BUDGET MESSAGE

July 24, 2023

To the Honorable Mayor and City Council Members:

Introduction

In accordance with Article IX of the City of El Campo Charter and Chapter 102 of the Texas Local Government Code, I am pleased to present for your consideration the proposed annual budget for the fiscal year 2023-2024, beginning October 1, 2023. This balanced budget is intended to serve as:

- 1. A plan of financial operations embodying an estimate of expenditures for the next fiscal year and the means of financing them.
- 2. A management and operational plan for allocation of resources during FY 2023-24.

The budgetary and accounting policies contained in the budget conform to generally accepted accounting principles (GAAP) as established by the Governmental Accounting Standards Board. The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate budgetary and accounting entity. Within the budget, the City's various funds are grouped into general fund types and proprietary fund types. The budget is prepared on the GAAP basis, with all governmental funds determined by using the modified accrual basis of accounting and proprietary funds established by using the accrual basis of accounting.

Citizens of El Campo are proud of and enjoy the high quality of life they have come to expect. The City plays an important role in defining that quality of life by developing and maintaining standards of service that contribute to a pleasant, attractive, dynamic, and healthy community. In addition to continuing this role, staff was given the charge at the beginning of the budget process to:

- (1) Continue to look for efficiencies in operations,
- (2) Reduce expenses where possible,
- (3) Maintain levels of service,
- (4) If possible, include 5% cost of living adjustment; or a market adjustment in base pay to entry level police officers, maintenance workers, and telecommunications,
- (5) Add a full-time Captain and Jailer for the Police Department, and a full-time Custodial position in Facilities Maintenance,
- (6) Submit a budget using an *ad valorem* rate of less than an eight percent increase above the no new revenue rate.

Consequently, staff developed budget proposals for their departments assuming essentially the same level of service allocated in FY 2022-2023. Requests for additional items were submitted with justifications and were reviewed by the City Manager and Finance Director. The following sections highlight points of interest in the budget.

Economic Outlook

Like all other local governments, El Campo faces inflationary pressures that are historically higher than most citizens and businesses experience. The U.S. Consumer Price Index (CPI) was 3.0 percent for the 12-month period ending in May.

According to the Texas A & M University Real Estate Center's *Outlook for the Texas Economy*, over the last several months the Texas economy advanced amid increased energy activity and a strong labor market. Oil production and the number of active Texas rigs increased, shaking off some of the slow down the Eagle Ford Shale experienced the last two years. Overall, the Texas economy remained robust, but trade uncertainty, volatile energy prices, and tax policy uncertainty present potential headwinds.

An evaluation of Wharton County gross sales and sales outlets shows an overall pattern of increases for both quarter over quarter but a slower rates of growth than in 2023. While the prospects for Texas and El Campo in the immediate year are still positive and the FY 2023-24 sales tax is higher than FY 2022-2023, staff still projects a more conservative view of the coming year.

Notable Policies and Programs

Fund Balance Policy

While there is no statutory or regulatory requirement for a minimum fund balance, the generally accepted practice and rule of thumb is to have a fund balance of about 60-90 days. It has been several decades since El Campo was hit by a catastrophic event; however, such a storm, and as we learned this past year, a pandemic is always a dangerous possibility. Consequently, El Campo has felt a need to have a fund balance of 90 days so that the City is better prepared to respond to a disaster and maintain continuity of government and operations.

While the City continues to add to the total number of dollars in its fund reserve, the daily cost of operations has also increased, but in larger proportion to the total dollars. The General Fund improved its fund balance by 44 days over the previous year.

Hotel Occupancy Tax Policies

El Campo has historically allocated all its anticipated HOT funds and not maintained a budgeted fund balance or contingency, limiting the City's ability to accommodate for unplanned opportunities or emergencies. As noted previously, the budget established a policy of budgeting a contingency to give the City flexibility throughout the year and that policy continues in the FY 2023-24 budget.

In addition, in prior years, annual requests have been evaluated on their merits for that year, regardless of funding in previous years. This budget proposes a policy stating that a new awardee should be weaned from HOT funding over one to three years after it has received funding for several years (particularly in cases where the City helps fund new events and those events have become successful).

Health Insurance

Employees are provided medical insurance through United Health Care. Medical insurance is an important recruitment and retention benefit but also is a significant personnel expense.

The City is anticipating a 10-25 percent premium increase this year.

Personnel

The City has a very lean operation for a service organization, where 70-75 percent of expenses would not be unusual for personnel costs. In the General Fund personnel costs account for 61.0 percent of expenditures, 22.2 percent in the Utility System Fund, 71.0 percent in the EMS Fund, and 43.0 percent overall.

A 5 percent cost of living wage increase is proposed for FY 2023-24, or a market adjustment in base pay for police officers, maintenance workers, and telecommunications.

Also included in the proposed budget is a full-time Captain and Jailer for the Police Department, and a full-time Custodial position in Facilities Maintenance, and Utilities Maintenance Worker.

General Fund

Revenues

- 1. **Tax Rate.** The no new revenue rate, i.e. the rate that generates approximately the same amount of revenue as FY 2022-23, unknown at this time, and will depend on appraised values.
- 2. **Sales Tax.** Sales taxes can be one of the direct indicators of the local economy. Sales tax collections in 2011-2015, were records and dropped, in 2015. Collections have risen every year since 2016. The FY 2023-24 budget includes an increase of 1 percent in revenue estimate as 2023-2024, reflecting an increase based off the actual sales tax dollars received during FY 2022-2023.
- 3. **Charges for Services.** Charges for services has increased slightly, reflecting the increases in the water and sewer rates.

Expenditures

- 1. **Personnel Services.** Personnel Services across each division/department will see an increase to support a 5% cost of living adjustment or market adjustment of all employees.
- 2. Mayor and Council. Additional funds are included for a strategic planning retreat.
- 3. **Police.** The addition of a full-time Captain and Jailer positions are included in this budget. Additional funds have been included for the rise in uniform costs, gas and oil, and new body cameras.
- 4. **Public Works Administration.** Funds were increased to purchase a large scale scanner.
- 5. **Streets.** Material cost for Weed Control and Signage have increased. Curb replacement costs have also increased.

Utility System Fund

Revenues

Charges for Services. There are no proposed rates increases for FY24. The City's rate structure proposed is listed in the chart below.

| | WA | SEWER | | |
|--------------------------------|---------------------------------|------------------------|-----------|------------------------|
| | Base Rate (first 2,000 gallons) | Rate per 1,000 gallons | Base Rate | Rate per 1,000 gallons |
| Residential | 14.00 | 3.15 | 15.25 | 4.75 |
| Residential (Seniors/Disabled) | 11.20 | 2.52 | 12.20 | 3.80 |
| Commercial | 19.00 | 3.15 | 20.15 | 4.85 |
| Schools | 19.00 | 3.15 | 20.15 | 4.85 |

Expenditures

- 1. **Water and Sewer Administration.** This department saw an increase in personnel due to the addition of a full-time Maintenance Work position.
- 2. **Water Production and Wastewater Collection.** The proposed increase is for the water well maintenance contract, and Leak Study contract that were both approved by Council.
- 3. **Wastewater Treatment Plant.** The additional funds are to purchase and replace the number two lamson blower.
- 4. **Personnel Services.** Included in the proposed budget is a proposed 5% cost of living adjustment across all departments/divisions, or a market adjustment for maintenance workers.

Revenues

Charges for Services. Charges for services has increased from the FY23 levels by 9.09%.

Intergovernmental Revenue. This line item also remained stable from the previous fiscal years, but this year requesting an increase of \$162,200, a 12.21% increase, from Emergency Services District #4.

Expenditures

Personnel. Included in the proposed budget is a proposed 5% cost of living adjustment for all employees.

Transportation User Fee (TUF) Fund

Revenues

Residential. Each residential customer will be charged \$2.50 on each bill, a 0.50 cent increase from the prior year.

Commercial. Each commercial customer will be charged \$8.00 on each bill, a \$1.00 increase from the prior year.

The Transportation User Fee (TUF) Fund was created to collect a user fee from each utility customer. This income will only be used for street repair, reconstruction and maintenance as well as sidewalk maintenance.

Conclusion

The desire of city councils to maintain the lowest *ad valorem* tax rate possible is understandable and important for attracting residents and businesses to have a tax rate and services that are competitive with other communities. The City of El Campo attempted to do this for several years by maintaining the effective tax rate (i.e. the rate that raises the same amount of revenue) and cutting expenses; however, creating an artificially low tax rate by deferring maintenance and/or failing to plan for known future expenses is not successful in the long term and usually creates a more painful fiscal environment for the future. Fortunately, over the years the City of El Campo has recognized the need to reinvest in its infrastructure continually and has adopted tax rates that are higher than the effective rate in order to maintain quality services and position the City for the future.

There are issues with revenue and expense impacts that require consideration in the short- to medium-term, specifically:

- 1. Continuing investment in the City's information technology;
- 2. Statutory obligations incurred by passing the threshold of 10,000 citizens;
- 3. Improvement and maintenance of the City's streets;
- 4. Repair or rehabilitation of the City's mains for both water and sanitary sewer;
- 5. Investment in human resources in Public Safety;
- 6. Erosion of municipal authority from statutory changes made by the Texas Legislature concerning annexation, appraisal caps, expenditure ceilings, and revenue limits.

Each of these issues will require thoughtful and deliberate consideration by the City Council, together with city staff, for development and commitment to a budget strategy to meet future demands.

Despite the inflated economy, the proposed FY 2023-24 budget is conservative in its revenue estimates and expenditures. The budget maintains a high level of reserves in order to mitigate the risks posed by El Campo's somewhat limited economy. In July 2022, the City's conservative fiscal policies and budgeting resulted in the sixth consecutive affirmation by Standard & Poor's Rating of the City's AA- with a stable outlook, recognizing the City's healthy financial flexibility and policies. The City was cited with "strong management, with good financial policies and practices under the Financial Management Assessment methodology".

City government is the form of government that has the widest ranging impact on the daily lives of our citizens. Meeting the fundamental health, safety, and welfare needs of our citizens is essential to a progressive and successful community and as presented, this budget will ensure the safety of our citizens and enhance their quality of life while providing an environment for successful development.

I appreciate the efforts of staff during preparation of the proposed budget under another year of difficult fiscal circumstances. In addition, I wish to extend my thanks to the City Council for its willingness to take the time at the budget workshops to understand each department's operations and share the Council's vision with staff. Such comprehension provides context and background to better grasp the budget and also enlightens staff's awareness of Council's priorities.

Respectfully,

Courtney Sladek City Manager

| 29-Sep | Last Date to Adopt - Does not exceed Voter-approved | Last day to adopt a tax rate that does not exceed voter-approved tax rate |

FUND STRUCTURE

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All the funds of the City can be divided into three categories: governmental funds, proprietary funds or internal service fund.

Governmental Funds

Governmental funds are used to account for all or most of the City's general activities. The City utilizes the modified accrual basis for both budgetary and accounting for all governmental funds. The City of El Campo maintains the General Fund, Court Technology, Court Security, Hotel/Motel Fund, Debt Service Fund, Transportation User Fee Fund and Police Seizure Funds.

