

# Managing Your Medications Online

[myuhc.com](http://myuhc.com)® is a fast, easy and secure way to get the information you need to make the most of your pharmacy benefit.

## Website home page

On the homepage at **myuhc.com**, log in with your user name and password or register, to view general health information. Visit **myuhc.com** for information to help you better understand and manage your medications. It's safe and secure.

## Website features and tools

Once registered on our website, you can access the pharmacy section by clicking the **"Manage My Prescriptions"** button to:

- Fill new prescriptions via home delivery from OptumRx®
- Refill and renew home delivery prescriptions
- Transfer retail prescriptions to home delivery from OptumRx
- Search for drug prices and lower-cost alternatives
- View order status and claim history
- Sign up for medication and refill reminders via text message
- View your real time benefits

The screenshot displays the myuhc.com website home page. At the top, the UnitedHealthcare logo is on the left, and the OPTUMRx logo is on the right. Below the logos is a navigation bar with links: Home, Log Out, Angela Wallace, My Messages (0), and Order Status. A secondary navigation bar contains links: My Prescriptions, My Account, Health Store, Specialty Pharmacy, Health Tools, Customer Service, and What's New. Below this is a sub-navigation bar with links: Medicine Cabinet, Hassle-Free Fill, Renew Prescriptions, Transfer Prescriptions, New Prescriptions, Order Status, and Claim History.

The main content area features a "Hello" greeting with a photo of a smiling woman in a white lab coat. Below the greeting is a section titled "Enroll now in OptumRx home delivery" with a "GET STARTED »" button. To the right of this section is a search bar with a "Help" link.

