*REQUEST FOR PRE-APPROVAL OF
TEMPORARY PERMIT.*

Memorandum

To: Honorable Council Members
CC: Mike Eastburn, City Manager
From: Kristin Green
Date: 04/25/2024
Re: Staff recommendation for Pre-approval of Temporary Permit - Habitation use of 5th Wheel

The property owner of 315 W. Central Ave reached out to staff requesting the potential pre-approval of the allowance of a temporary habitation of a temporary structure. In this circumstance, the temporary structure being considered is a 5th Wheel recreation vehicle.

Under Section 14-5 of the City of Bushnell Code of Ordinances, use of temporary structures is allowable when its use is incident to a construction project (attached). The existing home on the property is not habitable due to destruction from a fire. This property has been approved for demolition/reconstruction assistance under the County's SHIP program (verification attached). Unfortunately, the funds for the project are not available until July 1, 2024. The section allowing the 5th wheel to be used for temporary habitation requires an open construction permit. That being said, by code, they would not be allowed to use the 5th wheel for such use until the permit is pulled. When demolishing and constructing through the SHIP program through Sumter County Housing utilizing funds allocated by the State there are procurement procedures that make the process take longer than a private construction project.

Taking into account the approval from Sumter County Housing and the existing requirements of the permit under section 14-5, it is my staff recommendation to approve the request with the following conditions:

1. The 5th Wheel must be property connected to all available City services per standards set in Chapter 27.
2. Connections must be done by a licensed contractor.
3. Connections must be permitted through the City of Bushnell Building Department.
4. Any other conditions found appropriate by the City Attorney, City Manager or City Council.

Thank you for your time and consideration,

Kristin Green
Director of Zoning and Code Compliance
City of Bushnell

Bushnell City Council Members,

April 25, 2024

Please accept this letter as my formal request of "temporary" placement of my fifth wheel on my property located at 315 W Central Ave Bushnell.

The home at 315 W Central was destroyed by fire, resulting my temporary relocation with my children while putting plans to return in place. Unforeseen family health issues have expedited my need to return asap to Central ave in order to be close (four doors away) and available for any need of family.

I have been approved by the Sumter County SHIP program. The current remaining structure will be demolished and rebuilt. The funding to move the project forward will become available July 1st 2024.

I will absolutely comply with all of the City of Bushnell codes and requirements including connections with utilities and keeping city staff updated with the home demolition and rebuild every step of the way.

Bushnell is our home! I am grateful to raise my own children here, close to family and in a great community.

Thank you for your consideration in this matter.

Bethany Strickland Boston

Sec. 14-5. - Temporary structures regulated.

(a)The temporary structure may be assembled and/or placed upon real property in such manner as to be readily removable, it not being necessary to place the same upon a permanent foundation.

(b)Upon completion, the temporary structure must meet all basic health and construction standards as determined by the city building department and the county health department.

(c)It shall be unlawful for any person or party to maintain any temporary structure or vehicle, for any purpose, at any location within the city limits, excepting:

(1)If the structure or vehicle is to be used as a construction shed or construction office, to be maintained at the construction site, and its use is incident to a construction project, then the maintenance and use of such a structure shall be permitted if, prior to its erection, construction or placement, the owner of the property upon which such structure is to be placed, or the owner's duly constituted agent, shall first secure a permit to be issued by the city clerk, upon approval by the city building inspector and to be charged therefor such fee as is required by ordinance.

(2)If the intended use of the temporary structure or vehicle is for any purpose, other than for placement upon a construction site, which shall include but not be limited to storage, warehousing, temporary habitation or temporary business use, then approval of city council must first be obtained prior to the issuance of a temporary permit; with city council further to designate the length of time for which the use of such temporary structure shall be allowed.

(3)Upon approval, as above provided, the owner of the property shall pay for the permit the following fee:

For the first 180 days of use\$25.00

For each renewal period of 90 days10.00

Any permit approved and issued pursuant to this section shall be for a period of time not to exceed 360 days, excepting upon application to and approval by city council.

(d)Upon the expiration of that period of time for which the permit was issued, or any renewal period thereof, the temporary structure shall then be dismantled, disassembled and removed from the building or other site where the same was located.

(e)If the temporary structure is to be equipped with a bathroom and toilet facilities, then, prior to the issuance of a permit, approval for the placement of an on-site sewer system must be first obtained from the county department of health.

(f) If such a structure be incident to existing residential use, and is an integral part thereof, and such structure shall serve no business or commercial purpose, e.g., a tool shed, garage, yard storage shed, or appurtenant building for a like use, then consent for its erection or construction must first be obtained from the city building inspector, with such fee to be charged as is required by ordinance.

Good afternoon Kristin,

Bethany Strickland/Boston has been approved for demolition/reconstruction assistance under the County's SHIP program. We are going through the process and will proceed with the replacement home once the annual funding allocation is received. We expect to receive the funding after the beginning of the state fiscal year on July 1, 2024. Our estimated project completion date will be July 1, 2025. It is my understanding the family is in the process of requesting a variance to allow the placement of an RV on the property until the new home is constructed. Please let me know if you need anything further for the family's variance request.

Thank you in advance for your time and assistance.

Submittals not meeting stated minimum terms and proposals may be rejected by the "CITY" as non-responsive. The "CITY" reserves the right to reject any or all submittals without cause. The "CITY" reserves the right to reject the submission of any "VENDOR" in arrears or in default upon any debt or contract to the "CITY," or who has failed to perform faithfully any previous contract with the "CITY" or with other governmental agencies.</p>	<p>PUBLIC RECORDS LAW: Correspondence, materials and documents received pursuant to this RFB/BID become public records subject to the provisions of Chapter 119, Florida Statutes.</p> <p>VERIFICATION OF TIME: Nextel time is hereby established as the Official Time of the "CITY".</p> <p>PREPARATION OF PROPOSALS/BIDS:</p> <p>Signature of the Bidder: The Bidder must sign the RFB/BID FORMS in the space provided for the signature. If the Proposer/Bidder is an individual, the words "doing business as," must appear beneath such signature. In the case of a partnership, the signature of at least one of the partners must follow the "VENDOR" name and the words, "Member of the "VENDOR" should be written beneath such signature. If the Proposer/Bidder is a corporation, the title of the officer signing the RFB/BID on behalf of the corporation must be stated and evidence of his authority to sign the RFB/BID must be submitted. The Proposer/Bidder shall state in the RFB/BID FORMS the name and address of each person interested therein.</p> <p>Basis for Bidding: The price proposed for each item shall be on a lumpsum or unit price basis according to specifications on the RFB/BID FORM. The proposed prices shall remain unchanged for the duration of the Contract and no claims for cost escalation during the progress of the work will be considered, unless otherwise provided herein.</p> <p>Total Proposed Price/Total Contract Sum Proposed: If applicable, the total price bid for the work shall be the aggregate of the lump sum prices proposed and/or unit prices multiplied by the appropriate estimated quantities for the individual items and shall be stated in figures in the appropriate place on the RFB/BID FORM. In the event that there is a discrepancy on the RFB/BID FORM due to unit price extensions or additions, the corrected extensions and additions shall be used to determine the project bid amount.</p> <p>TABULATION: Those wishing to receive an official tabulation of the results of the opening of this RFB/BID are to submit a self-addressed, stamped business size (No. 10) envelope, prominently marked on the front lower left side, with the RFB identification. Tabulation requested by telephone, fax or electronic media will not be accepted.</p> <p>OBLIGATION OF WINNING BIDDER: The contents of the RFB/BID of the successful proposer/bidder will become contractual obligations if acquisition action ensues. Failure of the successful Proposer/Bidder to accept these obligations in a contract may result in cancellation of the award and such "VENDOR" may be removed from future participation.</p> <p>AWARD OF BID: It is the "CITY" intent to select a "VENDOR" within sixty (60) calendar days of the deadline for receipt of Proposals/Bids. However, Proposals/Bids must be valid for award for at least ninety (90) calendar days after the deadline for receipt of the RFB/BID.</p> <p>ADDITIONAL REQUIREMENTS: The "VENDOR" shall furnish such additional information as the "CITY" may reasonably require. This includes information which indicates financial resources as well as ability to provide the services. The "CITY" reserves the right to make investigations of the proposals of the "VENDOR" as it deems appropriate.</p> <p>PREPARATION COSTS: The "CITY" shall not be obligated or be liable for any costs incurred by Proposers/Bidders prior to issuance of a contract. All costs to prepare and submit a response to this RFB/BID shall be borne by the Proposer/Bidder.</p> <p>TIMELINESS: All work will commence upon authorization from the "CITY" representative. All work will proceed in a timely manner without delays. The Contractor shall commence the work UPON RECEIPT OF NOTICE TO PROCEED and/or ORDER PLACED (PURCHASE ORDER PRESENTED), and shall deliver in accordance to the terms and conditions outlined and agreed upon herein.</p> <p>DELIVERY: All prices shall be FOB Destination, Sumter County, Florida, inside delivery unless otherwise specified.</p> <p>ADDITIONAL SERVICES/PURCHASES BY OTHER PUBLIC AGENCIES ("PIGGY-BACK"): The "VENDOR" by submitting a Bid acknowledges that other Public Agencies may seek to "Piggy-Back" under the same terms and conditions, during the effective period of any resulting contract - services and/or purchases being offered in this Bid, for the same prices and/or terms proposed. "VENDOR" has the option to agree or disagree to allow contract Piggy-Backs on a case-by-case basis. Before a Public Agency is allowed to Piggy-Back any contract, the Agency must first obtain the "VENDOR" approval - without the "VENDOR" approval, the seeking Agency cannot Piggy-Back.</p> <p>PLANS, FORMS & SPECIFICATIONS: Bid Packages are available from the Grant/Finance Administrator. These packages are available for pickup or by mail. If requested to mail, the Proposer/Bidder must supply a courier account number (UPS, FedEx, etc.). Proposers/Bidders are required to use the official RFB/BID FORMS, and all attachments itemized herein, are to be submitted as a single document. Any variation from the minimum specifications must be clearly stated on the RFB/BID FORM and/or Exceptions/Deviations Sheet(s). Only one set of plans, forms, and specifications will be furnished each company or corporation interested in submitting a Proposal/Bid. RFB/BID FORM documents for this project are free of charge and are available online.</p> <p>MANUFACTURER'S NAME AND APPROVED EQUIVALENTS: Any manufacturer's name, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition unless otherwise indicated. The Proposer/Bidder may offer any brand for which he is an authorized representative, which meets or exceeds the RFB/BID specification for any item(s). If RFB's/BID's are based on equivalent products, indicate on the RFB/BID FORM the manufacturer's product name and literature, and/or complete specifications. Reference to literature submitted with a previous RFB/BID will not satisfy this provision. The Proposer/Bidder shall explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. RFB's/BID's lacking any written indication of intent to quote an alternate brand will be received and considered incomplete compliance with the specifications as listed on the RFB/BID FORM. The Grant/Finance Administrator is to be notified, in writing, of any proposed changes in materials used, manufacturing process, or construction. However, changes shall not be binding upon the "CITY" unless evidenced by a Change Notice issued and signed by the Grant/Finance Administrator, or designated representative.</p> <p>QUANTITIES: The quantities as specified in this RFB/BID are estimates only and are not to be construed as guaranteed minimums.</p> <p>SAMPLES: Samples of items, when called for, shall be furnished free of expense, and if not destroyed may, upon request, be returned at the Proposer's/Bidder's expense. Each sample shall be labeled with the Proposer's/Bidder's name, manufacturer brand name and number, RFB/BID number and item reference. Samples of successful Proposer's/Bidder's items may remain on file for the term of the contract. Request for return of samples shall be accompanied by instructions which include shipping authorization and must be received at time of opening. Samples not returned may be disposed of by the "CITY" within a reasonable time as deemed appropriate.</p> <p>DOCUMENT RE-CREATION: "VENDOR" may choose to re-create any document(s) required for this solicitation, but must do so at his own risk. All required information in the original "CITY" format must be included in any re-created document. Submittals may be deemed non-responsive if required information is not included in any re-created document.</p>