General Fund: the General Fund is the City's general operating fund and is used to account for all financial transactions except those required to be accounted for in another fund. Principal sources of revenue are taxes, licenses and permits, intergovernmental revenue, charges for services, fines and forfeitures and interest. Primary expenditures are for general government, public safety, public works and community services.

Court Technology Fund: In 1999, the State Legislature authorized a Court Technology Fee for Municipal Court fines. Those who pay tickets at El Campo Municipal Court contribute to this fee. This fee can be used to fund technology projects for Municipal Court. Projects can include enhancements and improvements to the Municipal Court computer systems and other improvements that involve technology.

Hotel/Motel Fund: The Hotel/Motel Fund is supported through Hotel/Motel taxes, a tax authorized under state statute. This tax allows the City to collect up to 7% on rental income of hotels and motels within the City limits. The use of funds derived from the Hotel/Motel Fund can only be spent if the following two-part test is met: 1. Every expenditure must directly enhance and promote tourism and the convention and hotel industry. 2. Every expenditure must fit into statutorily provided categories for expenditures of local hotel/motel tax revenues.

Debt Service Fund: The Debt Service Fund is used to account for the accumulation of resources for and the payment of general long-term principal, interest and related costs.

Transportation User Fee Fund: This fund establishes a dedicated revenue source in which the money raised can only be used for street repair, reconstruction and maintenance, as well as sidewalk maintenance.

Police Seizure Fund: The Police Seizure Fund accounts for items received by the City through the Police Department because of criminal investigations. These funds are used for one-time equipment and other purchases to assist in police activities.

Proprietary Funds

Proprietary funds are used to account for the acquisition, operations and maintenance of the City's facilities and services which are entirely or predominantly supported by user charges, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. All activities to provide services are accounted for in these funds, including, but not limited to, administration, operations and maintenance. The City of El Campo maintains the Water and Sewer Fund, the Solid Waste Fund, the Civic Center Fund and the EMS Fund.

The basis of budgeting for the City's Propriety Funds is also the accrual method, with the following exceptions:

- Depreciation is not budgeted
- Debt principal payments are budgeted as expenditures and reclassified for reporting purposes Water and Sewer Fund: The Water and Sewer Fund is used to account for transactions relative to the provision of water and the wastewater system for the citizens of the City. The Water and Sewer Fund utilizes water and sewer revenues, penalties, tap fees, reinstatement fess and interest to fund these services.

FUND STRUCTURE

Solid Waste Fund: The Solid Waste Fund records transactions relative to the provision of solid waste services to the residents of the City. The Solid Waste Fund utilizes sanitation revenues and interest to fund this service.

EMS Fund: The Emergency Medical Services (EMS) Fund accounts for all transactions relative to the provision of emergency medical services as needed both inside the city and out. The EMS fund utilizes ambulance fees and revenue from Emergency Services District #4 to provide these services.

Civic Center Fund: The Civic Center Fund accounts for all transactions relative to the Civic Center. The Civic Center utilitizes Hotel Motel Funds and Civic Center rental fees to fund the Civic Center.

Internal Service Fund

Internal Service funds are used to account for the City's information technology. The City utilizes the modified accrual basis for both budgeting and accounting purposes.

Information Technology: The Information Technology Fund is an internal service fund that provides computer maintenance and purchases within the City of El Campo.

Fleet Replacement Fund: The Fleet Replacement Fund is an internal service fund that provides for the replacement of the City's fleet, including Police Units, Public Works vehicles and other city fleet.

COMMUNITY PROFILE

Form of Government

The City has a home-rule Council-Manager form of government. The elected body is made up of a mayor and six council members. The Mayor and Council members are all elected for staggered two-year terms. The City Manager is appointed by the Council and is responsible for implementation of Council policy and all day-to-day operations of the City.

The Council appoints many residents, who have volunteered their expertise, experience, and time to serve on various boards and commissions. These standing boards and commissions make recommendations in an advisory capacity to special projects in the City.

A full range of municipal services is provided by the City including public safety (police, fire protection and emergency medical services); water and wastewater services; public improvements; repair and maintenance of infrastructure; recreational and community activities; planning and zoning and general administrative services. This report includes all funds of the City government. The financial statements of the City Development Corporation of El Campo, Inc. (CDC) and the El Campo Volunteer Fire Department (ECVFD) are also reported herein as discretely presented component units of the City based upon standards established by the Government Accounting Standards Board (see Note 1 to the financial statements).

Location

The City is located in the gulf coast region of southeast Texas and is the largest City in Wharton County with an estimated population of 12,290. It is located on U.S. Highway 59 and State Highway 71, approximately 72 miles southwest of Houston. U.S. Highway 59 is one of the major transportation arteries that ties the United States to Mexico and it is currently being converted to an interstate highway that would link Canada to Mexico.

Local Economy

One of the economy's mainstays is agriculture. Wharton County has consistently ranked as one of the largest rice producing counties in the state and nation. Several major regional agricultural facilities are located in the City, including operations for product storage, milling, transportation and marketing as well as two farm cooperatives which provide direct sales, service and marketing assistance to area farmers.

Other businesses in the industrial park include manufacturers of cabinets and a metal fabrication operation. The retail sector continues to thrive as seen by the continually increasing sales tax revenue. Residents have access to the large and diverse employment base.

The diversity in the tax base can be seen in the fact that the top ten taxpayers account for only 10.89% of the total assessed value.

The City's financial condition is very strong with fund balance reserves at levels that allow for capital projects to be addressed. The City Council has continued the policy that excess above 3 months of operations should be designated for capital and that has assisted in maintaining a lower ad valorem tax rate and reducing the scope of the debt issuances.

El Campo History

In 1882 a railroad camp was located where El Campo now stands. The camp was first named "Prairie Switch" and then "Pearl of the Prairie" but was later changed by the Mexican Cowboys to "El Campo" which means "the camp." Ranching was the main industry, and thousands of cattle were shipped annually. At that time El Campo was surrounded by four large ranches; to

the north was the Brown Ranch; to the south was the Texas Land and Cattle Company, to the west was the Herder Ranch, and to the east was the Pierce Ranch.

El Campo was incorporated in 1905. The municipal government was composed of a mayor and five aldermen. Mr. Mack Webb was elected mayor, with a salary of \$10.00 per month. W. G. McDonald was the first city attorney; W. E. Franz, the first city secretary. Members of the first council were H. G. Beard, E. L. Correll and W. W. Duson.

Soon after the establishment of a formal government, came adequate police protection and a volunteer fire department. Utility services were expanded. The City of El Campo has been the result of a steady and continual growth by citizens who came and saw the great possibilities that El Campo has to offer.

CITY OF EL CAMPO STRATEGIC PLAN FISCAL YEAR 2023-24

GOAL:

Ensure balanced growth throughout El Campo.

Strategies

- 1. Contact developer of Olivia Street housing and explore other opportunities.
- 2. Maintain Residential Development Committee.
- 3. Revisit definition of what's considered single family residence with regard to number of those living within the household.

GOAL:

Improve quality of life in El Campo by maintaining infrastructure and implementing improvements.

Strategies

- 1. Capture road work completed over last few years and provide status update to Mayor and Council. Provide periodically going forward.
- 2. Police Department will pursue more aggressive enforcement of truck routes.
- 3. Present plan for financing infrastructure through CIP.
- 4. Review potential water and sewer plans for improvement.

GOAL:

Beautify El Campo through effective programs and policies that protect our identity.

Strategies

- 1. Maintain the Blight Committee.
- 2. Evaluate a rental registry for the City of El Campo.
- 3. Consider writing codes with stricter regulations.
- 4. Implement a community clean-up.

CITY OF EL CAMPO STRATEGIC PLAN FISCAL YEAR 2023-2024

Protect and enhance our community character. Strategies 1. Review potential partnership opportunities. 2. Revisit plans to ensure that all city parks are ADA compliant. 3. Explore trails opportunities/improvements within our parks system. 4. Encourage Parks Advisory Board to evaluate improvements to the parks and universal signage throughout the parks system. 5. Make cleanliness of parks restrooms a priority.

GOAL:

To ensure that El Campo is both prepared during an emergency and resilient after an emergency.

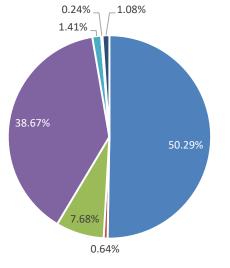

Strategies

- 1. Establish a continuity of operation plan.
- 2. Create a financial resiliency plan.
- 3. Fortify relationships with schools and hospital regarding clarity of roles.

| TOTAL | 100.00% | 100.00% | 0.00% |

The No New Revenue Rate - This rate enables the public to evaluate the relationship between taxes for the preceding year and current taxes. This rate would produce the same tax dollars if applied to the same tax dollars if applied to the same properties both years.

The Vote-Approval Rate - This rate provides a ceiling, in which any tax rate adopted above this rate would be subject to an Election if initiated by the public. A successful election would roll back the tax rate to the Voter-Approval Rate.

Revenue and Transfers – Highlights:

- The City of El Campo's proposed tax rate is to be determined.
- Sales tax is projected to increase 1% from FY23. For the previous fiscal year, no adjustments were made to sales tax to remain conservative, and instead budgeted the actual amount received.
- Licenses & Permits are projected to increase by 2.26%.
- Revenues from fines and forfeitures are expected to remain the same from the FY23 amended budget.

Expenditure – Highlights:

- **Personnel-** Total personnel expenditures are expected to increase from the FY23 Budget by 4.54%. This budget does includes a 5% cost of living adjustment of all employees, or a market adjustments to police officers, telecommunication operators, and mainteanance workers.
- **Supplies** Supplies budget increased \$16,120 or 3.39% from the FY23 Budget, most of which are to align with actual expenses and the rising cost of supplies.
- **Repair and Maintenance** Repair and maintenance increased slightly from the previous fiscal year, by \$23,000 or 3.63%.
- Operational Expense- These line items include communications, training and travel, electricity, advertising and legal notices, dues and subscriptions and insurance. This item was a little over nine percent higher than the previous year.
- Other Services- Other services include contracted services including engineering, legal fees, payments to appraisal district and payment to the outside agencies.
- Transfers- Transfers remaied the same as FY23.
- Capital Outlay- Capital outlay includes replastering the pool and new lily-pads at the Aquatic Center.

MULTI-DEPARTMENTAL/NON-DEPARTMENTAL

Description

The Multi-Departmental budget includes expenses that belong to all divisions in the General Fund. Expenses include liability insurance, health insurance, legal fees, audit and other expenses. This Department is also included in the Water and Sewer Fund.

The Non-Departmental budget includes general city-wide expenses that do not belong to a single department. Included in this department are transfers to the Information Technology Fund, and the Fleet Replacement Fund.

Notes:

GENERAL GOVERNMENT

Description

General Government consists of the following divisions: Mayor and Council, Administration, Finance, Personnel, Municipal Court and Planning. This Department is responsible for ensuring that the operations of the entire organization best meet the needs of the City.

The Mayor and City Councilmembers serve as the elected representatives of the citizens of El Campo. The Council establishes programs, policies and priorities for safe, efficient and equitable operation of the City. The most significant programs are set during the annual budget review process.

The Administration Division consists of the City Manager, City Secretary, and Executive Assistant serves to facilitate the day-to-day operations of the City.

