WATER AND WASTEWATER RATE STUDY PRESENTED BY ANDREW GREENE, FLORIDA RURAL WATER ASSOCIATION.

# City of Bushnell Rate Review

Florida Rural Water Association 2970 Wellington Circle Tallahassee, FL 32309 850-668-2764 Prepared By: Andrew Greene January 31, 2023 Bushnell, City of FY23 50% PF Fiscal Year: 2023

**Proposed Rate Adjustments** 

This rate scenario has applied an annual Consumer Price Index (CPI) shown in figure 1, increase on all budgeted amounts. If the CPI for any given year exceeds percentages in Figure 1, rates will need to be increased by the percentage difference. The proposed rate increases (see figure 2) will allow the system to maintain an Unrestricted Reserve of over 90 days of O&M Expense. This rate scenario also assumes that Principal Forgiveness on upcoming SRF loans are 50%.

- C) A single commercial use cannot exceed 30,000 square feet in size.
- **D.** Commercial PUD. Commercial uses as permitted under the C-1, C-2 and C-3 zoning districts and other uses deemed appropriate and incidental to the primary use by the BACE.
- E. Industrial PUD. Industrial uses as permitted under the I-1 and I-2 zoning district, commercial uses intended to service the primary uses and other uses deemed appropriate and incidental to the primary use by the BACE.
  - I. Maximum density/intensity. The maximum density/intensity allowed within the PUD shall be as allowed within the overlay land use districts as delineated on the Future Land Use Map.
  - 2. PUD land uses. Land uses proposed within a PUD must conform to uses allowed within the land use designations of the Future Land Use Map of the Comprehensive Plan.
  - 3. Minimum parcel size. The minimum size of any parcel shall be five (5) acres for commercial or industrial PUDs. The minimum size for any residential PUD shall be ten (10) acres.
  - 4. Unified ownership. All land within the PUD shall be under the ownership or control of the applicant at the time of execution of the development agreement whether the applicant be an individual, partnership or corporation, or groups of individuals, partnerships or corporations.
  - 5. Setbacks and buffering. Setback requirements within the PUD shall be flexible; however, in no case shall the setback be less than ten (10) feet between structures or zero-lot-line if structures abut.
  - 6. Open space requirements. A minimum of twenty (20) percent for mixed use, commercial or industrial shall be established and maintained as common open space (which includes common green space left in its natural condition) or common facilities. No area shall be accepted as common open space unless it satisfies the following standards:
    - A) Common open space shall be dedicated to and useable by all residents of the planned unit development or specific phase thereof.
    - B) Common open space set aside for recreational use shall be suitably improved for its intended use. Such improvements may include aesthetic, amenities, buffering or recreational facilities.
    - C) Common green space set aside for the preservation of natural features or listed species habitats, or for buffering purposes shall remain undisturbed and be protected by conservation easements.
    - D) Common open space shall not be used for the construction of any structures other than recreational facilities and incidental maintenance buildings.
    - E) Common open space shall be maintained by the Property Owners Association.
  - 7. Pre-application conference. It is required that a pre-application conference be held with the Zoning Administrator by the developer or the developer's representatives in order to verify the steps necessary for application and review, and to discuss potential issues regarding the PUD proposal.

- 8. Application. Application shall be made to the City utilizing the rezoning application form provided by the City. The application shall be accompanied by the appropriate review fee, seven (7) copies of the Conceptual Development Plan and supporting documentation prepared in accordance with the requirements of this Code and one (1) electronic copy in a PDF format.
  - A) Conceptual development plan. In order to implement the goals and policies of the Comprehensive Plan and to streamline the development review process, the applicant shall prepare a Conceptual Development Plan to be submitted prior to the first rezoning hearing for review by the City staff. The Conceptual Plan shall be drawn to a scale acceptable to the Zoning Administrator but in no instance to a scale smaller than one inch equals one hundred feet (100) and shall include the following:
    - 1. Boundary of subject property.
    - 2. Major natural features such as lakes, streams, wetlands, and natural communities.
    - 3. Existing or proposed streets abutting the project and within a three hundred foot (300') area surrounding it.
    - 4. Generalized location map and legal descriptions, including acreage.
    - 5. Proposed land use types and their location.
    - 6. Gross densities.
    - 7. Typical lot sizes showing setbacks and dimensions.
    - 8. Number of units and type.
    - 9. Square footage for commercial or industrial buildings.
    - 10. Adjacent zoning.
    - 11. Anticipated internal major road network.
    - 12. Maximum building heights.
    - 13. Anticipated phasing plan (If applicable).
    - 14. A statement of the proposed method of providing water service, fire protection, sewage disposal and stormwater management. Indicate location of nearest potable water, sanitary sewer and reuse lines to the project.
    - 15. Percentage and acreage of open space and location.
    - 16. Percentage and acreage of parks/recreation and location.
    - 17. Typical road section.
    - 18. Soils and 100-year flood prone areas.
    - 19. Project name.
    - 20. Existing topography at one-foot contours
    - 21. Net living area for each type of dwelling unit.
    - 22. Parking and loading facilities.
    - 23. Aerial indicating the approximate size and location of major tree groupings and those trees with a diameter of least sixteen inches (16").

