

Program Rules

- All work be performed by a private, bonded contractor registered with the City of Chillicothe’s Building Department.
- Work must be performed in accordance with the City’s Standard Specifications, which can be found at: ODOT Construction and Materials Specifications sections 608-609.
- Any tree removal associated with the curb and/or sidewalk repair is the responsibility of the property owner. Participants must coordinate with the Tree Commission (740-774-1185) to determine tree removal and replacement.
- The City will contribute 50% of costs for sidewalk repairs up to \$2000 and 50% of costs for curb and sidewalk repairs up to \$3000. Repair work must be deemed necessary and eligible (through the pre-approval inspection process noted below) by the City Building Department.
- Completed applications will be accepted until October 1, 2023.

Application & Process

Step 1: Project Estimate

Contact a licensed, bonded contractor for an estimate on curb and/or sidewalk repair work. To acquire a list of city registered contractors, contact the Building Department at: 740-773-8981

Step 2: Application

Submit the contractor’s estimate, completed application information below, and photos of sidewalk/curb to be replaced, by October 1, 2023 to Sidewalk@chillicotheoh.gov.

Step 4: Permits

The contractor **MUST** obtain a permit for sidewalk construction from the City's Building Department (35 S. Paint Street). **No Permit – No City Payment.** Contractors working on these projects would be required by Labor Code section 1720 to pay prevailing wages to their employees working on the projects.

Step 5: Construction

Once the contractor has framed the sidewalk area, they are required to contact the Building Department for inspection. This ensures the grading, slopes, etc are all correct and according to standard **before** concrete is poured. If concrete is poured without an inspection being completed the contractor assumes liability for any corrective work deemed necessary.

Step 6: Final Inspection

Once construction is complete, including any surface finishes, the contractor is to contact the Building Department for a final inspection approval in order to receive City funds.

Step 6: City Payment

Once the final inspection is completed and approved by the Building Department, the Contractor is responsible for submitting proof of property owner's payment along with an invoice for the City's portion due to: Sidewalk@chillicotheoh.gov. The invoice will be processed, and a check will be mailed directly to the contractor's address on file with the Building Department within six weeks and the project will be marked complete.