The Finance Division manages the City's finances and provides support services to the City Manager and Council. This Division is responsible for the maintenance and efficient operation of the accounting system for all city departments; monitoring of receipt, disbursement, and investment of all city money; maintaining accounting controls; and providing necessary financial records, reports, and statements.

The Personnel Division recruits, screens and trains job applicants, as well as administers employee benefit services and safety program.

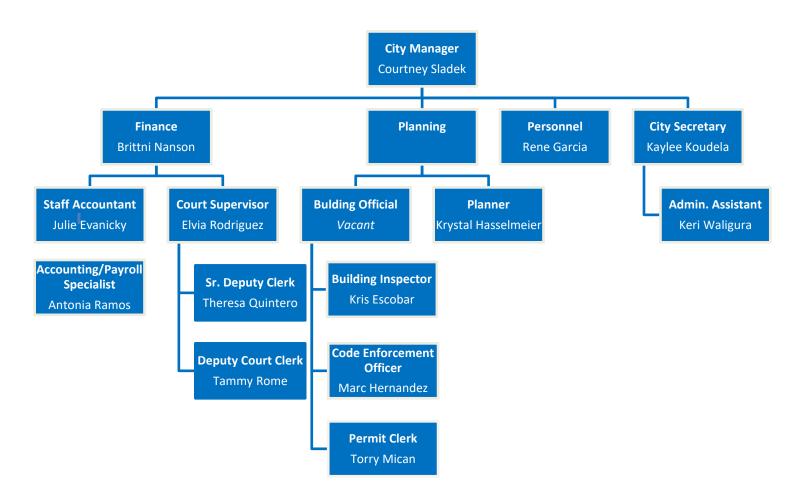

The Municipal Court Division is responsible for bringing fair and impartial conclusions to all misdemeanor cases filed in the City. The Court Office is responsible for maintaining accurate records of all court cases filed and disposed of in the City, as well as processing payments and serving warrants.

The Planning Division is responsible for providing planning for all citizens, businesses and visitors; providing technical support to the Planning & Zoning Board, and the Board of Adjustments; and providing floodplain management.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment and elimination of a position.

The increase to TCRFC Dues is the annual dues for the year.

The decrease to Major Equipment Purchase is to remove a one time purchase from FY23.

The increase to Dues and Subscriptions and Advertising was to reflect actual expenses and fees.

PUBLIC SAFETY

Description

Public Safety consists of the following divisions: Police, Communications, Fire, Fire Marshal (this division will be phased out and fire inspections moved to planning) and Emergency Management. This Department is responsible for ensuring the safety and security for the community.

The El Campo Police Department, a recognized police department, serves a population of 12,290. El Campo is the largest city in Wharton County. In addition to providing police services for the residents of El Campo, the police communications division dispatches fire and ambulance service to approximately 10,000 rural residents in West Wharton County. The police department provides numerous public safety education services and community events.

Each year the police department responds to more than 13,000 calls for service. These responses result in over 2,000 criminal arrests, 2,500 traffic citations, 7,300 warning citations, and 1,000 crime reports. The El Campo Police Department averages four formal investigations per year.

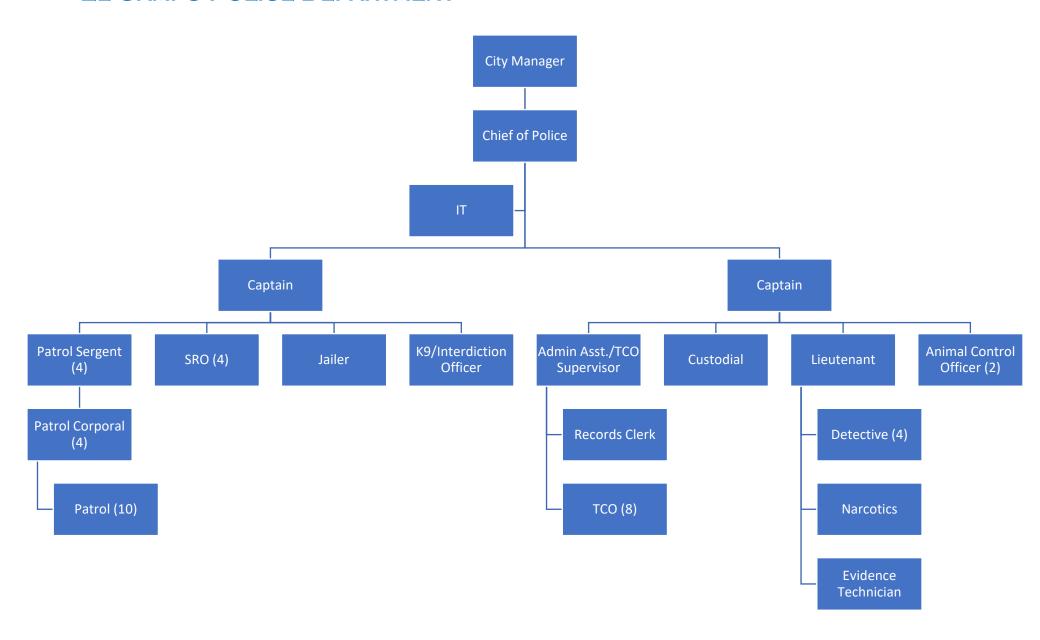

The El Campo Volunteer Fire Department is dedicated to saving lives and property. The Fire Department responds to over 200 emergency calls and trains over 7,000 hours.

Emergency Management plans and prepares for any and all emergency situations within the City limits. The Emergency Manager provides city staff with weather warnings, updates and briefings on emergency incidents in and around the city, as well as coordinates with ECISD & ECMH.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment, and market adjustments to base Patrol Officer pay.

The increase in Uniforms is due the increase in the contract prices.

The increase to Community Service Supplies is to purchase and replenish supplies.

The increase to Building and Grounds maintenance reflects to rise in prices and repairs to issues in the building.

The Crisis Center funding has been moved from Community Services to the Police budget since they office assistance to the PD.

The purchase of Body Cameras is through a grant that the City has applied for through the State of Texas. The match the City is responsible for is \$11,952.

Notes:

The increase to Personnel Serivces includes a 5% Cost of Living raise amd reflext current salaries. This also includes a stipend for an assistant and supervisor.

Public Works

Description

The Public Works Department consists of the following services: Public Works Administration, Streets, Fleet Maintenance, Parks and Facilities Maintenance. Each function works together for the Public Works Department to achieve a common goal of enhancing the quality of life for our residents and promote economic development for our community by providing and maintaining public infrastructure to the highest possible standards. We lay the groundwork for a better tomorrow.

Administration's goal is to provide quality service to all customers daily.

Street Maintenance is responsible for both construction and maintaining public streets in El Campo. The exception is when a new development is being constructed, the developer is responsible for constructing the streets and other public infrastructure, and the Department inspects the construction to ensure compliance with plans and standards. Pavement markings are also the responsibility of the Public Works Department. The Street Maintenance crew in the Public Works Department takes care of ongoing maintenance such as pothole repair, temporary patches, and preventative measures such as seal coating. Additionally, street sweeping is conducted on each curbed street on a routine basis.

The Parks Division is responsible for the general maintenance, operation and appearance of the City's eight parks, which cover a total of 84.83 acres. The Division currently has five employees, including a foreman and assistant foreman, which mow and maintain a total of 122.487 acres, including traffic islands and medians, property owned by the city, vacant lots and the U.S. 59 overpass.

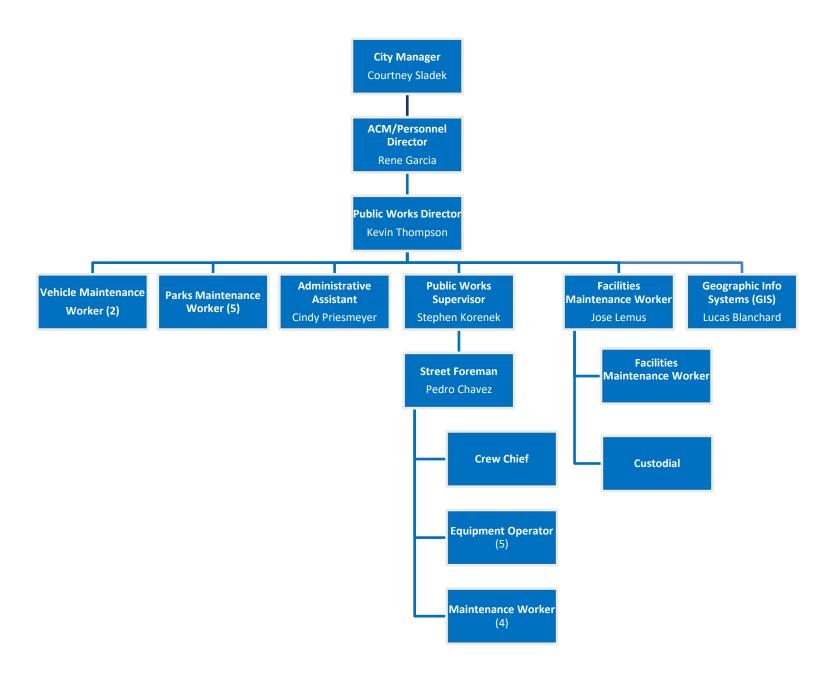

Facilities Maintenance Division is responsible for the general maintenance, repair and upkeep of the City facilities. The Division has a team of two employees.

Public Works: Fleet Maintenance is responsible for the care and maintenance of all vehicles and equipment in the City fleet.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment.

The increase to Food is for Public Works Week and special events.

The increase to Minor Equipment is for a one time purchase of a large scanner to scan in full size plans for City Projects.

The decrease in Major Equipment was for a one time purchase for a new fuel monitoring system in FY23.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment or market adjustment.

The increase to BEEs was the movement of agency funding from Community Services, since they care for the planters around the City.

COMMUNITY SERVICES

Description

Community Services consists of the following divisions: Community Services Administration and Aquatic Center.

The Community Services Administration works with the Parks and Recreation Community Services Board, and as of June 11, 2015, the Keep El Campo Beautiful Board.

The Aquatic Center, opened in January 2005, is a \$1.9 million facility complete with an eight-lane competition pool, a leisure pool with zero-depth entry, 85-foot slide, water mushroom and other water amenities, and a large 20-person hot tub/spa. The Aquatic Center staff includes a manager, assistant manager, up to four lead lifeguards and approximately 20-25 part-time lifeguards who operate and maintain the ECAC with support from Utilities, Maintenance and Parks Department personnel.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment.

The new account, Food, is for incentives to lifeguards to show appreciation, reduced Advertising to allow for expenditures.

The increase to Major Equipment is to replaster the pool and replace the lily-pads.

| Reinstatement Fees | 48,660 | 40,000 | 45,000 | 40,000 | - | 0.00% |
| Returned Check Fees | 1,680 | 1,700 | 1,500 | 1,700 | - | 0.00% |
| Interest Earned | 23,742 | 7,000 | 2,400 | 7,000 | - | 0.00% |
| Miscellaneous | 16,247 | 30,440 | 12,510 | 30,440 | - | 0.00% |
| Reimbursement - Lost Lagoon | 116,958 | 19,000 | 125,480 | - | (19,000) | -100.00% |
| Transfers | 86,100 | 86,100 | 86,100 | 86,100 | - | 0.00% |
| TOTAL RESOURCES | \$ 4,748,111 | \$ 4,788,000 | \$ 5,016,379 | \$ 5,011,740 | \$ 223,740 | 4.67% |

Revenue and Transfers – Highlights:

- The City of El Campo's water and sewer rates remain the lowest in the region.
- Water and Sewer revenues are expected to increase to reflect the changes from the prior fiscal year in rates and base consumption gallons.
- Lost Lagoon Reimbursement has decreased, and has been paid off during FY23.

