ARTICLE 1

RECOGNITION

Section 1.1. The Employer recognizes Local 1562 and the American Federation of State, County, and Municipal Employees, Ohio Council 8, as the sole and exclusive bargaining agent for all employees in the bargaining unit for the purpose of the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

Section 1.2. The bargaining unit shall include all employees except policemen, firemen, confidential secretaries, department heads, assistant department head, Compliance Officer, Office Manager, Tax Auditor, Deputy Auditor, Utilities Supervisor, Service Superintendent, Wastewater Supervisor, Water Plant Supervisor, Human Resources Director, Parks Supervisor, part-time Court employees and seasonal employees. The supervisory employees who are Union members are part of the bargaining unit, but in the event of a strike or walkout, either authorized or unauthorized, they shall report and remain on their job shift.

The bargaining unit includes the drive-through ticket taker position. It is understood that the City Auditor still has two (2) appointed non-bargaining unit positions that may perform bargaining unit work.

Section 1.3. The SERB Certified 2012-REP-04-0052 Unit:

Included: All Part-time Bus Operators/Part-time Laborers

Excluded: Seasonal and casual employees as determined by the State Employment Relations Board; supervisors, confidential and management level employees as defined by the Act.

In the event a new classification is created during the term of this Agreement, the parties agree to discuss the inclusion of such classification in the bargaining unit, and its wage rate. In addition, the City agrees to notify the Union of any proposed changes to job descriptions and to meet with the Union, if the Union requests, to discuss such proposed changes.

If a dispute occurs between the Employer and the Union as to the inclusion or exclusion of a classification from the bargaining unit, the parties will discuss the matter and, if they are unable to reach an agreement thereon, the parties agree to submit the dispute to arbitration pursuant to the provision of the Arbitration Article (Section 4.5), for the deemed Certified Unit. If parties are unable to reach an agreement thereon for the SERB Certified Unit, they may petition SERB.

ARTICLE 2

DUES CHECK-OFF

Section 2.1. The Employer agrees to deduct the Union membership fee assessment and, twice each month, dues from the pay of those employees who individually request, in writing, that such deductions be made. The dues deductions shall be made in two (2) equal amounts. The amounts to be deducted shall be certified to the Employer by the Treasurer of the Union and the aggregate deductions of all employees shall be remitted, together with an itemized statement. All dues deductions shall be deposited via electronic Automatic Clearing House (ACH) transfer payment into the commercial bank account of Ohio Council 8, AFSCME, AFL-CIO no later than fifteen (15) days following the end of the pay period in which the deduction is made. The Union shall provide the Employer with authorization to make deposits into the financial institution utilized by the Union along with the routing number and account number of the Unions account. It is the Union's responsibility to notify the Employer in writing of any change to the Union's account information. The Auditor shall also send an alphabetized member list and the last four digits of each member's social security number to the AFSCME office.

Section 2.2. The Employer will notify the Union within ten (10) working days after hiring any new bargaining unit employee.

The City shall not be subject to lawsuit or otherwise liable for administering the terms of this Article.

Section 2.3. The City agrees once a year to provide the Union with an alphabetical list of all bargaining unit employees, those on leave of absence, and those who have left the bargaining unit.

Section 2.4. Dues revocation shall be in accordance with the check off agreement. Employees who are members of the union may revoke their union membership at any time by sending written notification to the Union of their desire to drop their union membership. Revocation of membership does not revoke union dues authorization, which may only be revoked as set forth below.

Any voluntary dues checkoff authorization shall be irrevocable, regardless of whether an employee has revoked union membership, for a period of one year from the date of execution of the dues checkoff authorization and for year to year thereafter, unless the employee gives the Employer and the Union written notice of revocation not less than ten (10) days and not more than twenty-five (25) days before the end of any yearly period. Copies of the employees' dues checkoff authorization cards are available from the Union upon request.

In the event the U.S. Supreme Court, Federal or State Legislation declares fair share legal in the future, the parties agree to reinstate the fair share provision as contained in the 2018-2021 Negotiated Agreement.

ARTICLE 3

MANAGEMENT RIGHTS

Section 3.1. MANAGEMENT'S RIGHTS: Except to the extent expressly abridged by a specific provision of this Agreement, the management and direction of the affairs of the City are retained by the City, through the direction of the Mayor. This includes but is not limited to the following:

- A. Determine matters of inherent managerial policy, which includes, but is not limited to areas of discretion or policy such as functions and programs of the public employer, standards of services, its overall budget, utilization of technology, and organization structure;
- B. Direct, supervise, evaluate, or hire employees;
- C. Maintain and improve the efficiency and effectiveness of governmental operations;
- D. Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted;
- E. Suspend, discipline, demote or discharge for just cause, or layoff, transfer, assign, schedule, promote, or retain employees;
- F. Determine the adequacy of the work force;
- G. Determine the overall mission of the Employer as a unit of government;
- H. Effectively manage the work force; and
- I. Take actions to carry out the mission of the public employer as a governmental unit.

The employer is not required to bargain on subjects reserved as management rights outlined above. Subjects outside of the management rights outlined above may still be subject to negotiation between the parties, as required by law.

To the extent that any of the above management functions are limited by the provisions of this Agreement, alleged violations are subject to the grievance and arbitration procedures herein.

Section 3.2. The Management's Rights Clause of this Agreement shall not be subject to grievance or arbitration.

ARTICLE 4

GRIEVANCE PROCEDURE

Section 4.1. DEFINITION OF A GRIEVANCE: A grievance is defined as a written dispute involving the interpretation, application, or enforcement of a specific contract provision under this Agreement.

The aggrieved employee must personally sign all grievances unless such circumstances prevent same (such as severe illness, hospitalization, etc.). In such instance, the Union representative may sign on behalf of the employee, and the grievance shall be processed as though the employee personally signed the grievance.

