Paint Street Resurfacing Project

News Release
October 17, 2023

CHILLICOTHE, OH - Work begins Wednesday, October 18, 2023, for a resurfacing project on State Route 772/South Paint Street. Street parking will be prohibited on South Paint Street during work hours for the duration of the project. Vehicles left parked on the street inside the work zone may be towed to facilitate milling and paving operations. Work will run daily from 7:00 a.m. – 5:00 p.m. At least one lane of traffic in each direction will remain open during work hours.

Shelly and Sands, Inc. has been awarded the \$1.5 million project. For more information contact Ohio Department of Transportation (ODOT) - District 9 Public Information at 740-774-8834