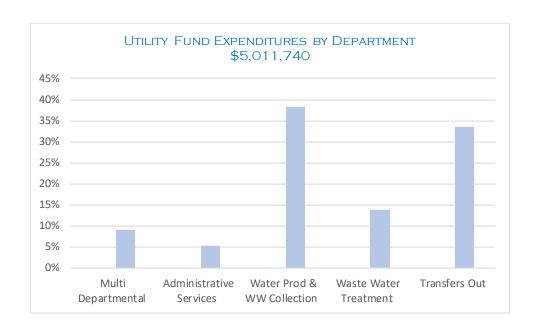

WATER AND SEWER EXPENDITURES

| | FY22 Actual | FY23 Amended Budget | FY23 Year End Estimate | FY24 Proposed Budget | Variance from FY23 | % Change from FY23 |
|----------------------------|-----------------|---------------------------|------------------------------|----------------------------|-----------------------|-----------------------|
| Multi Departmental | 1,712,128 | 451,145 | 630,098 | 451,545 | 400 | 0.09% |
| Administrative Services | 164,679 | 209,710 | 198,443 | 265,640 | 55,930 | 26.67% |
| Water Prod & WW Collection | 1,170,954 | 1,707,330 | 1,600,947 | 1,921,750 | 214,420 | 12.56% |
| Waste Water Treatment | 483,679 | 728,555 | 626,320 | 693,810 | (34,745) | -4.77% |
| Transfers Out | 573,684 | 1,691,260 | 1,699,707 | 1,678,995 | (12,265) | -0.73% |
| TOTAL EXPENSE | \$ 4,105,124 | \$ 4,788,000 | \$ 4,755,515 | \$ 5,011,740 | \$ 223,740 | 4.67% |

Expenditures and Transfers – Highlights:

- Administrative Services increased due to the addition of a full-time maintenance worker position.
- An increase in Water Production & Wastewater Collection is to go towards repairs and maintenance of the water towers. This also includes the Leak Study contract approved by Council in FY23.
- Transfers decreased due to the payoff of capital equipment.
- All divisions saw an increase in Personnel Services to reflect a 5% cost of living raise for all employees, and market adjustments for maintenance workers. Starting hourly pay for Water and Sewer maintenance workers will be \$18.00.

WATER AND SEWER

Description

Water and Sewer consists of the following divisions: Multi-Departmental, Non-Departmental, Water and Sewer Administration, Water Production and Wastewater Collection, and Wastewater Treatment Plant.

The Multi-Departmental Division includes the expenditures that do not belong to a single division. Included in this division are: insurance expenses and other miscellaneous services.

The Non-Departmental Division tracks all the transfers for the Utility Fund. This includes administrative transfers to the General Fund, debt transfers to the Debt Service Fund, transfers to support technology.

The Water and Sewer Administration Division provides the billing service for water, wastewater and solid waste services as well as processing all new accounts and cut-offs.

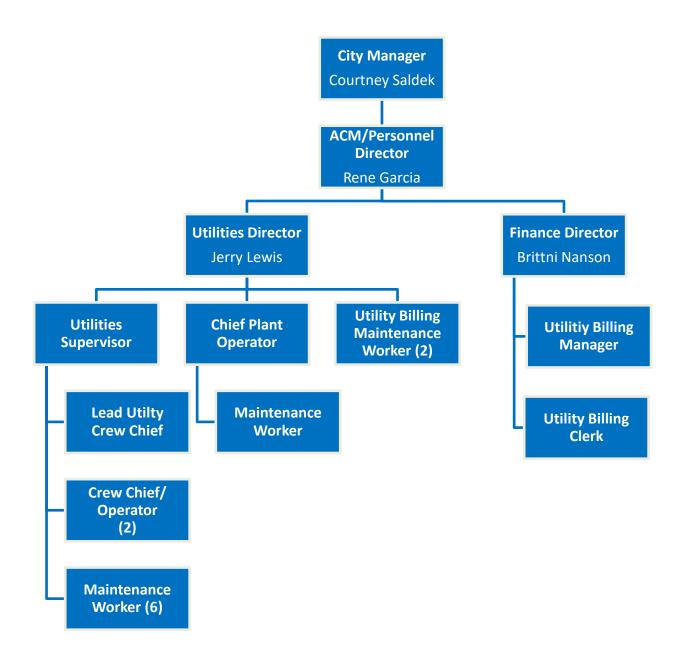

The Water Production and Wastewater Collection is responsible for maintaining and repairing water lines, sewer lines, as well as adding new lines to system. The Division also maintains, repairs, and keeps in good running order the 5 water wells used to produce water for the City of El Campo. The Department also maintains the Status of "Superior Water System" with the Texas Commission on Environmental Quality. This Division also maintains the collection system in such a manner that protects the public safety, health and the environment.

The Wastewater Treatment Plant Division maintains, repairs and keeps in good operating order the Wastewater Treatment Plant to meet all requirements, rules and regulations, required by the Texas Commission on Environmental Quality.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment or market adjustment.

Increase in Plant Maintenance is for the existing contract to perform maintenance to the water towers.

The new account, Leak Study, was and increase to the budget to reflect the contract signed by Council in FY23, to help reduce the water loss in the City.

The decrease to Engineering is to reflect the actual amounts being spent annually.

Notes:

The increase to Personnel Services Includes a 5% Cost of Living adjustment or market adjustment.

The increase to Operating Supplies reflects the continued increase in chemical prices.

The decrease to Major Equipment Purchase is from the one time purchase of two (2) mini-excavators with the trade in of existing aging equipment. The funds remaining are for repairs to the number two lamson blower at the WWTP.

EMS

Description

The City of El Campo is a licensed Emergency Medical Services provider through the Texas Department of State Health Services. EMS continually and efficiently provides Emergency Medical Services to the residents and visitors of the City of El Campo, Wharton County, and surrounding counties 24 hours a day 7 day a week 365 day a year.

El Campo EMS provides a standard of care that is consistent with the rules and regulations set forth to emergency providers by the Texas Department of State Health Services.

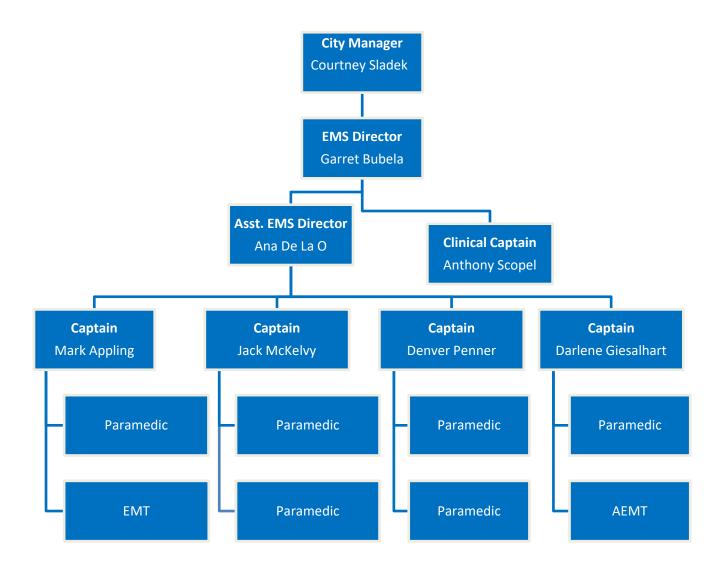

The El Campo Emergency Medical Services Department currently consists of 15 full-time medics with more than 155 years' experience. The department also has part-time medics. El Campo EMS operates at the Mobile Intensive Care Unit Level (MICU). This is the highest level of operation at the present time. Cardiac care and respiratory care are also at the highest level of the MICU level.

El Campo EMS covers the western part of Wharton County, which covers approximately 600 square miles. We cover the cities of El Campo, Louise, Danevang, Hillje, Pierce, Taiton and a large rural area.

The EMS Fund records transactions relative to the provision of emergency medical services to the residents and visitors of the City. The EMS Fund utilizes ambulance revenues, interest and contributions from the Wharton County Emergency Services District #4 to fund this service. This fund functions as an enterprise fund, which is accounted for using a cash basis of accounting.

The EMS Fund revenues are projected at \$2,424,905.

Intergovernmental revenue is estimated at \$1,490,805 for FY24. These funds are distributed to the City from the Wharton County Emergency Services District #4. The City contracts with the District to provide emergency medical service to residents and visitors of West Wharton County.

The second largest revenue source in the EMS Fund is billing fees. The FY24 projection is \$900,000.

EMS FUND EXPENDITURES

| | FY22 Actual | FY23 Amended Budget | FY23 Year End Estimate | FY24 Proposed Budget | Variance from FY23 | % Change from FY23 |
|----------------------------|--------------------|---------------------------|------------------------------|----------------------------|--------------------|-----------------------|
| Emergency Medical Services | 1,689,234 | 2,022,440 | 1,865,033 | 2,261,695 | 239,255 | 11.83% |
| Transfers Out | 216,360 | 165,265 | 254,979 | 163,210 | (2,055) | -1.24% |
| TOTAL EXPENSE | \$ 1,905,594 \$ | 2,187,705 \$ | 2,120,012 \$ | 2,424,905 | \$ 237,200 | 10.84% |

The EMS Fund expenditures are projected at \$2,424,905. These expenditures are related to providing the day-to-day operations of the Emergency Medical Services Division.

Personnel Services

The largest categorical expense in the EMS Fund is personnel services. Personnel services are projected at \$1,722,750 for FY24. This includes a 5% COLA raise for all full-time employees, and market adjustments for Part-Time positions. Those market adjustments for part-time workers would increase the hourly starting pay for Basic EMTs (\$14.00), Advanced EMTs(\$16.00), Paramedics (\$18.00), and In-Charge Paramedics (\$20.00).

Operational Expense

The next largest categorical expense for the EMS Fund is operational expense for FY24. Operational expense includes: communications, phones, training and travel, electricity, natural gas, dues and subscriptions, and other maintenance costs.

Supplies

Supplies include office supplies, uniforms, gas and oil, minor equipment, and various other medical supplies.

Repairs and maintenance

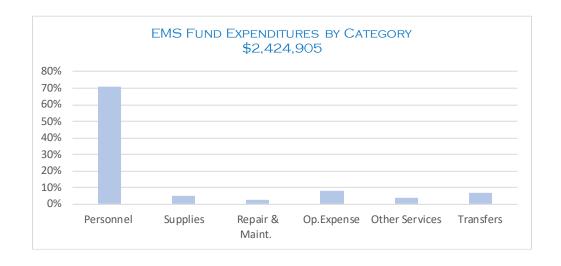

Repairs and maintenance expenditures budgeted at \$63,000 for janitorial services, building and grounds maintenance, vehicle maintenance and equipment maintenance.

Other Services

Other services are expenses related to fees for the medical director, employment screening, and collection agency fees, budgeted at \$92,490 for FY24. This also includes a contingency to an additional 5% COLA raise in April 2024 as long as collections are in line with projections.

