TREE TRIMMING NOTICE

The City of Bradbury recently awarded a bid to West Coast Arborists Inc. (WCA) to perform citywide tree trimming. WCA will begin a tree inventory and tree trimming this month. This means there may be tree crews and trucks in your neighborhood. If there is work to be done near your home, you will receive a notice from WCA at least a week prior. If you have any questions, please reach out to Management Analyst, Sophia Musa at smusa@cityofbradbury.org or call City Hall at (626)358-3218.

Keep Bradbury Beautiful!

During the season of winter rains, we encourage residents to continue the regular upkeep of their property. Each community member plays a role in keeping the City safe, healthy and beautiful! A few things to take care of include:

- Cutting down any overgrown vegetation
- Removing weeds
- Draining out any stagnant water to avoid mosquito-breeding

For more information, check out the [City's property maintenance standards](#). If you have any questions, please call City Hall at (626) 358-3218.

KEEPING STORM DRAINS CLEAN

During these rainy days, it is important to consider what goes down our stormdrains. Stormdrains are responsible for carrying all stormwater (rain) to a local body of water. Consider the following tips to do your part to ensure only clean rainwater enters the stormdrain system:

- Clean up oil spills and fluid leaks from your car when parked in your driveway. Use cat litter to absorb oil and be sure to sweep up the litter once it absorbs the oil and dispose of it in the trash;
- Take your car to the car wash instead of washing it in the driveway, so water doesn't run into the stormdrain; and,
- Pick up pet waste and dispose of it in a trash can.
