

Road Dept. 1st Quarter 2018 Report

On Feb. 13th, 14th & 19th the road dept. installed 1754 tons of base course on Entranosa Rd west of Horton Rd and on Mar 6th we installed 150 tons of base course on Medical Center Rd. Rip-Rap was installed on Dinkle Rd west of Thunder Mountain Rd to prevent vehicles from damaging the edge of the pavement when making a U-turn from the mail box cluster on Mar. 13th. On Mar. 20th 353 tons of base course was installed on Camino Del Medio West of Entrada Del Norte. Maintenance on our gravel roads has continued along with sign maintenance and patching potholes.

Sincerely,

Norton Henninger

Road Supervisor