Section 4.2. The Union agrees to control the time spent in handling grievances. Time spent will be kept at a minimum. The Union Steward shall be permitted to investigate and handle grievances during working hours. The Union Steward shall notify his foreman or immediate supervisor before he starts his grievance investigation and when he finishes it. He shall be compensated at his normal rate of pay for all time spent during his scheduled working hours. No overtime shall ever be paid for handling a grievance.

Section 4.3. STEP ONE: Any employee having a grievance must first present the grievance in writing to the department head. The grievance shall be presented by the grievant and/or his Union representative within five (5) business days after the incident, occurrence, or discovery of the event allegedly constituting a violation. The department head will then attempt to resolve the grievance and give a written reply to the grievant and Union representative within five (5) business days from the date the grievance was presented to him. The grievant may be accompanied by his steward if he so desires.

Section 4.4. STEP TWO: If the employee is not satisfied with the written response from Step One, the grievance may be presented by a Union representative, within five (5) business days of the receipt of the decision from Step One, to the Appointing Authority or his designated representative. The Union shall submit a written list of all available Union's documentary exhibits, with a copy of each documentary exhibit attached.

A hearing with the grievant and not more than two (2) Union representatives and any Union witnesses shall be scheduled with the Appointing Authority or his designated representative within five (5) business days from the date of presentation of the grievance to formally hear the grievance. The Appointing Authority or his designee will allow the Union and management representatives to present their side of the grievance. A record shall be kept in accordance with Section 4.8 of this Article. The Appointing Authority or his designated representative shall render a decision, in writing, which shall be presented to the grievant, Union president and chief steward within five (5) business days after the meeting. Business days, for Steps One and Two shall be defined as Monday thru Friday.

Section 4.5. KEEPING OF MINUTES: Minutes of the hearing held at Step Two of the grievance procedure shall be prepared by the City's authorized representative and jointly signed

by the authorized representative of the Union. Minutes shall conform essentially to the following outline:

- A. Date and place of meeting
- B. Name and position of those present
- C. Identifying number of the grievance
- D. Description of the grievance discussed
- E. Brief statement of Union's position
- F. Brief statement of City's position
- G. Summary of the discussion
- H. Decision reached
- I. Statement of concurrence in or exceptions to the decision.

Section 4.6. In the event the grievance is not resolved at the second (2nd) step, the employer and the Union may agree to mediation with the State Employment Relations Board (SERB) or Federal Mediation and Conciliation Service (FMCS). The mediation request must be mutually agreed to by both, Employer and Union, and must be filed within fifteen (15) business days of receipt of the second (2nd) step answer.

Section 4.7. ARBITRATION: In the event the employee is not satisfied with the decision received from Step Two, the grievance may be submitted by the Union for Arbitration. The decision of the arbitrator, made within his jurisdiction, shall be final and binding upon both parties. The Union shall submit to the Appointing Authority, in writing, a notice of intent to arbitrate within fifteen (15) business days after the receipt of the written decision from Step Two.

Section 4.8. DELIVERY OF DEMAND FOR ARBITRATION: Should the Union demand arbitration, it shall give written notice to the authorized representative. Such demand shall be signed by the authorized representative of the Union. The written notice shall, in all cases, contain the following information:

- A. The provisions of the Agreement in dispute
- B. The nature of the grievance
- C. The employee(s) involved
- D. The department or division involved

Section 4.9. SELECTING THE ARBITRATOR: Either party may submit a written request to the Federal Mediation and Conciliation Service (FMCS) for the names of eleven (11) qualified arbitrators, National Academy of Arbitrators, Ohio only, including personal history and arbitration experience of each. Upon receipt of such list of arbitrators, the parties shall meet and upon failure to agree on the arbitrator, the parties shall alternately strike names each from the list. The person whose name remains on the list after all others have been stricken shall be the arbitrator. The Federal Mediation and Conciliation Service shall be advised of the choice of the parties and request that such arbitrator be assigned to the grievance.

If one party refuses to sign the request letter, the remaining party may submit the letter for the arbitrator's list.

The Arbitrator should schedule and conduct the hearing for the arbitration within sixty (60) calendar days from the date of his appointment, except for any discharge or termination, in which case it should be scheduled and heard with 30 days of appointment. Failure of the arbitrator to schedule and conduct the arbitration hearing within these time limits shall result in disqualification of that arbitrator. A substitute arbitrator shall then be selected, who shall schedule and conduct the arbitration hearing in accordance with these time periods. If either party should fail to attend and present its side at a duly scheduled arbitration hearing without being granted a continuance by the arbitrator, the arbitrator shall proceed with the hearing and render a decision notwithstanding such failure to attend by that party.

Section 4.10. ARBITRATOR AUTHORITY:

- A. The arbitrator shall not change wage rates already in effect within the Agreement.
- B. No award involving the grievance shall be granted retroactive payment beyond the date of the original occurrence.
- C. The Arbitrator may not amend, modify, add to or detract from the provisions of this contract.
- D. Within thirty (30) days the Arbitrator shall reduce his award to writing and state his reasons for reaching the award unless both parties agree, in writing, that this is not necessary. Copies of the award shall be forwarded to both parties.
- E. The Arbitrator's authority is limited to the four corners of this Agreement. His role is to interpret the contract only.

Section 4.11. SUBMISSION AGREEMENT: The Union and the City shall agree, in writing, upon the precise issue to be decided, and submit the statement to the arbitrator. If the parties cannot agree on the issue to be decided, each party shall state, in writing, the issue as he sees it and submit it to the arbitrator. Included in its statement of issues, the appealing party shall cite the

section or sections of the Agreement it claims have been violated and the redress it expects from arbitration. The question of arbitrability may be raised any time before the hearing.

Section 4.12. PROCEDURES: Arbitration proceedings shall be conducted under the Voluntary Labor Arbitration Rules of the Federal Mediation and Conciliation Service except as modified by the provisions of this Agreement.

Section 4.13. NUMBER OF GRIEVANCES TO BE HEARD AT ONE TIME: The arbitrator may hear more than one grievance at a time. The City and Union may agree to expedited arbitration.

Section 4.14. COST SHARING: All expenses which may be involved in the arbitration proceedings shall be borne by both parties. Expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required. No employee who is paid for lost time shall be paid as a witness.

Section 4.15. PAYMENT FOR TIME ATTENDING ARBITRATION HEARINGS: The grieving employees, Union representatives, and necessary witnesses shall be paid for time lost during regular working hours for attending arbitration hearings. Necessary witnesses shall only be paid for the time necessary to attend the hearing and testify.

Section 4.16. PARTIES MUST FOLLOW PROCEDURES: If the employee fails to exhaust his remedies under the grievance procedures or to abide by the time limits with respect to each Step, the grievance shall be presumed to be abandoned, unless a written waiver is signed by the other party. Provided, however, if the City fails to respond to the procedures in Sections 4.2, 4.3, and 4.5, the City shall be presumed to have accepted the grievance as submitted.

Section 4.17. CALCULATION OF TIME: For the purpose of counting time under this Article, the first calendar day of any particular time period will not be counted, and the last calendar day will be counted.

Section 4.18. DISPUTE RESOLUTION: All disputes under this labor agreement will be settled through the grievance procedure and arbitration without recourse to the Civil Service Commission.

ARTICLE 5 **STEWARDS**

Section 5.1. Employees selected by the Union to act as union representatives shall be known as "stewards". The names of the employees selected as stewards, and the names of other union representatives who may represent employees shall be certified in writing to the Employer by the Union.

Section 5.2. Stewards shall be limited to one (1) Chief Steward and one (1) department steward in each department. The President and Vice-President may also act as stewards. Employees should use the assigned department steward but shall not be restricted as to their choice of representative. The Union will maintain a list containing the name and contact information for the Chief Steward and each department steward and provide said list to the City upon request.

Section 5.3. In order to avoid grievance problems, monthly meetings when requested by either party, shall be conducted between the department head and one of the following: (1) union president; (2) chief steward; or (3) department steward. The meeting shall be held during working hours without loss of pay.

Section 5.4. Representatives of the Union shall be permitted to enter the City property for the purpose of ascertaining whether this agreement is being observed and for attending meetings with the City, provided such meetings are scheduled with reasonable notice and shall not interfere with the normal orderly operations of the City and such visits shall be subject to the general rules of the City applicable to visits by non-employees. Requests for visitations shall not be withheld unreasonably.

Section 5.5. The Union's Executive Board shall be permitted to meet during regular working hours without loss of pay for one (1) hour, once each month and have the option to abut their lunch period to extend the meeting time. The employees will be allotted 15 minutes travel time before and after each meeting without loss of pay. Should employees desire additional meetings the Union may request such time from the appointing authority or designee. Should the employees desire additional time they may request it from his or her appointing authority or designee, but the granting of such time will be at the sole discretion of the appointing authority or designee. Executive Board meeting shall be scheduled on non-payroll weeks to limit the effect on normal operations of the Auditors Office.

ARTICLE 6

HOURS OF WORK AND OVERTIME

Section 6.1. HOURS OF WORK: Eight (8) hours normally shall constitute a basic workday. Forty (40) hours normally shall constitute a basic work week. If possible, in order to provide transit service to Chillicothe and Ross County, the City will make every effort to schedule full time transit employees to five (5) consecutive workdays in the workweek. The work week normally shall be from Monday through Friday, inclusive. Employees shall be entitled to two (2) consecutive days off, if possible. In addition to regular hours of work, there shall be overtime and call-in time as defined in Article 7. Both shall apply to the overtime roster.

Section 6.2. OVERTIME COMPENSATION: Time and one-half (1½) the regular rate shall be paid for hours in excess of eight (8) hours worked in one day, except in the Water and Wastewater Treatment Plants, when the regularly scheduled day may exceed eight (8) hours. Time and one-half (1½) the regular hourly rate shall be paid for all hours worked in excess of forty (40)

hours in one week. Scheduled time in excess of eight (8) hours shall be paid at time and one half (1 ½). Unexcused Sick leave will not count as hours worked for the purpose of calculating overtime. Any sick leave use with a Doctor's excuse excusing the sick leave presented immediately upon return to work, or prescheduled doctor's appointment hours will be calculated as hours worked for the calculation of overtime.

All mandatory overtime will be paid at the appropriate overtime rate regardless if sick leave is excused or unexcused.

Section 6.3. CONSECUTIVE DAYS WORKED: All hours of work performed on the sixth (6th) consecutive day shall be paid at the rate of time and one-half (1½) the regular rate of pay. All hours of work performed on the seventh (7th) consecutive day shall be paid at the rate of double time and one-half (2½) the regular rate of pay except for continuous operation employees. Any time working on sixth (6th) consecutive day shall constitute a workday, i.e. (one [1] hour work counts as sixth [6th] day). This provision applies regardless of when a new pay period begins.

Work performed by continuous operation employees during their regularly scheduled shifts shall not be paid overtime in accordance with this paragraph, excluding scheduled overtime, since such work on the sixth (6th) and seventh (7th) day of their shift is a part of their regular schedule. Work performed by continuous operation employees in excess of their regularly scheduled shift shall be paid overtime in accordance with this section, and scheduled days off in excess of their shift shall be in accordance with this section. (One [1] hour work counts as sixth [6th] day)

Continuous operations shall continue as in effect at the signing of this contract, i.e. (sixth [6th] consecutive day could be Monday, Tuesday, Wednesday, Thursday, or Friday).

Section 6.4. SHIFT WORK: Continuous operation employees shall be those employees whose regularly scheduled hours of work include 2nd and/or 3rd shifts. The two (2) days off per week in Section 5.1 shall be waived if scheduling does not permit.

Shift differential shall be paid to continuous operation employees only while the employee is working his/her regular shift or while working to replace an employee for his/her regularly scheduled shift. Shift differential shall be at the rate of \$0.50 per hour for 2nd shift and \$0.50 per hour for 3rd shift.

Shift differential shall be paid to those employees who have regularly scheduled hours outside their fellow employee's normally scheduled hours, for the time worked outside those normal hours.

Section 6.5. WORK SCHEDULES: Scheduled hours of work applicable to each department or to groups of employees within a department will be posted in the respective departments. The Employer will make an earnest effort to equalize the work hours it schedules for all employees within a department.

However, it is recognized that this may not be possible or practical in any given week or weeks due to variations in customer requirements or other circumstances.

Section 6.6. WORK-SCHEDULE CHANGES: In the event that the work week normally scheduled for any particular department should change from the work week normally being scheduled in that department, or as to any particular employee in any department, the City will give the Union fourteen (14) calendar days advance notice in writing prior to implementation of the scheduling change. In addition, any employee scheduled to work on Saturday or on Sunday as part of the employee's new regularly scheduled hours, as a result of the implementation of the change, shall receive a differential in the amount of \$0.50 per hour. This provision shall not apply to any employee who is already working hours on a Saturday or a Sunday as a result of the work week normally being scheduled as to her or his department. In the event of the implementation of a change resulting in the payment of the differential, and in the event there is a request by more than one employee to work the hours being scheduled on a Saturday or on a Sunday resulting in the differential, the employee within the classification with the most seniority shall be scheduled. Otherwise, the hours shall be scheduled in reverse order of seniority within the scheduling classification, with the least senior employee in the classification being scheduled.

Section 6.7. OVERTIME DETERMINATION: Each department head determines whether overtime is necessary, and what classification is required to perform a given task. The City may use people outside their classification in their department as needed. The Union President has the right to review overtime lists.

Overtime work determined and assigned by the department head shall be distributed equally as possible to employees within the classification whom the department head feels are capable of doing the job requiring overtime. Any employee, who is not in current working status due to illness or sickness, injury leave, light duty, personal leave, or military leave, shall not be entitled to consideration for overtime. Unless otherwise indicated by the employee on the City's leave form, an employee will not be called for overtime who is not in current working status due to vacation, union leave, personal leave or comp time off and will not be charged as a refusal. The employee may elect to be included on the overtime roster on the City's leave form if the employee is taking vacation or comp time and he shall be considered in accordance with the procedure set forth below.

When overtime is assigned, the opportunity to work overtime shall be offered to the qualified employee within the classification and within the department who has the least number of overtime hours to his credit at that time. If the employee does not accept the overtime assignment, he shall be credited with the work hours offered solely for purpose of future overtime assignments.

When it is known in advance that overtime will be required to cover shift work, the supervisor will offer the employee who is low on the overtime roster at least twenty-four (24) hours in advance and up to seventy-two (72) hours in advance when time permits. For other employees, supervisors shall notify their employees as soon as reasonably possible when the supervisor knows that

overtime will be available. At such time the employee accepts the overtime, the hours shall be credited to that employee on the overtime roster.

If an attempt is made to reach an employee by telephone and, there is no answer, if an answering machine is reached, no message shall be left. It will be construed this person is unable to be reached and this fact shall too be documented and the next employee on the list may be called. The Employer may go outside the job classification if all employees within the classification turn down the overtime.

The record of overtime hours shall be posted and kept up to date daily.

Section 6.8. DEFINITION OF TYPES OF PREMIUM PAY:

- A. **Hold Over:** Any time overtime directly abuts the employee's regular shift, provided notification occurs prior to the employee leaving the premises, and paid on the hour-for hour worked basis.
- B. **Scheduled Overtime:** Overtime scheduled at least two (2) hours before the end of the shift, but not more than three (3) weeks in advance of the overtime and for a minimum of one (1) hour.
- C. **Call-In:** Any overtime not scheduled and that does not abut the regular shift, and for a four (4) hour minimum. Example: If the employee has left the work site and is recalled, it is considered a call-in.

Section 6.9. Overtime Roster: Those employees who wish to be added to the overtime roster shall submit a letter to the department head requesting same. Those employees shall be added with the highest amount of overtime as indicated by the roster. The letter shall include a telephone number, or another means of contact. The City shall maintain one overtime roster per department per classification. The overtime roster shall be renewed on January 1 of each calendar year and the successive roster shall be prepared with the order of the employees from the previous roster showing the difference in hours.

(I.e.; the employee on the previous roster with the fewest overtime hours worked goes to zero and the number of hours attributable to that employee is subtracted from the remaining employees' hours on the roster.)

Overtime asked and refused four (4) consecutive times will result in an employee being removed from the overtime roster, which shall be effective upon the fourth (4th) consecutive refusal. A request in writing by the employee removed must be made to the department head in order for the employee to be reinstated on the overtime roster. Upon the employee's written request to the department head the employee will be reinstated on the overtime roster within ten (10) business days from the department head's receipt of the written notice. If an employee is removed from the overtime roster by this section twice within one (1) year commencing with the date of the first

removal, such employee shall not be eligible to return to the overtime roster for one year from the date of the second removal from the overtime roster.

Section 6.10. CHARGED OVERTIME: Any employee on disciplinary suspension will not be asked to work, but overtime will be charged against him as though he had refused the same.

Section 6.11. REFUSED OVERTIME: The City may discipline an employee who refuses to work overtime during a declared emergency.

When the department head or his designee determines that overtime is necessary on the relieving shift, he will schedule the overtime to the employee on the currently scheduled shift, who will not be relieved, (e.g. Transit bus operators and Utilities 2nd and 3rd shifts), for a maximum of four (4) hours. The overtime will be offered to employees on the current shift beginning with the employees with the lowest aggregate overtime hours. If overtime is refused the employee will be charged the overtime hours offered. If all employees refuse said overtime, the employee with the least seniority will be scheduled to work the overtime unless such employee has completed a sixteen (16) hour shift. In the event it is necessary to hold over a plant operator, such holdover will only be for the amount of time it takes to obtain a replacement plant operator. Emergency situations, however, shall be at the discretion of the supervisor.

