<b>PLOT PLAN</b>
<div style="text-align: right; margin-bottom: 20px;">  </div>

**Setbacks are determined by which zone the property is in as well as the type of building and intended use. Setbacks are measured from the edge of the Right-of-way.**

**APPLICANTS CERTIFICATION/SIGNATURE**

Initial \_\_\_\_\_ In making this application for a Solar System I understand that construction cannot start until which time the zoning certificate is complete and the permit has been approved for the installation. I hereby certify that I have read and examined this application and know the same to be true and correct.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Further I agree to adhere to the inspections required. The granting of the permit does not presume to give authority to violate or cancel the provisions of any State of Idaho law or local law regulating construction or the performance of construction. I also hereby authorize access to the property and/or structures for the purpose of inspections and verification of information provided herein.
