"Preserving Rural Tranquility"

City Redistricting

Every ten years, state law requires districts to be redrawn so that each district is substantially equal in population. This process, called redistricting, is important in ensuring that each city councilmember represents about the same number of constituents. In the City of Bradbury, the City Council is responsible for drawing council districts. Redistricting is done using U.S. Census data, which has just been released this September 2021.

Why does redistricting matter to me?

Redistricting determines which neighborhoods and communities are grouped together into a district for purposes of electing a councilmember. The City Council will seek input in selecting the next district map for our City Council. You have an opportunity to share with the City Council how you think district boundaries should be drawn to best represent your community. You can contact the City Manager at kkearney@cityofbradbury.org or (626) 358-3218 to find out more about how the process works.

How can I get involved?

The City Council will be holding 2 more public hearings to adopt the final district map.

All redistricting meetings will be held virtually or at the Bradbury Civic Center located at 600 Winston Avenue, Bradbury, CA 91008. Those public hearings will be held on:

Final Map Adoption (First Reading)
November 16, 2021 @ 7:10pm

Final Map Adoption (Second Reading)
December 7, 2021 @ 7:00pm

MONROVIA CANYON PARK: A LOCAL HIDDEN GEM

If you are looking for a fun, adventurous activity in the neighborhood, visit Monrovia Canyon Park! This park is a local hidden gem! There are various trails, campgrounds and a nature center and cabin for events. In January 2021, the City of Bradbury donated two water fountains to the City of Monrovia. They have both been placed at Monrovia Canyon Park (bottom right picture). It has a water bottle filler and even a small fountain for furry friends!

The community is invited to enjoy all hiking trails, including the Waterfall Trail, Nature Trail, Bill Cull Trail and Cunningham Overlook Trail! Stop by the Ranger Station to pick up a copy of the trail map! At this time, Monrovia Canyon Park will be open to visitors by reservations only.

Park Hours:

Sunday - Saturday 6:30 a.m. - 6 p.m.

Monrovia Canyon Park is closed to vehicles on Tuesdays for routine maintenance, but still accessible for those walking/biking in. Reservations will be required for entry and a vehicle admission fee of \$5.00 per vehicle, \$10.00 on weekends, will be charged.

CITY OF HOPE'S 2021 WALK FOR HOPE IN DUARTE

City of Hope, a National Cancer Institute-designated comprehensive cancer center in Duarte, will host its 25th anniversary **Walk for Hope on Sunday, November 7** to find a cure for breast and gynecologic cancers. The annual Walk for Hope began in 1997 and is the largest public event City of Hope produces – with approximately 12,000 attendees and \$1.6 million raised in 2019. In 2020, City of Hope held its first-ever virtual Walk for Hope, raising \$1.3 million, and was a leader of revenue retention among peer-to-peer fundraising campaigns across cancer hospitals nationwide.

The world has changed, but the reasons why we walk have not. Join 2021 Walk for Hope co-chairs Ryan Mahoney and Rick Powell – as well as cancer survivors, their friends and family, medical professionals and supporters from across the country – in the fight against breast and gynecological cancers. **Register and fundraise today at walkforhope.org.**

The Walk for Hope team is planning a hybrid event — one that includes a robust virtual experience and a possible live component. The campaign will feature Walk for Hope's celebrated unique elements, while ensuring the health and safety of its patients, volunteers, donors and staff. Cancer does not stop, and neither will City of Hope.
