BRADBURY NEWS

"Preserving Rural Tranquility"

Water-Use Restrictions in Effect

Due to a continuing statewide drought, California American Water has issued water restrictions. They are requesting customers follow common sense rules to conserve water and eliminate waste.

Please follow the outdoor watering schedule.

Beginning June 1, 2022, please follow the updated two-day-a-week watering schedule:

Odd-numbered addresses: Tuesday & Saturday

Even-numbered addresses: Thursday & Sunday

- Water between 8 p.m. and 9 a.m.
- Limit watering to 15 minutes per station per allowed day.
- Drip irrigation and micro-spray are exempt from day-of-week and time limitations.

Turf grass irrigation (irrigation timer or garden hose) only permissible on allowed watering days.

Below are some conservation measures provided by California American Water:

- Eliminate runoff from sprinklers.
- Use an automatic shut-off nozzle on hoses while washing cars.
- Do not irrigate or water outdoors for 48 hours after rain.
- Do not use potable water for non-recirculating fountains, ponds and water features.
- Do not use potable water to wash driveways and other hardscapes.

Keep up the good work & continue conserving water! For more information, visit [CalAm Water online](#) or call your local conservation representative at 626-614-2536.

"Live in the sunshine, swim the sea, drink the wild air."

- Ralph Waldo Emerson

BEAT THE MOSQUITO HEAT THIS SUMMER!

Summer is here and mosquitoes are roaming. The San Gabriel Valley Mosquito and Vector Control District has some tips for you!

- **Tip 'n Toss, Show them who's boss!** – You know mosquitoes can turn from egg to adult in a week. So eliminate stagnant water weekly in and around the home. Don't forget to keep your pool clean and maintained!
- **Repel, Don't Swell** – Apply repellent to exposed skin to stop mosquito bites. Use oil of lemon eucalyptus, which is EPA-registered and CDC-recommended. Other effective repellents are Picaridin, DEET and IR3535.
- **Educate friends, neighbors and family** – We challenge you to educate at least two more people about mosquitoes. The more we understand that mosquito control is a Shared Responsibility, the more healthy our communities will be!

For more information, please visit [SGV Mosquito and Vector Control online!](#)

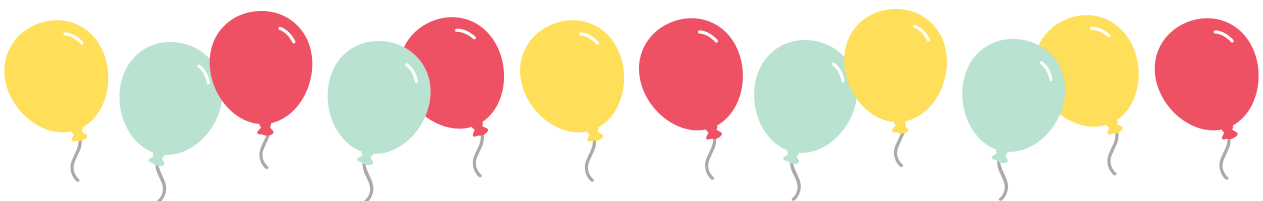

Save the Date for Bradbury Night Out *Thursday, July 28, 2022 at Bradbury Civic Center*

It is the City's pleasure to announce that Bradbury Night Out is back this year!

Due to COVID, the event has been postponed since 2019 but we are so excited to be able to celebrate once again. The event is hosted by the City in celebration of the City's Anniversary and National Night Out.

Mark your calendars and join us on Thursday, July 28th from 6:00 p.m. to 8:00 p.m. at Bradbury Civic Center (600 Winston Avenue Bradbury, 91008) for dinner, dessert, giveaways and lots of fun! It will be an opportunity to get to know your neighbors and organizations from the surrounding area.

We hope to see you there!

BEING READY- WILDFIRE PREPAREDNESS

Temperatures are rising and wildfire season is here. Being Ready starts with hardening your home and maintaining adequate Defensible Space around your home and property. Home Hardening means using ignition-resistant materials on and around your home to help it withstand flying embers and radiant heat. Defensible Space is the buffer created by removing dead plants, grass and weeds to help keep wildfire away from your home.

It takes a combination of Home Hardening and Defensible Space to give your house the best chance of surviving a wildfire.

Home Hardening actions to get you started:

- Use or install fire ignition-resistant materials around your home.
- Remove vegetation or debris from your roof, vents, windows, deck and gutters.
- Inspect home for dry rot, gaps or cracks. Caulk gaps greater than 1/8-inch.

Defensible Space actions to get you started:

- Create and maintain the required 100 feet of Defensible Space.
- Cut or mow annual grass down to a maximum height of four inches.
- Ensure all combustible materials are located 30 feet away from your home.

For more information, please visit ReadyforWildfire.org

HHW/E-WASTE COLLECTION

All residents of Los Angeles County may also utilize temporary, one-day collection events throughout the County to properly dispose of HHW/E-Waste FREE of charge. Events are from 9 a.m. to 3 p.m. (unless otherwise noted). Rain or shine, collection events will be held as scheduled below:
