## **PRESS STATEMENT**

FOR IMMEDIATE RELEASE  
6/26/2023

The City of Chillicothe Engineering Department announces that milling and paving work for 2023 will start on Thursday, June 29, 2023. Weather permitting, milling will begin at 7:00 AM Thursday morning on Water Street from the Railroad to Poplar Street, and paving on Friday beginning at 7:00 AM in the same area. Crews will work until 8:00 PM both days. Once Water Street is complete, crews will continue with milling and paving on other streets as well, with work hours each day of 7:00 AM to 8:00 PM. Residents are advised to watch for NO PARKING signs, as NO PARKING will be strictly enforced. Motorists are advised to use caution and watch for construction vehicles and workers.
