

# Add YKC Wi-Fi to your El Campo Civic Center Event

## Option 1. FREE Wi-Fi

YK Communications provides everyone present with one hour of FREE Wi-Fi access per day. To connect to the FREE Wi-Fi, open **Wireless Networks** on your device and select **YKC Public Wi-Fi**. Connect to the network, accept the Terms of Service, then select “try it out for free”.

## Option 2. Day Pass

Individual users can purchase a **YKC Day Pass** directly from their device at **any time during your event** - no advance ordering or set-up is required. Priced at \$9.99 per device for a 24-hour window from the time purchased, **YKC Day Pass** offers premium speeds perfect for power users, vendors using an on-line credit card terminal, Point of Sale system or Internet Kiosk at an affordable rate. In order to purchase a **Day Pass**, have your credit card ready then simply open **Wireless Networks** on your device and select **YKC Public Wi-Fi**. Connect to the network, accept the Terms of Service, then select “**Day Pass - \$9.99**”.

## Option 3. Wi-Fi For All!

Want to provide all your guests with Wi-Fi service during your event? YK Communications offers a 24 window (from 12:00pm Noon to 12:00pm Noon) of premium Wi-Fi Access available to all your guests. Wi-Fi For All is priced at \$150.00 and **requires 3 business days advance notice** prior to the event. YK Communications will provide you with a voucher ticket number to share with your guests.

**Call YK Communications at 361-771-3334 and ask for the El Campo Civic Center Wi-Fi options to get set-up. YK Communications will accept credit card payment at the time of the call.**

## Option 4. Wireless Network Connectivity

Do you need to use Wi-Fi to create a wireless network for your event? YK Communications will configure a wireless network (**without client isolation which allows direct device to device communications**) which allows connecting 32 devices on a password protected Internet enabled wireless network. Commonly used for live auctions or live polling functions at fundraising and seminar type events. Wireless Network Connectivity is priced at \$100 per day and **requires 3 business days advance notice** prior to the event.

**Call YK Communications at 361-771-3334 and ask for the El Campo Civic Center Wi-Fi options to get set-up. YK Communications will accept credit card payment at the time of the call.**