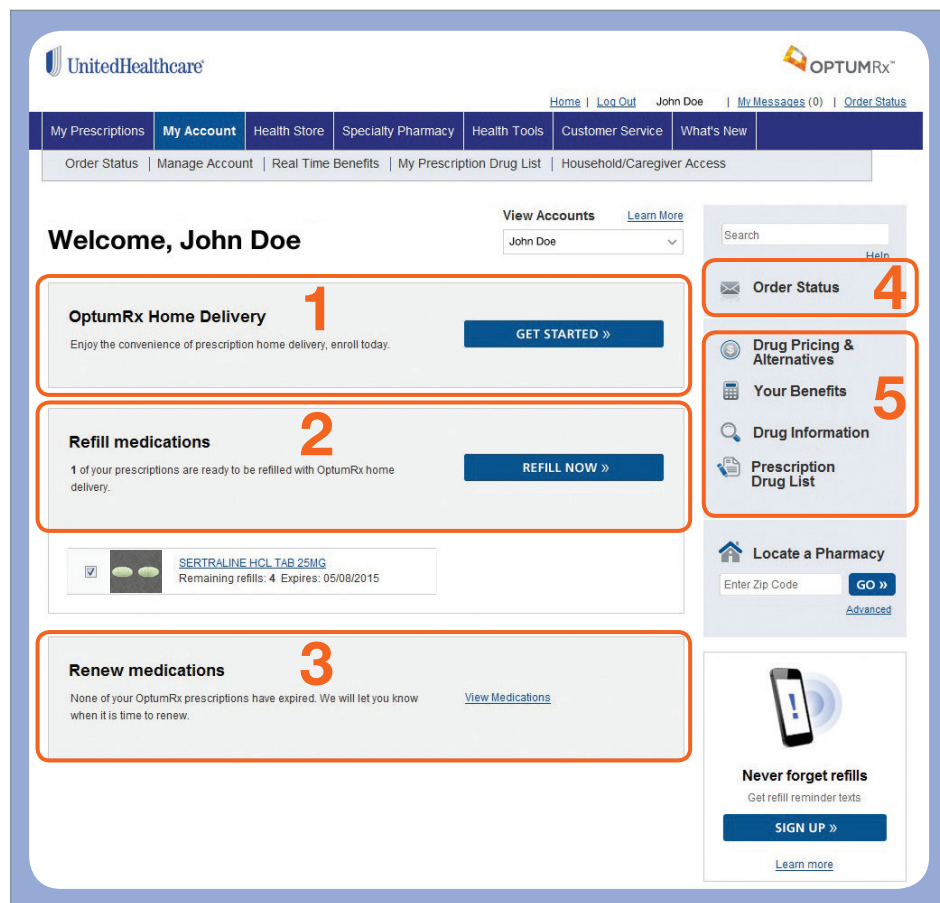

Below the enrollment section is a "Refill medications" section with a "REFILL NOW »" button. It lists four medications ready for refill:

Medication	Remaining refills	Expires
CARDURA TAB 4MG	1	08/24/2016
DOXAZOSIN MES TAB 8MG	3	12/26/2016
ATORVASTATIN TAB 40MG	3	12/26/2016
PANTOPRAZOLE SOD TB 20MG EC	1	08/24/2016

On the right side of the page, there is a sidebar with links: Order Status, Drug Pricing, Your Benefits, Drug Information, Prescription Drug List, and Locate a Pharmacy. The "Locate a Pharmacy" section includes a search bar for "Enter Zip Code" and a "GO »" button, with an "Advanced" link below it.

## My Prescriptions Dashboard

Click on “*Manage My Prescriptions*” to see your My Prescriptions Dashboard<sup>1</sup>. Your personal dashboard makes it easy to access the many tools and features, allowing you to manage your medications and health from a single page.

**Note:** Some sections are only available if you are logged in to your account. Not all sections of the website are available to all members — access to features and tools are determined by your benefits plan.

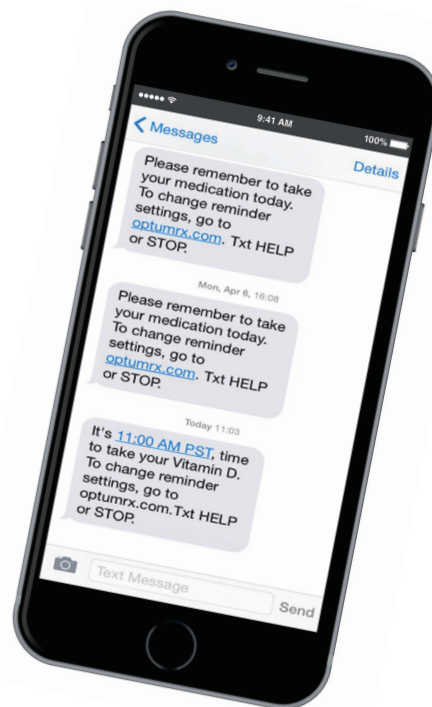

## You can save time, money and improve your health

- **Save time** — Use your computer or smartphone to order home delivery prescriptions from OptumRx. By ordering online, you make fewer trips to the pharmacy and avoid waiting in line to pick up your medication.
- **Save money** — Potentially lower your cost by ordering online and taking advantage of home delivery from OptumRx. Depending on your pharmacy plan, you can order up to a 3-month supply of your medication. Orders are shipped via U.S. standard mail at no cost.

- 1 Get Started**  
Set up home delivery for new prescriptions or transfer current retail prescriptions to OptumRx.
- 2 Refill prescriptions**  
Refill current OptumRx mail service prescriptions.
- 3 Renew prescriptions**  
Request to renew a mail service prescription from your dashboard if you are out of refills.
- 4 Order Status**  
Check the status of your mail service prescription orders.
- 5 Quick links**  
Provides fast access to the most frequently used areas of our website.

## My medication reminders

Send text message reminders to your smartphone so you won't forget to renew or refill your medications. You can also set reminders for your medications, such as what time of day and how many times a day the medication should be taken. Text reminders have been shown to improve medication adherence in persons taking long-term or maintenance medications<sup>1</sup>.

**We want you to get the most out of your pharmacy plan.**
