Background

The City of Cassville, Missouri, is renovating asphalt tennis courts located within the City's Downtown Park located in the [600 Block of City Park Road](#). The primary goals of the project are to make repairs to the asphalt surface, convert one tennis court to four permanent pickleball courts and stripe the remaining tennis court for dual use: tennis and four pickleball (portable pickleball nets). The City will install all posts and nets.

The surface renovations and striping needs to be completed by the middle of May 2024, so that the new courts are available for a planned tournament on the first of June.

Scope of Work

Interested contractors should prepare and submit a proposal to complete the following surfacing work:

1. Fill and sand smooth approximately 40 SY of "bird baths"
2. Clean, fill and sand smooth 250 feet of cracks 1/8" to 1/2" wide
3. 1,630 SY total area to be resurfaced
 - a. One coat acrylic resurfacer
 - b. Two coats acrylic color – grass green and red
4. Convert one tennis court to four permanent pickleball courts
 - a. No sleeve work or netting is needed (City to complete)
5. Stripe the remaining tennis court for dual use with portable pickleball nets (four pickleball courts)

The City will provide

1. Access to the site as well as an adjacent storage and staging area
2. Water and electrical power
3. Treat court edges with herbicide and trim back vegetation