The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

- d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement (**indicate which statement applies**).

D. 1 ✓ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted "VENDOR" list. (**attach a copy of the final order**)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IS IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

RE: CERTIFICATE OF QUALIFICATION

The Department of Transportation has qualified your company for the type of work indicated below.

FDOT APPROVED WORK CLASSES:

DRAINAGE, FLEXIBLE PAVING, GRADING, HOT PLANT-MIXED BITUM. COURSES, SIDEWALK

Unless notified otherwise, this Certificate of Qualification will expire **7/31/2024**.

In accordance with Section 337.14(4), Florida Statutes, changes to Ability Factor or Maximum Capacity Rating will not take effect until after the expiration of the current certificate of prequalification (if applicable).

In accordance with Section 337.14(1), Florida Statutes, an application for qualification must be filed within (4) months of the ending date of the applicant's audited annual financial statements.

If the company's maximum capacity has been revised, it may be accessed by logging into the Contractor Prequalification Application System via the following link:

[HTTPS://fdotwp1.dot.state.fl.us/ContractorPreQualification](https://fdotwp1.dot.state.fl.us/ContractorPreQualification)

Once logged in, select "View" for the most recently approved application, and then click the "Manage" and "Application Summary" tabs.

The company may apply for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-22.0041(3), Florida Administrative Code (F.A.C.), by accessing the most recently approved application as shown above and choosing "Update" instead of "View." If certification in additional classes of work is desired, documentation is needed to show that the company has performed such work.

All prequalified contractors are required by Section 14-22.006(3), F.A.C., to certify their work underway monthly in order to adjust maximum bidding capacity to available bidding capacity. You can find the link to this report at the website shown above.

Sincerely,

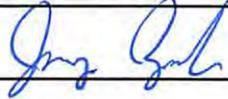

James E. Taylor II, Prequalification Supervisor

Tabulation requested by telephone, fax or electronic media will not be accepted.</p> <p>OBLIGATION OF WINNING BIDDER: The contents of the RFB/BID of the successful proposer/bidder will become contractual obligations if acquisition action ensues. Failure of the successful Proposer/Bidder to accept these obligations in a contract may result in cancellation of the award and such "VENDOR" may be removed from future participation.</p> <p>AWARD OF BID: It is the "CITY's" intent to select a "VENDOR" within sixty (60) calendar days of the deadline for receipt of Proposals/Bids. However, Proposals/Bids must be valid for award for at least ninety (90) calendar days after the deadline for receipt of the RFB/BID.</p> <p>ADDITIONAL REQUIREMENTS: The "VENDOR" shall furnish such additional information as the "CITY" may reasonably require. This includes information which indicates financial resources as well as ability to provide the services. The "CITY" reserves the right to make investigations of the proposals of the "VENDOR" as it deems appropriate.</p> <p>PREPARATION COSTS: The "CITY" shall not be obligated or be liable for any costs incurred by Proposers/Bidders prior to issuance of a contract. All costs to prepare and submit a response to this RFB/BID shall be borne by the Proposer/Bidder.</p> <p>TIMELINESS: All work will commence upon authorization from the "CITY's" representative. All work will proceed in a timely manner without delays. The Contractor shall commence the work UPON RECEIPT OF NOTICE TO PROCEED and/or ORDER PLACED (PURCHASE ORDER PRESENTED), and shall deliver in accordance to the terms and conditions outlined and agreed upon herein.</p> <p>DELIVERY: All prices shall be FOB Destination, Sumter County, Florida, inside delivery unless otherwise specified.</p> <p>ADDITIONAL SERVICES/PURCHASES BY OTHER PUBLIC AGENCIES ("PIGGY-BACK"): The "VENDOR" by submitting a Bid acknowledges that other Public Agencies may seek to "Piggy-Back" under the same terms and conditions, during the effective period of any resulting contract - services and/or purchases being offered in this Bid, for the same prices and/or terms proposed. "VENDOR" has the option to agree or disagree to allow contract Piggy-Backs on a case-by-case basis. Before a Public Agency is allowed to Piggy-Back any contract, the Agency must first obtain the "VENDOR's" approval - without the "VENDOR's" approval, the seeking Agency cannot Piggy-Back.</p> <p>PLANS, FORMS & SPECIFICATIONS: Bid Packages are available from the Grant/Finance Administrator. These packages are available for pickup or by mail. If requested to mail, the Proposer/Bidder must supply a courier account number (UPS, FedEx, etc.). Proposers/Bidders are required to use the official RFB/BID FORMS, and all attachments itemized herein, are to be submitted as a single document. Any variation from the minimum specifications must be clearly stated on the RFB/BID FORM and/or Exceptions/Deviations Sheet(s). Only one set of plans, forms, and specifications will be furnished each company or corporation interested in submitting a Proposal/Bid. RFB/BID FORM documents for this project are free of charge and are available online.</p> <p>MANUFACTURER'S NAME AND APPROVED EQUIVALENTS: Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition unless otherwise indicated. The Proposer/Bidder may offer any brand for which he is an authorized representative, which meets or exceeds the RFB/BID specification for any item(s). If RFB's/BID's are based on equivalent products, indicate on the RFB/BID FORM the manufacturer's product name and literature, and/or complete specifications. Reference to literature submitted with a previous RFB/BID will not satisfy this provision. The Proposer/Bidder shall explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. RFB's/BID's which do not comply with these requirements are subject to rejection. RFB's/BID's lacking any written indication of intent to quote an alternate brand will be received and considered incomplete compliance with the specifications as listed on the RFB/BID FORM. The Grant/Finance Administrator is to be notified, in writing, of any proposed changes in materials used, manufacturing process, or construction. However, changes shall not be binding upon the "CITY" unless evidenced by a Change Notice issued and signed by the Grant/Finance Administrator, or designated representative.</p> <p>QUANTITIES: The quantities as specified in this RFB/BID are estimates only and are not to be construed as guaranteed minimums.</p> <p>SAMPLES: Samples of items, when called for, shall be furnished free of expense, and if not destroyed may, upon request, be returned at the Proposer's/Bidder's expense. Each sample shall be labeled with the Proposer's/Bidder's name, manufacturer brand name and number, RFB/BID number and item reference. Samples of successful Proposer's/Bidder's items may remain on file for the term of the contract. Request for return of samples shall be accompanied by instructions which include shipping authorization and must be received at time of opening. Samples not returned may be disposed of by the "CITY" within a reasonable time as deemed appropriate.</p> <p>DOCUMENT RE-CREATION: "VENDOR" may choose to re-create any document(s) required for this solicitation, but must do so at his own risk. All required information in the original "CITY" format must be included in any re-created document. Submittals may be deemed non-responsive if required information is not included in any re-created document.</p>

