Quote of the Month

"The object of a New Year is not that we should have a new year. It is that we should have a new soul and a new nose; new feet, a new backbone, new ears, and new eyes."
— G.K. Chesterton

We Want To Hear From You!

Please join us for a Community Workshop, Wednesday, January 13th at 7:00 p.m., where we will provide you with information about the City's Community Wildfire Protection Plan (CWPP). A CWPP is a strategic plan that identifies at-risk areas and recommends measures to reduce structural ignitability throughout the community. This interactive workshop will also be an opportunity for residents to express areas of concern regarding wildfires and emergency preparedness procedures in the community.

Register for the workshop here:

CWPP Survey

As a community member, the City is interested in receiving your input regarding wildfires and emergency preparedness procedures. Your feedback will help the City build a more comprehensive Community Wildfire Protection Plan (CWPP) that caters to the specific needs and concerns of the community. Dudek, the City's consultant, has developed a survey to help gather your feedback. The survey takes only a few brief moments to complete and can be accessed here:

www.surveymonkey.com/r/VRCMRXN

Responses will remain confidential and will help the City better understand community concerns.

Burrtec Waste Industries Update

Burrtec, like many other companies, is experiencing COVID-19 staffing impacts and appreciates your understanding and assistance with the following.

- Set out barrels only when they are full or near full; avoid setting out barrels that are partially full.
- Service times may change so please leave your barrels out for service until the next day.
- Bulky pickup requests will be temporarily suspended until after 2/1/21.
- Barrel exchanges for dirty and broken but usable barrels will be temporarily suspended until after 2/1/21.

Thank you for your patience and understanding. If you have any questions, please contact your local Burrtec Customer Service Department.

**CHRISTMAS TREE
RECYCLING**

Burrtec will continue to collect and recycle Christmas Trees until January 29th. Please place your tree at curbside on your trash collection day. Also, please remember to remove all ornaments/decorations, tree stands of any kind, tinsel, nails, plastic containers, and lights. Flocked trees will not be recycled—they will be collected as trash. Trees taller than 4 feet must be cut in half.

Should you have any questions, or for more information, please call: [800-325-9417](tel:800-325-9417).

CHAMBER CORNER

Keep up to date with the Duarte and Monrovia Chamber of Commerce events, as we will be highlighting Duarte and Monrovia Chamber News and Events. Let's continue to support small businesses in our neighboring communities during these trying times. We are in this together!

Monrovia Chamber of Commerce News and Events:

Operation: Save Our Restaurants

Monrovia Chamber and the business community are joining forces to support local restaurants through coupons. From now until January 15th, if you spend \$30 or more at a participating restaurant you will receive \$10 off your entire check— paid by Monrovia Chamber Sponsors.

Please visit www.MonroviaCC.com to download the coupon!

Pets of the Month

Bradbury's City Manager, Kevin Kearney, has 6 pet chickens! Meet Chickaletta, Crispy, Robot, Egg, Boe, and Chicky-Fil-A (from left to right). They each have their own quirks and clucks. They would much rather free roam around the backyard than hang out in their coup. They like to eat up plants for fun and they just laid eggs for the first time last week!

The Rose Parade started in 1890. It has since been broadcasted worldwide and is typically viewed in over 100 countries around the globe. 2021 was only one of four years it got interrupted since 1890.

Storm Water Pollution—All Drains Lead to the Ocean

The storm drain system is a network of gutters, inlets, underground pipes, and concrete channels that run throughout the City. All storm drains eventually drain into the ocean. Any pollutants in the storm water harm the delicate aquatic ecosystem. Please report illegal dumping of substances into the storm drains to the City at 626-358-3218 or to L.A. County Public Works at 800-303-0003.

Meeting agendas are posted at the City Hall entrance gate. The January 19, 2020 agenda will be available on the City's website by 5:00 p.m. on Friday, January 15th.