Section 6.12. COMPENSATORY TIME IN LIEU OF OVERTIME PAY: Any overtime worked may be converted to compensatory time and such compensatory time shall be taken at the time mutually convenient to the employee and his supervisor. Such compensatory time shall be granted at the rate of one and one-half (1½) hours for each one (1) hour worked. The compensatory time off option will be exercised by the employee filling out and giving to his supervisor the appropriate form noting his desire. Unless the employee filled out this form, he shall be paid overtime at the applicable rate. No more than 240 hours may be accumulated as compensatory time in a calendar year. All unused compensatory time will be cashed out the last pay period of November of each year. The City has final approval over the scheduling of compensatory time.

ARTICLE 7 **CALL-IN TIME**

Section 7.1. CALL-IN TIME: Each department head determines whether call-in time is necessary. The City may use people outside their classification in their department when the employees within the classification refuse or there are not enough employees within the classification in the department.

An employee shall accept call-in time when requested by the Employer unless he states that he is physically unable or there is serious family illness requiring his presence.

Any employee accepting call-in time to work outside his regularly scheduled shift shall be paid for a minimum of four (4) hours at the rate of time and one-half. If the call-in time occurs on

Sunday, holidays, or the seventh consecutive day, the employee shall be paid for a minimum of four (4) hours at the rate of double time and one-half. If the call-in time work assignment and the employee's regular shift overlap, the employee shall be paid at the rate of time and one half (1 ½) hours for the first two (2) hours of work completed. The employee shall then be paid for the balance of his regular work shift at the appropriate rate.

It is understood that employees accepting call-in time shall be on call for four (4) hours, and if sent home, may be recalled within the original four (4) hours, and shall be considered the same call-in time without any extra pay.

Any employee accepting call-in time, who reports and is ready to begin work within thirty (30) minutes of receiving the call, shall be paid from the time he received said call. Call-in sheets shall be used whenever any employee is called in, to verify arrived within thirty (30) minutes of the call in. A copy of the call-in sheet shall be submitted with the payroll.

Call-in time will not be paid unless the employee physically reports to the job site.

ARTICLE 8

REPORTING PAY, LUNCH, TUITION, REST PERIOD

Section 8.1. Any employee's work schedule shall provide for a fifteen (15) minute rest period during each one-half shift. The rest period shall be scheduled at the middle of each one-half (1/2) shift whenever this is feasible.

Employees who, for any reason, work beyond their regular quitting time and are assigned to work at least four (4) hours the next shift shall receive a fifteen (15) minute rest period before they start to work on such next shift. In addition, they shall be granted the regular rest periods that occur during the shift.

Section 8.2. LUNCH PERIOD: All employees shall be granted a lunch period during each work shift. Whenever possible, the lunch period shall be scheduled in the middle of each shift, except continuous operation or mutual arrangements. Employees taking a lunch who are required to use time clocks will record out and in times. However, if not practicable to use the clocks due to work site, the employee will instead fill out and sign the appropriate pay slips indicating when they began and ended their lunch. That pay slip will be presented to the employee's supervisor who will sign to authorize as received.

Section 8.3. TUITION: Tuition payment for expenses actually incurred in connection with specialization training required by the City to maintain his current job classification shall be paid by the City. The payment shall be in addition to the employee's regular wages during the training period.

Section 8.4. REPORTING PAY: Any employee who is required to and reports for regularly scheduled work shall be assigned to at least four (4) hours on the job for which he was scheduled to report.

If the work on the job is not available, the employee shall be assigned to such work as is available within his classification, or that work which he is qualified to perform in his department. If no work is available then the employee shall be excused from duty and paid for four (4) hours' work, at straight time, if over forty (40) hours, overtime.

ARTICLE 9 **TRANSFERS AND VACANCIES**

Section 9.1. A transfer is an assignment from one department to another, on a permanent or temporary basis. Permanent transfers are those greater than the probationary period for the transferred job. Temporary transfers are those for less than the probationary period of the transferred job.

Section 9.2. When the Employer determines a transfer is necessary, it shall select the least senior employee in the classification for the transfer, unless a more senior qualified employee in the department specifically requests to work in the transferred position. Transfers shall not be made arbitrarily.

Section 9.3. A permanently transferred employee shall be paid the rate of the job he is transferred into. If that rate is lower than his old classification, he shall receive his old rate of pay. If an employee is temporarily placed in a higher-paid job classification by his supervisor, he shall receive that rate of pay. If an employee is transferred to a job with a lower rate of pay, he shall continue to receive his regular rate of pay.

Section 9.4. A vacancy is a job opening that the employer decides to fill on a permanent basis. The employer determines whether candidates are qualified to fill vacancies. When two (2) or more employees are considered final candidates for the vacancy, seniority shall be the deciding factor.

Section 9.5. Any employee performing duties normally outside his classification, which are paid at the higher rate of pay, shall be paid at least a 5% increase but in no case higher than the final step of that classification.

Section 9.6. Any person performing acting duties for thirty (30) consecutive calendar working days shall receive all compensation at the higher rate of pay until the position is filled permanently.

Section 9.7. The department head shall determine what classification is necessary to perform a given task. Work outside of classification shall only be performed when work in their described job classification is not available, or in an emergency situation.

Section 9.8. TRANSFER: Any employee transferred from one classification and/or department to another shall continue to accumulate seniority in his former classification and shall not be placed on the seniority list of his new position until successful completion of the ninety (90) day probationary period there. Section 9.9. SHIFT TRANSFER: Shift transfers shall be made on the basis of job seniority. Employees, with the approval of their supervisor, have the right to temporarily exchange shifts. The provisions of this Section shall not apply to temporary employment or transfer made necessary by the absence of employees.

If no part-time employee within the same classification as the job vacancy acquires the job, then present employees within the department shall have a right to acquire the job vacancy as covered under this bargaining unit, by seniority if they pass the Civil Service Qualified Employee requirements for the class or grade the employee is applying for. If the before mentioned eligibility list becomes depleted, the City will notify the Civil Service to schedule examination to restore candidates to the eligibility list.