**SWORN STATEMENT TO SECTION 287.133(3)(a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES FORM**
THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A
NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to the "CITY" of Bushnell
By Jerry Zielinski, Vice President
(print individual's name and title)
for Pave-Rite, Inc.
(print name of entity submitting sworn statement)

whose business address is 3411 W. Crigger Ct. Lecanto, FL 34461
and (if applicable) its Federal Employer Identification Number (FEIN) is 59-2992809.

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:
- a. A predecessor or successor of a person convicted of a public entity crime; or
 - b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
 - c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

- d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement (**indicate which statement applies**).

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted "VENDOR" list. (**attach a copy of the final order**)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IS IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Violation of this provision may result in disqualification of the party. All questions regarding this Request for Proposals (RFB) or Invitation to Bid (IBID) must be submitted in writing to the "CITY's" Grant/Finance Administrator.</p> <p>ANTI TRUST LAWS: By submission of a signed RFB or BID, the successful "VENDOR" acknowledges compliance with all antitrust laws of the United States and the State of Florida, in order to protect the public from restraint of trade, which illegally increases prices.</p> <p>CONFLICT OF INTEREST: The award of the contract hereunder is subject to the provisions of Chapter 112 of the Florida Statutes. "VENDOR's" shall disclose the name of any Officer, Director, Partner, Associate, or Agent who is also an Officer, Appointee, or Employee of any of the "CITY's" at the time of the RFB or BID, or at the time of occurrence of the Conflict of Interest thereafter.</p> <p>INTERPRETATION, CLARIFICATIONS AND ADDENDA: No oral interpretations will be made to any "VENDOR" as to the meaning of the RFB/BID Contract Documents. Any inquiry or request for interpretation received by the Grant/Finance Administrator before the date listed herein will be given consideration. All such changes or interpretations will be made in writing in the form of an addendum and, if issued, will be mailed or sent by a viable electronic means to all attending prospective Submitters prior to the established RFB/BID opening date. Each "VENDOR" shall acknowledge receipt of such addenda in the space provided. In case any Proposer/Bidder fails to acknowledge receipt of such addenda or addendum, his offer will nevertheless be construed as though it had been received and acknowledged and the submission of his bid will constitute acknowledgment of the receipt of same. All addenda are a part of the RFB/BID FORMS and each Proposer/Bidder will be bound by such addenda, whether or not received by him. It is the responsibility of each proposer/bidder to verify that he has received all addenda issued before RFB's/BID's are opened. In the case of unit price items, the quantities of work to be done and materials to be furnished under this RFB/BID Contract are to be considered as approximate only and are to be used solely for the comparison of RFB's/BID's received. The "CITY" and/or his CONTRACTOR do not expressly or by implication represent that the actual quantities involved will correspond exactly therewith; nor shall the "VENDOR" plead misunderstanding or deception because of such estimate or quantities of work performed or material furnished in accordance with the Specifications and/or Drawings and other Proposals/Bid Documents, and it is understood that the quantities may be increased or diminished as provided herein without in any way invalidating any of the unit or lump sum prices bid.</p> <p>GOVERNING LAWS AND REGULATIONS: The "VENDOR" is required to be familiar with and shall be responsible for complying with all federal, state and local laws, ordinances, rules and regulations that in any manner affect the work.</p> <p>PROPRIETARY/CONFIDENTIAL INFORMATION: "VENDOR's" are hereby notified that all information submitted as part of, or in support of RFB's/BID's, will be available for public inspection ten days after opening of RFB's/BID's or until a short list is recommended whichever comes first, in compliance with Chapter 119, and 287 of the Florida Statutes. All RFB's/BID's submitted in response to this solicitation become the property of the "CITY." Unless information submitted is proprietary, copy written, trademarked, or patented, the "CITY" reserves the right to utilize any or all information, ideas, conceptions, or portions of any RFB/BID, in its best interest.</p> <p>TAXES: The "CITY" of Bushnell is exempt from any taxes imposed by the State and/or Federal Government. Exemption certificates will be provided upon request.</p> <p>NON-COLLUSION DECLARATION: By signing this RFB/BID, all "VENDOR's" shall shall not collude, conspire, connive or agree, directly or indirectly, with any other Proposer, "VENDOR," or person to submit a collusive or sham proposal in connection with the work for which their RFB/BID has been submitted, or to refrain from Bidding in connection with such work; or have in any manner, directly or indirectly, sought by person to fix the price or prices in the RFB/BID or of any other Bidder, or to fix any overhead, profit, or cost elements of the RFB/BID price or the RFB/BID price of any other Bidder, or to secure through any collusion, conspiracy, connivance, or unlawful agreement any advantage against any other Bidder, or any person interested in the proposed work.</p> <p>PROPOSER RESPONSIBILITY: Invitation by the "CITY" to "VENDOR's" is based on the recipient's specific request or as the result of response by the public to the legal advertisements required by State law. "VENDOR's" or individuals submit their responses on a voluntary basis, and therefore are not entitled to compensation of any kind.</p> <p>CITYSHIP OF SUBMITTALS: All responses, inquiries or correspondence relating to or in reference to this RFB/BID, and all other reports, charts, displays, schedules, exhibits and other documentation submitted by the "VENDOR's" will become the property of the "CITY." Reference to literature submitted with a previous RFB/BID will not relieve the Bidder from including any required documents with this RFB/BID.</p> <p>EXAMINATION OF BID DOCUMENTS: Each Bidder shall carefully examine the RFB/BID Document to ensure all pages have been received, all drawings and/or Specifications and other applicable documents are included, and shall inform himself thoroughly regarding any and all conditions and requirements that may in any manner affect cost, progress or performance of the work to be performed under the Contract. Ignorance on the part of the "VENDOR" will in no way relieve him of the obligations and responsibilities assumed under the Contract.</p> <p>"VENDOR" RESPONSIBILITY: "VENDOR's" are fully and completely responsible for the labeling, identification and delivery of their submittals. The City Manager/Public Works Director will not be responsible for any mislabeled or misdirected submissions, nor those handled by delivery persons, couriers, or the US Postal Service.</p> <p>DRUG FREE WORKPLACE: All Proposers/Bidders shall submit the enclosed, duly signed and notarized form entitled "Drug Free Workplace Certificate." Submittals not meeting stated minimum terms and proposals may be rejected by the "CITY" as non-responsive. The "CITY" reserves the right to reject any or all submittals without cause. The "CITY" reserves the right to reject the submission of any "VENDOR" in arrears or in default upon any debt or contract to the "CITY," or who has failed to perform faithfully any previous contract with the "CITY" or with other governmental agencies.</p>	<p>PUBLIC RECORDS LAW: Correspondence, materials and documents received pursuant to this RFB/BID become public records subject to the provisions of Chapter 119, Florida Statutes.</p> <p>VERIFICATION OF TIME: Nextel time is hereby established as the Official Time of the "CITY's".</p> <p>PREPARATION OF PROPOSALS/BIDS:</p> <p>Signature of the Bidder: The Bidder must sign the RFB/BID FORMS in the space provided for the signature. If the Proposer/Bidder is an individual, the words "doing business as," must appear beneath such signature. In the case of a partnership, the signature of at least one of the partners must follow the "VENDOR" name and the words, "Member of the "VENDOR"" should be written beneath such signature. If the Proposer/Bidder is a corporation, the title of the officer signing the RFB/BID on behalf of the corporation must be stated and evidence of his authority to sign the RFB/BID must be submitted. The Proposer/Bidder shall state in the RFB/BID FORMS the name and address of each person interested therein.</p> <p>Basis for Bidding: The price proposed for each item shall be on a lumpsum or unit price basis according to specifications on the RFB/BID FORM. The proposed prices shall remain unchanged for the duration of the Contract and no claims for cost escalation during the progress of the work will be considered, unless otherwise provided herein.</p> <p>Total Proposed Price/Total Contract Sum Proposed: If applicable, the total price bid for the work shall be the aggregate of the lump sum prices proposed and/or unit prices multiplied by the appropriate estimated quantities for the individual items and shall be stated in figures in the appropriate place on the RFB/BID FORM. In the event that there is a discrepancy on the RFB/BID FORM due to unit price extensions or additions, the corrected extensions and additions shall be used to determine the project bid amount.</p> <p>TABULATION: Those wishing to receive an official tabulation of the results of the opening of this RFB/BID are to submit a self-addressed, stamped business size (No. 10) envelope, prominently marked on the front lower left side, with the RFB identification. Tabulation requested by telephone, fax or electronic media will not be accepted.</p> <p>OBLIGATION OF WINNING BIDDER: The contents of the RFB/BID of the successful proposer/bidder will become contractual obligations if acquisition action ensues. Failure of the successful Proposer/Bidder to accept these obligations in a contract may result in cancellation of the award and such "VENDOR" may be removed from future participation.</p> <p>AWARD OF BID: It is the "CITY's" intent to select a "VENDOR" within sixty (60) calendar days of the deadline for receipt of Proposals/Bids. However, Proposals/Bids must be valid for award for at least ninety (90) calendar days after the deadline for receipt of the RFB/BID.</p> <p>ADDITIONAL REQUIREMENTS: The "VENDOR's" shall furnish such additional information as the "CITY" may reasonably require. This includes information which indicates financial resources as well as ability to provide the services. The "CITY" reserves the right to make investigations of the proposals of the "VENDOR" as it deems appropriate.</p> <p>PREPARATION COSTS: The "CITY" shall not be obligated or be liable for any costs incurred by Proposers/Bidders prior to issuance of a contract. All costs to prepare and submit a response to this RFB/BID shall be borne by the Proposer/Bidder.</p> <p>TIMELINESS: All work will commence upon authorization from the "CITY's" representative. All work will proceed in a timely manner without delays. The Contractor shall commence the work UPON RECEIPT OF NOTICE TO PROCEED and/or ORDER PLACED (PURCHASE ORDER PRESENTED), and shall deliver in accordance to the terms and conditions outlined and agreed upon herein.</p> <p>DELIVERY: All prices shall be FOB Destination, Sumter County, Florida, inside delivery unless otherwise specified.</p> <p>ADDITIONAL SERVICES/PURCHASES BY OTHER PUBLIC AGENCIES ("PIGGY-BACK"): The "VENDOR" by submitting a Bid acknowledges that other Public Agencies may seek to "Piggy-Back" under the same terms and conditions, during the effective period of any resulting contract - services and/or purchases being offered in this Bid, for the same prices and/or terms proposed. "VENDOR" has the option to agree or disagree to allow contract Piggy-Backs on a case-by-case basis. Before a Public Agency is allowed to Piggy-Back any contract, the Agency must first obtain the "VENDOR's" approval - without the "VENDOR's" approval, the seeking Agency cannot Piggy-Back.</p> <p>PLANS, FORMS & SPECIFICATIONS: Bid Packages are available from the Grant/Finance Administrator. These packages are available for pickup or by mail. If requested to mail, the Proposer/Bidder must supply a courier account number (UPS, FedEx, etc.). Proposers/Bidders are required to use the official RFB/BID FORMS, and all attachments itemized herein, are to be submitted as a single document. Any variation from the minimum specifications must be clearly stated on the RFB/BID FORM and/or Exceptions/Deviations Sheet(s). Only one set of plans, forms, and specifications will be furnished each company or corporation interested in submitting a Proposal/Bid. RFB/BID FORM documents for this project are free of charge and are available online.</p> <p>MANUFACTURER'S NAME AND APPROVED EQUIVALENTS: Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition unless otherwise indicated. The Proposer/Bidder may offer any brand for which he is an authorized representative, which meets or exceeds the RFB/BID specification for any item(s). If RFB's/BID's are based on equivalent products, indicate on the RFB/BID FORM the manufacturer's product name and literature, and/or complete specifications. Reference to literature submitted with a previous RFB/BID will not satisfy this provision. The Proposer/Bidder shall explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. RFB's/BID's which do not comply with these requirements are subject to rejection. RFB's/BID's lacking any written indication of intent to quote an alternate brand will be received and considered incomplete compliance with the specifications as listed on the RFB/BID FORM. The Grant/Finance Administrator is to be notified, in writing, of any proposed changes in materials used, manufacturing process, or construction. However, changes shall not be binding upon the "CITY" unless evidenced by a Change Notice issued and signed by the Grant/Finance Administrator, or designated representative.</p> <p>QUANTITIES: The quantities as specified in this RFB/BID are estimates only and are not to be construed as guaranteed minimums.</p> <p>SAMPLES: Samples of items, when called for, shall be furnished free of expense, and if not destroyed may, upon request, be returned at the Proposer's/Bidder's expense. Each sample shall be labeled with the Proposer's/Bidder's name, manufacturer brand name and number, RFB/BID number and item reference. Samples of successful Proposer's/Bidder's items may remain on file for the term of the contract. Request for return of samples shall be accompanied by instructions which include shipping authorization and must be received at time of opening. Samples not returned may be disposed of by the "CITY" within a reasonable time as deemed appropriate.</p> <p>DOCUMENT RE-CREATION: "VENDOR" may choose to re-create any document(s) required for this solicitation, but must do so at his own risk. All required information in the original "CITY" format must be included in any re-created document. Submittals may be deemed non-responsive if required information is not included in any re-created document.</p>

