

TRANSPORTATION SERVICES

Bucks County Drug and Alcohol Commission, Inc. recognizes transportation may be a barrier for individuals seeking to engage in treatment for substance use disorder, as well as other recovery related services/programs. Therefore, we are partnering with Danny's Ride to provide reliable, round-trip, door-to-door transportation to individuals without access to transportation who meet established eligibility requirements.

RIDE CRITERIA

- Must have an identified substance use disorder (opiates or other substances, including alcohol)
- Must be either Bucks County residents or non-Bucks County residents who are seeking/receiving treatment or other recovery-related services through Bucks County providers
- Will be authorized for up to 10 roundtrip rides (20 rides total)

*HealthChoices members are eligible for rides not covered by Bucks County Transport (BCT).

APPROVED TRIP CATEGORIES

- Outpatient Treatment*
- Medication Assisted Treatment (MAT)*
- (Other) Medical Appointments*
- Inpatient Treatment
- Housing
- Legal/Judicial System Meetings
- Employment
- Drug Testing
- AA/NA/Other Support Meetings
- Community Volunteering
- Community Activities