In the event no present employee within the department desires to acquire the job vacancy, or in the event no employee within the department passes the Civil Service Qualified Employee requirements for that class or grade in which there is a vacancy, then there shall be a city-wide posting outlining the job, salary, and minimum qualifications. Present City employees within any other department within the bargaining unit shall then have the right to acquire the job vacancy by seniority if they pass the Civil Service Qualified Employee requirements for the class or grade in which there is a vacancy.

If no present City employee within any other department passes the Civil Service examination, or if no present City employee within the same class or grade requests to fill

the vacancy, then the City may fill the vacancy by hiring any other person who has received a score of at least the minimum established by the Civil Service Commission.

Any present employee who fills a job vacancy by seniority pursuant to this section must serve a probationary period during the first ninety (90) eight (8) hour workdays. During that probationary period, the employee serves in the new class or grade subject to the right of the Employer to transfer, for just cause, the employee back to his prior class, grade, or department.  3. After pay days;
 4. Any one specific day;
 5. Absence following overtime worked;

ARTICLE 21
DISCIPLINE

Section 21.1. The Employer will discipline non-probationary employees only for just cause.

Section 21.2. Administering discipline is a management right. Management's decision to administer a certain level of discipline for a given offense is not to be relied on by employees as a binding practice applied to every similar circumstance. Management reserves the right to publish typical examples of prohibited conduct. Disciplinary action will be initiated no later than twenty (20) days from the date the Employer completes the investigation. The Employer will keep the Union apprised of an investigation at least every thirty (30) days.

Section 21.3. Any form of discipline for any matter will be considered for determining a greater level of discipline for any subsequent offenses.

Section 21.4. There is no oral discipline. Employees shall not rely on any oral warnings as a first step in the discipline process.

Section 21.5. The Employer will administer a system of discipline based on his assessment and similarity of the circumstances. Higher levels of discipline other than warnings and reprimands may be issued instead of a warning.

- A. A warning is a written statement to an employee that certain behavior or job performance is unacceptable or unsatisfactory and if continued would subject him to further discipline.
- B. A reprimand is a written statement to an employee outlining his unacceptable or unsatisfactory behavior or job performance and noting that as a matter of discipline his activity is being documented for future evaluations of him.
- C. A suspension is a written statement to an employee outlining his unacceptable or unsatisfactory behavior or job performance and ordering him to suspend his work performance for a specified number of work days without pay.
- D. A discharge is a written notification to an employee outlining his unacceptable or unsatisfactory behavior or job performance and terminating the existing employment relationship. A discharged employee is expected to fulfill all of his employment obligations up to the exact time the discharge is effective.
- E. The Employer has the right to give more than one warning or reprimand in lieu of suspension or a higher level of discipline.

Section 21.6. An employee will receive copies of all materials placed in his personnel record. Any material in the employee's personnel record which has not been seen or signed by him, or a copy sent to him, will not be used against him. The signing of any materials to be placed into an employee's personnel records will not indicate an agreement by the employee as to the contents of the material but does acknowledge he has seen it.

Section 21.7. Only suspensions and terminations are arbitrable.

Section 21.8. The City will disregard evidence of prior disciplinary action, whether contained in an employee's personnel record or from any other source, in accordance with the following schedule:

<u>Discipline</u>	<u>Disregard Date</u>
Warning	Six (6) months
Reprimand	One (1) year
Suspension	Two (2) years
Demotion	Two (2) years
Discharge	Permanent (Never Disregarded)

The date of previous action will be used as the benchmark for determining the period of time after which the City must disregard any evidence of prior disciplinary action. The Employer will not use, attempt to use, or otherwise rely upon such material after the time specified above, nor will the Employer use, attempt to use or otherwise rely upon any other records that might exist where such regards relate to matters beyond the times specified above.

If an employee is disciplined, any previous discipline that has not reached its above mentioned "Disregard Date," shall have this time period extended until the Disregard Date of the intervening discipline is reached. Example: John Smith gets a warning for using foul and abusive language, five (5) months later a similar incident occurs, and John Smith is issued a reprimand. The warning John Smith was previously given will not be disregarded until the Disregard Date of the reprimand. Therefore, if a third incident occurs eight (8) months after the reprimand (thirteen (13) months after the warning), the employer may consider both the warning and reprimand in determining the appropriate discipline.

Section 21.9. AFSCME shall not raise as a defense or for any other purposes the lack of testing for drugs or alcohol because the City has disciplined one of its members for drug or alcohol use or possession on the job.

Section 21.10. PRE-DEPRIVATION CONFERENCE: In the event the Employer should determine that an employee has engaged in conduct that might result in a suspension without pay, a reduction in pay, a demotion, or termination of employment, a pre-deprivation conference shall be scheduled to afford the employee an opportunity to offer his explanation of the alleged conduct, in accordance with the following:

- A. The Employer may place the employee(s) involved on administrative leave with pay prior to conducting the Pre-Deprivation Conference if the Employer determines that such action is warranted by the circumstances.

- B. The Pre-Deprivation Conference shall be conducted by the Appointing Authority or designee.
- C. Not less than thirty-six (36) hours prior to the scheduled starting time of the Pre-Deprivation Conference, the Employer will provide a “Notice of Pre-Disciplinary Conference” to the employee and the Union president, outlining the charges which form the basis for the proposed disciplinary action. At this time the employee may waive his or her right to appear at the Pre-Deprivation Conference.
- D. The individual conducting the Pre-Deprivation Conference will conform to the following minimum procedural requirements:
 - 1. He shall determine at the outset of the Pre-Deprivation Hearing whether or not the Employee received a copy of the “Notice of Pre-Disciplinary Conference”;
 - 2. He will inform the employee of the general nature of the evidence supporting the charges made against the employee;
 - 3. He will give the employee and/or the employee’s representative an opportunity to present a statement as to why the employee believes the proposed disciplinary action should not be implemented; and
 - 4. At the conclusion of the Pre-Deprivation Conference, or within five (5) business days thereafter, will reduce his findings and decisions to writing and provide a copy of his report to the employee and the Union president.
- E. The City shall not implement the proposed disciplinary action until such time as these minimum requirements have been met, including the issuance of the written report. Neither party shall be construed to have waived any rights as a result of participation in the Pre-Deprivation Conference, but on the contrary all such rights are reserved.