 x Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

 The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

 The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted "VENDOR" list. (**attach a copy of the final order**)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
 - c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

- d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement (**indicate which statement applies**).

D.9 ✓ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted "VENDOR" list. (**attach a copy of the final order**)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IS IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

INDEMNIFICATION: The Contractor agrees to indemnify and hold harmless the "CITY" of Bushnell, and their elected officials, employees and volunteers from and against all claims, losses and expenses, including legal costs, arising out of or resulting from, the performance of this contract, provided that any such claims, damage, loss of expenses is attributed to bodily injury, sickness, disease, personal injury or death, or to injury to or destruction of tangible property including the loss or loss of use resulting therefrom and is caused in whole or in part by any negligent act or omission of the Contractor.

PROHIBITION OF LOBBYING: During the blackout period which is the period between the time the submittals for invitation to bid or the Request for Proposals, or Proposals, or information, as applicable, are received at Contracts/Purchasing and the time the "CITY" awards the contract, no proposer, no lobbyist, principal, or other person may lobby, on behalf of a competing party in a particular procurement matter, any member of the "CITY," or any "CITY" employee other than the Grant/Finance Administrator. Violation of this provision may result in disqualification of the party. All questions regarding this Request for Proposals (RFB) or Invitation to Bid (ITB) must be submitted in writing to the "CITY" Grant/Finance Administrator.

ANTI TRUST LAWS: By submission of a signed RFB or BID, the successful "VENDOR" acknowledges compliance with all antitrust laws of the United States and the State of Florida, in order to protect the public from restraint of trade, which illegally increases prices.

CONFLICT OF INTEREST: The award of the contract hereunder is subject to the provisions of Chapter 112 of the Florida Statutes. "VENDOR" shall disclose the name of any Officer, Director, Partner, Associate, or Agent who is also an Officer, Appointee, or Employee of any of the "CITY" at the time of the RFB or BID, or at the time of occurrence of the Conflict of Interest thereafter.

INTERPRETATION, CLARIFICATIONS AND ADDENDA: No oral interpretations will be made to any "VENDOR" as to the meaning of the RFB/BID Contract Documents. Any inquiry or request for interpretation received by the Grant/Finance Administrator before the date listed herein will be given consideration. All such changes or interpretations will be made in writing in the form of an addendum and, if issued, will be mailed or sent by a viable electronic means to all attending prospective Submitters prior to the established RFB/BID opening date. Each "VENDOR" shall acknowledge receipt of such addenda in the space provided. In case any Proposer/Bidder fails to acknowledge receipt of such addenda or addendum, his offer will nevertheless be construed as though it had been received and acknowledged and the submission of his bid will constitute acknowledgment of the receipt of same. All addenda are a part of the RFB/BID FORMS and each Proposer/Bidder will be bound by such addenda, whether or not received by him. It is the responsibility of each proposer/bidder to verify that he has received all addenda issued before RFB's/BID's are opened. In the case of unit price items, the quantities of work to be done and materials to be furnished under this RFB/BID Contract are to be considered as approximate only and are to be used solely for the comparison of RFB's/BID's received. The "CITY" and/or his CONTRACTOR do not expressly or by implication represent that the actual quantities involved will correspond exactly therewith, nor shall the "VENDOR" plead misunderstanding or deception because of such estimate or quantities of work performed or material furnished in accordance with the Specifications and/or Drawings and other Proposals/Bid Documents, and it is understood that the quantities may be increased or diminished as provided herein without in any way invalidating any of the unit or lump sum prices bid.

