Stan Wistisen stated that Rodger Sorenson met with Farm Bureau regarding notification to the Federal Aviation Administration when a new tower is constructed that is over One Hundred (100) feet. A change to the Caribou County Zoning Ordinance will be required. A Notification section will be placed under 8.6.2.5 New Standing Towers. Jon Hall made a motion to add that notification will be added as section 5 under 8.6.2.5 and to proceed to public hearing. Gail George seconded the motion, all were in favor for this matter to be heard at a public hearing on April 11, 2012.

Jon Hall discussed House Bill 148. As part of said Bill, it was discussed that public hearing notices should be published on the County Website.