Required Documentation. The application for a PUD shall require documentation and/or analyses in support of the application and shall include:

- 1. Traffic Impact Study (TIS). The applicant shall submit a TIS pursuant to Chapter 65 of this Code.
- 2. Preliminary Environmental Assessment prepared by an ecologist, biologist, or similar professional.
- 3. Preliminary Concurrency Analysis. The analysis shall include calculations of the projected demands generated by the proposed development on public facilities and the availability of such facilities to serve the proposed project.
- 4. Any other information deemed pertinent by the Zoning Administrator, Board of Adjustment and Code Enforcement, and the City Council.
- 9. Application review process.
  - A) The approval process shall be the same as that followed for rezoning.
  - B) City Staff Review. Once the application has been determined to be complete by the Zoning Administrator the application will be reviewed by City staff for compliance with all applicable City regulations.
  - C) Re-submittal. Re-submittal of the Conceptual Development Plan reflecting revisions required by Staff comments shall be made at least ten (10) working days prior to the scheduled Board of Adjustment and Code Enforcement hearing.

- D) Board of Adjustment and Code Enforcement action. Staff shall prepare a report of finding for presentation at a public hearing by the Board of Adjustment and Code Enforcement. The Board of Adjustment and Code Enforcement shall consider the application, all supporting documentation, and the Staff report at a regularly scheduled meeting to determine if the submittal meets the requirements of this Code. Upon consideration of the staff and public comments, the Board shall take one of the following actions:
  - Postpone the consideration of the application until the next regularly scheduled meeting to allow for the resolution of outstanding issues.
  - 2. Recommend that the application be approved.
  - 3. Recommend that the application be approved with conditions.
  - 4. Recommend that the application be denied.
- E) City Council approval. The City Council shall consider the submitted plan and rezoning application at a regularly scheduled meeting to determine if the submittal meets the requirements of this Code. Upon consideration of the comments of the staff, the public, and the recommendation of the Board of Adjustment and Code Enforcement, the City Council shall take one of the following actions:
  - 1. Postpone the consideration of the application until the next regularly scheduled meeting to allow for the resolution of outstanding issues.
  - 2. Approve the application.
  - 3. Approve the application with conditions.
  - 4. Deny the application.
- 10. Alterations to conceptual development plan. All alterations to the approved Conceptual Development Plan shall be classified as either substantial or non-substantial alterations as determined by the Zoning Administrator. The following criteria shall be used to identify a substantial alteration.
  - A) A change which would include a land use not previously permitted under the approved PUD zoning.
  - B) A change that would increase the land use intensity by ten (10) percent within any development phase without a corresponding decrease in some other portion of the overall PUD.
  - C) A change that would require an amendment to the conditions approved by the City Council.

Alterations to the Conceptual Development Plan which are determined to be substantial must be submitted with plans, support data and fee for review by City staff, the Board of Adjustment and Code Enforcement, and the City Council.