GOVERNING LAWS AND REGULATIONS: The "VENDOR" is required to be familiar with and shall be responsible for complying with all federal, state and local laws, ordinances, rules and regulations that in any manner affect the work.

PROPRIETARY/CONFIDENTIAL INFORMATION: "VENDOR" is hereby notified that all information submitted as part of, or in support of RFB's/BID's, will be available for public inspection ten days after opening of the RFB's/BID's or until a short list is recommended whichever comes first, in compliance with Chapter 119, and 287 of the Florida Statutes. PROPOSER RESPONSIBILITY: Invitation by the "CITY" to "VENDOR" is based on the recipient's specific request or as the result of response by the public to the legal advertisements required by State law. EXAMINATION OF BID DOCUMENTS: Each Bidder shall carefully examine the RFB/BID Document to ensure all pages have been received, all drawings and/or Specifications and other applicable documents are included, and shall inform himself thoroughly regarding any and all conditions and requirements that may in any manner affect cost, progress or performance of the work to be performed under the Contract. The Proposer/Bidder shall state in the RFB/BID FORMS the name and address of each person interested therein.

Basis for Bidding: The price proposed for each item shall be on a lumpsum or unit price basis according to specifications on the RFB/BID FORM. The proposed prices shall remain unchanged for the duration of the Contract and no claims for cost escalation during the progress of the work will be considered, unless otherwise provided herein.

Total Proposed Price/Total Contract Sum Proposed: If applicable, the total price bid for the work shall be the aggregate of the lump sum prices proposed and/or unit prices multiplied by the appropriate estimated quantities for the individual items and shall be stated in figures in the appropriate place on the RFB/BID FORM. In the event that there is a discrepancy on the RFB/BID FORM due to unit price extensions or additions, the corrected extensions and additions shall be used to determine the project bid amount.

TABULATION: Those wishing to receive an official tabulation of the results of the opening of this RFB/BID are to submit a self-addressed, stamped business size (No. 10) envelope, prominently marked on the front lower left side, with the RFB identification. Tabulation requested by telephone, fax or electronic media will not be accepted.

OBLIGATION OF WINNING BIDDER: The contents of the RFB/BID of the successful proposer/bidder will become contractual obligations if acquisition action ensues. Failure of the successful Proposer/Bidder to accept these obligations in a contract may result in cancellation of the award and such "VENDOR" may be removed from future participation.

AWARD OF BID: It is the "CITY" intent to select a "VENDOR" within sixty (60) calendar days of the deadline for receipt of Proposals/Bids. However, Proposals/Bids must be valid for award for at least ninety (90) calendar days after the deadline for receipt of the RFB/BID.

ADDITIONAL REQUIREMENTS: The "VENDOR" shall furnish such additional information as the "CITY" may reasonably require. This includes information which indicates financial resources as well as ability to provide the services. The "CITY" reserves the right to make investigations of the proposals of the "VENDOR" as it deems appropriate.

The "VENDOR" by submitting a Bid acknowledges that other Public Agencies may seek to "Piggy-Back" under the same terms and conditions, during the effective period of any resulting contract – services and/or purchases being offered in this Bid, for the same prices and/or terms proposed. "VENDOR" has the option to agree or disagree to allow contract Piggy-Backs on a case-by-case basis. Before a Public Agency is allowed to Piggy-Back any contract, the Agency must first obtain the "VENDOR" approval – without the "VENDOR" approval, the seeking Agency cannot Piggy-Back.

PLANS, FORMS & SPECIFICATIONS: Bid Packages are available from the Grant/Finance Administrator. These packages are available for pickup or by mail. If requested to mail, the Proposer/Bidder must supply a courier account number (UPS, FedEx, etc.). Proposers/Bidders are required to use the official RFB/BID FORMS, and all attachments itemized herein, are to be submitted as a single document. Any variation from the minimum specifications must be clearly stated on the RFB/BID FORM and/or Exceptions/Deviations Sheet(s). Only one set of plans, forms, and specifications will be furnished each company or corporation interested in submitting a Proposal/Bid. RFB/BID FORM documents for this project are free of charge and are available online.

MANUFACTURER'S NAME AND APPROVED EQUIVALENTS: Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition unless otherwise indicated. The Proposer/Bidder may offer any brand for which he is an authorized representative, which meets or exceeds the RFB/BID specification for any item(s). If RFB's/BID's are based on equivalent products, indicate on the RFB/BID FORM the manufacturer's product name and literature, and/or complete specifications. Reference to literature submitted with a previous RFB/BID will not satisfy this provision. The Proposer/Bidder shall explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. RFB's/BID's which do not comply with these requirements are subject to rejection. RFB's/BID's lacking any written indication of intent to quote an alternate brand will be received and considered incomplete compliance with the specifications as listed on the RFB/BID FORM. The Grant/Finance Administrator is to be notified, in writing, of any proposed changes in materials used, manufacturing process, or construction. However, changes shall not be binding upon the "CITY" unless evidenced by a Change Notice issued and signed by the Grant/Finance Administrator, or designated representative.

QUANTITIES: The quantities as specified in this RFB/BID are estimates only and are not to be construed as guaranteed minimums.

SAMPLES: Samples of items, when called for, shall be furnished free of expense, and if not destroyed may, upon request, be returned at the Proposer's/Bidder's expense. Each sample shall be labeled with the Proposer's/Bidder's name, manufacturer brand name and number, RFB/BID number and item reference. Samples of successful Proposer's/Bidder's items may remain on file for the term of the contract. Request for return of samples shall be accompanied by instructions which include shipping authorization and must be received at time of opening. Samples not returned may be disposed of by the "CITY" within a reasonable time as deemed appropriate.

DOCUMENT RE-CREATION: "VENDOR" may choose to re-create any document(s) required for this solicitation, but must do so at his own risk. All required information in the original "CITY" format must be included in any re-created document. Submittals may be deemed non-responsive if required information is not included in any re-created document.

(print name of entity submitting sworn statement)

whose business address is 4208 County Road 124-A Wildwood FL 34785

and (if applicable) its Federal Employer Identification Number (FEIN) is 591683951.

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), **Florida Statutes**, means:
- a. A predecessor or successor of a person convicted of a public entity crime; or
 - b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
 - c. I understand that a "person" as defined in Paragraph 287.133(1)(e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

- d. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement (**indicate which statement applies**).

