### Mayor Feeney Announces Large Item Pick Up

Mayor Luke Feeney announced the City of Chillicothe will provide a large item pick-up service to city residents beginning the week of May 29, 2023.

Items the City crews will pick up include carpet, sofas, chairs, mattresses, and other similar pieces of furniture. Paint cans will be collected if the paint has been dried out or mixed with sawdust.

Items not permissible for pickup are stoves, washers, dryers, refrigerators, freezers, hot water tanks and heaters, old radios, computer equipment, air conditioning units, and televisions. Construction materials from demolitions or remodeling will not be collected, nor will tires, batteries, chemicals and hazardous materials.

Large items must be kept separate from regular trash pickup and should be placed at the curb.
