

## Required Inspections for Roofing/Fence Permits

Town Of Carbondale Inspections: (970) 510-1210

### **Roofing:**

#### Underlayment Inspection

After the removal of the old roofing materials and the placement of the underlayment the contractor or owner must schedule an inspection before he or she may finish.

**\*\*Note: The Ice Barrier is required from the eave to a point 24 inches inside the exterior wall like.**

#### Final Inspection

After the completion of the project the contractor or owner must schedule a final inspection before the permit may be closed.

### **Fence:**

#### Final Inspection

After the completion of the project the contractor or owner must schedule a final inspection before the permit may be closed