Should the employee not have any accumulated paid leave available, the employee may apply for lost wages and benefits through the Bureau of Workers' Compensation. Additionally, the Employer, at its discretion, may require the employee to submit to a fitness for duty exam to ascertain whether or not a light duty/transitional position may be available. Should a fitness for duty exam determine that the employee is capable of performing in a light duty capacity, and the Employer determine that it wishes to offer a light duty position, an offer of light duty may be made to the employee. The light duty position will be compensated at the employee's regular hourly rate. It is within the employee's sole discretion whether or not he wishes to accept the Employer's offer of light duty. Section 25.2. Therefore AFSCME and the City, for the life of this Agreement, voluntarily and unqualifiedly waive the right, and agree that they shall not be obligated to bargain collectively with respect to any subject matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even through such subjects or matters may not have been within the knowledge or contemplation of the parties at the time they negotiated or signed this Agreement.

ARTICLE 26 **SUBCONTRACTING**

Section 27.3. An employee shall have the right to revoke such authorization by giving written notice at any time to the Union which in turn shall notify the Employer. The Employer's obligation to make deductions shall terminate automatically upon:

- A. Receipt by the Employer of revocation of authorization, or
- B. Upon termination of employment, or
- C. Transfer to a classification outside the bargaining unit.

All PEOPLE contributions shall be made as a deduction separate from dues deductions and fair share deductions.

Section 28.1. The City shall grant to the Union the use of designated bulletin boards in each department for the purpose of posting the following Union notices: recreation and social affairs, legislative reports, meetings, appointments, Union election and results. Any other desired matter to be posted shall be submitted to the Mayor, or his/her designated representative, for approval.

ARTICLE 29

ABOLISHMENT, LAYOFF, AND RECALL

Section 29.1. ABOLISHMENT AND LAYOFF: The City shall select the job classification and layoff bargaining unit members because of a lack of funds, reasons of economy, permanent job abolishment, or a lack of work within the appointing authority. Any disputes arising regarding layoffs shall be settled through the grievance procedure. Employees shall not have recourse to the Civil Service Commission for appeal of any such disputes. Whenever the City determines it is necessary or expedient to reduce the work force within a department it may select the job classification. All emergency, provisional, temporary, part-time, seasonal, and probationary employees shall be laid off first in the department before any reduction is made in the permanent work force.

Such laid off employee shall be paid for all accumulated vacation at the time of layoff. If the laid off employee has not been returned to work within two (2) years from the date of the layoff, the laid off employee will be eligible to cash any unused sick leave as follows: Employees who want to cash in their unused sick leave must request to do so prior to the end of the two (2) year recall period, if no request for cash out of sick leave is made before the end of the two (2) year period cash out will automatically be made at the end of the two (2) year period and such payment will be mailed following the end of the two (2) year recall period to the employee's last address on record with the City.

Permanent employees shall be laid off in order of their department seniority within the job classification selected with the employee having the least seniority within the job classification being laid off first, then continuing in a like manner until the required reduction in work force has been accomplished.

The Employer shall give a fifteen (15) day notice of layoffs. If notice is given, the City shall meet with the Union to discuss how proposed layoffs may be avoided. (e.g., furloughs, voluntary layoffs, reduced workweek, etc.) Lack of notice, however, does not prevent the employer from implementing the layoff.

Section 29.2. LAYOFF BEYOND TWO YEARS: An employee who is laid off for a period of two (2) consecutive years shall automatically terminate and lose all seniority.

Section 29.3. RECALL:

- A. Permanent employees who are on layoff shall be recalled in reverse order of their layoff with the last employee laid off being the first to be called back and continuing in like manner until the required number of employees have been obtained. Recall rights are for two (2) years.
- B. If the required number of employees cannot be obtained by the procedure outlined in (A), recall shall be made by overall seniority for all other employees on layoff in the bargaining unit, whom the City determines are qualified to perform the available work.
- C. Any person on layoff beyond a period of one (1) year shall be required to undergo a physical examination by the City physician or family doctor and the Employer shall pay for said examination.
- D. The City shall notify, by certified letter, the employee of his recall at his last address on record with the City. The employee shall report to work within seventy-two (72) hours after receipt of notice of recall. If the employee is sick or otherwise incapacitated, it is his responsibility to appoint someone to notify the Employer that he intends to report to work but is unable to do so within seventy-two (72) hours. An employee loses his right to recall and has resigned if his address on file with the City is not accurate.
- E. An employee recalled to a job not within his former position shall retain a prior right to recall to a vacancy existing within his former position. Should an employee be recalled to a job not within his position, he shall serve a ninety (90) day probationary period, and upon successful completion of that probationary period, shall have classification seniority in that position from the time he first was recalled into the position. Further, his overall seniority shall continue to be credited from his first date of hire with the Employer.

If, upon being recalled to another classification, the employee does not successfully complete the probationary period, he shall be laid off and only be eligible to be recalled to his former classification. Further, the time served during his probationary period shall not be counted for purposes of total seniority. During the time a recalled employee serves a probationary period in a job outside of this classification, he shall be subject to the just cause provisions under the Discipline Article of this Agreement.

Section 29.4. EMERGENCIES OR TEMPORARY WORK LOADS: For emergencies or peak workloads, the City may, at its option:

- A. Recall laid off employees, or
- B. Schedule mandatory overtime, or
- C. Temporarily transfer employees from a related position in the bargaining unit not to exceed sixty (60) days, or

D. If no laid off employees are willing or available to work, hire outside help.

Section 29.5. BUMPING: Bargaining Unit employees whose job classifications are indefinitely abolished or reduced shall have the right to bump a junior employee within a classification other than the classification where the employee is leaving wherein the employee has previously held the classification or the employee meets the minimum Civil Service Job Classification qualifications and is certified by the City.

