Caribou County Ordinance 2020-01 Conditions for approval of a Zone Amendment:

13.10.02. Conditions for approval

A. Resubmission of application. Changes in zoning district boundaries may be approved only if they are consistent with the goals and policies adopted in the county Comprehensive Plan. Zone changes may be achieved only by passage of an ordinance modifying the official zoning map of the county. The ordinance shall be accompanied by a map depicting the change to be made.

Rezoning applications which have been rejected may not be refiled for twelve (12) months following Board of County Commissioners' action on them unless the rezoning application was rejected conditionally to permit reapplication.

B. The Planning and Zoning Commission may grant recommend approval of a rezoning request and the County Commissioners can approve a request if it makes affirmative findings of fact on each of the following standards:

01. The uses allowed in the proposed district would be compatible with surrounding uses;
02. The proposed zoning district would not adversely affect the surrounding neighborhood's stability and property values;
03. The applicant has shown that there is a need for the proposed zoning district in the county or at the proposed location;
04. The public cost resulting from the change in land use would not be excessive when compared with the public benefit derived from the change in land use;
05. Adequate public services, utilities and facilities would be available to serve the changed land use;
06. The proposed zoning district would not allow uses that would be detrimental to the environment of the immediate neighborhood;
07. The requested change would be in accordance with the goals and policies of the county Comprehensive Plan.