Transfers

Transfers are planned for FY24 at \$163,210 to the Information Technology Fund, General Fund and the Debt Service Fund.

Notes:

The increase to Personnel Services includes 5% COLA raises.

Holiday Pay, Overtime and On Call Pay has been increased to adjust to the increase in pay.

The decrease in Employment Screening is to reflect actual

A increase Collection Agency Fees are actual amounts paid to the Collection Agency.

 $The increase in \ Equipment\ Maintenance\ to\ reflect\ the\ changes\ in\ the\ Stryker\ agreement\ and\ additional\ equipment\ added.$

The increase to Vehicles is of a new van-type ambulance.

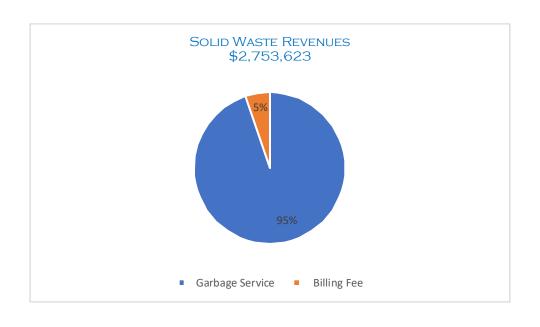

CITY OF EL CAMPO VOLUNTEER FIRE DEPARTMENT

SOLID WASTE FUND

The Solid Waste Fund records transactions relative to the provision of sanitation services to the residents of the City. The Solid Waste utilizes sanitation revenues and interest to fund this service. This fund functions as an enterprise fund, which is accounted for using a cash basis of accounting.

COURT TECHNOLOGY FUND

In 1999, the State Legislature authorized a Court Technology Fee for Municipal Court fines. Those who pay tickets at El Campo Municipal Court contribute to this fee. This fee can be used to fund technology projects for Municipal Court. Projects can include enhancements and improvements to the Municipal Court computer systems and other improvements that involve technology.

HOTEL MOTEL FUND

The Hotel/Motel Fund is supported through Hotel/Motel taxes, a tax authorized under state statute. This tax allows the City to collect up to 7% on rental income of hotels and motels within the City limits. The use of funds derived from the Hotel/Motel Fund can only be spent if the following two-part test is met: 1. Every expenditure must directly enhance and promote tourism and the convention and hotel industry. 2. Every expenditure must fit into statutorily provided categories for expenditures of local hotel/motel tax revenues.

Hotel/Motel funds are used for two purposes: a payment to the Chamber of Commerce, in the amount of \$51,000. The Chamber provides information on developing the visitor industry in El Campo. A transfer for Civic Center operations is included in the amount of \$54,500.

The Fund Balance in this account is due to a timing difference.

CIVIC CENTER FUND

The Civic Center is a 41,000 square foot building with a large paved parking lot that is visited by thousands each year. It hosts the regular meetings of the Rotary Club, Pilot Club, and Cotton Squares square dancing club, and is the site of many banquets, meetings, wedding receptions, quinceañeras and other activities throughout the year. It is also home to the El Campo Museum of Natural History.

Eight vehicles were requested for FY22 and were delivered during FY23. No additional vehicles were requested for FY24. Funds will be used for existing leases on vehicles.

IT FUND

The Information Technology Fund is an internal service fund that provides computer maintenance and purchases within the City of El Campo. In an effort to standardize equipment and consolidate costs, this fund has been established for FY15. Transfers from both the General Fund of \$234,000, Utility Fund of \$70,313, and EMS Fund of \$7,430 will be utilized for equipment purchases as well as any maintenance costs.

There will be a \$2.50 charge, per month, to residential utility customers in FY24. There will also be an \$8.00 charge, per month, to commercial customers in FY24.

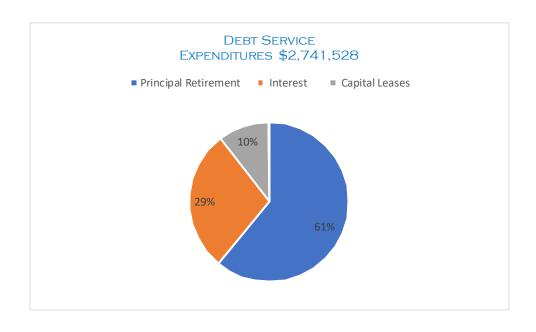

DEBT SERVICE FUND

The Debt Service fund is used to account for the accumulation of resources for and the payment of general long-term debt principal, interest and related costs. The interest and sinking amount is calculated on the annual debt requirement. This fund functions as a governmental fund, which is accounted for using a modified accrual basis of accounting.

CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program is a five-year plan presented for City Council to review as part of the annual budget process. The program consolidates all anticipated capital needs for which funding authorization exists. The program is divided into sections by services and funding.

The City's Capital Improvement Program includes a capital budget (projected expenditures for the current year). This includes capital expenditures, assets or projects with a cost of at least \$5,000 and a useful life of at least 5 years. Also included in the City's CIP is the capital program which includes anticipated capital expenditures to be purchased or projects to be completed in the future. The CIP categorizes and accounts for key capital requirements related to expenditures excluded from the capital outlay of the departmental operating budgets. This CIP includes costly, non-routine projects with multiple year life expectancies.

These funds are presented as project-based budgets rather than fiscal year budgets because some projects may take several fiscal years. These funds are not included in the summary budget totals but are presented for disclosure.

Upon approval by Council and funding source confirmation, the projects proposed in the CIP for the current year will commence. The unfunded projects in the future years of the plan will be included annually as Council determines continued relevance of the projects and approves funding sources.

Streets Projects

Sealcoating: \$374,625 annually to rehabilitate streets throughout El Campo, this is a multi-year effort.

Water and Sewer Projects

- Main Replacement: \$300,000 annually for rehabilitation on water collection mains or distribution mains. These funds are used throughout the fiscal year on areas identified as in need of system repair.
- Plant Maintenance: \$341,385 annually for water and sewer maintenance.

Operating Impact

The impact of the street, parks, water and sewer projects will be positive for the City. Upgraded or new infrastructure results in lower on-going maintenance costs for the City. However, useful life cycles of infrastructure will remain a factor. Therefore, replacement needs are on-going and often offset the maintenance savings from new infrastructure. Operational and monetary impact cannot be determined at this time.

The City's capital program includes routine expenditures such as asphalt and concrete streets improvement (seal coating), main distribution rehabilitation and main collection distribution rehabilitation. The amounts have, in the past, varied year to year dependent on both general operating funding availability and water and sewer revenues. In the next five years, the City has dedicated \$400,000 annually for the seal coating program, \$400,000 for main rehabilitation.

*Items in italics are projects identified in the FY23 Strategic Plan.

BUDGET ORDINANCE NO. 2023-XX

AN ORDINANCE ADOPTING AND APPROVING A BUDGET AND APPROPRIATING FUNDS FOR THE CITY OF EL CAMPO, TEXAS, FOR THE FISCAL YEAR OCTOBER 1, 2023, THROUGH SEPTEMBER 30, 2024, AND SETTING FORTH THE APPROPRIATIONS FOR SAID BUDGET.

WHEREAS, heretofore a budget for the fiscal year October 1, 2023, through September 30, 2024, has been prepared by the City Manager, as Budget Officer for the City of El Campo, Texas; and,

WHEREAS, said budget has been presented by the City Manager in accordance with laws of the State of Texas and Article 9 of the Charter of the City of El Campo; and,

WHEREAS, public notices of a public hearing upon this budget have been duly and legally made as required by law; and,

WHEREAS, further, after full and final consideration, the public hearing having been held on said budget and the financial condition and comparative expenditures as filed having been duly considered, it is the consensus of the opinion that the budget, as filed and amended, should be approved;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL CAMPO, TEXAS;

SECTION 1: That the City Council of the City of El Campo does hereby ratify, adopt, and approve of the budget as filed and amended for the fiscal year beginning October 1, 2023, and ending September 30, 2024.

SECTION 2: That there is hereby appropriated the sum of \$11,576,820 to the General Fund for the payment of operating expenses and necessary capital outlay for the city government.

SECTION 3: That there is hereby appropriated the sum of \$7,500 to the Juvenile Case Management Fund for expenses associated with juvenile case management of the Court.

SECTION 4: That there is hereby appropriated the sum of \$160,000 to the Hotel/Motel Fund for the purpose of enhancing and promoting tourism.

SECTION 5: That there is hereby appropriated the sum of \$4,950 to the Police Seizure Fund for the purpose of providing equipment and training for the Police Department.

SECTION 6: That there is hereby appropriated the sum of \$5,011,740 to the Water and Sewer Utility Fund for water and sewer operating expenses, necessary capital outlay and principal and interest payments on bonds and other debt instruments as they mature for the water and sewer departments.

SECTION 7: That there is hereby appropriated the sum of \$2,753,623 to the Solid Waste Fund for the contracted garbage collection and related billing.

SECTION 8: That there is hereby appropriated the sum of \$2,741,528 to the Debt Service Fund for the purpose of paying interest and principal payments on bonds and other debt instruments as they mature.

SECTION 9: That there is hereby appropriated the sum of \$2,424,905 to the EMS Fund for the purpose of providing emergency medical services.

SECTION 10: That there is hereby appropriated the sum of \$311,743 to the Information Technology Fund for the purpose of providing technology for city services.

SECTION 11: That there is hereby appropriated the sum of \$169,700 to the Fleet Replacement Fund for the purpose of providing fleet for city services

SECTION 13: That there is hereby appropriated the sum of \$140,000 to the Transportation User Fee Fund for street improvements.

SECTION 14: That there is hereby appropriated the sum of \$169,500 to the Civic Center Fund to support the operation and maintenance of the Civic Center.

SECTION 15: That there is hereby appropriated the sum of \$7,500 to the Court Technology Fund for expenses associated with technology of the Court.

SECTION 16: That this ordinance shall take effect and be in force immediately after its passage.

PASSED, APPROVED AND ADOPTED THIS 11th DAY OF SEPTEMBER 2023.

TAX ORDINANCE No. 2023-XX

AN ORDINANCE SETTING THE TAX RATE AND LEVYING A TAX UPON ALL PROPERTY SUBJECT TO TAXATION WITHIN THE CITY OF EL CAMPO, TEXAS, FOR THE YEAR 2023; APPORTIONING SAID LEVY AMONG THE VARIOUS FUNDS AND ITEMS FOR WHICH REVENUE MUST BE RAISED; PROVIDING FOR THE COLLECTION OF TAXES THEREIN LEVIED; ASSESSING PENALTY AND INTEREST FOR THE NON-PAYMENT OF SUCH TAXES WITHIN THE TIME SET; AND DECLARING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL CAMPO, TEXAS;

SECTION 1: That there shall be and the same is hereby levied and shall be assessed and collected for the year 2023 on all taxable property, real, personal and mixed, situated within the Corporate Limits of the City of El Campo, Texas, and not exempt by the Constitution of the State of Texas and valid State laws, an ad valorem tax of \$0.xxxxx on each \$100.00 worth of taxable property at 100% assessed valuation.