 x Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

 The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

 The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted "VENDOR" list. (**attach a copy of the final order**)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IS IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Violation of this provision may result in disapproval of violating party. All questions regarding this Request for Proposals (RFB) or Invitation to Bid (IBID) must be submitted in writing to the "CITY" Grant/Finance Administrator.</p> <p>ANTI TRUST LAWS: By submission of a signed RFB or BID, the successful "VENDOR" acknowledges compliance with all antitrust laws of the United States and the State of Florida, in order to protect the public from restraint of trade, which illegally increases prices.</p> <p>CONFLICT OF INTEREST: The award of the contract hereunder is subject to the provisions of Chapter 112 of the Florida Statutes. "VENDOR" shall disclose the name of any Officer, Director, Partner, Associate, or Agent who is also an Officer, Appointee, or Employee of any of the "CITY" at the time of the RFB or BID, or at the time of occurrence of the Conflict of Interest thereafter.</p> <p>INTERPRETATION, CLARIFICATIONS AND ADDENDA: No oral interpretations will be made to any "VENDOR" as to the meaning of the RFB/BID Contract Documents. Any inquiry or request for interpretation received by the Grant/Finance Administrator before the date listed herein will be given consideration. All such changes or interpretations will be made in writing in the form of an addendum and, if issued, will be mailed or sent by a viable electronic means to all attending prospective Submitters prior to the established RFB/BID opening date. Each "VENDOR" shall acknowledge receipt of such addenda in the space provided. In case any Proposer/Bidder fails to acknowledge receipt of such addenda or addendum, his offer will nevertheless be construed as though it had been received and acknowledged and the submission of his bid will constitute acknowledgment of the receipt of same. All addenda are a part of the RFB/BID FORMS and each Proposer/Bidder will be bound by such addenda, whether or not received by him. It is the responsibility of each proposer/bidder to verify that he has received all addenda issued before RFB's/BID's are opened. In the case of unit price items, the quantities of work to be done and materials to be furnished under this RFB/BID Contract are to be considered as approximate only and are to be used solely for the comparison of RFB's/BID's received. The "CITY" and/or his CONTRACTOR do not expressly or by implication represent that the actual quantities involved will correspond exactly therewith; nor shall the "VENDOR" plead misunderstanding or deception because of such estimate or quantities of work performed or material furnished in accordance with the Specifications and/or Drawings and other Proposals/Bid Documents, and it is understood that the quantities may be increased or diminished as provided herein without in any way invalidating any of the unit or lump sum prices bid.</p> <p>GOVERNING LAWS AND REGULATIONS: The "VENDOR" is required to be familiar with and shall be responsible for complying with all federal, state and local laws, ordinances, rules and regulations that in any manner affect the work.</p> <p>PROPRIETARY/CONFIDENTIAL INFORMATION: "VENDOR" is hereby notified that all information submitted as part of, or in support of RFB's/BID's, will be available for public inspection ten days after opening of the RFB's/BID's or until a short list is recommended whichever comes first, in compliance with Chapter 119, and 287 of the Florida Statutes. All RFB's/BID's submitted in response to this solicitation become the property of the "CITY." Unless information submitted is proprietary, copy written, trademarked, or patented, the "CITY" reserves the right to utilize any or all information, ideas, conceptions, or portions of any RFB/BID, in its best interest.</p> <p>TAXES: The "CITY" of Bushnell is exempt from any taxes imposed by the State and/or Federal Government. Exemption certificates will be provided upon request.</p> <p>NON-COLLUSION DECLARATION: By signing this RFB/BID, all "VENDOR" shall shall not collude, conspire, connive or agree, directly or indirectly, with any other Proposer, "VENDOR," or person to submit a collusive or sham proposal in connection with the work for which their RFB/BID has been submitted; or to refrain from Bidding in connection with such work; or have in any manner, directly or indirectly, sought by person to fix the price or prices in the RFB/BID or of any other Bidder, or to fix any overhead, profit, or cost elements of the RFB/BID price or the RFB/BID price of any other Bidder, or to secure through any collusion, conspiracy, connivance, or unlawful agreement any advantage against any other Bidder, or any person interested in the proposed work.</p> <p>PROPOSER RESPONSIBILITY: Invitation by the "CITY" to "VENDOR" is based on the recipient's specific request or as the result of response by the public to the legal advertisements required by State law. "VENDOR" or individuals submit their responses on a voluntary basis, and therefore are not entitled to compensation of any kind.</p> <p>CITYSHIP OF SUBMITTALS: All responses, inquiries or correspondence relating to or in connection to this RFB/BID, and all other reports, charts, displays, schedules, exhibits and other documentation submitted by the "VENDOR" will become the property of the "CITY." Reference to literature submitted with a previous RFB/BID will not relieve the Bidder from including any required documents with this RFB/BID.</p> <p>EXAMINATION OF BID DOCUMENTS: Each Bidder shall carefully examine the RFB/BID Document to ensure all pages have been received, all drawings and/or Specifications and other applicable documents are included, and shall inform himself thoroughly regarding any and all conditions and requirements that may in any manner affect cost, progress or performance of the work to be performed under the Contract. Ignorance on the part of the "VENDOR" will in no way relieve him of the obligations and responsibilities assumed under the Contract.</p> <p>"VENDOR" RESPONSIBILITY: "VENDOR" are fully and completely responsible for the labeling, identification and delivery of their submittals. The City Manager/Public Works Director will not be responsible for any mislabeled or misdirected submissions, nor those handled by delivery persons, couriers, or the US Postal Service.</p> <p>DRUG FREE WORKPLACE: All Proposers/Bidders shall submit the enclosed, duly signed and notarized form entitled "Drug Free Workplace Certificate." Submittals not meeting stated minimum terms and proposals may be rejected by the "CITY" as non-responsive. The "CITY" reserves the right to reject any or all submittals without cause. The "CITY" reserves the right to reject the submission of any "VENDOR" in arrears or in default upon any debt or contract to the "CITY," or who has failed to perform faithfully any previous contract with the "CITY" or with other governmental agencies.</p>	<p>PUBLIC RECORDS LAW: Correspondence, materials and documents received pursuant to this RFB/BID become public records subject to the provisions of Chapter 119, Florida Statutes.</p> <p>VERIFICATION OF TIME: Next time is hereby established as the Official Time of the "CITY".</p> <p>PREPARATION OF PROPOSALS/BIDS:</p> <p>Signature of the Bidder: The Bidder must sign the RFB/BID FORMS in the space provided for the signature. If the Proposer/Bidder is an individual, the words "doing business as," must appear beneath such signature. In the case of a partnership, the signature of at least one of the partners must follow the "VENDOR" name and the words, "Member of the "VENDOR" should be written beneath such signature. If the Proposer/Bidder is a corporation, the title of the officer signing the RFB/BID on behalf of the corporation must be stated and evidence of his authority to sign the RFB/BID must be submitted. The Proposer/Bidder shall state in the RFB/BID FORMS the name and address of each person interested therein.</p> <p>Basis for Bidding: The price proposed for each item shall be on a lumpsum or unit price basis according to specifications on the RFB/BID FORM. The proposed prices shall remain unchanged for the duration of the Contract and no claims for cost escalation during the progress of the work will be considered, unless otherwise provided herein.</p> <p>Total Proposed Price/Total Contract Sum Proposed: If applicable, the total price bid for the work shall be the aggregate of the lump sum prices proposed and/or unit prices multiplied by the appropriate estimated quantities for the individual items and shall be stated in figures in the appropriate place on the RFB/BID FORM. In the event that there is a discrepancy on the RFB/BID FORM due to unit price extensions or additions, the corrected extensions and additions shall be used to determine the project bid amount.</p> <p>TABULATION: Those wishing to receive an official tabulation of the results of the opening of this RFB/BID are to submit a self-addressed, stamped business size (No. 10) envelope, prominently marked on the front lower left side, with the RFB identification. Tabulation requested by telephone, fax or electronic media will not be accepted.</p> <p>OBLIGATION OF WINNING BIDDER: The contents of the RFB/BID of the successful Proposer/Bidder will become contractual obligations if acquisition action ensues. Failure of the successful Proposer/Bidder to accept these obligations in the contract may result in cancellation of the award and such "VENDOR" may be removed from future participation.</p> <p>AWARD OF BID: It is the "CITY" intent to select a "VENDOR" within sixty (60) calendar days of the deadline for receipt of Proposals/Bids. However, Proposals/Bids must be valid for award for at least ninety (90) calendar days after the deadline for receipt of the RFB/BID.</p> <p>ADDITIONAL REQUIREMENTS: The "VENDOR" shall furnish such additional information as the "CITY" may reasonably require. This includes information which indicates financial resources as well as ability to provide the services. The "CITY" reserves the right to make investigations of the proposer of the "VENDOR" as it deems appropriate.</p> <p>PREPARATION COSTS: The "CITY" shall not be obligated or be liable for any costs incurred by Proposers/Bidders prior to issuance of a contract. All costs to prepare and submit a response to this RFB/BID shall be borne by the Proposer/Bidder.</p> <p>TIMELINESS: All work will commence upon authorization from the "CITY" representative. All work will proceed in a timely manner without delays. The Contractor shall commence the work UPON RECEIPT OF NOTICE TO PROCEED and/or ORDER PLACED (PURCHASE ORDER RECEIVED), and shall deliver in accordance to the terms and conditions outlined and agreed upon herein.</p> <p>DELIVERY: All prices shall be FOB Destination, Sumner County, Florida, inside delivery unless otherwise specified.</p> <p>ADDITIONAL SERVICES/PURCHASES BY OTHER PUBLIC AGENCIES ("PIGGY-BACK"): The "VENDOR" by submitting a Bid acknowledges that other Public Agencies may seek to "Piggy-Back" under the same terms and conditions, during the effective period of any resulting contract - services and/or purchases being offered in this Bid, for the same prices and/or terms proposed. "VENDOR" has the option to agree or disagree to allow contract Piggy-Backs on a case-by-case basis. Before a Public Agency is allowed to Piggy-Back any contract, the Agency must first obtain the "VENDOR" approval - without the "VENDOR" approval, the seeking Agency cannot Piggy-Back.</p> <p>PLANS, FORMS & SPECIFICATIONS: Bid Packages are available from the Grant/Finance Administrator. These packages are available for pickup or by mail. If requested to mail, the Proposer/Bidder must supply a courier account number (UPS, FedEx, etc.). Any variation from the minimum specifications must be clearly stated on the RFB/BID FORM and/or Exceptions/Deviations Sheet(s). Only one set of plans, forms, and specifications will be furnished each company or corporation interested in submitting a Proposal/Bid. RFB/BID FORM documents for this project are free of charge and are available online.</p> <p>MANUFACTURER'S NAME AND APPROVED EQUIVALENTS: Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition unless otherwise indicated. The Proposer/Bidder may offer any brand for which he is an authorized representative, which meets or exceeds the RFB/BID specification for any item(s). If RFB's/BID's are based on equivalent products, indicate on the RFB/BID FORM the manufacturer's product name and literature, and/or complete specifications. Reference to literature submitted with a previous RFB/BID will not satisfy this provision. The Proposer/Bidder shall explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. RFB's/BID's which do not comply with these requirements are subject to rejection. RFB's/BID's lacking any written indication of intent to quote an alternate brand will be received and considered incomplete compliance with the specifications as listed on the RFB/BID FORM. The Grant/Finance Administrator is to be notified, in writing, of any proposed changes in materials used, manufacturing process, or construction. However, changes shall not be binding upon the "CITY" unless evidenced by a Change Notice issued and signed by the Grant/Finance Administrator, or designated representative.</p> <p>QUANTITIES: The quantities as specified in this RFB/BID are estimates only and are not to be construed as guaranteed minimums.</p> <p>SAMPLES: Samples of items, when called for, shall be furnished free of expense, and if not destroyed may, upon request, be returned at the Proposer's/Bidder's expense. Each sample shall be labeled with the Proposer's/Bidder's name, manufacturer brand name and number, RFB/BID number and item reference. Samples of successful Proposer's/Bidder's items may remain on file for the term of the contract. Request for return of samples shall be accompanied by instructions which include shipping authorization and must be received at time of opening. Samples not returned may be disposed of by the "CITY" within a reasonable time as deemed appropriate.</p> <p>DOCUMENT RE-CREATION: "VENDOR" may choose to re-create any document(s) required for this solicitation, but must do so at his own risk. All required information in the original "CITY" format must be included in any re-created document. Submittals may be deemed non-responsive if required information is not included in any re-created document.</p>

