## MEDIA RELEASE

**FOR IMMEDIATE RELEASE**

**January 3, 2022**

Safety Service Director, Jeff Carman, announced today the City of Chillicothe will provide Christmas tree pickup service to city residents beginning January 2, 2022 and ending January 31, 2022.

Christmas trees will be picked up on the same day as your regular garbage. Trees must be live (no artificial trees) and must have all decorations and stands removed or city crews will not take them. The trees should be placed in front of your residence and not blocking streets or sidewalks. Do NOT place trees in the street.

City residents can also drop their trees off at the City Park Annex. This site is open daily 7:00AM-5:00PM.

The City of Chillicothe will once again be partnering with the Ohio Department of Natural Resources to re-purpose the trees for fish and wildlife habitat.