SECTION 3: All monies collected under this ordinance for the specific items therein named, be and the same are hereby appropriated and set apart for the specific purpose indicated in each item and that the Director of Finance shall so keep these accounts as to readily and distinctly show the amounts collected, the amounts expended and the amounts on hand at any time belonging to such funds, it is hereby made the duty of every person collecting money for the City of El Campo, to deliver to the Director of Finance at the time of depositing of any monies, a statement showing to what fund such deposit should be made, and from what source received. All receipts for the City not specifically apportioned by this ordinance are hereby made payable to the General Fund of the City.

SECTION 4: That the taxes herein levied are payable on or before January 31, 2024. Penalty and interest shall accrue on any unpaid amount thereafter said date in accord with the rates and established by the State of Texas.

SECTION 5: That this ordinance shall take effect and be in force after its passage.

PASSED, APPROVED AND ADOPTED THIS 11th DAY OF SEPTEMBER, 2023.

APPENDIX C: CHARTER PROVISIONS

CHARTER PROVISIONS: ARTICLE 9 - THE BUDGET

§ 9.01 Fiscal Year

The fiscal year of the City of El Campo shall begin on the first day of October of each calendar year and shall end on the last day of September of each next following calendar year. Such fiscal year shall also constitute the budget and accounting year.

§ 9.02 Preparation, Submission and Content of Budget

The City Manager, at least forty-five (45) days prior to the beginning of each budget year, shall submit to the City Council a proposed budget, which budget shall provide a complete financial plan for the fiscal year, and shall contain the following:

- (1) A budget message, explanatory of the budget, which shall contain an outline of the financial policies of the city for the fiscal year, shall set forth the reasons for salient changes from the previous fiscal year in expenditure and revenue items, and shall explain any major changes in financial policy.
- (2) A consolidated statement of receipts and expenditures for all funds, including municipal utility funds.
- (3) An analysis of property valuations.
- (4) An analysis of tax rate.
- (5) Tax levies and tax collections by years for at least five (5) years or for the number of years for which records are available.
- (6) General fund resources in detail.
- (7) Summary of proposed expenditures by fund, department and activity.
- (8) Summary of proposed expenditures by character and object.
- (9) Detailed estimates of expenditures shown separately for each activity to support the summaries number 7 and 8 above. Such estimates of expenditures are to include an itemization of positions showing the number of persons having each title and the rate of pay.
- (10) A schedule detailing all outstanding bond status.
- (11) A description of all bond issues outstanding, showing rate of interest, date of issue, maturity date, amount authorized, amount issued and amount outstanding.
- (12) A schedule of requirements for the principal and interest on each issue of bonds.
- (13) A special funds section.
- (14) The appropriation ordinance.
- (15) The tax levying ordinance.
- (16) A capital improvement program for the budget year and proposed method of financing.

§ 9.03 Actual Revenues and Proposed Expenditures Compared with Other Years

The City Manager in the preparation of the budget shall show in parallel columns opposite the various properly classified items of revenues and expenditures, the actual amount of such items for the last completed fiscal year, the actual amount for the current fiscal year, and the proposed amount for the ensuing fiscal year.

§ 9.04 Budget of a Public Record

The budget and all supporting schedules shall be a public record in the office of the City Secretary open to inspection by anyone. The City Manager shall cause sufficient copies of the budget to be prepared for distribution to interested persons.

CHARTER PROVISIONS: ARTICLE 9 — THE BUDGET

§ 9.05 Notice of Public Hearing on Budget

At the meeting of the City Council at which the budget is submitted, the City Council shall fix the time and place of a public hearing on the budget and shall cause to be published a notice of the hearing, setting forth the time and place thereof and presenting a condensed summary of the budget, at least seven (7) days before the date of the hearing.

§ 9.06 Public Hearing on Budget

At the time and place set forth in the notice required in section 9.05, or at any time and place to which such public hearing shall from time to time be adjourned, the City Council shall hold a public hearing on the budget submitted and all interested persons shall be given an opportunity to be heard for or against any item or the amount of any item therein contained.

§ 9.07 Final Adoption; Failure to Adopt

The budget shall be adopted by the favorable votes of at least a majority of all members of the whole City Council and shall be finally adopted not later than September 30; or within twenty-one (21) days from the date the appraisal valuations of the city are received from the Central Appraisal District, whichever date is the later. If the City Council fails to adopt the annual budget before the start of the fiscal year to which it applies, appropriations of the last budget adopted shall be considered as adopted for the current fiscal year on a month-to-month, pro-rata basis until the next budget is adopted.

§ 9.08 Effective Date of Budget; Certification; Copies Made Available

Upon final adoption, the budget shall be in effect for the fiscal year. A copy of the budget, as finally adopted, shall be filed with the City Secretary, the County Clerk of Wharton County, and the State Comptroller of Public Accounts in Austin. Copies of the final budget shall be made available for the use of all offices, departments and agencies, and for the use of interested persons.

§ 9.09 Budget Establishes Appropriations

From the effective date of the budget, the several amounts stated therein as proposed expenditures shall be and become appropriated to the several departments and purposes therein named.

§ 9.10 Budget Establishes Amount to be Raised by Property Tax

From the effective date of the budget, the amount stated therein as the amount to be raised by property tax shall constitute a determination of the amount of the levy for the purposes of the city, in the corresponding tax year.

§ 9.11 Contingent Appropriation

Provision shall be made in the annual budget and in the appropriation ordinance for a contingent appropriation in an amount equal to at least three (3) months of the general operating budget, to be used in case of unforeseen items of expenditures. Such contingent appropriation shall be under the control and distribution of the City Manager after approval by the City Council. Expenditures from this appropriation shall be made only in case of established emergencies and a detailed account of such expenditures shall be recorded and reported. The proceeds of the contingent appropriation shall be disbursed only by transfer to other departmental appropriations; the spending of which shall be charged to the departments or activities for which the appropriations are made.

§ 9.12 Estimated Expenditures Shall Not Exceed Estimated Resources

The total estimated expenditures of the general fund and debt service fund shall not exceed the total estimated resources of each fund. The classification of revenue and expenditure accounts shall conform as nearly as local conditions will permit to the uniform classification as promulgated by the National Committee on Municipal Accounting, or some other nationally accepted classification.

CHARTER PROVISIONS: ARTICLE 9 - THE BUDGET

§ 9.13 Surplus and Encumbrances

Anticipated revenues shall include the surplus arising from unencumbered appropriation balances at the beginning of the budget year and from receipts of revenues in excess of the estimates in the budget. Encumbrances of appropriation at the end of the fiscal year shall be detailed and shall include only those evidenced by signed purchase orders or contracts.

| Appendix | D: Fiscal | and Budg | ETARY POLIC | CY STATEMENT | 5 |
| APPENDIX | D: FISCAL | AND BUDG | ETARY POLIC | CY STATEMENT | S |

Statement of Purpose/Introduction

The purpose of the policy statements is to enable the City to achieve and maintain a long-term stable and positive financial condition though use of sound financial management practices.

The more specific purpose is to provide guidelines to the Finance Director in directing and maintaining the City's financial affairs and in developing recommendations to the City's management and Council.

I. Revenue Management

- A. Characteristics: The City will work for the following optimum characteristics in its revenue system:
- 1. Simplicity. If possible and without sacrificing accuracy, the City will strive to keep the revenue system in simple order to reduce compliance costs for the taxpayer or service recipient.
- 2. Certainty. A thorough knowledge and understanding of revenue sources will be used to increase the reliability of the revenue system. The City will utilize consistent collection policies to ensure that the revenue base will materialize according to budgets and plans.
- 3. Equity. Equity will be maintained in the revenue system. For example, subsidization and customer classes will be kept at a minimum or eliminated.
- 4. Revenue Adequacy. There shall be a balance in the revenue system. The revenue base will have the characteristics of fairness and neutrality as it applies to the cost of service, willingness to pay and ability to pay.
- 5. Administration. The benefits of a revenue source should exceed the cost of levying and collecting the revenue.
- 6. Diversification. The City shall strive to maintain a balanced and diversified revenue system to protect the City from fluctuations in any one source due to changes in economic conditions, which adversely impact that source.
- B. Considerations: The following considerations and issues will guide the City of El Campo in its revenue policies concerning specific sources of funds:
- 1. Non-Recurring Revenues. One-time or non-recurring revenues should not be used to finance ongoing operations. Non-recurring revenues should be used only for non-recurring expenditures and not used for budget balancing purposes.
- 2. Ad Valorem Tax Revenues. All real and business personal property located within the City is valued at 100% of the fair market value for any given year based on the current appraisal supplied to the City by the Wharton County Appraisal District.
- 3. Investment Earnings. Interest earned from investment of available monies, whether pooled or not, will be distributed to the funds in accordance with the equity balance of the fund from which monies were provided to be invested.
- 4. Service Charges and User Fees. For services that benefit specific users, where possible, the City shall establish and collect fees to recover the full direct and indirect cost of those services. City staff shall review user fees on a regular basis to calculate their full cost recovery levels, to compare them to the current fee structure and to recommend adjustments where necessary.
- 5. Enterprise Fund Rates. Utility rates will be reviewed annually to ensure sufficient coverage of operating expenses, meet the legal restrictions of all applicable bond covenants, and provide for an adequate level of working capital.
- 6. Intergovernmental Revenues. Any potential grants will be examined for matching and continuation of program requirements. These revenue sources will be expended only for intended purpose of grant aid.

7. Revenue Monitoring. Revenues received will be compared to budgeted revenues by the Finance Director and variances will be investigated.

II. Expenditure Control

- A. Appropriations. The point of budgetary control is at the department level budget for all funds. Following formal adoption, the budget is amended as necessary.
- B. Purchasing. The City shall promote the best interest of the citizens. The City shall encourage free and unrestricted competition on bids and purchases, ensuring the taxpayers the best possible return on and use of their tax dollars.
- C. Prompt Payment. All invoices approved for payment shall be paid within thirty (30) days calendar days of receipt in accordance with the provisions of Article 601f, Section 2 of the State of Texas Civil Statutes.
- D. Reporting. Summary reports will be prepared quarterly showing actual expenditures as compared to the original budget and prior year expenditures.

III. Fund Balance

- A. General Fund Undesignated Fund Balance. The City shall strive to maintain the General Fund undesignated fund balance at a minimum of 90 days of current year budgeted expenditures. After the General Fund has gathered sufficient resources, additional undesignated funds will be allowed to accumulate for future General Fund capital improvements.
- B. Retained Earnings of Other Operating Funds. In other operating funds, the City shall strive to maintain a positive retained earnings position to provide sufficient reserves for emergencies and revenue shortfalls. The minimum working capital in the Water and Sewer Fund shall be 90 days of current years expenditures. After these funds have gathered sufficient resources, additional undesignated funds will be allowed to accumulate for future utility/operating fund capital improvements.
- C. Use of Fund Balance/Retained Earnings. Fund balance and retained earnings may be used in one or a combination of the following ways: emergencies, one time expenditures that do not increase recurring operating costs, major capital expenditures and start-up expenditures for new programs undertaken at mid-year.