- 11. Execution of master development agreement. The second reading of the ordinance for designating any land as a PUD shall not take place until the developer has provided an executed copy of the master development agreement to the Zoning Administrator or designee. The document shall be a fully corrected copy which addresses all issues discussed prior to the scheduled second reading. The document shall also include reduced copies of the revised Conceptual Development Plan exhibits. If there are no additional requirements, corrections or conditions attached by the City Council at the second reading, the executed document shall be signed by the City Manager and Mayor and forwarded to the County Clerk for recording. If there are additional requirements, corrections or conditions attached by the City Council at the second reading, the applicant shall revise the development agreement and Conceptual Development and return the documents to the Zoning Administrator within thirty (30) days for execution and recording. The requirement to return the document within thirty (30) days shall be specified by the City Council as a condition for approval of the rezoning.
- 12. Timely resubmission.
  - A) Failure to meet any of the resubmission deadlines cited above shall require the filing of a new application, including the appropriate review fees.
  - B) Extension of re-submittal deadlines. The Zoning Administrator may extend the deadlines cited above when warranted by unforeseeable events. A request for extension shall be filed in writing with the City explaining the circumstances justifying the extension.

- 13. Expiration of master development agreement. Any master development agreement executed and recorded after the adoption of this development code shall be required to include an expiration date or series of expiration dates tied to specific improvements or phases. Such date(s) shall be determined based upon the size of the project, installation of physical improvements, and any other factors pertinent to the specific proposal. If the City should determine that the developer has failed to satisfy the requirements necessary to avert expiration, the development agreement shall become null and void, and approval of any additional final development plans for the PUD shall not be permitted without resubmission and approval of a new development agreement in accordance with the procedures established in the development code.
- 14. Final development plan approval. Unless otherwise noted within the development agreement, final development approval for subdivisions or site plans within the PUD shall be required in accordance with the general procedures established by this Code.

## ITEM # 4

APPROVAL OF THE WATER AND WASTEWATER DEVELOPER'S AGREEMENT BETWEEN THE CITY OF BUSHNELL AND FLORILOW OAKS LLC.

## DEVELOPER'S AGREEMENT BETWEEN THE CITY OF BUSHNELL, FLORIDA AND FLORILOW, INC.

This agreement, effective this	day of	, 2023, made and entered into by
and between the City of Bushnell	, Florida, a Flor	ida municipal corporation (hereinafter called
"City"), and FLORILOW, INC, a	a Florida 607 Co	rporation, its successors or assigns
(hereinafter called Florilow, Inc	or "Developer").	

#### WITNESSETH:

WHEREAS, City is a regional water and wastewater provider; and,

WHEREAS, Developer owns or has contract rights to acquire, in fee simple certain real property in Sumter County, Florida, as shown and described in Exhibit "A" attached hereto and made a part hereof (hereinafter the property); and,

WHEREAS, Developer desires to procure Wastewater service from the City for the Property described in Exhibit "A; and,

WHEREAS, Developer's proposed development requires access to Sewer service in order to continue the current use of its property; and,

WHEREAS, the parties desire to enter into an agreement setting forth the mutual understandings and undertakings regarding the furnishing of wastewater services for the Property described in Exhibit "A"; and,

WHEREAS, this Agreement and all stipulations and covenants made herein are acknowledged to be subject to the approval of every County, Regional, State and Federal regulatory agency having jurisdiction of the subject matter of this Agreement; and,

WHEREAS, the City has approved this Agreement and has authorized the proper City officials to execute this Agreement by motion passed at a regular City Council meeting on

NOW, THEREFORE, in consideration of the mutual covenants and undertakings of City and Developer and other good and valuable considerations, these parties covenant and agree with each other as follows:

#### PART I. DEFINITIONS

- A. The term "connection fee" shall be construed as defined in City of Bushnell ordinances and resolutions.
- B. The term "Developer" shall refer to FLORILOW INC.
- C. The term "Equivalent Residential Unit" as defined by City ordinance shall be referred to in this Agreement as "ERU" and shall be defined by Chapter 27: Utilities; Section 27-413 of the City of Bushnell Code.

- D. The term "Property" or "Developer's Property" refers to the real property described in Exhibit "A", attached to and incorporated into this Agreement.
- E. The term "Capacity Reservation Charge" shall be referred to as "CRC" and shall be as defined by City Ordinances and Resolutions.

