

DANVILLE REDEVELOPMENT AND HOUSING AUTHORITY
CURFEW POLICY

Effective February 1, 2011

Numerous residents, guests, and especially unaccompanied and unsupervised minors have been in or upon the walkways, driveways, playgrounds, parking lots, breezeways, or other common areas of the property owned by the Authority during the late evening and early morning hours, thereby creating a variety of disorderly, criminal, and potentially dangerous activities which present not only a hazard to the minors, but a hazard and disturbance to other residents of the Authority, their families, and guests.

In order to alleviate this problem, a curfew is hereby imposed at all Authority-owned properties, to include the walkways, driveways, parking lots, playgrounds, breezeways, or other common areas between the hours of 10:30 p.m. and 6:00 a.m. The curfew is applicable to all residents, guests, and any other persons on the property of the Authority.

Between the hours of 10:30 p.m. and 6:00 a.m., it shall not be permitted for any person to be in or upon the walkways, driveways, playgrounds, parking lots, breezeways, or other common areas of Authority-owned properties, unless such person is using such common areas as a means of entry or exit to or from a resident unit. Any resident that violates the foregoing curfew shall be considered to have violated his or her lease and shall be subject to eviction by the Authority. Further, any resident who is the parent, guardian, or other adult person having the care, custody, or control of any child under the age of nineteen (19) years, or who allows such child to violate the foregoing curfew, shall be considered to have violated his or her lease and shall be subject to eviction by the Authority.

The Admissions and Continued Occupancy Policy of the Authority and the rules and regulations governing permitted uses of Authority property shall hereby include the foregoing provisions.
