13-0902. **RIGHT OF WAY.** The following rules shall be applicable to the right of way of vehicles:

1. When two vehicles approach or enter an intersection at approximately the same time and there is a reasonable probability of a collision unless one gives way, the driver of the vehicle on the left has the greater duty to maintain a fair margin of safety and shall yield the right of way to the vehicle on the right except as otherwise provided in this title.

A driver who enters a yield intersection without stopping or has or causes a collision with a pedestrian in a crosswalk or a vehicle in the intersection shall prima facie be considered not to have yielded as required herein. The foregoing shall not relieve the drivers of other vehicles approaching the intersection at such distance as not to constitute an immediate hazard from the duty to drive with due care to avoid a collision.
2. The driver of a vehicle approaching a yield sign if required for safety to stop shall stop before entering the crosswalk on the near side of the intersection or, in the event there is no crosswalk, at a clearly marked stop line, but if not, then at a point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway.

In addition, the City Agent, when exercising any such authority, shall erect or cause to be erected and maintained, signs designating the weight restrictions or prohibition of use at each end of that portion of any street or highway affected by the restrictions or prohibitions, and the restrictions or prohibitions shall not be effective until or unless such signs are erected and maintained. Once such restrictions are in place and posted, such restrictions or prohibitions shall remain in effect until lifted by the City Agent, or until they are removed or altered by action of the City Council of the City of Horace. The City Council shall also have the authority, by resolution, to prohibit the use, or place weight restrictions on any street or highway under the jurisdiction of the City, which prohibitions and restrictions shall be designated by appropriate signs placed at each end of that portion of any street or highway affected thereby.

In addition, the City, will set weight restrictions by resolution which will automatically apply City-wide when Cass County imposes its spring weight limit road restrictions. These restrictions shall be posted at the main entrances to the City at the discretion of the City Agent.

13-1524. **PEACE OFFICER OR OTHER AGENT MAY WEIGH VEHICLE AND REQUIRE REMOVAL OF EXCESS LOAD.** Any peace officer or designated agent of the City or City-designated personnel having reason to believe that the weight or size of a vehicle and load is unlawful is authorized to weigh or measure the same, either by means of portable or stationary scales, and may require that such vehicle be driven to the nearest scale. The officer or other designated person may then require the driver to unload immediately such portion of the load as

13-1524.1. **IMPOUNDING OVERWEIGHT VEHICLE.** Any vehicle found to have been moved or used upon any highway, street, alley or other public way within the City at a weight exceeding the limitations as specified in any ordinance or resolution adopted by the City may be impounded by any peace officer, designated agent of City, or City-designated personnel and taken to a warehouse, garage or other facility for storage.

If the cargo consists of perishables, the impounding officer shall use reasonable diligence in assisting the operator or owner in finding suitable storage facilities for such perishables, but all risk of loss or damage to such perishables must be upon the owner, operator, or lessee of such vehicle.

13-1524.4. **CIVIL COMPLAINT.** The City Attorney of the City shall, if no settlement is made under the next succeeding section, immediately prepare and file a civil complaint on behalf of the City for the purpose of recovering charges for the extraordinary use of the highways, streets, alleys or other public roadways of the City.

13-1524.5. **VOLUNTARY SETTLEMENT OF EXTRAORDINARY ROAD USE FEE CHARGES.** Before the complaint is issued pursuant to the preceding section, the owner, or the owner's driver or agent, may voluntarily pay the amount of the extraordinary road use fee, or may provide proof of surety coverage to ensure payment of the extraordinary road use fee, provided under Section 13-1524.7, plus any towing or storage costs. Any settlement, whether made by the owner, or the owner's driver or agent, must be presumed to be of a voluntary nature. A peace officer or a peace officer's designee is authorized to receive the settlement payment on behalf of the City. The extraordinary road use fees must be remitted to the City Auditor's office.

13-1524.6. **MAILING COMPLAINT.** A copy of the complaint must be served upon the driver or person in charge of the vehicle and a copy must be sent by registered or certified mail to the owner of the vehicle if the address of such owner is known.

13-1524.7. **CASH BOND – HOLDING.** Unless a cash bond is furnished in an amount sufficient to cover the charge for extraordinary use of highways, streets, alleys or other public roadway, as provided in the next succeeding section, together with the costs which may be collectible under any subsequent settlement made pursuant to this section, said vehicle must be held until a trial of the case can be held before the district court.

