Section 1. CONDITIONAL APPROVAL. The Final Plat for Filing No. 1, Town Center Subdivision, is hereby approved subject to the following conditions:

In addition, the Applicant shall deliver the security and documents of conveyance required by the SIA, together with a title insurance commitment for all real property to be conveyed to the Town. Such SIA, together with a copy of this Ordinance, shall be promptly recorded at the expense of the Applicant immediately prior to recording of the plat. The SIA, as executed and recorded, is incorporated into this Ordinance by this reference as if set forth verbatim as an exhibit and shall constitute additional conditions of approval.
- B. Final Plat/Recording. Within ninety (90) days after the date of approval of this Ordinance, the Applicant shall record the Final Plat for Filing No. 1, Town Center Subdivision. Prior to recording, the Final Plat shall be delivered to Town staff for review and approval and signature by appropriate Town officers. The Final Plat shall comply with all other conditions set forth herein.
- C. Applicant Representations. All of the representations of the Applicant and its representatives made before the Planning & Zoning Commission and the Board of Trustees during public hearings shall be considered conditions of approval of the Final Plat.
- D. Phasing. Town Center Subdivision may be developed in two phases, with Filing No. 1 consisting of Lots 17 through 22, on the easterly half of the property, and Filing No. 2 consisting of Lots 1 through 16 on the westerly half of the property. The Applicant shall submit its application for Filing No. 2 Final Plat approval no later than three (3) years from the date of approval of this Ordinance.
- E. CRFPD Impact Fees. The Applicant shall enter into an agreement with the Carbondale & Rural Fire Protection District for payment of impact fees prior to the recording of the Final Plat. A copy of said agreement shall be delivered to the Town prior to recording this Ordinance and the SIA.

G. Reimbursement of Town Costs. The Applicant shall be required to pay and reimburse the Town for professional and staff fees pursuant to Sections 13.16.180 and 1.30.030 of the Carbondale Municipal Code and as set forth in the SIA.

Section 2. BASIS FOR APPROVAL. The basis and grounds supporting the Board of Trustee's approval and the conditions imposed upon such approval are documented by the recorded testimony and other evidence presented before the Planning Commission and the Board of Trustees. The Board of Trustees finds that, based on such evidence and complete conformance with the conditions imposed by this Ordinance, the requirements and criteria for approval of a Final Plat are satisfied.

Section 3. PROVISIONS NOT SEVERABLE. The Board of Trustees finds that judicial invalidation of any one or more provisions of this Ordinance, including the invalidation of any one or more of the conditions of approval, shall render the remainder of the Ordinance void and invalid, it being the intent of the Board of Trustees that the provisions of this Ordinance are not severable and are each independent and interdependent to effectively protect the health, safety and welfare of the public in the development of Filing No. 1, Town Center Subdivision.

BE IT FURTHER ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF CARBONDALE, COLORADO, that the Applicant is granted vested rights as follows:

Section 4. VESTED RIGHTS. The Applicant has requested that vested rights be granted pursuant to Chapter 17.40 of the Carbondale Municipal Code. For the purpose of granting vested rights, the Site Development Plan for Town Center Subdivision, depicting Filing No. 1 and future Filing No. 2 consisting of Lots 1 through 22, together with the Subdivision Plat for Filing No. 1, submitted by the Applicant, which shall jointly be considered a site specific development plan according to Section 17.40.040 of the Carbondale Municipal Code. The site specific development plan is hereby approved. The site specific development plan includes specific lots, internal vehicular and pedestrian ways, parking layout, and other matters. Vested rights are hereby granted based on this site specific development plan for three (3) years from the date of this Ordinance. All construction shall be in conformance with the approved site specific development plan.

BE IT FURTHER ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF CARBONDALE, COLORADO, that the Applicant is granted a variance from the requirements of Carbondale Municipal Code, Section 17.16.040, Lot and Block Design, for Lot 18 to allow creation of a lot with less than twenty-five (25) feet of frontage on a dedicated public street and to allow principle access to said lot by way of an easement. The Board of Trustees specifically finds that there exists a hardship due to the unusual physiography and character of the development of the subject land and that the requested variance is therefore appropriate.