#### PART II. DEVELOPER'S OBLIGATIONS

- A. WASTEWATER utility facilities to serve the proposed development. This section concerns only WASTEWATER force main and pump station and facilities that are constructed by Developer for service to the Developer's property and requires that:
  - 1. Developer, at its expense and at no expense to the City, shall design, construct, and install all necessary wastewater utility infrastructure from the existing City system to the Property in accordance with the approved Engineering plans, specifications and engineering data as required by Florida regulatory agencies and the City or its authorized representative; and said wastewater collection system, shall be installed and connected to the City's existing wastewater collection system, all of which work shall be paid for by the Developer and conform to all material and workmanship standards and specifications of the City of Bushnell's Land Development Regulations (LDR). Preliminary schematics and cost estimates attached as Exhibit "E".
  - 2. At the time of submission of plans, specifications, and engineering data by Developer to the City, the Developer shall pay to the City a Plan Review Fee established by resolution in effect at the time of payment. Said Plan Review Fee is to compensate City for City's expense in having said plans, specifications and engineering data reviewed. In the event the City requires a review of the final "as built" plans, there shall be an additional fee due at that time.
  - 3. Developer shall, at his own expense, and at no expense to the City, retain the services of a registered professional engineer for the purpose of providing necessary inspection and supervision of the construction work to ensure that construction is at all times in compliance with accepted engineering practices and in compliance with the approved plans and specifications. Developer's Engineer shall be the 'Engineer of Record' and shall complete all required FDEP documents, stating such facilities have been constructed in accordance with the approved plans and specifications. The Developer shall notify the City in writing of such appointment. A copy of each field report shall be submitted to the City. Should there be cause or reason for the Developer to engage the services of a registered engineer other than the design engineer for inspections, then Developer shall notify the City within five (5) days of such engagement.
  - 4. Developer, its Project Engineer, and its Contractor shall arrange for and hold a preconstruction meeting or meetings with the City or its authorized representative. Notification of said meeting shall be made in writing and received by all parties seventy-two (72) hours in advance of said meeting.
  - 5. The work to be performed by Developer, as provided in this Agreement shall not commence until all plans and specifications covering the work to be performed are approved in writing by the City or its authorized

representative.

- 6. During construction and at the time periodic inspections are required, the City or its authorized representative may be present and Developer's engineer shall be present to observe and witness tests for determination of conformance to approved plans and specifications. Copies of the approved test results shall be furnished to the City on successful completion of each test.
- 7. The work to be performed by the Developer, pursuant to the provisions set forth herein, shall be in accordance with all requirements of the regulatory agencies which have jurisdiction over the subject matter of this Agreement as well as all applicable Federal and State Statutes, County and City's ordinances. The requirements of this paragraph shall govern, regardless of any errors or omissions in the approved plans or specifications.
- 8. The Developer shall, at his own expense and at no expense to the City, furnish to the City five (5) complete sets of reproducible as-built drawings prepared by a Florida registered engineer who designed the wastewater utility Infrastructure. Developer shall furnish the as-built drawings in an electronic format agreed upon between both parties. As-built drawings shall be certified by the Developer's engineer and shall show all pertinent information related to all wastewater utility infrastructure improvements provided with this project. As-built drawings shall also be certified by a Florida registered surveyor as to the actual location of all surface and subsurface features of these systems and easements and rights-of-way which are part of or adjacent to the Property and those needed to extend the City system from existing lines to the Property.
- 9. The Developer shall also provide to the City information concerning the estimated costs of construction of the wastewater utility infrastructure by major system components, to be transferred to the City.
- 10. Easements shall be provided to the City in advance of any construction activities.
  - a. The Developer shall provide the City with the following:
    - Twenty-foot (20') easement across the property to Hwy 301, such easements as approved by FDOT along US Highway 301, and an easement not more than 10 feet in width along roadways within the Property for the City's use for maintaining and extending the wastewater mainlines and transmission facilities.

#### B. Capacity Reservation Charges

- 1. Fees.
  - a. The capacity reservation charge (CRC) fees shall be calculated according to the rate schedule adopted by the City at the time the Developer executes this agreement, which rate shall apply to all CRC fees due from the Developer to the City during the term of this Agreement, and which are specified in Exhibit "C".
  - b. Capacity reservation charge fees are not sold on speculation, and will be forfeited by

development if significant progress is not attained. Significant progress shall be deemed to have occurred if the developer has completed construction and connected to the City system in a reasonable amount of time. Capacity reservation charges are not refundable to the developer.