13-1524.8. **TRIAL – CHARGES.** At the trial of the action, the court shall hear testimony concerning the facts, and if it is found that such vehicle or vehicles were moved upon the highways, streets, alleys or other public roadways of the City at a weight in excess of the limitations imposed under the provisions of this section, charges for the extraordinary use of the highways, streets, alleys, or roadways must be assessed as follows:

1. The storage charges and costs of the action must be assessed; and
2. An additional charge must be assessed as follows:
 - a. One cent per pound (453.59 grams) for each pound (453.59 grams) of weight in excess of the legal limit, up to three thousand pounds (1,360.77 kilograms) of excess weight;
 - b. Four cents per pound (453.59 grams) for each pound (453.59 grams) which exceeds the legal limit by over three thousand pounds (1,360.77 kilograms) but is less than five thousand pounds (2,267.96 kilograms) of excess;

13-1524.9. **PAYMENT OF CHARGES – CONFISCATION – SALE.** If the charges and costs as provided in the preceding section are not paid immediately from a cash bond previously posted or other cash payment, the judge shall order the vehicle confiscated and sold by the sheriff of the county at a public sale to the highest bidder and the proceeds applied to the payment of the charges and costs assessed under the provisions of this section.

13-1524.10. **PAYMENT – EFFECT.** The payment of charges may not be construed as a payment for the future use of highways, streets, alleys and other public roadways of the City by vehicles carrying excess loads.

13-1524.11. **PROCEEDS OF SALE.** The proceeds of sale must be applied first to the payment of the costs of the proceeding, including any allowable attorney's and witness fees and costs, and next to the payment of the charges assessed. Such charges must be remitted to the City Auditor to be credited to the City general fund. The balance of the proceeds of any sale after the payment of costs and charges must be paid over by the sheriff

to the person entitled thereto as determined by the court, or must be deposited with the clerk of the court for such payment.

A disobedience of any restriction and any sign so posted shall be a violation of this title.

13-1526. LOAD RESTRICTIONS UPON VEHICLES USING CERTAIN HIGHWAYS. When signs are erected giving notice thereof, no person shall operate any vehicle with a gross weight in excess of the amount specified on said sign at any time upon any of the streets or parts of streets so posted.

Any person violating any other provision of this chapter, for which a specific penalty is not provided, must be assessed a fee of twenty dollars (\$20). Violating the conditions of any permit type automatically voids the permit. For a permit allowed under this chapter, if the violation is of a permit issued by a county under a home rule ordinance or the City, the statutory fee is for a violation of state law in an amount provided by this section.

13-1529. UNLAWFUL TO VIOLATE PROVISIONS GOVERNING SIZE, WEIGHT, OR CONSTRUCTION OF VEHICLES – SIZE AND WEIGHT SPECIFIED IN THIS CHAPTER LAWFUL THROUGH CITY OF HORACE – PENALTY. A vehicle may be allowed to double-park for the purpose of loading or discharging passengers, or for unloading freight when there is no alley for such purpose and no other parking space available and the freight to be unloaded is of heavy or bulky nature, but only for such length of time as is absolutely necessary for such loading and unloading, except that no merchandise or freight pickups or deliveries whatsoever shall be made from double-parked vehicles between the hours of 4:00 p.m. and 6:00 p.m. on any day except on Sundays and legal holidays and no vehicle shall double-park for such purposes between such hours.

Any person owning, driving, operating or having under his control any vehicle shall not permit the same to stand or be parked in any alley except while loading or unloading freight or merchandise. If any vehicle is left parked or standing in any alley during such loading or unloading operations it shall be located so that it does not block the alley and as close to the edge of the alley as possible.

If the alley is so narrow that it will be blocked even though the vehicle engaged in the loading or unloading operation is parked so close to the edge of the alley as possible, then, in that event such vehicle shall not be left unattended at any time.

It shall be unlawful to load or unload automobile transport trailers on any street, boulevard or public property of the City of Horace.

It shall be unlawful for any person, firm or corporation to drive or permit to be driven any semi-trailer or truck of more than one ton capacity by backing the same into a curb, unless such person, firm or corporation shall provide a person or arrange with some person, in addition to the driver, to act as flagman during all operations, and said flagman shall station himself in such a

position so that he can warn both pedestrians and moving traffic and so that the driver can back the vehicle in a safe manner.

13-1606. **PARKING LIMITS.** The owner, driver, or any other person having under their control or charge any vehicle of any kind whatsoever, shall not cause, permit, or allow such vehicle to stand or remain in violation of any properly marked or signed public street, avenue, alley, or drive.

The City Council may determine the location of passenger and freight loading zones and shall place and maintain appropriate signs indicating the same.

The operator of a taxi cab shall not stand or park such vehicle upon any street at any place other than in a taxi cab stand so designated as provided herein. This provision shall not prevent the operator of a taxi cab from temporarily stopping in accordance with other stopping or parking

regulations at any place for the purpose of and while actually engaged in the expeditious loading or unloading of passengers.

13-1617. **RESTRICTED USE OF BUS AND TAXI CAB STANDS.** No person shall stop, stand or park a vehicle other than a bus in a bus stop or other than a taxi cab in a taxi cab stand when any such stop or stand has been officially designated and appropriately assigned except that the driver of a passenger vehicle may temporarily stop therein for the purpose of and while actually engaged in loading or unloading passengers when such stopping does not interfere with any bus.
