

Chillicothe Transit System

MISSION STATEMENT

“To provide safe, clean, reliable, efficient and courteous transportation services to the citizens of Chillicothe to get from where they are to where they want to go. Transit Staff are committed to delivering these services in a professional, courteous, and helpful manner.”

Chillicothe Transit System (CTS) is public transportation which is funded in part by the Federal Transit Administration, the Ohio Department of Transportation, and the City of Chillicothe.

RIDER RULES

Kids under age 13 must be accompanied by an adult.

Seatbelts are recommended on all buses and required in all passenger vans. Riders must provide and secure child safety seats in vans.

All bags and personal items must be secured and take up no more than one seat on the vehicle.

No eating or drinking on the bus. Drinks must be kept in a sealed, no-spill container.

CTS buses are community spaces. Please speak without profanity, and use headphones when listening to music.

ADA ACCESSIBILITY

All Chillicothe Transit System vehicles are equipped with **ADA lift equipment**.

Service animals are permitted.

Passengers with **portable oxygen tanks** are permitted; tanks must be secured.

CTS information is available in **alternative formats** upon request.

HOURS

INNOVATION TRACK Redesign of Chillicothe Transit

The City of Chillicothe completed a nine month human-centric planning process working with Bloomberg Philanthropies and Harvard University, redesigning the Chillicothe Transit System to move people more places and compel the broader community to take a fresh look at transit.

The rollout of the services detailed in this brochure is the result of that planning process.