- c. The Developer has reserved (and City has set aside) capacity for Sewer by payment of capacity reservation charge fees as set forth in Exhibits "C" & "D").
- d. The following actions must precede the reservation of Sewer capacity:
  - ii. The property has annexed into the City of Bushnell.
  - iii. The Developer must execute the Request for Evaluation of Availability of Municipal Services Form.
  - iv. This Developer's Agreement and attachments must be fully executed.
- e. Capacity is reserved for a particular location and pre-supposes that the City will be prepared to serve that capacity according to the agreed upon availability schedule at that location and no other.
- 2. Until the Developer provides the City with payment for CRC's as set forth in Exhibits "C" and "D" and completes all other requirements of this agreement, no sewer service will be provided.
- 3. The City has determined at the time of execution of this agreement that the developer may purchase the number of sewer ERU's as set forth in Exhibit "C".
- 4. The Developer may not transfer any sewer capacity reserved without written permission from the City. Any such transfer will void the capacity reservation, the ERU's will revert to the City, and the Developer will forfeit the right to any repayment of the connection fees paid for the capacity reservation.
- Twelve months after the date of connection, an audit demonstrating the annual gallon per day average will be performed by the City. If the annual gallon per day average exceeds the reserved capacity set forth in this agreement, the Developer will be responsible to pay the difference. The City will provide the Developer a copy of the audit and an invoice for the amount due. Payment will be due 60 days from the date of invoice.

#### C. Default.

- 1. Should the Developer be in default of their payment obligation and this Agreement, it is agreed that the City shall have the right to exercise any of the following sanctions or penalties:
  - a. There shall be an interest penalty equal to the maximum rate allowed by Florida State Law on any payments due to the City from Developer, which are not paid when due. The penalty, when applicable, shall accrue from the due date of payment in

accordance with Bushnell's current billing procedures as laid out in Bushnell's Code of Ordinances section 27-7 and 37-8. The rate of interest shall be established by Resolution of the City.

- b. The City shall be entitled to lien the Property and foreclose the lien in satisfaction of any payments due under this Agreement.
- c. The City shall be entitled to any other remedy at law and failure to exercise any remedy shall not constitute a waiver of said remedy.

#### D. Developers Responsibility.

- 1. The Developer's responsibility after connection to City's Wastewater collection system and dedication of utilities:
  - a. The Developer shall be responsible for on-site (outside of City Right-of-Way) wastewater utility infrastructure.
  - b. The Developer shall provide the City with any easement necessary to access the City's owner or maintained portion of the system.
  - c. The Developer shall be responsible for the design, installation and construction of the operating system for the "on site" collection system. The design shall include a remote telemetry operation system with the following items as a minimum:
    - i. Florilow, Inc, (Sewer Pump Station location, pressure transducer, transmitter)
    - ii. It will include monitoring available at City of Bushnell, Utility operations office. Please note that this system should be paired with the existing City of Bushnell SCADA monitoring system.

#### PART III. CITY'S OBLIGATIONS

When, at no cost to the City, (1) the Wastewater utility infrastructure improvements have been satisfactorily installed, inspected, tested and approved and certified in writing by Developer's engineer, with the City, or its authorized representative; (2) The Developer has satisfied the conditions of this Agreement; and (3) the City's authorized representative has inspected the constructed facilities, permitting documents and construction "as-built" drawings, and received live (5) sets of completed "as-built" drawings:

- A. The City shall thereafter maintain the off-site utility infrastructure within the public Right -of-Way and the easements provided by the developer.
- B. The City shall make available to the developer the ERU's purchased by the developer at the times indicated in this Agreement.
- C. The City shall provide all future water services to the property once water service is available at the site. Once Water service is available, the developer will have 6 months to coordinate connection to the water system.

