Hildebrandt moved/Cerwinske second to correct the 3/20/23 minutes to read: Cerwinske opened the meeting to public comment. Tom Grober informed the Trustees that there is a natural gas line approximately 100 yards south of the open ditch that runs along the west end of DD#5.

Cerwinske moved/Hildebrandt second to appoint Allen Hoepfer as Reclassification Commissioner to replace Craig Boevers due to a land ownership conflict in Drainage District #6. Mark Halbach & Collin J. Klingbeil, P.E., Jacobson-Westergard & Associates, appointed 2/21/23 will also serve as DD #6 Reclassification Commissioners.

Board reviewed a communication received from Klingbeil inquiring about timing of Re-classification public hearings. Consensus is to act on those that are ready rather than wait for all re-classification reports, to avoid building interest.