IV. Debt Management

- A. Debt Issuance. The City of El Campo will issue debt only for the purpose of acquiring or constructing capital assets for the general benefit of its citizens and to allow it to fulfill its various missions as a City. Debt may be issued for the purposes of purchasing land or rights-of-way and/or improvements to land, for construction projects to provide for the general good and for capital equipment.
- B. Types of Debt.
- 1. General Obligation Bonds (GO's). General obligation bonds will be issued to fund capital projects of the general government and are not to be used to fund operating needs of the City. GO's are backed by the full faith and credit of the City as well as the ad valorem taxing authority of the City as prescribed by law. The term of a bond issue will not exceed the useful life of the major capital projects funded by the bond issue and will generally be limited to no more than twenty (20) years. GO's must be authorized by a vote of the City.
- 2. Certificates of Obligation (CO's). Certificates of obligations will be issued to fund major capital projects, which are not otherwise covered under either revenue bonds or general obligation bonds. The term of the obligation may not exceed the useful life of the capital project and will generally be limited to no more than ten (10) years but may extend to twenty (20) years when the life of the project exceeds twenty (20) years. CO's do not require a vote of the citizens of the City.

- 3. Revenue Bonds (RB's). Revenue bonds will be issued to fund major capital projects necessary for the continuation or expansion of a service which produces a revenue sufficient enough to obtain investment grade ratings and credit enhancement and for which the major capital project may reasonably be expected to provide for a revenue stream to fund the annual debt service requirement. The term of a bond issue will not exceed the useful life of the major capital projects funded by the bond issue and will generally be limited to no more than twenty (20 years). RB's do not need a vote of the citizens of the City.
- C. Method of Sale. The City will utilize a competitive bidding process in the sale of bonds unless the nature of the issue or market conditions warrants a negotiated sale. In situations where a competitive bidding process is not elected, the City will publicly present the reasons why and will participate with the financial advisor in the selection of the underwriter or direct purchaser.
- D. Analysis of Financing Alternatives. The Finance Director will explore alternatives to the issuance of debt for major capital projects. These alternatives will include, but are not limited to: 1) grants in aid, 2) use of fund balance, 3) use of current revenues, 4) contributions from developers and others, 5) leases, and 6) impact fees.
- E. Cost and Fees. All costs and fees related to debt issuance will be paid out of debt proceeds. The City will deposit in the Interest and Sinking Funds each month an amount of not less than 1/12th of the annual debt service.
- F. Disclosure. Full disclosure of operating costs along with capital costs will be made to the bond rating agencies and other users of financial information. The City staff, with the assistance of financial advisors and bond counsel, will prepare the necessary materials for presentation of the rating agencies, will aid in the production of the Official Statements, and will take responsibility for the accuracy of all financial information released.

V. Accounting, Auditing and Financial Reporting

A. Accounting. The Finance Director is responsible for establishing, maintaining and administering the City's accounting system. Compliance with GAAP and applicable federal, state and local laws and regulations will be maintained. Functions of the accounting system include payroll, accounts payable, general ledger, capital projects, fixed assets, accounts receivable, utility billing and collections.

B. Auditing.

- Qualifications of the Auditor. In conformance with the provisions of Texas Local Government Code, Title 4, Chapter 103, the City
 will be financially audited annually by an outside independent auditing firm. The auditing firm must demonstrate that it has the
 breadth and depth of staff to conduct the City's financial audit in accordance with general accepted auditing standards and
 contractual requirements. The auditing firm will submit its Management Letter to the City Council within 30 days of the
 completion of its financial audit. The Management Letter will state the auditing firm's findings of non-compliance and
 recommendations for compliance.
 - The Finance Director shall respond within sixty (60) days in writing to the City Manager and City Council regarding the auditing firm's Management Letter, addressing the findings of non-compliance contained therein.
- Responsibility of Auditing Firm to Council. The auditing firm is retained by and is accountable directly to the City Council and will
 have access to direct communication with the City Council if the City staff is unresponsive to the auditing firm's
 recommendations or if the auditing firm considers such communication necessary to fulfill its legal and professional
 responsibilities.
- 3. Selection of Auditor. The City will not require a periodic rotation of outside auditors, but will circulate requests for proposals for audit services at least every five years. Authorization for the City's annual audit shall occur no less than thirty (30) days prior to the end of the fiscal year.
- C. Financial Reporting.

- 1. External Reporting. The City shall prepare the necessary transmittal letter, financial summaries and tables, notes and miscellaneous financial information contained within the comprehensive annual financial report (CAFR).
- 2. Internal Reporting. The City will prepare internal financial reports, sufficient to plan, monitor and control the City's financial affairs.

VI. Internal Control

- A. Written Procedures. Wherever possible, written procedures will be established and maintained by the Finance Director for all functions involving cash handling and/or accounting throughout the City. These procedures will embrace the general concepts of fiscal responsibility set forth in this policy statement.
- B. Department Directors' Responsibilities. Each department Director is responsible to ensure that good internal controls are followed throughout their Department, that all Finance directives or internal controls are implemented, and that all independent auditor recommendations are addressed.

VII. Operating Budget

- A. Preparation. Budgeting is an essential element of the financial planning, control and evaluation process of municipal government. The budget is the City's annual financial operating plan. The budget is prepared by the City Manager and Finance Director with the participation of all of the City's Directors, on a basis that is consistent with GAAP.
- B. Planning. The budget process will be coordinated so as to identify major policy and financial issues for consideration several months prior to the budget adoption date. This will allow adequate time for appropriate decisions and analysis of financial impacts.
- C. Public Hearing. At least one public hearing shall be conducted before the Council, allowing interested citizens to express their opinions concerning items of expenditures. The notice of hearing shall be published in the official newspaper of the City not less than fifteen (15) days or more than thirty (30) days following days following the notice.
- D. Final Adoption. Final adoption of the budget shall constitute the official appropriations for the current year and shall constitute the basis of the official levy of the property tax. Under conditions which may arise, the Council may amend or change the budget to provide for any additional expense.
- E. Reporting. Monthly financial reports will be prepared to enable the Directors to assess their budgetary performance and enable Finance to monitor and control the budget as authorized by the City Manager.

APPENDIX E: DEBT POLICY

DEBT POLICY

I. Statement of Purpose/Introduction

The following policy provides the methods, procedures, policies and practices which ensure the sound management of the City of El Campo's debt program. The City uses debt as a mechanism to equalize the costs of needed capital improvements for the benefit of both the present and future citizens. Adherence to the policy is essential to ensure that the City maintains a sound debt position and protects the credit quality of its obligations while providing flexibility and preserving fiscal stability.

This policy applies to all long-term debt securities issued by the City. This may include General Obligation Bonds, Certificates of Obligation, Revenue Bonds, Capital Leases, Private Placements and Letters of Credit.

The City of El Campo will issue debt only for the purpose of acquiring or constructing capital assets for the general benefit of its citizens and to allow it to fulfill its various missions as a City. Debt may be issued for the purposes of purchasing land or rights-of-way and/or improvements to land, for construction projects, refinancing existing debt or to provide for the general good and for capital equipment.

The City's debt policies and procedures are designed to ensure compliance with all State and Federal Law governing debt, including but not limited to, State Law, Federal Law, Internal Revenue Service rules and regulations, Securities and Exchange Commission regulations, Municipal Securities Rulemaking Board regulations, court ruling, existing debt covenants and charter provisions.

II. Responsibility and Control

The ultimate responsibility and authority for issuing debt is approved by the City's governing body, the City Council. The Finance Director is charged with the responsibility for the appropriate management of the City's debt program.

- A. Financial Advisor. The City's Finance Director provides recommendations for the selection of a financial advisor for the City's debt program. The financial advisor will provide the City with objective advice and analysis on debt issuance. This includes, but is not limited to, monitoring market opportunities, structuring and pricing of debt, and preparing official statements of disclosure.
- B. Bond Counsel. The City's Finance Director provides recommendations for the selection of the bond counsel for any issue. Bond Counsel is responsible for affirming the City is authorized to issue the proposed debt. Bond counsel prepares or supervises the preparation of all bond documents necessary to execute the bond issuance.
- C. Underwriter. An Underwriter(s) will be used for all debt issued except private placement sale method. Debt will be issued via competitive bid except where circumstances warrant. The Underwriter is responsible for purchasing negotiated or private placement debt and reselling the debt to investors.
- D. Fiscal Agent. A paying agent/registrar will be used to provide accurate and timely securities processing and timely payment to bondholders.

III. Types of Debt

The Finance Director shall determine the method of sale best suited for each issue. The Finance Director will explore alternatives to the issuance of debt for major capital projects. These alternatives will include, but are not limited to: 1) grants in aid, 2) use of fund balance, 3) use of current revenues, 4) contributions from developers and others, 5) leases, and 6) impact fees. The City will not use long-term debt to support current operations. Non-capital furnishing, supplies and personnel will not be financed from bond proceeds. All costs and fees related to debt issuance will be typically be paid out of debt proceeds.

Capital projects are generally defined as costs to construct an asset or system improvement that exceeds \$5,000 and has a useful life of more than one year.

The City shall use the table for allowable debt for various projects. Debt includes General Obligation Bonds, Certificates of Obligation, Revenue Bonds and tax notes.

DEBT POLICY

| Parameters | Cash | Capital Leases | Short-term Notes | Long-term Bonds |
|----------------------------------------------------|------|-------------------|---------------------|--------------------|
| Project life is less than 10 years | х | х | х | |
| Project life is 10 years or greater | Х | Х | Х | Х |
| Recommended temporary funding prior to a bond sale | Х | | Х | |
| The amount borrowed is less than \$1,000,000 | Х | Х | х | Х |
| The amount borrowed is \$1,000,000 or larger | Х | | Х | Х |

- A. Cash or Pay-As-You-Go. Pay-As-You-Go is the use of current resources to purchase a capital asset. Projects utilizing this method can be adequately funded from available current revenue and fund balances and the project can be completed in an acceptable timeframe given the available revenues.
- B. Capital Leases. Lease purchase or financing contracts are payment obligations that represent principal and interest components which are general obligations of the City.
- C. General Obligation Bonds (GO's). General obligation bonds will be issued to fund capital projects of the general government and are not to be used to fund operating needs of the City. GO's are backed by the full faith and credit of the City as well as the ad valorem taxing authority of the City as prescribed by law. The term of a bond issue will not exceed the useful life of the major capital projects funded by the bond issue and will generally be limited to no more than twenty (20) years. GO's must be authorized by a vote of the citizens of the City. Unless otherwise justified and deemed necessary, debt service should be structured on a level or declining repayment basis.
- D. Certificates of Obligation (CO's). Certificates of obligation will be issued to fund major capital projects, which are not otherwise covered under either revenue bonds or general obligation bonds. The term of the obligation may not exceed the useful life of the capital project and appropriate to the life of the project and financing objectives. CO's may not require a vote of the citizens of the City. Unless otherwise justified and deemed necessary, debt service should be structured on a level or declining repayment basis.
- E. Revenue Bonds (RB's). Revenue bonds will be issued to fund major capital projects necessary for the continuation or expansion of a service which produces a revenue sufficient enough to obtain investment grade ratings and credit enhancement and for Which the major capital project may reasonably be expected to provide for a revenue stream to fund the annual debt service requirement. The term of a bond issue will not exceed the useful life of the major capital projects funded by the bond issue and will generally be limited to no more than twenty (20) or thirty (30 years). RB's do not need a vote of the citizens of the City. Unless otherwise justified and deemed necessary, debt service should be structured on a level or declining repayment basis.

The City primarily issues fixed rate bonds to protect the City against interest rate risk. The City has the option to issue variable rate bonds, and may if market conditions warrant consideration of such a structure.