NON-EXCLUSIVE INDEPENDENT CONTRACTOR AGREEMENT

This INDEPENDENT CONTRACTOR AGREEMENT (the "Agreement") is effective as of the 19th day of April, 2024, and is made by and between Asphalt Repair Inc. ("ARI"), and Evergreen Cemetery/Mike Eastburn ("CONTRACTEE").

RECITALS

- A. ARI, an independently owned entity, is engaged in the business of laying and repairing asphalt, as well as services related thereto.
- B. CONTRACTEE hereby offers to contract with ARI, and ARI hereby agrees to contract with CONTRACTEE as a non-exclusive independent contractor subject to the terms and conditions set forth in this Agreement. The initial term of this Agreement ("Term") shall commence upon CONTRACTEE's execution, as indicated by the above date (the "Effective Date"), and shall remain in effect until notice of termination is given or the job is complete (the "Expiration Date").
- C. The respective obligations of the parties, as more fully set forth below, shall be mutually enforceable at the time of CONTRACTEE's execution of the Agreement.

NOW, THEREFORE, in consideration of the promises and the mutual covenants set forth in this Agreement and good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, ARI and CONTRACTEE agree as follows:

1. RECITALS

- A. The above Recitals are true and correct and incorporated herein by reference.

2. WARRANTY

- A. ARI guarantees its seal-coating and striping work for a period of 18 months for commercial and 24 months for residential (with restrictions as noted on Proposal) in regards to chipping and peeling. To the extent ARI is found to be at fault (ie: improper cleaning preparation; application), ARI will pay for the materials and labor for remedial work. To the extent ARI is not at fault, ARI guarantees only the labor to remedy the defective seal-coating and/or striping work and CONTRACTEE shall pay for the materials in the event ARI's supplier/manufacturer does not replace the material(s) at no cost.
- B. ARI guarantees its asphalt work for a period of 6 months in regards to premature deterioration and 1 year workmanship (with restrictions as noted on Proposal). If ARI is found to be at fault for asphalt issues (ie: improper application technique /preparation work), the asphalt will be fully guaranteed under this warranty and any needed remedial work completed should ARI deem it necessary.
- C. In the event that ARI is not found to be at fault, then ARI will contact the asphalt supplier to verify whether the asphalt mix was a "bad mix." Should the asphalt supplier determine that it was a "bad mix" and the supplier reimburse/resupply new asphalt, the job will be repaired by ARI at no charge. If the mix is found to pass testing and determined not to be a "bad mix" and ARI is found to not be at fault - no warranty applies. Should the CONTRACTEE desire remedial work at that point that no warranty applies, CONTRACTEE agrees to pay for the supplies and materials needed for the repair and ARI will provide the labor as a good-faith gesture to repair the job at no charge under this warranty.
- D. **Warranty Restrictions** - In addition to any job specific items set forth in Proposal, ARI is not liable/cannot warranty the following: seal-coating on concrete; asphalt work on concrete; grass growth on existing sites; paving over pervious surface, positive drainage on existing sites with inadequate line, grade or pitch; costs of testing, inspections or surveys not covered by ARI unless otherwise specified.
 - i. Under no circumstances will any job or service completed under this contract be warranted for if job is rushed for any reason per the CONTRACTEE's request (such as to satisfy inspection dates or obtain permitting), emergency rush repairs, or any job that is not planned and completed according to ARI's normal standards and procedures.
 - ii. ARI is not responsible for damage done to the job site as a result of negligence, trespassing or other improper use of the site, including but not limited to: damage caused by vehicles or pedestrians in a barricaded area, damage cause by construction equipment that is allowed on the worksite within 1-2 weeks after completion of the job, malicious behavior, and/or neglect of another contractor on-site of the job (e.g. landscaping or utility contractors). If area(s) need to be touched-up or re-serviced for any reasons caused by such actions above yet not limited to, and CONTRACTEE wishes for Asphalt Repair Inc. to return on another date to touch up area(s), CONTRACTEE will be billed for MOB fee(s), unless otherwise noted.

3. INSURANCE

- A. ARI is covered by liability insurance in the event that ARI is at fault for neglectful or accidental actions. ARI is also covered by workers' compensation insurance and commercial automobile insurance. This shall not serve as a representation of the scope of ARI's insurance or ARI's responsibility to those making a claim, but is for informational purposes only.
- B. ARI is not responsible for any utilities or damage caused by the inherent nature of the project, in either the short or long terms.
- C. ARI is not responsible for any loss or damage to cars, trucks, boats, trailers, etc. that are chosen to be left on the premises on the contracted days of work. Should any vehicles, etc. be left on the premises and causing an impediment to ARI's completion of the work contracted for, ARI reserves the right to have any such vehicles towed or removed at the property owner's expense as dictated by private property/towing signs. In the event that a vehicle cannot be moved and CONTRACTEE wishes for ARI to return on another date to touch up an area, CONTRACTEE will be billed for a mobilization fee unless otherwise noted. If the owner of a vehicle left on the premises is unable to be located or contacted and CONTRACTEE has left the responsibility to ARI to have it removed on the contracted days of work by neglecting to monitor the premises, ARI reserves the right to bill CONTRACTEE for the towing and/or moving expenses.

4. OVERAGES

- A. Jobs to be billed per actual in-field placement of material.
- B. Jobs requiring asphalt, limerock, crushed stone, etc are subject to overages as jobs are bid at base amounts needed. Although measurements and estimates dictate a certain amount of material, at the time of actual installment the amount of material may be more than estimated due to unforeseen obstacles, grade challenges, etc. Overages, if needed, are billed at a minimum rate to cover material and transport to ensure that project is completed properly.
- C. Overage rates: Asphalt - \$450.00/ ton overage; Asphalt Millings - \$100/ton overage or \$1,600.00/truck load; lime rock/crushed concrete - \$100/ton overage; concrete - \$500/yard overage, crack filler \$225.00 per brick.

DATE: MAY 6, 2024

It is requested that the Bushnell City Council consider the following information and recommendation(s):

BACKGROUND:

The City of Bushnell is dedicated to continuously strengthening communications approaches to reach a broad audience. As a growing number of citizens in our community use social media to obtain and share information and communicate their opinions, it is crucial that the City take advantage of these platforms as part of its attempt to enhance customer service, outreach, and increase citizen engagement. This obligation largely stems from citizen expectations, the capabilities of current technology, and the rapid growth of Social Media by other local, state, and federal government entities, all of which serve as an indication that Social Media can be used effectively to boost communications.

The City recognizes that many City employees use Social Media in their personal lives, and this policy also provides guidelines for City employees when they communicate on Social Media as a private citizen.

The City desires to establish a standard for interaction with social media tools and their associated technology, to provide guidance and information related to the City's and employees' use of social media, and to maintain integrity of the City's presence in Social Media.

RECOMMENDATION:

- Approve the City of Bushnell Policy on Use of Social Media.

Social networking in government serves to directly communicate and deliver information to citizens for the purpose of informing the public about government matters and to help facilitate citizen involvement, interaction, and feedback on specific issues involving their government's business.

