Let's Keep Bradbury Beautiful!

During the season of winter rains, we encourage residents to continue the regular upkeep of their property. Each community member plays a role in keeping the City safe, healthy and beautiful! A few things to take care of include:

- Cutting down any overgrown vegetation
- Removing weeds
- Draining out any stagnant water to avoid mosquito-breeding

For more information, check out the [City's property maintenance standards](#). If you have any questions, please call City Hall at (626) 358-3218.

KEEPING STORM DRAINS CLEAN

During these rainy days, it is important to consider what goes down our stormdrains. Stormdrains are responsible for carrying all stormwater (rain) to a local body of water. Consider the following tips to do your part to ensure only clean rainwater enters the stormdrain system:

- Clean up oil spills and fluid leaks from your car when parked in your driveway. Use cat litter to absorb oil and be sure to sweep up the litter once it absorbs the oil and dispose of it in the trash;
- Take your car to the car wash instead of washing it in the driveway, so water doesn't run into the stormdrain; and,
- Pick up pet waste and dispose of it in a trash can.
