  Provide nutritional hot meals weekly to senior citizens at low cost. Free transportation if necessary. Get senior citizens involved with other people and provide a day of socialization & free entertainment.
- Estimated number of Carroll County residents served:60
- Amount of the total project: 25,600.00
- Amount of funding requested from the County: 12,000.00
- Detailed explanation of the capital project requested to be funded:
  Webb Community Club provides services for seniors within the community once per week. Every senior who attends gets a hot, nutritional meal at a reduced rate, free entertainment, and special treats throughout the year. If needed, transportation is provided. Weekly meals are delivered to homes of some sick members. Weekly socialization improves senior citizens' mental and physical health and provides them with a support group they can interact with throughout the year which is so important to their health and wellbeing. Birthdays are recognized making them feel important and loved. Traditional fundraising is more difficult for senior citizens due to their mobility issues.

  The FCC mission is to serve, invest in, and build relationships within the community. Our vision is to provide programs to cultivate relationships for children, teens, seniors and families.
- Estimated number of Carroll County residents served: 1700
- Amount of the total project: 14,800.00
- Amount of funding requested from the County: 12,00.00
- Detailed explanation of the capital project requested to be funded:
  The lower level of the Community Center building is the location of the swimming pool, duck pin bowling alley, lobby with pool and air hockey tables. The ground level entrance to the building had to be closed due to asbestos which left the only entrance with a flight of steps. Another option exists for entrance but some modifications are needed to make it accessible to persons in wheelchairs and with limited mobility.