#### PART IV. MUTUAL COVENANTS

It is mutually agreed by and between the parties that the preambles contained at the beginning of this Agreement are true and correct and in addition to them it is mutually covenanted and agreed as follows:

- A. In addition to binding the Developer, the provisions of this agreement shall run with the land and be binding upon and inure to the benefit of successors to title to the property after this Agreement has been recorded in the Public Records of Sumter County, Florida. However, any other assignment or transfer of the Developer's rights and obligations is prohibited unless:
  - 1. Assignment shall be done in writing in the same formality as this Agreement.
  - 2. The City shall be a party of said assignment and shall not withhold approval of assignment unreasonably.
  - 3. The Developer shall remain primarily liable to the City for the terms and conditions of this Agreement unless assignment is made in compliance with this section. The City agrees to execute a "Satisfaction by Assignment" for the Developer if this Agreement is properly assigned.
- B. All prior Developer Agreements or Agreements pertaining to the supply of wastewater service affecting the Property are hereby cancelled and declared of no force and effect upon that Property which is the subject matter of this Agreement.
- C. The City shall have the exclusive right (in the Future) to furnish water distribution service to the Property covered by this Agreement.
- D. The City shall have the exclusive right (after contract expiration) to the sanitation service to the property.
- E. The City shall have the right to promulgate from time to time reasonable rules and regulations relating to the furnishing of water distribution service to consumers within the Property encompassed by this Agreement. Such rules and regulations may relate to, but are not limited to rates, deposits, connection charges and the right to discontinue services under certain conditions. The water rates to be charged by the City to said customers shall be the rates now or hereafter charged to other customers within the area of service of the Developer's Property. Developer hereby acknowledges and agrees that rates are subject to change at any time by the City.
- F. City shall not be liable or responsible for maintenance or operation of any pipes, pipelines, valves, fixtures or equipment on any of the properties of the customers, consumers or users on Developer's Property other than the wastewater collection system within granted easements to City pursuant to this Agreement.

G. Unless otherwise specified in this Agreement, this Agreement shall not be binding until fully executed, but once executed, it shall have a retroactive effect commencing from the date of the Council meeting at which it was approved.

#### H. Developer shall keep:

- 1. All wastewater utility infrastructure on the premises occupied by said consumer, and within the service lines from the main line to the lot occupied by the consumer in good order and condition; and
- I. Any temporary cessation or interruptions of the furnishing of wastewater service to the Property described herein at any time caused by an Act of God, fires, strikes, casualties, accidents, power failures, necessary maintenance work, breakdowns, damaged equipment or mains, civil or military authority, riots or other cause beyond the control of the City shall not constitute a breach of the provisions contained herein nor impose liability upon the City by the Developer, his successors and assigns.
- J. If any section, subsection, sentence, clause, phrase or portion of this Agreement is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.
- K. This Agreement shall be recorded by the City among the Public Records of Sumter County, Florida, for the particular purpose of placing all Owners or occupants of properties in Developer's Property connected to or to be connected to said sewer system of the City upon notice of each and every one of the provisions herein contained to the same extent and with the same force and effect as if said Owners and occupants had joined with the parties to this Agreement in the execution thereof; and the acquisition or occupancy of real Property in the Developer's Property connected to or to be connected to the said sewer system of the City shall be deemed conclusive evidence of the fact that the said Owners or occupants have consented to and accepted the Agreement herein contained and have become bound thereby.
- L. It is mutually agreed that the City shall be held harmless from any and all liability for damages if City's obligations under this Agreement cannot be fulfilled as a result of any ruling or order by any other governmental or regulatory agency having jurisdiction over the subject matter hereof; and in such event, this Agreement shall be null and void and unenforceable by either party regarding that portion of the Developer's Property for which the City cannot perform its obligations.
- M. Until all of the Developer's obligations under this agreement are met, the City may refuse service or terminate all service to the Developer's property.

#### PART V. NOTICE.

Whenever either party desires to give notice to the other, it shall be given by written notice, sent by prepaid, certified, United States mail, with the return receipt requested, addressed to the party for whom

it is intended, at the place specified as the place for giving notice, which shall remain until it shall have been changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for the giving of notice:

CITY OF BUSHNELL Jessie Simmons Jr, Mayor P.O. Box 115, Bushnell, FL 33513 FOR THE DEVELOPER Florilow, Inc

Notice so addressed and sent by prepaid certified mail, with return receipt requested, shall be deemed given when it shall have been so deposited in the United States mail.

#### PART VI. ADDITIONAL PROVISIONS.

- A. The parties agree that in the event it becomes necessary for any party to this Agreement to litigate in order to enforce its rights under the terms of this Agreement then, and in that event, the prevailing party shall be entitled to receive reasonable attorney's fees and the cost of such litigation including appellate litigation.
- B. EXHIBITS.
