**RE: USDA RD Concurrence with the Preliminary Engineering Report (PER) and Environmental Assessment (EA) for City of Carlin Sewer System Improvements Project**

Dear Ms. Mahon:

USDA Rural Development (RD) has completed the review of the PER and EA dated December 2021 from Farr West Engineering and concurs with the information contained in those reports.

If you have any questions regarding this letter, please contact me at (775) 443-4759 or by email at [dean.setiono@usda.gov](mailto:dean.setiono@usda.gov).

Sincerely,

Dean Setiono, P.E.  
State Engineer  
USDA Rural Development (Nevada)
