes goals, policies, programs, and quantified objectives for adequately housing our future population. The Housing Element must be updated on a four to eight year schedule and be approved by the State's Department of Housing and Community Development.

To start the update process, the City will be soliciting feedback from residents. Join us at the City Council meeting on April 20, 2021 at 7 p.m. to learn about and discuss the upcoming Housing Element update.

Be Water Wise & Mosquito Bite Free

In partnership with Walnut Valley Water District, the San Gabriel Valley Mosquito and Vector Control District is sharing everything you need to know regarding water conservation and mosquitoes. Check out their latest educational webinar here: <https://www.wvwd.com/classes-and-workshops/>

Below are a few steps to keep mosquitos away this spring:

- Tipping and tossing stagnant water around the home.
- Making sure all window and door screens are in good repair on your property.
- Wear insect repellent containing CDC-recommended Picardin, DEET, oil of lemon eucalyptus, or IR3535.

Contact SGVMVCD to report neglected swimming pools at www.SGVMosquito.org or (626) 814-9466.
