CITY OF BUSHNELL BUSINESS IMPACT ESTIMATE ORDINANCE 2023-67

TO: Honorable City Council

FROM: Mike Eastburn, City Manager

DATE: March 14, 2024

SUBJECT: Ordinance 2023-67 - Business Impact Estimate

Section 166.041, Florida Statutes, effective October 1, 2023, requires the City to prepare (or cause to be prepared) a business impact estimate prior to final consideration of an ordinance, subject to exemptions noted in the Law. The new law requires that the business impact estimate be posted on the City's website at the time of the published notice of the City Council's final consideration of the ordinance, or ten (10) days prior to the adoption public hearing, whichever is longer. Ordinance No. 2023-67 is proposed to be adopted by the City on April 1, 2024, and is subject to this new requirement. Following are the categories required to be addressed for the proposed ordinance based on the new legislation:

1. Summary of Proposed Ordinance 2023-67:

The proposed ordinance would permit Truist to impose a 3% convenience fee to help reduce the cost to the government for offering this payment method. Allowing Truist to facilitate this process removes the burden from City staff and prevents the City from being charged additional credit card fees and service charges by collecting an internal convenience fee.

- 2. Estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City
 - a. Estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted.

The direct cost to businesses will vary as a 3% convenience fee will be charged based on the total payment.

b. Identification of any new charge or fee on businesses subject to the proposed ordinance or for which businesses will be financially responsible.

A new 3% convenience fee will be charged to any business, citizen or customer using a credit or debit card for payment.

c. An estimate of the City's regulatory costs, including an estimate of revenues from any new charges or fees that will be imposed on businesses to cover such costs.

The proposed ordinance does not add enforcement requirements for City staff beyond that which are in the existing code, therefore there are no additional regulatory costs.

3. A good faith estimate of the number of businesses likely to be impacted by the ordinance.

The proposed ordinance is expected to impact any business that chooses to use a credit or debit card as a payment method. Approximately 90 businesses utilized a credit or debit card to pay their utility bill during September 2023.

4. Any additional information the board determines may be useful.

The ordinance is primarily intended to shift the burden, caused by the convenience of using a credit or debit card for payment, to the customer. The City paid a total of \$9,553.68 in credit and debit card fees during September 2023.

CITY OF BUSHNELL BUSINESS IMPACT ESTIMATE ORDINANCE 2024-13

TO: Honorable City Council

FROM: Mike Eastburn, City Manager

DATE: March 6, 2024

SUBJECT: Ordinance 2024-13 - Business Impact Estimate

Section 166.041, Florida Statutes, effective October 1, 2023, requires the City to prepare (or cause to be prepared) a business impact estimate prior to final consideration of an ordinance, subject to exemptions noted in the Law. The new law requires that the business impact estimate be posted on the City's website at the time of the published notice of the City Council's final consideration of the ordinance, or ten (10) days prior to the adoption public hearing, whichever is longer. Ordinance No. 2024-13 is proposed to be adopted by the City at the April 2024 Council meeting, and is subject to this new requirement. Following are the categories required to be addressed for the proposed ordinance based on the new legislation:

1. Summary of Proposed Ordinance 2024-13:

The proposed ordinance would establish a donation policy for the Bushnell City Council. The Council recognizes the importance of community programs, services and events, but finds that a policy, setting forth criteria and clear direction to the City Manager, is in the best interest of the citizens of Bushnell.

- 2. Estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City
 - a. Estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted.

The direct compliance cost is \$0.

b. Identification of any new charge or fee on businesses subject to the proposed ordinance or for which businesses will be financially responsible.

The proposed ordinance does not establish any new charges or fees.

c. An estimate of the City's regulatory costs, including an estimate of revenues from any new charges or fees that will be imposed on businesses to cover such costs.

The proposed ordinance does not add enforcement requirements for City staff and will not generate revenue.

3. A good faith estimate of the number of businesses likely to be impacted by the ordinance.

The proposed ordinance will have no impact on businesses.

4. Any additional information the board determines may be useful.

The ordinance creates donation eligibility criteria, establishes an application process, and allocates a \$100 donation per requesting entity or organization. One of the City's recently adopted core values is fiscal responsibility, and this ordinance will help staff and the City Council adhere to this standard.

The amount of the adopted budget shall remain five hundred forty-five thousand, six hundred thirteen dollars (\$545,613) each year of the three-year agreement term for the Bushnell Zone, and the City Manager shall contact the Sheriff's Office and County Administrator by March 1, 2027 to begin negotiation of staffing levels based on the budget. Five hundred forty-five thousand, six hundred thirteen dollars (\$545,613) is the amount the Board of County Commissioners shall receive from Bushnell pursuant to this Agreement and shall distribute these funds to the Sheriff's Office. The total annual adopted budget for the Sheriff's Office Bushnell Zone should be divided into equal monthly payments and delivered to the Sumter County Board of County Commissioners by the 10th day of each month. The City of Bushnell and the Sheriff's Office acknowledge that the Board of County Commissioners is not obligated to pay the Sheriff's Office any monies due under this Agreement in the event the City of Bushnell fails or refuses to make any payments to the Board of County Commissioners pursuant to this Agreement.

Bushnell agrees, to the extent provided by Florida law, to indemnify any judgments, claims, costs, expenses, including reasonable attorney's fees, which the Sheriff might suffer in connection or as a result of the constitutionality of ordinances enacted by Bushnell and enforced by the Sheriff or from acts or omissions attributable to Bushnell that occurred prior to the commencement of the term for the provision of law enforcement services as expressed herein. The Sheriff does not assume any existing or contingent liabilities regarding the liability of Bushnell to the extent provided by Florida law. The Sheriff agrees to name Bushnell as an additional insured in its Risk Management Insurance Policy coverage, to the extent of services addressed by this Agreement and agrees to provide Bushnell a copy of the policy.
