DOOR-TO-DOOR SOLICITORS GUIDE

A person conducting lawful business door-to-door shall only solicitate between the hours of 8am- 9pm and must carry two forms of documentation which must be presented upon request. First, a solicitor must have a Business Tax Certificate issued by the City of Camarillo, Business Tax Division that is specific for solicitation. The person must also carry a solicitor's permit card obtained through the City of Camarillo. This manila-colored permit card is a plastic, wallet-sized identification which has a picture of the individual salesperson and an embossed city logo. These cards expire at the same time as their Camarillo business tax certificate. Both the business tax certificate and a solicitors permit card are to be presented upon request.

Here are some tips on how to help protect you and your family from illegal solicitors:

- If you don't know the person, don't open the door. Never feel obligated to greet an unfamiliar person knocking at your door.
- Never allow an unfamiliar person into your home.
- Solicitors must have a business tax certificate and solicitors' permit. Call our local Sheriff's Department's non-emergency line at 805-654-9511 if a solicitor is aggressively attempting to get into your home or refusing to show their business tax certificate/permit.
- Always use extreme caution before providing any personal or financial information.
- If you are not interested, simply close the door, and lock it. You don't owe the person an explanation.
- Stand in front of your home to see what is visible from the street. If you can see your valuable items through the front windows, so can potential burglars.
- Residents can put a "no solicitors" sign on their door to help keep solicitors away.
- If you observe criminal or suspicious activity, call the Sheriff's Department's non-emergency line at 805-654-9511.
