

Boulevard Tree Program Inquiry Form

As of February 17, 2023, the Horace Boulevard Tree Program was rolled out. Property owners with homes built prior to 2023 can now apply for trees. Please fill out the inquiry form below and City staff will contact you once trees become available later this year. Trees will be planted by the Public Works Department, but property owners are expected to maintain planted trees. The Horace Boulevard Tree Program operates on a first-come, first-serve basis.

- o \$50 for the first tree in front of house on the boulevard, \$250 for each additional tree
- o \$50 per tree on end lots on boulevard side of house
- o No retroactive approach which means trees purchased in the past will not be reimbursed.

For owners with homes being built in 2023 and in the future, the number of trees will be determined at the time of the building permit.