ARTICLE 30 **REFUSE DEPARTMENT RULES**

Section 30.1. REFUSE DEPARTMENT HOLIDAY WORK SCHEDULE: The Employer may schedule the Refuse Department to perform regular work assignments on all legal holidays as set out in this Agreement. This holiday work schedule shall be first offered to the regular assigned route crews. In the event regular assigned crews are unavailable to work overtime, the additional route work shall be first offered to the Refuse Department. In the event of refusal by the entire Refuse Department, other Service Department personnel may be obtained for the work assignment.

Section 30.2. REFUSE DEPARTMENT SUMMER HOURS: During the period of time extending from June 1 through August 31 of each calendar year, normal starting time for Refuse crews shall be 6:00 a.m. The City may change routes and work schedules.

This time period may be extended if the weather predictions are for continued high temperatures. This shall be determined by the Service Director.

ARTICLE 31 **DURATION OF AGREEMENT**

Section 31.1. The provisions of this Agreement establish certain rights and benefits for AFSCME and the employees, which shall only exist during its effective dates. This Agreement becomes upon ratification by the parties and shall remain in full force and effect through August 31, 2023.

If during the term of this Agreement the City should decide to re-establish the positions of Crew Leader in the Transit Department or Water Meter Repair in the Utilities Operation, it is understood that the rates of pay for such positions will be re-established in accordance with the rates of pay which would have been applicable to those positions had they not been abolished, together with all other benefits herein.

Section 31.2. Should any change be made in the State law, or should a court of recognized jurisdiction determine that a provision of this Agreement is illegal, then such provision would be automatically terminated and the remainder of the Agreement shall remain in full force and effect.

Section 31.3. Any Ordinance of the City of Chillicothe, Ohio which is specifically set out or referred to in this Agreement that is proposed to be changed by Council shall be first discussed by the Mayor with either the President or Secretary of the Union.

Section 31.4. Either party may demand to renegotiate a successor Agreement by submitting a notice to negotiate to the other party One Hundred Twenty (120) days before the current Agreement expires.

Section 31.5. In the event that negotiations come to legal impasse, the parties will proceed with fact finding as addressed in ORC 4117. Should fact finding fail to produce a final settlement, the parties will proceed to conciliation through SERB. The cost of fact finding, and conciliation will be split equally.

MEMORANDUM OF UNDERSTANDING-A

PART-TIME EMPLOYEES

The parties agreed that City of Chillicothe will not work part-time employees more than thirty-nine (39) hours per week.

The City will attempt to limit the number of part-time employees in the Transit Department (currently ten [10]). If an emergency exists, the City shall meet with the Union to explain said emergency and the City has the right to hire additional help to complete said emergency.

No part-time employees will be used to permanently replace any City employees. No inmates will be used to permanently replace any City employees.

MEMORANDUM OF UNDERSTANDING-B

INSURANCE OPT-OUT

MEMORANDUM OF UNDERSTANDING

Between

The City of Chillicothe and

AFSCME Local 1562 and

Ohio Council 8, AFSCME, AFL-CIO

The City and the Union hereby agree as follows:

Effective 4/1/05, members of Local 1562 will be able to discontinue receiving medical benefits through the City, due to the fact that they have insurance coverage through another source.

It is understood that by waiving coverage through the City of Chillicothe, bargaining unit employees and their dependents may not submit claims for reimbursement. This includes, but is not limited to, any claims paid or denied by the other insurance company regardless of the reason.

In order to be eligible for the Buyout, employees and their dependents must currently be enrolled in another health plan. The participating employee and spouse (if any) must sign a waiver and provide verification of coverage under the other plan.

Any employee covered under the Buyout Agreement shall receive a cash bonus every pay period of the year as follows:

Single Coverage	Dual Coverage	Family Coverage
\$35.00	\$75.00	\$125.00

Participants of the Buyout may return to the City of Chillicothe Employee Benefit Plan for health care coverage during the plan year, only when one of the following events has occurred resulting in the loss of primary plan coverage:

- \$ Death of person who held the primary coverage
- \$ Divorce or legal separation
- \$ Loss of other coverage due to reduction in hours
- \$ Discontinuation of entire health care benefits by the other plan participant=s employer

Confirmation that one of the qualifying events has occurred is required within 30 days of occurrence.

When one of the above reasons has not occurred, but the employee wishes to return to the City of Chillicothe Employee Benefit Plan, he may do so during the annual enrollment period each year. Pre-existing conditions will be waived.

MEMORANDUM OF UNDERSTANDING
VACATION PAYOUT - C

The purpose of this memorandum is to outline an agreement between the American Federation of State, County and Municipal Employees Union (AFSCME) and the City of Chillicothe (the City) regarding the payout of accrued vacation hours.

WHEREAS the Contract between AFSCME and the City permits a maximum accrual of three years of vacation leave, but enforcement of said provision has been inconsistent. The consequence of such is that certain AFSCME members have accrued more than three years of vacation.

WHEREAS the enforcement of said provision is vital to the long-term financial health of the City.

THEREFORE, it is hereby agreed by and between the parties as follows:

Any member with over three years of accrual as of December 31, 2014, will be permitted to sell back up to 8 weeks, per year, in each of the years 2015, 2016, and 2017. Once the member reaches 3 years of vacation accrual or less as of December 31 of a given year the sell back will revert to that permitted by contract. Any hours accrued by a member in excess of three years as of January 1, 2018, will be lost.

Further, the terms of the contract will be strictly enforced for the remaining members, (e.g., those at or under three years accrual as of December 31, 2014). Going forward, any hours accrued exceeding three years of vacation must be used or they will be lost.

MEMORANDUM OF UNDERSTANDING - D

For the duration of this contract, the Employer and Union agree that HSA accounts provided under Article 17 will be funded quarterly unless an employee can show that he or she needs such funding to cover necessary medical expenses. If the funding of the HSA is necessary, the employee shall provide documentation to the Employer who in turn shall fund the account appropriately. An employee entering and/or leaving the City workforce will also have his or her HSA pro-rated on a quarterly basis.