IV. Methods of Sale

The City will utilize a competitive bidding process in the sale of bonds unless the nature of the issue or market conditions warrants a negotiated sale. In situations where a competitive bidding process is not elected, the City will publicly present the reasons why and will participate with the financial advisor in the selection of the underwriter or direct purchaser.

DEBT POLICY

- A. Competitive Sale. Bonds are awarded in an auction style of sale to an underwriter or syndicate of underwriters that provides the lowest True Interest Cost (TIC) bid. TIC is defined as the rate, which will discount the aggregate amount of debt service payable over the life of the bond issue to its present value on the date of delivery.
- B. Negotiated Sale. Bond terms are determined through negotiation between the issuer and the purchaser, typically an underwriter without competitive bidding.
- C. Private Placement. Private Placement is the sale of debt securities to a limited number of investors without the use of traditional financing documents and the possibility of no credit rating.

V. Debt Limits and Debt Ratio

- A. Debt Limit. There is no direct debt limitation in the City Charter or under State Law; the City operates under a Home Rule Charter that limits the maximum tax rate, for all City Purposes, to \$2.50 per \$100 assessed valuation. Administratively, the Attorney General of the State of Texas will permit allocation of \$1.50 of the \$2.50 maximum tax rate for general obligation debt service.
- B. General Debt Limitation. Annual debt service paid from taxes will not exceed twenty (20) percent of budgeted expenditures.
- C. Revenue Debt Limitation. The City utilizes a debt service coverage ratio that investors and financial analysts use when reviewing the City's creditworthiness. This ratio is calculated by dividing net available revenues (regular or recurring revenues minus operating expenses) by principal and interest requirements for the year. The City will maintain minimum net revenue no less than bond covenant but will target higher in a budgeting process.

VI. Investment of Bond Proceeds, Arbitrage

- A. Investment of Bond Proceeds. The City shall comply with all applicable Federal, State and contractual restrictions regarding the investment of bond proceeds including the City's Investment Policy. Interest on bond proceeds is restricted such that it may only be used to fund projects that have the same purpose as the purpose for which the bonds were originally issued or to pay debt service. Construction proceeds are typically invested in short-term securities so that they are liquid. Interest and sinking funds may be invested longer as they have to be maintained for the life of the issue.
- B. The City will follow a policy of full compliance with all arbitrage requirements of the federal tax code and Internal Revenue Service regulations. The City will, unless otherwise justified, use bond proceeds within the established time frame pursuant to the bond ordinance, contract or other documents to avoid arbitrage. Arbitrage is the interest earned on the investment of the bond proceeds above the interest paid on the debt. If arbitrage occurs, the City will perform (by contracting consultants) arbitrage calculations for each issue subject to rebate. All necessary rebates will be filed and paid when due in order to preserve the tax-exempt status of the outstanding debt.

VII. Refunding and Restructuring Options

The City will use refunding bonds, where appropriate, when restructuring its current outstanding debt. A debt refunding is a refinance of debt typically done to take advantage of lower interest rates. Unless otherwise justified, such as a desire to remove or change a bond covenant, a debt refunding will not be pursued without a sufficient net present value benefit after expenses.

When interest rate savings is the principal reason for advance refunding an issue, the City will have as a goal to, but not a requirement to include issues that contribute three (3) percent or more present value savings. Other factors may also affect the City's decision to advance refund an issue.

VIII. Disclosure

Full disclosure of operating costs along with capital costs will be made to the bond rating agencies and other users of financial information. The City staff, with the assistance of financial advisors and bond counsel, will prepare the necessary materials for presentation of the rating agencies, will aid in the production of the Official Statements, and will take responsibility for the accuracy of all financial information released.

The City shall provide annual disclosure information to established national information repositories and maintain compliance with disclosure statements required by national regulatory bodies. Disclosure shall take the form of the Comprehensive Annual Finance Report (CAFR) unless information is required by a particular bond issue that is not necessarily contained within the CAFR.

APPENDIX F: GLOSSARY

Α

Accrual basis: the basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows.

Accrued expenses: expenses incurred but not due until a later date.

Ad Valorem taxes: all property, real personal, mixed tangible, intangible, annexations, additions and improvements to property located within the taxing units jurisdiction that are subject to taxation on January 1 of the current fiscal year. Following the final passage of the appropriations ordinance, the City Council sets the tax rate and levy for the current year beginning October 1 and continuing through the following September 30.

Appropriation: a legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes.

Assessed valuation: a value that is established for real or personal property for use as a basis for levying property taxes. (Note: Property values are established by the Wharton County Appraisal District.)

Asset: resources owned or held which have monetary value.

В

Balanced Budget: current revenues equal current expenditures. The legal requirements for a balanced budget may be set by the local government.

Bond: a written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond ordinance. The most common types of bonds are general obligation and revenue bonds. These are most frequently used for construction of large capital projects (such as buildings, streets, and water and sewer improvements).

Budget: a financial plan of projected resources and proposed expenditures for a given period.

Budget calendar: the schedule of key dates or milestones that the City follows in the preparation, adoption, and administration of the budget.

Budgetary funds: funds that are planned for certain uses but have not been formally or legally authorized by the legislative body. The budget document that is submitted for Council approval is composed of budgeted funds.

C

Capital expenditures: outflows of spendable resources for the acquisitions of long-term assets.

Capital outlays: expenditures that result in the acquisition of or addition to fixed assets.

Cash basis: a basis of accounting under which transactions are recognized only when cash changes "hands".

Certificates of obligation: see definition of bond.

Contingency: a budgetary appropriation reserve set aside for emergencies or unforeseen expenditures not budgeted.

Cost accounting: a method of accounting that provides for assembling and recording of all the elements of cost incurred to accomplish a purpose, to carry on an activity or operations, or to complete a unit of work or a specific job.

Current taxes: taxes that are levied and due within the current year.

D

Debt service: principal and interest obligations for bonds and other debt instruments according to a pre-determined payment schedule.

Delinquent taxes: taxes that remain unpaid on and after the date on which a penalty for non-payment is assessed.

Department: an administrative segment of the City consisting of multiple divisions that is organized by function and service provided.

Depreciation: the process of estimating and recording the lost usefulness, expired useful life or diminution of service from fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the fixed asset's lost usefulness is the depreciation, or the reserve cost, in order to replace the item at the end of its useful life.

Division: a separately budgeted segment of a department.

Ε

Effective tax rate: the effective tax rate is the tax rate required to produce the same amount of taxes for the current year as the previous year. The rate is calculated by subtracting taxes on property lost this year from the prior year's taxes total. This number is divided by the current value of property taxed in the prior year. Multiplying this number by 100 will produce the effective tax rate.

Expenditure: this term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. This term applies to all funds.

Expenses: charges incurred (whether paid immediately or unpaid) for operation, maintenance, interest and other charges.

F

Fiscal year: the time period designated by the City signifying the beginning and ending period for recording financial transactions. The City of El Campo has specified October 1 to September 30 as its fiscal year.

Fixed Assets: assets of a long-term character which are intended to continue to be held or used, such as land, building, and improvements other than buildings, machinery and equipment.

Franchise fee: a charge paid by businesses for the use of City streets and public right of way and is in lieu of all other municipal charges, fees, street rentals, pipe taxes or easement or other like franchise taxes, inspections fees, and/or charges of every kind except Ad Valorem and special assessment taxes for public improvements.

Full-time equivalent: the numeric breakdown of city positions. A regular full-time employee (40 hours per week) equals one (1.0) full-time equivalent.

Fund: an accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions. Eight commonly used funds in public accounting are: general fund, special revenue funds, debt service funds, capital project funds and enterprise funds.

Fund balance: the excess of assets over liabilities.

G

General Fund: the fund used to account for all financial resources except those required to be accounted for in another fund.

General obligation bonds: bonds that finance a variety of public projects such as streets, building, and improvements. These bonds are backed by the full faith and credit of the issuing government.

Generally accepted accounting principles (GAAP): uniform minimum standards of and guidelines to financial accounting and reporting. These principles: govern the form and content of the basic financial statements of an entity; encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time; include not only broad guidelines of general application, but also detailed practices and procedures; and, provide a standard by which to measure financial presentations.

Governmental funds: funds, within a governmental accounting system, that support general tax supported governmental activities.

Grants: contributions or gifts of cash or other assets from another government to be used or expended for a specific purpose, activity, or facility.

н

Hotel/motel tax: pursuant to State law, a tax is levied upon the cost of occupancy of any room or space furnished by any hotel/motel. The current rate of taxation is 13% (7% of which is paid to the City and budgeted for limited uses and 6% of which is collected by the State).

ī

Industrial Agreement Tax: a tax provided through an agreement that provides compensation, in lieu of making the standard payments. The City can enter into an agreement with entities recently subject to annexation for annual payments for tax revenues.

Interfund transfers: amounts transferred from one fund to another.

Investments: securities and real estate held for the generation of revenue in the form of interest, dividends, rentals, or lease payments. The term does not include fixed assets used in governmental operations.

L

Levy: to impose taxes, special assessments, or special charges for the support of governmental activities. The total amount of taxes, special assessments, or special charges imposed by a government.

М

Modified accrual basis: the accrual basis of accounting adapted to the governmental fund type spending measurement focus. Under this basis, revenues are recognized when they become both "measurable" and "available to finance expenditures within the current period". Expenditures are recognized when the related fund liability is incurred except for: (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used; (2) prepaid insurance and similar items which need not be reported; (3) accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but for which larger-than-normal amounts which need not be recognized in the current period, but for which larger-than-normal accumulations must be disclosed in the notes to the financial statements; (4) interest on special assessment indebtedness which may be recorded when

due rather than accrued, if approximately offset by interest earning on special assessment levies; and (5) principal and interest on long-term debt which are generally recognized when due.

0

Operating budget: a plan of current year expenditures and the proposed means of financial acquisition, spending, and service delivery activities of government are controlled.

Operating transfers: all interfund transfers other than residual equity transfers.

Ordinance: a formal legislative enactment by the governing board of a municipality.

Ρ

Property tax: property taxes are levied on both real and personal property according the property's valuation and the tax rate.

Proprietary funds: funds, within a governmental accounting system, that operate like business entities. These funds are characterized as either enterprise or internal service funds.

R

Retained earnings: an equity account reflecting the accumulated earnings of an enterprise or internal service fund.

Revenues: (1) Increases in governmental fund type net current assets from other than expenditure refunds and residual equity transfers. Under NCGA Statement 1, general long-term debt proceeds and operating transfers in are classified as "other financing sources" rather than revenues. (2) Increases in proprietary fund type net total assets from other than expense refunds, capital contributions, and residual equity transfers. Under NCGA Statement 1, operating transfers in are classified separately from revenues.

S

Sales tax: a general "sales tax" is levied on all persons and businesses selling merchandise in the City limits on a retail basis. The current sales tax rate for the City is 8.25% (with only 1.5% rebated to the City from the State).

Service charges: service charges are allocated to all Enterprise Fund activities (e.g. water/sewer) for indirect management and administrative support provided by General Fund departments.

Т

Taxes: compulsory charges levied by a government for the purpose of financing services performed for the common benefit of the public. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments (neither does the term include charges for services rendered only to those paying such charges as, for example, sewer service charges).