City Employees – Personal Social Media Activity

1. City employees who use Social Media for strictly personal use outside of the workplace do not require approval for such use. However, it is possible for these types of tools to sometimes blur the line between professional and personal interactions. Employees are reminded that as representatives of the City this policy must be taken into consideration when participating in Social Media interactions, particularly when identifying themselves as employees of the City or when context might lead to that conclusion. Employees should use discretion and common sense

when utilizing Social Media to help prevent inadvertently compromising professional, legal, or ethical standards.

2. Employees should limit time on personal Social Media accounts while at work.
3. Employees wishing to share City of Bushnell information on their personal pages should share posts from official City Accounts to avoid the appearance that the employee is the source or that he/she is speaking on behalf of the City of Bushnell. Employees should have no expectation of privacy once they have engaged in posting about City-related business via a personal social media account.
4. Employees should report social media activity that is promoting inaccurate information related to the City of Bushnell to the City Manager's Office.

*REQUEST FOR APPROVAL OF CITY OF
BUSHNELL COLA METHODOLOGY.*

Memorandum

TO: Honorable Mayor and Council Members
FROM: Ricardo Lafont, HR Director
DATE: April 15, 2024
RE: Request to update one (1) policy in the City of Bushnell's Personnel Policy

Staff is asking for Council's approval to incorporate the following into the Personnel Policy:

- Section III A, Salary Ranges and Increases item 3 – update/replace some of the verbiage in the current policy to reflect specific guidelines regarding salary increases.

Attached, please find the proposed addition in detail.

3. *Salary Ranges and Increases*

Salary ranges have been established for all city positions by the City Council. These salaries typically remain in effect from October 1st through September 30th of each year. Raises, adjustments and promotions are usually discussed during the city's budget process. A Cost of Living Adjustment (COLA) will be given annually. A merit increase may also be awarded to employees in combination with the COLA increase. Guidelines are as follows:

- ~~• An annual Cost of Living Adjustment (COLA) is calculated based upon the October Consumer Price Index (CPI) for the Southern U.S. and is effective October 1st each year.~~
- The annual Cost of Living Adjustment (COLA) will be utilized as a baseline for salary adjustments and is effective October 1st each year. The City will adjust salaries based on a COLA range of 2% minimum to 5% maximum.
- Each annual budget may include money for merit increases, which may be considered and approved by the Council to be awarded annually on October 1st. Employee performance will be reviewed through an evaluation process based on specific job standards and work habit factors. Merit increases will be awarded based upon the employee's overall performance. The maximum merit increase will range between \$0.25/hr. to \$1.00/hr. The amount determined to be awarded will be based on availability of funds, and weighted by where an employee's salary is relative to the midpoint of the salary range. Overall performance will be determined based upon accomplishment of goals that are established for every employee at the beginning of the fiscal year and will be calculated on a percentage of each employee's salary. The City Manager is responsible for approving goals and reviewing employee performance evaluations to ensure fair and equitable application of the merit program.
- Other salary adjustments may be approved by the City Manager at any time during the year in conformance with the budget process, when new positions are created, an employee is promoted or an employee's duties and responsibilities are substantially increased or altered.

I have lived in the city limits of Bushnell my entire life. Using all aspects of the city's utilities, Electric, Sewer, and garbage pickup. In my experience, the city has always done a fine job of keeping the electricity and other utilities up to par on a day-to-day basis with all maintenance done efficiently. I have found that 208.48 dollars is the average cost of electricity in the city limits of Bushnell. This is relatively average for Florida. Therefore, cost isn't an issue when it comes to these utilities that the city provides. While this is true for the average day. When there are natural disasters such as hurricanes there are always improvements to be made when it comes to handling these tragedies and disaster control. Personally, in my family, we have always had an electricity generator and would stock up on gas for when we would go without energy for at times a week or so. Specifically with Hurricane Erma, my family was without power for about 6 days. However, this way of preparation may not be obtainable by some therefore I think it is important to harden and improve the system so that hurricanes have less effect on out power systems.

Therefore, I have done some research on some of the most effective electric systems. I have found that Above-ground power lines can face several challenges. One common issue is their vulnerability to extreme weather conditions like storms, strong winds, or heavy snowfall. These events can cause power lines to be damaged or knocked down, resulting in power outages. Additionally, above-ground power lines are more exposed to environmental elements, such as falling trees or branches, which can also

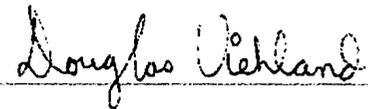

lead to disruptions in the power supply. Regular maintenance is required to ensure the safety and reliability of above-ground power lines.

One solution I have found is the option of the underground cable. Underground cables are considered advantageous for several reasons. First, they are more aesthetically pleasing as they are hidden underground, which can be beneficial in urban areas or areas with strict visual regulations. Second, underground cables are less susceptible to weather-related damage, such as high winds or falling trees, compared to overhead lines. Additionally, underground cables have lower transmission losses, which means more efficient energy delivery. However, it's important to note that underground cables can be more expensive to install and maintain compared to overhead lines. While this is true, the fact remains that the power outage rate for underground cables is generally lower compared to overhead lines. Underground cables are more resilient to weather conditions like storms and high winds, which can cause outages in overhead lines. However, it's important to note that power outages can still occur due to factors like equipment failure or maintenance issues. As well as in the context of a natural disaster the underground cables can be superior in many ways. During a hurricane, underground cables are generally considered better than above-ground power lines for a few reasons. Since underground cables are buried beneath the surface, they are less exposed to the strong winds and flying debris that can cause damage to above-ground lines. This can help minimize power outages and ensure a more reliable power supply

during severe weather events like hurricanes. However, it's important to note that underground cables can still be affected by flooding or other water-related issues during a hurricane, so they are not completely immune to potential disruptions. Overall, underground cables are known for their reliability and can help reduce the frequency of power outages. Therefore, this may be a viable option for these issues for natural disasters.

City of Bushnell Scholarship Essay

A major natural disaster occurs every year, and in Florida, it can often happen multiple times in a year. This event is known as a hurricane, a storm with a violent wind, particularly a tropical cyclone in the Caribbean. A hurricane's impact not only effects natural resources such as trees falling or bodies of water flooding, but it can also heavily effect power lines and the availability of electricity. With everything in our homes and majority of our needs using electricity, power lines are the perfect invention, but a hurricane's high winds often cause damages to homes as well as power lines resulting in no access to electricity for basic needs.

Having lived inside the City of Bushnell all 18 years of my life, with both of my parents working for power companies, I am well aware of the effects long term power outages have on a community. In my life, there have been almost 80 Tropical or Sub-Tropical Cyclones. As you can imagine this has affected my family. I vividly remember the 2017 Hurricane Irma, which was a devastating hurricane that reached up to 177mph wind gusts. After the storm cleared my family had no power for about a week. The food in our refrigerator all went bad and we had to eat snacks and water for a week straight. Furthermore, my mom worked at SECO, and my dad was a Lineman at the COB. My little sister and I had to stay home by ourselves while our parents were working to repair damages after the storm. Luckily, no one in my family was harmed, but we know major hurricanes take many lives, in addition to causing property damage and mental health damage that results in the hurricane's tragic aftermath.

With that being said, this has led my family into taking many precautions whenever a storm is about to impact us. Although they can be tragic, one good thing about hurricanes is that we now know in advance when a hurricane may hit so that we can prepare. Some of the preparations my family takes are to clean up all surrounding areas around the house that are

loosely placed so that nothing gets picked up and thrown into the house. We also put sandbags at the front and back doors in case of flooding. We also stock up on water and foods that do not need power to be eaten. We charge all the batteries and portable chargers so we can have our phones in case of an emergency. Lastly, we try to sleep away from windows or areas of the house that may have a tree fall on them. Some other things that can be done are boarding up windows or even simply evacuating to a safer place if that option is available.

Although it may take some time or possibly future technology to be invented, I believe there are ways that the City of Bushnell could prevent severe damage to equipment, minimize outages and aid the process of restoring power after a hurricane. One method would be to replace wood poles with concrete poles that could withstand a higher wind from a hurricane and be less likely to break than a wooden pole. For power lines that serve shelters, police stations, fire stations, grocery stores, gas stations and medical facilities, the City could invest in underground equipment for those types of locations. Many online resources suggest that the cost of storm hardening electric equipment is great, but the cost of doing nothing can be greater.

Another option for the City, in addition to storm hardening, would be to work with other government agencies to promote affordable generators for homes so that if the power does go out through the primary source people can still maintain and use power during and after the storm. Finally, to get power back on faster, the City could request help from areas not affected by a storm so that there is a larger amount of manpower and equipment.

Whether it is the before or after effects of a hurricane, a natural disaster is a harmful occurrence that will continue to happen. Although that is an unfortunate circumstance, as a community, we can put in place different techniques or actions that can help benefit everyone and keep us all safe.
