B.E.S.T. Testing and Contractor Licensing Exemptions

- Any person constructing a home for his or her own residence or effecting remodels or additions to his or her own home is required to take the Homeowner Builder B.E.S.T. test but is exempt from a contractor license IF a homeowner agreement is completed.
<https://files4.1.revize.com/carbondaleco/Homeowner%20Agreement%20for%20Permitting.pdf>
 - A homeowner/builder **must** perform all required work with the assistance of no more than two other people.
- Any electrical contractor holding a current license from the State of Colorado is not required to take the B.E.S.T. test.
- Any plumbing contractor holding a current license from the State of Colorado is not required to take the B.E.S.T. test but **must** obtain a valid Town of Carbondale contractor license.
